PRESIDENT'S LETTER

by Chris Green

Hello from behind the elephant ear! Talk about tough ol' birds - thank you so very much for hanging in there for the General Mtg. It was a beaut. 6 months between the last and this left so much to discuss, but most everyone stayed awake. Paula and Marshall are going to be very busy transcribing and keeping us posted.

Please keep an eye on our Bulletin Board- tons of fun is planned. By the way, bakers - **START BAKING THOSE COOKIES!**

Is it already time to write our Holiday Cards? Start decorating? Pull out the boots? (Oops I don't do that anymore!)

I became aware of something interesting: our Northern Family usually brings the cool weather back and take it when they leave. Not sure how I feel about that.

Anyway, lots for all of us to do so, Let's Just Do It ALL !
Thanks again for your support

CHRISTMAS PARTY - DECEMBER 15th

by Jeanne Steigerwald

"Save the Date Japanese Garden Christmas Party 12/15/18"

T'was two Saturdays before Christmas...
When all through the Clubhouse,
Not a creature was stirring,
Not even a mouse.

The Eggnog was cold
And wine glasses bare
In hopes that neighbors
Soon would be there.

Friends and neighbors were nestled
All snug in their beds,
While visions of drink and laughter
Danced in their heads.

And the food table was ready
And the roasters galore.
Let's eat, dance and be Merry
'Til we fall on the floor!

Please save the date - it's bound to be a ball!! December 15, 2018!!
Any questions call Jeanne Steigerwald 216-570-5456!!
Thanks!!

By Kate Steigerwald

On Thursday October 25th, a small group of residents gathered for the first crafting event this season. We decorated Halloween masks, had desserts and enjoyed each other's company. In other words, lots of fun!

We are hoping to see many of you as we continue our monthly craft lunches. If there is a project you are just itching to do, or some techniques you'd like to experiment with please call me or Jeanne. We'd love to hear your ideas. We will also be soliciting feedback at the next event.

Stay tuned to see what we will be up to in December!

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

JAPANESE GARDEN SHIRTS

by Judi MacAskill

I have been approached to see if it would be possible to order polo/golf shirts with the Japanese Garden logo again this year. Last year, in addition to the navy and light blue, we also ordered red which everyone really liked.

I will place the order earlier this year so the shirts can be **delivered in time for the Rummage Sale on January 12th**. The minimum order is for 12 shirts so hopefully there will be enough people that want one to place an order.

IMPORTANT: CUTOFF DATE TO PLACE ORDER WILL BE DECEMBER 16th AND I WILL PLACE THE ORDER WITH THE PRINTER THE NEXT DAY.

For your information - These are good quality shirts made of ultra cool and dry fabric.

Desserts: Just the right amount of decadent delights and strawberries.

Decorations: The mood was set with a spooky creepy theme. Pretty much not one inch wasn't covered! The decorations were provided by the Social Club and Me. Thank You to **Bob, Janet, Nancy & Gil** for your hard work. While **Nancy & I** arranged and set the tables, got the ice, soda, water, desserts and all those special details just so... **Gil, Bob and Janet** were up and down ladders creating for *hours and hours!* And then came back the next day to for clean up!!!! **Please make a point to thank them all!**

Thanks to **Becky Collins** for selling the tickets and keeping me updated. Thanks to **all of you** for coming, helping clean up at the end of the party and making it all worth it for me!

BOTTOM LINE: We made almost \$500 including 50/50 for the Social Club. Gave away \$245 in gift cards which I got donated. I was the **Gypsy Fortune Teller** and my prediction was right! **We had a Blast.** Nearly everyone made a point to tell me how much fun they had! That feels great. Be sure to tell **Gil, Bob, Janet and Nancy** too!

JAPANESE GARDEN "COMMUNITY GARDEN"

by Sandy Rassmussen

Longevity spinach

This is a very low maintenance, fast growing herb/vegetable that can be grown indoor and outdoor. The purpose of this plant is to incorporate it into your diet for a healthy life as many generations of African and Asians have done traditionally. It can be consumed as a vegetable, or used as an herbal dietary supplement to promote healthy levels of blood glucose, cholesterol, blood pressure and your overall wellness.

The leaves are picked for salads, soups, or sautéed to make a dish. They can also be made as tea and extract.

Just keep in mind that this is just like any vegetables you buy at the market except the *Gynura Procumbens* is more dense in nutritional and medicinal properties. Be creative like you would with any vegetables and you'll create dishes you enjoy with this miraculous plant!

ALUMINUM CANS = DOLLARS

by Bet LeBrun

Did you know that every time you put an aluminum can in a recycle bin, someone else gets money for it? It may not be much if you only recycle a couple of cans but in the long run, it adds up.

For instance, if we were to take all the empty aluminum cans after an event at the Japanese Garden Clubhouse, crush them, accumulate them and then bring them to a recycling depot, we would get money for doing that! (I'm more than willing to bring them to the depot.)

It may not be a whole lot (1000 cans will net about \$12 - \$15 as scrap aluminum) but whatever dollar amount we get, it's free money.

A cage WILL NOT be located where the recycle dumpsters are.

Call TERRY at 727-365-7760 to arrange a pick-up for your cans.

(He will crush and bag them.)

In order to minimize the risk of ants, insects, rodents, etc.,
PLEASE RINSE THE ALUMINUM CANS BEFORE HE PICKS
THEM UP.

(Thank you for doing this!)

Come one folks - help YOUR Social Club make some extra money!

SOCIAL CLUB MEMBERSHIP

by Carolee Kingsbury

It is that time of year again. The price of membership to the Social Club has changed to \$10.00 a year. If you haven't joined by January 2019, you will have to pay the extra \$3.00 price per event. I am at Koffee Klatch every Saturday, or you can try me at home 727-223-3041. The dinners are free if you are 90 years old or over but you have to join the Social Club for it to be free. Thank you.

JG TELEPHONE DIRECTORY

by Gene & Anita Francoeur

Yes, it's that time of the year for the phone directory to be updated. I posted a copy of both the alphabet and the numerical portion of the directory on the Bulletin Board.

All are invited to determine the accuracy of the content. You may make changes next to your own info. Other ways to let me know if there are any adjustments is to email me at gfranco2@maine.rr.com or drop off a note with the correct info at 2634 Butterfly.

PLEASE - NO PHONE CALLS!

We will be back in the park December 28th and will start to submit this year's info to the publisher early and maybe get the new directory sooner than the past year.

The Election Committee will be announced in December and will be accepting "Letters of Intent" after announcement.

SHUFFLEBOARD

by Sandy Rassmussen

Shuffleboard continues on Tuesdays at 7pm, we have been playing and enjoying each others' company for an hour or two each week. All are invited, single or doubles, you do not need to know how to play. A big thank you to Mark Rassmussen & Betty Harrison for making sure the courts are groomed well before we play and that everything is cleaned up and put away at the end!

BIRTHDAYS & ANNIVERSARIES

by *Bet LeBrun, Editor DOMEI*

Birthday this month
Jan Sullivan

December 28

Happy belated birthday to Marcelle Rouse November 11th

Happy belated birthday to Florence Miller November 12th

Let's face it, all of us have birthdays and some of us also have anniversaries. Some people like to celebrate their birthdays and anniversaries with a huge crowd, others not so much.

BUT...like it or not, there is ONE day a year that goes by when we have a birthday and/or anniversary and it would be nice if people were aware of when your special day is. Receiving a phone call, a text message, a greeting card or even a visit from someone that knows it's YOUR special day always is appreciated.

None of us likes getting old but it's a fact of life and there's nothing we can do about it - so we may as well make the best of it and have fun.

That is why I would like to start publishing birthdays and anniversaries in the DOMEI. I don't need the year you were born - just the date. I will publish a list every month of those who have an birthday and/or anniversary for the upcoming month. (Examples: John Jones Birthday August 8; Bryce & Shirley Johnson 49th wedding anniversary August 20) The August DOMEI would have a list of those with AUGUST birthday and/or an anniversary.) And let's not forget milestone birthdays! Turning 60, 65, 70, 75, 80, 85, 90, 95 or even 100 is something to celebrate.

If you wish to participate, send me your name, event date of birthday or anniversary at jgdomei@hotmail.com - you can send it now even if your special day is celebrated in another month as I would like to start compiling a list a.s.a.p.

C'mon folks - it won't hurt a bit!

BETTY CROCKER...NOT

by Judy "Georgia" Carter

As a young bride, who had never cooked when I was growing up, I have several sad meals I would like to share with you. My mother did not work when my two sisters and I were growing up, so she did all the cooking and the three of us washed, dried and put up the dishes. One of my sisters, I won't say which one, always had a stomach ache right after we finished supper. She would directly to the bathroom and would appear just as we finished doing all the dishes... I still love her though.

Growing up in the Garden City, a great community where you knew everybody there and went to the same church as most people, young girls were given great bridal showers.

I received six toasters, three coffee pots, large amounts of silver, crystal, and china, electric frying pans, two waffle irons, and on and on and on. I had everything to cook up a storm. The only thing missing was "how to cook". We moved to Athens, Georgia, in 1959 and set up housekeeping.

I remember my mama making fried chicken and wonderful brown gravy to put over the rice. I had watched this several times. I actually got the chicken fried and then started to make the gravy. Keep in mind this was only for two people. I poured the grease out of the black frying pan with just enough left to make gravy. I put flour into the grease and stirred, so far so good. Then I added the water, oh no - too much water - add more flour, oh no, too much flour. I had to get a pot out because there was too much gravy for the frying pan. Now I had a frying pan and a pot going, but the gravy is still too thin. Add more water, add more flour... you get the picture. I now had three pots and one frying pan of some type of odd color gravy. I knew the color was not good so I looked for anything brown to add some color... soy sauce was what I used.

Then I called my husband in for our first dinner. We had overcooked chicken, four pots of soy sauce type gravy and rice. The rice was still so hard it was barely edible. Bless his heart he ate it and so did I, but the first thing the next day I went to buy a cookbook. Also, I made many long distance phone calls home to my mama for cooking advice.

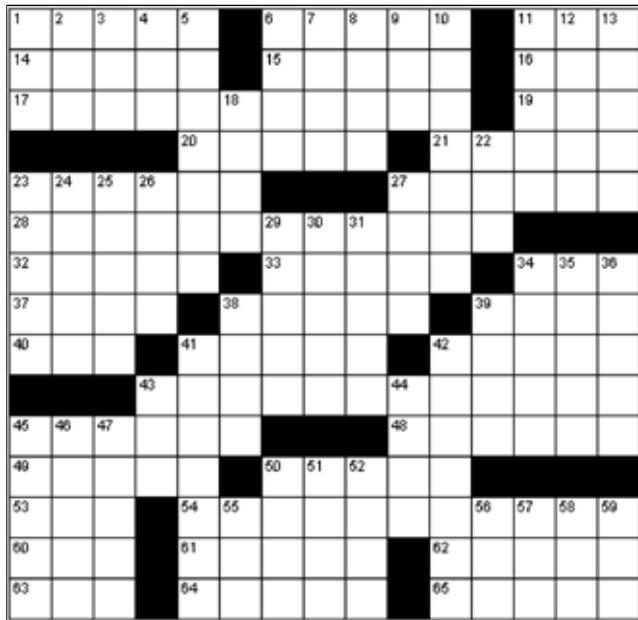

Thanksgiving was coming up, and I remembered that mama cooked her turkey about six to eight hours each year. I figured for just two people I would not need a large turkey, so I bought a small chicken. I got up Thanksgiving morning and put the chicken in the oven for six hours at 375 and was so excited over the big meal I was preparing.

About the time I figured the chicken was done I opened the oven and black smoke hit me in the face. A horrible sight was before me. The chicken was about the size of a golf ball and was as black as a piece of charcoal. After much crying and cleaning the oven, we had a bucket of KFC. As years went by, I got better, thank you mama and Betty Crocker Cookbooks.
