LETTER FROM THE PRESIDENT

BY NOREEN ADAMS

During my brief time as president, I have had a crash course in the by laws and intricacies of the social club traditions. And of course, Roberts Rules of Order, in meetings as new ideas are presented and dealt with accordingly.

From my first board meeting as president, in this past December, until my second board meeting in January, we have accomplished much.

A few items are,

Changing the starting time of the koffee klatch to 9am, this resulted in massive numbers of volunteers for koffee prep for the next three months. This change also resulted in attendance rising from 15 at 7;30am to over 50 at 9;00am!!!

We have also begun posting meeting minutes on the clubhouse bulletin board as well as making a copy of the Social Club by laws available for each club member to read.

Of course, our own Marshall Giles and his team, implemented our Social Club website that works in conjunction with channel 96, the Domei and the clubhouse bulletin board.

And, finally, appointing a nominating committee for our upcoming elections on Feburary.

It has been an education and an honor to serve you. I think this would be referred to as "short timer" with a busy month.

GOODBYE

Noreen Adams

By the time you read this, my short term as president will have expired. My sincere congratulations to those who have been selected for the various positions. You will find the experience rewarding, educational, and very challenging.

Congratulations, I wish you well.

ITS A WINNER!!

BY NOREEN ADAMS

Congratulations to our new resident Bonnie Moen, who won the \$100. Monthly Mania. What a great way to start the New Year!!!!

NEW YEARS EVE CELEBRATION

Noreen Adams

A new year, a new beginning, a new life, a new chance, new choices, new friends, new events, new perspective. The list goes on ad infinitum. I and I'm sure you have your own list.

A group of the nearest and dearest supporters of the Social Club, and friends joined us on New Years Eve, to bring in the New Year. We sorely missed those who were unable to join us due to extenuating circumstances, and send them our best wishes of recovery. The evening began at 8pm and was to end at 1pm, but even after the traditional toast to the New Year, the dance floor was still full until well after 2am.

Ladies in elegant dresses and sequined shoes, manicures and pedicures, jewelry, make up, and well coiffed. No detail was ignored. The gentlemen, dressed according to the occasion, overpowering the sparkling decorations.

A return performance by Tim Wilkins provided a variety of wonderful music that left no time to rest. What a great work out. Thank goodness for the waltz or slow dance that provided a welcome respite.

After door prizes and the winning 50/50, the dancing continued.

I think it fair to say, "a great time was had by all" and we look forward to seeing you same time, same place, next year.

However, none of this would have been possible without great helpers such as Doug Falcone, the effervescent new resident "Jo-Jo", Joanie Corbett, Marcelle Rouse, and Becky Collins.

My sincere thanks to all.

REMEMBERING A GREAT LADY

BY PAT O'DONNELL

To celebrate Shirley's O'Donnell's life, a memorial service will be held Feb. 7, 2015 at Sylvan Abbey Cemetery at 10:00 AM and a luncheon at the Japanese Garden Rec. Center following. My Mom was a great Mom and a great friend to me and many other people. As a couple my Mom and Dad loved this park! I hope to continue that dedication.

SOCIAL CLUB, BREAKFAST & MEMBERSHIP DRIVE, DEC 6 2014

BY PAST PRESIDENT SUE GANG

We had 93 residents attend our Social Club Breakfast event at the clubhouse. The delicious breakfast consisted of sausage, gravy, biscuits, eggs and hash browns grits. We collected 137lb of food for RCS food cupboard. The meal was free. Members just brought a non perishable food item to donate. The annual event was put on by the board of directors of the Social club. Thanks to everyone who attended and donated. See you again next year. At the same time Ed Lee was busy signing up members for the 2015 season.

We encourage all Social Club Members to attend this important meeting, and if you have not paid your 2015 dues please do so before the meeting since I will not be accepting dues at the General Meeting. Only members whose dues are paid for 2015 will be eligible to vote or run for Office.

RUMMAGE SALE

MARCELLE ROUSE

Rummage Sale 2015 is now behind us and I would like to thank everyone for making this event a huge success!

Thank-you to the volunteers who set up the rooms, the drivers and loaders who picked up the donations, the sorters and runners, and the volunteers who were at the sales tables and packed up afterwards, you worked so very hard. Thank-you also to all the bakers who gave so generously to the bake table and to those who supplied the delicious food for our lunches. A special thank-you to the kitchen crew, Charlotte, Sue and Carolee who organized the lunches

Thursday and Saturday and came in at 5:30a.m on both days, making sure the coffee was ready for us at 7:00a.m.

A huge thank you goes out to Steve Lyle, our manager for all his help, for putting up the signs and taking them down, for his tables and the dumpster and for being at our beck and call whenever Frank Darche called him. The best thing was that he took care of cleaning the rooms, a very welcome bonus after four busy days.

Thank-you once again from the bottom of my heart to all the volunteers who gave their time. I could not have done it without you so congratulate yourselves on a job well done!

EDITOR'S CORNER

Once again folks, a reminder about speeding in our park. The speed limit is posted at ten miles an hour. Every one knew this when they moved in. If you want to live here, then observe the rules. If you are unhappy with our rules then find another park with a higher speed limit. Very simple. Modern autos are very quiet and folks walking might not hear fast moving vehicles until it's too late. The same goes for golf carts, they are also very quiet and most are capable of exceeding ten miles an hour. Golf carts are required to also follow the

rules. So, a word to the wise. Also some folks are still leaving the pool doors open creating a dangerous condition for visiting small children who might wander off. Let's all make an effort to keep our park safe for everyone.

Some smokers are using our park for their personal ashtray. C'mon folks, have some respect for our beautiful park. If you smoke outside, that's fine, but do have the courtesy of picking up your butts and bringing them home or putting them in a receptacle at the laundry, after making sure that they are out. Don't leave that chore for somebody else to do. We all live in this park together. Let's all do our part toward keeping it presentable and safe.

MANAGER'S CORNER

BY STEVE LYLE

Please, do not allow solicitors in your home. Soliciting is not allowed in our park. Tell them to leave and immediately report it to the management. We had a resident get taken for \$450.00 worth of worthless meat last month. Don't be the next victim. Now, to you residents that think this park is a racetrack, slow down. It won't be funny if you hit someone. Speed limit is 10 miles an hour not 25. This has gotten out of hand and needs to be stopped. Don't forget to update your leases and emergency information. It's very important that we have it on record. Many times we need it for an emergency and whom to contact. Some of your homes do not have a house number showing. As a result we had an ambulance go to the wrong house. We now have an office gmail. jgardensfl@gmail.com, also, there is someone in our office Monday, Wednesday and Thursday from 9:00AM – 4:00PM. If you need something, I am always around somewhere in the park or just call the office and leave a message. My cell is on 24 hours a day. **JUST A THOUGHT.** Did anybody ever notice how well everyone works together during our annual rummage sale? Isn't it great? Let's do it at all our functions. Get in there and volunteer, don't be shy. We need more than the same people volunteering. It's for Everyone to have a Great time.

A NOTE FROM STEVE LYLE

As most of you know my wife Linda has terminal cancer stage 4. She has a lot of good days and some up, some down, but, is doing very well considering. We want to thank everyone for all the cards and prayers. They seem to be helping her very much. She doesn't get to the office anymore but you will see her now and then taking a ride on the golfcart or sitting outside on our front porch watching the folks go by. Your welcome to stop and visit with her. We have been married for 46 years and she is the love of my life. Again, I want to thank everyone for all your thoughts and prayers.

SUPER DANCE PARTY

BY ELIZABETH M. WOOD

Our first Super Dance Party of the New Year on January 11, 2015 had a very good turnout of 19 dancers! We learned some simple dance steps and danced to many of our favorites, the Cupid Shuffle, the Twist, and the Stroll. We did an easy polka, the Beer Barrel Polka, and also learned a new waltz, Love Lifted Me, sung by Scooter Lee. Everyone danced very well and all had a wonderful time. We hope to see everyone again on Sunday, February 8, at 6:30 PM. All are welcome.

Please call Elizabeth Wood at 727-459-6434 or email at elizwood01@aol.com for more info.

MONDAY MORNING LINE DANCING

BY DOROTHY TRUEMNER

We had our first of season line dancing class on Monday January 5th. It was well attended and really great fun indeed. There were beginner dancers learning new steps at the 9:30 “new dancers” class. The many experienced dancers did quite well at the 10:00 “regular dancers” class. The line dancing classes are not only great fun but social event and great exercise for keeping one’s self young at heart. Also, we are looking forward to performing during intermission at Frank and Rosemary’s Country Dance on Saturday January 31.

LIFE

BY JOE WALKER

You and I will not know what they thought, we have only our thoughts as we watch the change today. Here we are now... And the only thing we are all sure of is that some time, in the future,, people who are not yet born, will watch the Calendar change, perhaps to 2115 and wonder what did those people way back in 2015 think?

Most of us live our lives believing that we have many, many years to live, for some that maybe true,, we just don't know,, Here we are now, and I don't know what others may think, but me,, I know that time and the changing Calendar will see us disappear and new eyes will watch the changing date. So today,because I am here now,I just want to tell all of you who are reading this that I want you all to have a wonderful 2015, may it be the best year you have seen in your lives thus far, may you be healthy,find peace in yourself, chose happiness over sadness, and love those who are your family and friends. Here we are now,enjoy.

ROMEO CLUB LUNCHEON SCHEDULE

BY JOE WALKER

The ROMEO Club (Retired Old Men Eat Out), will continue the practice of meeting once a month at different area restaurants on the 3rd Thursday of each month from October to May. Any male resident of the park, (or their male guest), is invited to attend. A sign-up sheet will be posted on the Club House Bulletin Board around the 1st of each month and will identify the selected restaurant for that month. Please mark your calendars and sign-up at least 2 days prior to the luncheon so that reservations can be confirmed.

It would seem logical to believe that the people who lived before we did looked at the Calendar and noted when the year changed.. Here we are now,, that Calendar in our life times is changing to the year 2015,, in the past, those who were there watched it change to 1563, or perhaps to 1776, or even 1903. Those people are all gone,, the eyes that watched those changes in the Calendar are no longer alive..I wonder what thoughts they had as they watched this change.?

BOSTON RED SOX SLUGGER TED WILLIAMS

BY MARTY MEALEY

Try to imagine what it may be like in another 100 years.
For you guys that remember him - you may not know this about him.

When asked to name the greatest team he was ever on, Ted said, "The US Marines". Ted Williams was John Glenn's wingman flying F-9Fs in Korea. I didn't know this about Ted Williams.....

Ted Williams was John Glenn's wingman on F-9Fs in Korea.

The Boston Red Sox slugger who wore No. 9 as a major leaguer, would now be assigned to an F-9 Panther jet as a pilot. Ted flew a total of 39 combat missions in Korea. He was selected by his commander John Glenn (later the astronaut, senator, and 'septuagenonaut') to fly as Glenn's wingman.

While flying an air strike on a troop encampment near Kyomipo, Williams' F-9 was hit by hostile ground fire. Ted commented later: "The funny thing was I didn't feel anything. I knew I was hit when the stick started shaking like mad in my hands. Then everything went out, my radio, my landing gear, everything. The red warning lights were on all over the plane." The F-9 Panther had a centrifugal flow engine and normally caught fire when hit. The tail would literally blow off most stricken aircraft. The standard orders were to eject from any Panther with a fire in the rear of the plane. Ted's aircraft was indeed on fire, and was trailing smoke and flames. Glen and the other pilots on the mission were yelling over their radios for Williams to get out.

However, with his radio out, Williams could not hear their warnings and he could not see the condition of the rear of his aircraft. Glenn and another Panther flown by Larry Hawkins came up alongside Williams and lead him to the nearest friendly airfield. Fighting to hold the plane together, Ted brought his Panther in at more than 200-MPH for a crash landing on the Marsden-

matted strip. With no landing gear, dive brakes, or functioning flaps, the flaming Panther jet skidded down the runway for more than 3000 feet. Williams got out of the aircraft only moments before it was totally engulfed in flames. Ted Williams survived his tour of duty in Korea and returned to major league baseball.

Psst: Ted missed out flying combat missions during WWII, because his flying and gunnery skills were so good that he was kept as an instructor for much of the War. During advanced training at Pensacola, Florida Ted would accurately shoot the sleeve targets to shreds while shooting out of wing-overs, zooms, and barrel rolls. He broke the all time record for 'hits' at the school. Following Pensacola, Ted was sent to Jacksonville for advanced gunnery training. This is the payoff test for potential combat pilots. Ted set all the records for reflexes, coordination, and visual reaction time. As a result of his stunning success he was made an instructor at Bronson field to put Marine aviation cadets through their final paces. By 1945 Ted got his wish and was finally transferred to a combat wing, but weeks later the War was over. He was discharged from the military in December of 1945. Seven years later, in December of 1952, Ted was recalled to active duty as a Marine Corps fighter pilot.

FOOD FOR THOUGHT

BY MARTY MEALEY

Light travels faster than sound. This is why some people appear bright until you hear them speak.

We never really grow up, we only learn how to act in public.

War does not determine who is right - only who is left.

Knowledge is knowing a tomato is a fruit; Wisdom is not putting it in a fruit salad.

The early bird might get the worm, but the second mouse gets the cheese.

To steal ideas from one person is plagiarism. To steal from many is research.

Dolphins are so smart that within a few weeks of captivity, they can train people to stand on the very edge of the pool and throw them fish.

I thought I wanted a career, turns out I just wanted pay checks.

Whenever I fill out an application, in the part that says "If an emergency, notify:" I put "DOC-TOR".

I didn't say it was your fault, I said I was blaming you.

I saw a woman wearing a sweat shirt with "Guess" on it...so I said "Implants?"

Why does someone believe you when you say there are four billion stars, but check when you say the paint is wet?

Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.

Behind every successful man is his woman. Behind the fall of a successful man is usually another woman.

A clear conscience is usually the sign of a bad memory.

You do not need a parachute to sky dive. You only need a parachute to sky dive twice.

Always borrow money from a pessimist. He won't expect it back.

A diplomat is someone who can tell you to go to hell in such a way that you will look forward to the trip.

Hospitality: making your guests feel like they're at home, even if you wish they were.
Money can't buy happiness, but it sure makes misery easier to live with.
I discovered I scream the same way whether I'm about to be devoured by a great white shark or if a piece of seaweed touches my foot.
There's a fine line between cuddling and holding someone down so they can't get away.
I used to be indecisive. Now I'm not sure.
To be sure of hitting the target, shoot first and call whatever you hit the target.
Nostalgia isn't what it used to be.

It was really nice to have three tables tonight but we just played three rounds instead of four as it was getting late. Jeanne Cavanagh was first with 2860 and Chuck Edmonds was second with 2530. They also had the high round with 1470. Rosena Hussey was third with 2220 and Joann Edmonds was fourth with 2050.

Too close to Christmas for three tables so we just had one table. Cathy Whyte was first with 3540 and Diane Charlebois came in second with 3320. She and Rosena Hussey had the high round with 1250.

Dec. 30

KETCHUP

A woman was trying hard to get the ketchup out of the jar.. During her struggle the phone rang so she asked her 4-year-old daughter to answer the phone.. 'Mommy can't come to the phone to talk to you right now She's hitting the bottle.

MORE NUDITY

A little boy got lost at the YMCA and found himself in the women's locker room. When he was spotted, the room burst into shrieks, with ladies grabbing towels and running for cover. The little boy watched in amazement and then asked, 'What's the matter, haven't you ever seen a little boy before?'

POLICE # 1

While taking a routine vandalism report at an elementary school, I was interrupted by a little girl about 6 years old. Looking up and down at my uniform, she asked, 'Are you a cop? Yes,' I answered and continued writing the report. My mother said if I ever needed help I should ask the police. Is that right?' 'Yes, that's right,' I told her. 'Well, then,' she said as she extended her foot toward me, 'would you please tie my shoe?'
