President's Letter

by Chris Green

April is such a bittersweet month here in Japanese Garden: longer days and warmer weather reminding us that we will be telling our friends and neighbors "see you soon - but not soon enough". Be safe and healthy "northerners", you will be missed.

There are still great events planned for the upcoming months. You'll see them in the Domei and on The Board in the hallway at our clubhouse. Check them out and SIGN UP please! I promise you a great time and LOTS of support.

I am starting a new campaign - I WANT TO KNOW. What's been good at our events, what needs improvement, what changes would you like to see.

Got a good idea for something new (like exercise)? LET ME KNOW face to face or in confidence in a message in the bright blue box in the clubhouse. I WANT TO KNOW!

CALENDAR OF EVENTS

by Bet LeBrun

Ido my best to include whatever events that are happening in the center calendar, whether an on-going event such as Saturday Koffee Klatch or a onetime event such as Mother's Day but I need your help in accomplishing this. If I'm not made aware of a onetime event during a particular month, then I can't include it in the calendar - simple as that.

Space on the calendar is limited therefore, I encourage you to submit a short blurb for the DOMEI with the details that won't fit in the calendar square.

EXAMPLE: There will be a free continental breakfast on Feb 17 at 9:00am, sponsored by guest speaker Joe Public from the company Seniors Being Active. Mr. Public will discuss ways for seniors to stay active...blah, blah, blah.

In the calendar, I can only insert: Free breakfast at KK - the rest of the information will be a submission in the DOMEI itself.

If you're not sure what to do, contact me at jgdomei@hotmail.com and I will help you formulate your submission. Make sure to respect the monthly deadline of the 10th for the next month's submission.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

BOWLING

by Fred Smith

Another bowling season has come and gone! Our season started in November 2017 and was a great success with some competition, fun and laughter all around. Our league had 8 teams with 4 players per team. The last game was April 4th, 2018. Congrats to the winning teams and everyone for participating!

The bowling banquet was held at Cove Cay on April 5th and special thanks go to management and staff for the special decorations and treats that were provided and as usual, the food was amazing! It was held in the Cove Cay banquet room and when we arrived, to our surprise the room was decorated with bowling center pieces and goody bags. It was lovely! Thank you Pat and Nina for your time and generosity in all that was done for us at Japanese Garden!

The first bowling meeting will be held in the fall on October 29th at 10:00 AM and the first game is scheduled for Wednesday, October 31st at 9:30 AM.

*****See you all for the next round in October!!!*****

RED KIMONA'S, ROMEO'S & JULIET'S APRIL 2018 LUNCHEON

By Dorothy Ravener, Q.M.

Wow! What a wonderful meal and good time we enjoyed at our luncheon at Bellissimo's Italian Eatery...
The attendance was larger than expected this year even though we had it in mid-April after many of our part-time residents had departed for their homes in the north.

Next year, we expect a larger attendance, because we are planning to schedule it on Thursday, March 21st 2019 before the snowbirds depart.
(This is the last Red Hat meeting until October 2018.)

by Marcelle Rouse

We would like to send a big thank-you to Steve for solving our storage issues. Cal thanks Roy Robert, Terry Densmore, Grant MacAskill and Marshall Giles for their help in assembling the storage shed. Your assistance is greatly appreciated! And thanks Mark Rassmussen for the great deal on the shed! A big shout out to Dave & Becky Collins' son for donating and delivering pallets for the shed floor.

It's nice to see that the big picture is coming together without a hitch!

We have now gone back home until the end of October. During our absence, please call our President Chris Green at (774) 454-7684 to make arrangements to pick up your donations. Chris still works so please leave a message so that she can contact you at her earliest convenience.

Here is a guideline for you to keep in mind as to items that we can or cannot accept:

ACCEPTED ITEMS include: kitchen wares, small appliances, home decor, knick knacks, linens, furniture and more. When donating linens, please indicate sizes. (sheets, blankets, tablecloths etc.) In addition, we will accept clean clothing in excellent condition BUT not until the fall.

ITEMS NOT ACCEPTED are bed pillows, large heavy items such as sofa beds, mattresses/boxsprings, washers/dryers, refrigerators, stoves, computer monitors, PC towers, big old TV's and unframed mirrors.

Remember - only certain items will be accepted. This is not a dumping ground for unwanted items listed above. Please make sure all donated items are in good working order, clean and bagged securely. St. Patrick's Day Dinner Dance 2018

by Paula Pena

It starts out with just a decorated room. But when you all arrive... it turns into a PARTY! Thank You for coming with your "Let's Have Fun" Spirit! My many helpers and I Thank You for your kind words and compliments all night! It means a lot to us!

The reserved seating needs more tweaking. I'm a right-brain person so parties yes, technical stuff not so great...but now I know where to get advice next time! I've learned reserved seating was common in the past.

While I was helping with the seating, Janet & Bob and the whole team took over the Kitchen and MADE IT HAPPEN! We served 125 people in less than 30 minutes! Better than most restaurants I must add!

Thank You to our cooks: Janet, Patty, Joanne and Nancy! Thank You to helpers Marty, Jim, Gail, Yvonne, Wendy, Warren, Vince, Dorothy, Gil and Becky (ticket sales and booking band). Big Thank You to Faye for advising me at the beginning of this adventure!

The Sound Wavz were great! Better than ever! The dance floor was especially packed! We do love to dance here at Japanese Garden!!!! And we like dressing up in our Green. Everyone looked Great! Looking forward to seeing the photos taken at the photo op area!

WELCOME WAGON

by Sandy Rassmussen

March 2018:

Welcome Wagon Wednesday was held in the clubhouse with 22 park residents. Discussion with residents of JG was how residents can encourage and participate in escorting new residents to weekly 9:00am Koffee Klatch or monthly Welcome Wagon Wednesday. Most folks agreed that it would be more inviting and comfortable coming to a gathering of community residents with an escort. We would like to put together a team of escorts for new residents in the park to their first gathering at Welcome Wagon. If you would be interesting in participating, please contact Sandy Rassmussen (612) 432-7874. We are also incorporating some fun events into Welcome Wagon Wednesday.

On Wednesday April 25, 2018 there was a free concert presented by International Concert Artist, Joe Fontechia in the clubhouse at 5pm. Food and goodies were served after the 45 minute concert, along with a short discussion with introductions.

On Wednesday May 30, 2018 from 5-7pm at the clubhouse. At 5pm we will be having goodies and introductions, 5:30-7pm playing Bingo by the pool (depending on the weather) maybe in the clubhouse, if raining.

Just a reminder, all residents are welcomed, old and new. Come and enjoy the evening.

NEIGHBORHOOD WATCH

by Bill Green

IMPORTANT INFORMATION!!

It is of extreme importance that you keep the doors to your home and car(s) locked at all times. Your bike should be chained to something that can't be moved easily such as a shed or a patio table. And please - don't leave your golf cart key in the ignition! There have been recent incidents in the Park of people trying to walk into homes, a bike stolen and a golf cart stolen.

Be vigilant about your possessions!

If you observe suspicious activity such as unauthorized vehicles and unknown individuals walking in the park, ask them the nature of their business in our Park. It may be legitimate but you'd rather be safe than sorry. Don't be afraid to question them - this is YOUR PARK and you want to live in a safe environment.

Be aware of your surroundings and be safe!

MY HEP-C ADVENTURE - PART 1

by Mel Moen

They are finally talking about Hepatitis-C on TV. For a long time you never heard anything about it. I think, at first, they didn't seem to distinguish the different types of Hepatitis. When you heard anything about it, they simply referred to it as Hepatitis.

I am certainly not a doctor. I am not even a nurse. So, I will issue this disclaimer. The facts, in this series of articles, are "my truths". I am making statements that are to the best of my knowledge on the subject. The internet is loaded with information about Hepatitis should you wish to do further research. In addition, should you have any questions regarding my experience with Hepatitis, my phone number is in the park directory.

My very first introduction to Hepatitis was a news story where a few people had gotten Hepatitis and some restaurant (it happened to be a buffet) was suspected as being the source of the infection. In that case, what they were actually talking about was Hepatitis-A.

The primary source of Hepatitis-A is from eating "poop"! You may be thinking, "Well, I don't generally do that, so I should be safe." However, what I am really saying is that it is from eating food, which has been touched by a person's hands, who has Hep-A and did not do a good job of cleaning their hands after going to the bathroom. In many cases, Hepatitis-A will cure itself. Your body will fight the virus and expel it, when you go to the bathroom. You may only feel that you have eaten something that did not agree with you or you had a minor bout with some kind of flu. If your body does not take care of it, itself, and you end up going to the doctor, they will help you fight the virus and all will be well. The main point is that the symptoms should show up within a few days of the exposure and it is very curable.

The primary source of Hepatitis-B is from sexual contact with a person who is infected with Hep-B. With Hepatitis-B you will most likely end up going to the doctor. They will treat the virus and all will be well. The symptoms will show up within a month or two of the exposure, and, like Hep-A, it is very curable.

Hepatitis-C is an entirely different animal! The only source, of Hep-C, is thru blood-to-blood contact with another person who carries the Hep-C virus. Somehow their blood makes contact with your bloodstream thru some break in your skin. Let's say that a friend accidentally cuts their finger and you help clean up the wound and apply a band aid. If they carry the Hep-C virus, and if you have some kind of minor break in the skin of one of your fingers, and if their blood makes contact with that minor break in your skin, you may make contact with the Hep-C virus.

The really strange thing about Hep-C is that the symptoms may show up within a couple of months from the time of exposure, or the symptoms may never show up. It is very possible that a person can be exposed to Hep-C, become a carrier of the virus and never have symptoms. They could possibly live the entire rest of their life and end up dying of old-age and never even know that they are Hep-C carriers.

I know that many of you may be thinking that, with all of the blood tests that have been done on you, you surely have been checked for Hep-C somewhere along the line. Not true! A standard battery of blood tests does not include a test for Hep-C. I believe, strongly, that everybody (or at least every Baby Boomer) should be tested.

You probably think that the main reason that a person should be tested is for the purpose of starting treatment to get rid of the virus. That is not necessarily so! If the Hep-C virus is

currently doing no damage to your body, you and your doctor may decide to forego treatment, at the time, and to simply keep an eye on the virus and watch out for any signs of progress in the advancement of the virus.

As they say, “Knowledge is Power”! Knowing that you have the Hep-C virus, empowers you and your doctor to know what to watch for. Your doctor would give you a list of symptoms to watch for.

However, the most important reason that you need to know if you carry the Hep-C virus, is so you can be extremely careful not to pass it on to others. It would become your responsibility to make sure that no one comes into direct contact with your blood!

In the next installments of this series of articles, I will explain how I came to know that I had Hepatitis-C and talk about some of my experiences in treating and, finally, beating Hep-C!

NOBODY'S FRIEND

by Anonymous

My name is Gossip.

I have no respect for justice.

I maim without killing.

I break hearts and ruin lives.

I am cunning and malicious and gather strength with age.

The more I am quoted the more I am believed.

My victims are helpless. They cannot protect themselves against me because I have no name and no face.

To track me down is impossible. The harder you try, the more elusive I become.

I am nobody's friend.

Once I tarnish a reputation, it is never the same.

I topple governments and wreck marriages.

I ruin careers and cause sleepless nights, heartaches and indigestion.

I make innocent people cry in their pillows.

Even my name hisses. I am called Gossip.

I make headlines and headaches.

Before you repeat a story, ask yourself:

Is it true?

Is it harmless?

Is it necessary?

If it isn't, don't repeat it.
