Knock, knock who is there? Not a health agent.

Michael Crotts
FL Licensed Independent
Health Insurance Agent

Medicare has very strict rules prohibiting the enrollment into most products via door-to-door sales. Still many seniors are experiencing unsolicited calls and visitors. Making a decision about your health coverage is important and should be done every year, but not by someone who shows up on your doorstep or is cold calling you. At Best Plan Choice, we encourage you to find out how good a full-service health agency can be for you. We work directly with individuals, groups and communities to bring our services to you, at your request.

During the annual enrollment season for Medicare health coverage (Oct 15-Dec 7) we host seminars with free coffee and dessert (see our enclosed insert or call 855-BOOMER65). Throughout the year, we are available to present every available plan, assist you with customer service issues or become your agent if you need one.

Are you debating if you need Medicare Part B? We can show you how to save money on your Part B premium each month. Do you need financial assistance? We can help you apply for Medicaid or extra help for the high pharmacy costs you may have. Is your spouse still working to provide health insurance for you? We may have options which will start their retirement sooner. We will provide a complete needs analysis during a personalized appointment so you can make the best plan choice for you. As always, our services are without charge or cost to you. Call us at Best Plan Choice, where Clients become Friends, and Friends become Clients!

From the HOA PRESIDENT'S DESK

By the time you read this the seasons will have changed. Our Northern friends will be back. Costumes, pumpkin carvings and a golf cart parade will light up the darkening evenings. We will sit around and imbibe strange alcoholic concoctions in the cooler gathering shadows, talking to our friends about events of the past summer.

Hurricane Michael will be gone but not forgotten. We will vote for our elected representatives in Florida and in the U.S. Congress.

We will sit in our warm lanais, watch people shoveling snow, and smile.

Ah, Florida in the winter!

Experience an Old Florida Christmas at Cracker Country

Submitted by Tom Watson

Looking for something to do? Visit the Florida State Fair Ground - return to the 1800's way of life. This is a very educational event, why not make it a day to get out and enjoy our history?

How did rural Americans celebrate Christmas before malls, e-cards and twinkly electric lights? Experience a 19th century Florida *Christmas in the Country* at Mildred W. and Doyle E. Carlton, Jr. Cracker Country at the Florida State Fairgrounds. *Christmas in the Country* will take place Saturday, December 08, 2018 from 10:00am – 4:00pm.

Cracker Country is a living history museum that represents aspects of home life, commerce and transportation as it was in many rural Florida communities just before the turn of the 20th century. During *Christmas in the Country*, guests can stroll through the four-acre complex and experience seasonal décor, music and traditions in 13 original buildings, including a train depot, historic homes, general store, post office, blacksmith shop and more. Guests can create holiday keepsakes like salt dough ornaments, beeswax candles, sachets and cornucopias, and help with the everyday chores like churning butter and cleaning laundry with an old-fashioned washboard.

Christmas in the Country also features an exhibit of Victorian holiday cards, which became popular in America in the late 1800s.

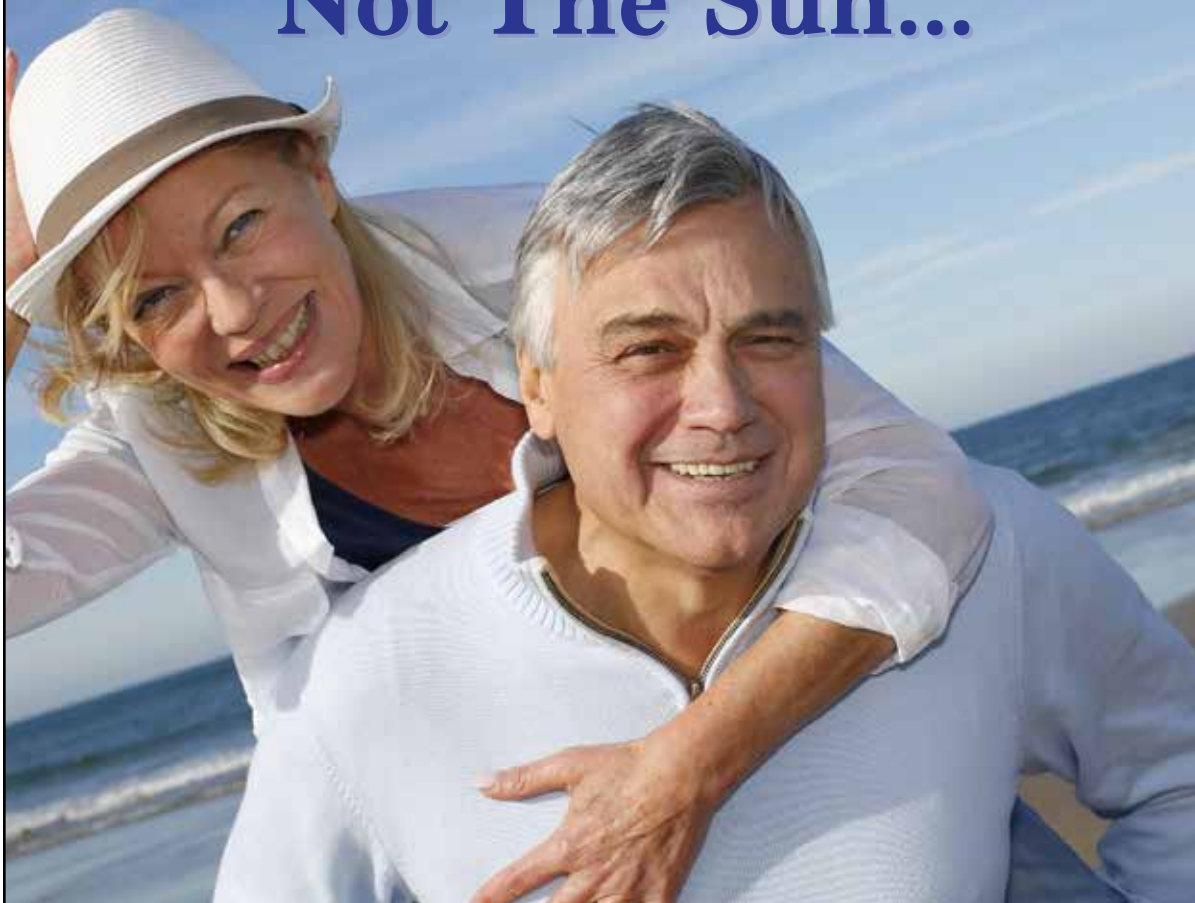

Trail Dogs Bluegrass Band will perform onstage throughout the day.

Admission to *Christmas in the Country* is \$8 for adults, \$7 for seniors and children ages 6-12. Scouts in uniform receive a discounted admission of \$6. Children 5 and under admitted FREE. Parking is \$8 per car, \$15 per bus or RV. Please enter the Fairgrounds via the Martin Luther King Jr. Boulevard entrance.

Mildred W. and Doyle E. Carlton, Jr. Cracker Country is located on the Florida State Fairgrounds, 4800 Highway 301 North, Tampa, FL 33610.

American Culture

By Kenn Brody

IITS is a microcosm of the American culture.

In the United States, residual loyalties have given way to a unique culture. We involve ourselves in clubs, social groups. Lions, Moose, Masons, church committees, etc. etc. Practically everyone gets to be an elected leader, president, chair, director of something at some point on our lives. We make our rules and voluntarily agree to them. There is no royal privilege with these offices. We are just citizens with a job to do. We pass on the offices to our elected successors. We vote, we make our own rules. This is our culture, our substitute for tribalism, the essence of the American way. It's an ordinary everyday exercise for us.

This American culture is the binding spirit of the American experience. We expect it. We take it for granted. Few realize just how unique this is in human history or even in the present day.

That is not true in the EU, Asia, or most places in the world. Loyalty generally overrides everything. Position is authority.

It's more than just participating in committees.

In order to vote well we have to be informed, to make our own judgments based on facts, issues and outcomes. Facts must be separated from rumors. Issues have to be decided on something other than on how many Facebook friends you have.

Education is something you can never stop. It is ongoing and essential to the democratic process.

So, we are running Town Hall meetings and "Keeping IITS Informed" talks and open HOA meetings. We have this publication. When I walk Scupper, residents often approach me with a question about some issue. I stop and talk to them.

Is the American culture dying? People do not want to volunteer any more. They don't bother to vote or show up at meetings. They don't understand issues, but cluster about unfounded opinions in social media. It has never been true that all opinions are equal. Well-founded opinions are so much more preferable to random choices. How can you vote on important issues if you have never taken the time to understand them?

Please, understand that what we do here for 600-some-odd people is a deep part of our binding culture. It's American (and North American). It's important, and it cannot be allowed decay.

Ladies Luncheon

By *Sudie Borders*

As Summer grew to an end it was time to celebrate once more!!! The Lovely Island Belles dined at Julian's Little Italy on September 20th. This was a lovely little place surprisingly tucked away in a strip mall on Patricia Avenue in Dunedin.

As the name indicates the cuisine was definitely Italiano. The decor had the whimsical appeal of an old Italian village. Soups, salads, meatballs, sausages, pastas...so many choices. Our waitress had a great personality and was very efficient! Makes all the difference in a good dining experience

Betty Menke was the winner of the door prize which was donated by Jan and Cindy (hurry back down girls!!). All the Lovely Belles were winners as well. Helen Dennison graciously bought our lunches...such a nice surprise.

Soon our numbers will swell as our Northern Friends return. The more the merrier as we enjoy our fellowship with the wonderful ladies of IITS.

We gather every month on the 3d Thursday at 12 noon. Sign up sheet is in the Activities Book at the Clubhouse. If you have questions call me @256-399-7478.

Activities Report – November, 2018

Tate McIntyre

The Activities Committee creates and organizes official HOA activities. This Report documents those activities. The Board approves these activities and the associated expenses.

Anything that is not on the IITS premises or does not require HOA approval is not part of the Report.

Once again, Larry Taylor, #296, had surgery on his leg. Staph infections are very stubborn. As of today, 10-10, Larry is at home resting and recuperating. Also, he needs to gain a few pounds. Lucky for him he has a wonderful caregiver and fabulous cook named Kris, who will give him the TLC he needs. Good luck to you both.

Fred Finkbiner, #83, has passed away – pancreatic cancer – I’m told. Fred was a snowbird from Palestine, Illinois.
