Jerry & Ramah Humphrey - Manager

Then putting your garage in the compactor, remember to press and hold the green button for 4 to 5 seconds till the compactor starts.

Please do not leave your garbage out on Tuesdays when the compactor has been removed to be emptied.....

Several new speed bumps have been installed to help control the speeding in the park. Please remember the speed limit in the park is 15mph.

Several tenants have inquired about parking in the empty units this winter. Several units are rented for the winter and Wilder Corp. doesn't allow parking in the empty homes.

Remember that street parking is for day guest only, not for resident's vehicles. This also includes the weekends. It appears that towing may be the only recourse to remedy this issue.

If you or your guest park at the clubhouse overnight please drop a note in the drop box at the office or put a note in the window, with your lot number.

No alcoholic beverages are allowed in pool or picnic area.

Pets are only allowed in the (PET SECTION). Please remember that your neighbors hear your dogs barking, especially when you leave them. Service animals are required to register with the office. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA rules.

Residents' Association President's Corner

Ann Santos

he holiday season is upon us and there is so much going on. The first and most important is the annual meeting of the Resident's Association on December 1 at 7:00 in the clubhouse. There will be two amendments to the bylaws on the ballot. If you are a member of the association please plan on being at the meeting as we need a quorum which is 50% plus 1 for the vote to be valid. If you cannot attend the meeting you can get a proxy form from Louise Hecker.

December 6 is the pancake breakfast, December 14 we have our annual Pizza Party and on December 20 is the potluck supper. December 22 we have the motorcycle lighted Christmas parade, December 24 is Christmas Eve with our annual golf cart, bike, trikes, cars and everyone that wants to walk parade with refreshments in the clubhouse afterwards. This year we are having a Brunch on Christmas day. And of course we can't forget New Year's Eve.

The Resident's Association wishes everyone a happy holiday season.

Christmas Donations

You may have noticed 2 red buckets in the clubhouse. We collect non-perishables to donate to Grace House. So if you have something extra any donations they get is so appreciated.

When the Suncoast Motorcycles come into our community to parade for us with this awesome site of thousands of lights, they have 2 charities of choice which is Clothes for Pinellas Kids and Food For Pinellas Kids. Any donation is greatly appreciated.

SUNCOAST WINGS LIGHTED CHRISTMAS PARADE

The Christmas season is right around the corner and Management and the Association have worked together to bring the Suncoast Wings to our community on December 22 for a special Christmas event. You may have seen them in the area and they participate in the Seminole Christmas Parade. You will see 15 to 20 bikes and trikes decorated with thousands of lights. They will parade through our park, starting at

I like to compare the holiday season with the way a child listens to a favorite story. The pleasure is in the familiar way the story begins, the anticipation of familiar turns it takes, the familiar moments of suspense, and the familiar climax and ending.

In October we received some very sad news, one of our former residents had passed away. Gert Dobshuetz had lived here in La Plaza for many years and was very active in the community. She was always helpful with whatever was asked of her. I for one will ever be grateful to her for what she gave to the community. On a personal note, she passed on to me her beloved editorship of our monthly newsletter.

This was just one of the many things she did that she enjoyed so much.

She also chaired, Bunco, Bingo, the Newsletter and many La Plaza events.

She served on the association and received the St. Patrick's annual award for her dedicated service to the community. She will be missed and I feel honored to have known her.

Karen Goleskie (V.P. & Editor)

s a past President of the LMHP Residents Association I would like to express my deep sorrow over the recent loss of one of our beloved residents, Gert Dobshuetz. When I first came on the board, Gert was one of the first people in the community that offered her wisdom, knowledge and friendship. She loved her community and the people in it. If you look in the dictionary under "Volunteer" you should see her name! She volunteered and never asked for a thank you or a gold star. She always gave of herself. Rest in peace my dear friend, you will be missed but never forgotten.

ELAINE HAZEL

en years ago, when I served as the La Plaza Association president, Gert was in full swing with a full clubhouse of Bingo players weekly, and was available to help out in any way with our community activities. I remember her fondly as an accomplished seamstress that helped my wife and others with her sewing talents. She was the kind of person that helped make La Plaza a tight knit community of neighbors and friends.

Save a life: Recognize the symptoms of stroke

very minute matters when someone suffers a stroke. Prompt medical attention can make a huge difference in whether the person lives or dies, as well as in the quality of his or her recovery. Be alert for these warnings signs so you can take fast action:

- Difficulty walking. The person may appear dizzy, off-balance, or uncoordinated on his or her feet
- Speech problems. Stroke can affect a person's ability to remember words or pronounce them correctly, making him or her seem confused or intoxicated.
 - Drooping face. One side of the person's face may droop or look frozen.
- Difficulty with arm movements. Ask the person to lift both arms. An inability to raise his or her hands may indicate a stroke.
- Headache. Stroke can cause a sudden, severe headache accompanied by nausea or vomiting. If you observe, or experience, any of these symptoms, seek medical help right away.

Make this the year your resolutions come true

s this the year you're really going to achieve your New Year's resolutions? Follow these steps to setting good goals and following through:

- Write down your goals. Make them specific; make sure you can measure the goals. For instance, instead of "Lose some weight," resolve to drop five pounds by June 30.
- Motivate yourself. Write down why you want to achieve the goal. List all the ways you will benefit from achieving it.
- Take stock. Analyze exactly where you are now in reaching that goal. Note the strengths that will help you, the weaknesses that could hurt you, and the opportunities you can use to attain what you want.
- Gather resources. Determine what you'll need to invest to achieve your goal. Whether it's time, money, or something else, know what reaching this goal could "cost" you.
- Commit to learning. You may need to master new abilities to fulfill your resolution. Will you
 need to take classes to learn a new skill? What kind of information do you need access to?
- Get help. Identify all the people who can serve as your support group. This may also include organizations that can help you.
- Develop a game plan. Set deadlines for achieving your goals. List specific dates on which you want to complete the various steps of the plan.
- Celebrate. Give yourself a reward for achieving the various steps in your game plan and a final reward for achieving the intended goal.
