FROM THE EDITOR

By Carolee Kingsbury

From the Editor

I have to say things seem strange not having a clubhouse. Dick and I miss Saturday morning coffee, donuts and friends. You don't realize how much your life is governed by events at the clubhouse. (Cards, dinners, books, puzzles, etc.) Now "Alexa" tells us when to take our pills, when to bring the dog to the dog park, and when to wake up from our nap in the afternoon.

We use to go out to the dog park in our golf cart twice a day. Now we take another ride in the afternoon. It is not just the dog park anymore (although that is important). We go out now to see and talk to other people in the park. Many times we are successful but there are times when there is **NO ONE** around. That makes me sad because I am a people person. Now, I don't mean you should gather in groups. How about putting a chair in your driveway so those of us riding in our golf carts or walking can say "Hi" and we can see you are OK.

Dick and I "plan " on leaving for Connecticut sometime in May. With not knowing when the clubhouse will open, I will need some help with articles for June. If events are going to or have started up, then please send me the info. Otherwise, send me something happy. Not too long. Maybe how you keep busy or some creative idea or project you have started that might be of interest to others. Or something different we can cook if it is not too complicated. I know I am in a chicken-beef rut. Please do NOT wait until the last day to send it to me. My fingers can only take so much.

I want to thank Bet LeBrun for all the hard work on the Domei. She and Terry will be missed. Call me at (860-990-0253) but leave a message.

I don't always answer "strange" phone #'s, or use my email . Stay safe.

PRESIDENT'S LETTER

By Christine Green

Hello Everybody. I sincerely hope all is well with you and yours. Seems like only yesterday that we were dancing to the music of Soundwaves at the end of the rainbow in our pot o'gold known as the clubhouse.

I haven't had a chance to thank Rene & Ed, Myrna & Moe, Katrina & Terry, the Sullivans, the Gudszenties, and Nancy Catucci for the hard work they put in decorating for this glorious event nor have I had time to thank Linda and Susan a million times for cleaning the kitchen.

Please remember all the good times we have shared as we pray for them to continue sooner that latter.

Stay Safe dear friends

WE CARE

By Dorothy Ravener

Please keep Joe Martell in your prayers. Get well wishes were sent. Kathy Troll is OK and finishing up her current treatments.

GREETINGS FROM CANADA !

By Bet LeBrun

I would like to take this opportunity to address the Japanese Garden residents, my friends, my acquaintances, my neighbours. (Yes there's an extra letter in the word "neighbour" - I'm Canadian)

The month of March was somewhat chaotic for me. At the beginning of March, I took my little Angie to the vet only to find out she had an ear infection in one ear and a ruptured eardrum in the other. The next day, Terry and I hosted our last event: Hands Across the Border on March 7th. (What I didn't know at the time was that the April DOMEI would be my last one I would submit.) The last Super Bingo was March 12. On March 13th, our Canadian insurance issued a statement to its clients and told them they had 10 days to return to Canada so I started to pack. Andie's ears healed but she took a turn for the worst and went into congenital heart failure. We had to euthanize her on March 16. Most of you knew we were trying to sell our home and the sale occurred on March 17th with closing date of March 18. We kept packing for our return North (target date March 23) as well as packing our belongings for temporary storage until we can return to Florida and decide what we will do. We picked up Andie's ashes on March 19 and she was able to come home with us as we left Saturday March 21, drove 1,450 miles and arrived home at 10:45pm Sunday March 22. We were self isolating for 14 days and then only going out for groceries once a week. Our world is forever changed.

During the 12 years I was a Japanese Garden snowbird resident, I volunteered and took part in quite a few activities. Being editor of the DOMEI, I met some amazing people along the way and they will forever be a part of my life. I've also lost many dear friends and acquaintances who passed through the years. Being on the Board of Directors for 3 years gave me the opportunity to voice my ideas as did being a member of the By-Laws committee. The 6 years that I ran the Super Bingo, I managed to give away over \$17,000 in bingo prizes. Organizing the Rummage Sale 2 years in a row gave me the opinion that JG residents are very generous in their donation of items. Spearheading the Can Crushing to bring in some extra money for the Social Club - of course this couldn't have happened without Terry's help. To this day I still would never want the SC President's job. (Sorry Chris)

Like I said, our world has forever changed in the past several weeks. This global pandemic has affected each and everyone of us in some way or another. We can no longer gather for "wine time" down at the bay or under the carport at one of our friends. Hugs are out of the question. Social distancing by 6 feet is now norm. Wiping down grocery carts and wearing nitrile gloves

JAPANESE GARDEN DOMEI MAY, 2020 C

for fear of catching this deadly virus. Wearing a face mask to prevent being infected. Each county, state/province and municipality has one goal and that is to eradicate this virus. And we will.

I am asking each and every one of you to follow the regulations: STAY HOME, STAY SAFE, WASH YOUR HANDS and use SOCIAL DISTANCING - it will work in our favour (Yes there's an extra letter in the word "favour".) Enough said - we will get through this if we ALL do our share.

I could go on and on but all I would really like is to say that it was a pleasure working with you and I will miss you all. I'm sure our paths will cross again at some point in time....

With Love,
Bet

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

May Days

Hug Your Cat Day, May 1. You should be doing this every day, but in case you're not, today is the day to show your kitty some affection.

Learn to Ride a Bike Day, May 2. Slap on the training wheels if it makes you feel better. The point is, just get on a bike and go for a spin.

No Diet Day, May 6. You don't have to follow the latest trends to change your relationship with food. Start today with a commitment to live a healthier life by decreasing your consumption of junk foods.

Letter Carrier's "Stamp Out Hunger" Food Drive, May 9. Check with your local postal carrier and station to find out what items they are accepting during the largest national food drive in the U.S.

Stay Up All Night Night, May 9. Reconnect with your inner child and have some fun as you stay up (and out) well past the time when the streetlights come on.

Mother's Day, May 10. She carried you in her womb for nine months, and that did a number on her back. Now give her some flowers and take her out to brunch. It's the least you can do.

How to set reasonable goals

Setting a goal is important, but setting a good goal is what really counts. What is a good goal? A good goal usually has a few definable characteristics. Good goals are:

- Specifically focused.
- Neither too hard, nor too easy.
- Shared and agreed upon with others who will be working on them.
- Written down and visualized.
