Presidents Report

Lou Goodwin

This is just something to think about. If you are taking your trash to the dumpster and it is not there don't just leave it. The residents that live in the vicinity of the dumpster should not have to look at nor smell your trash. Please take it home and return with it when the dumpster is back.

Watch for all of the bulletin and sign boards and Media for upcoming events. There will be additional functions throughout the summer. Hope to see you all there.

Bulletin Board

Cece Bell

I am requesting that the posters be kept to normal letter size (11x8 1/2"), articles be kept to a minimum and if there is excess paper please cut it down to just show the information needed, and date your article on the top. When our busy season starts, please refrain from using any oversized posters (sorry) there just isn't enough room.

As for the hall bulletin board re: Sales and Rentals **please date your notes.** The "for sale" items will be taken down after one or two months. The "house rentals" for 2016 have now been taken down.

Since there is not enough room on the existing boards to post all articles, I will be moving the TRIPS and OUTSIDE ACTIVITIES information to the hallway side.

Thank you for your cooperation!

Volunteers Wanted

Anne Santos

Potluck and Pancakes

The new season will be upon us before we know it. We need chair people for two (2) of our food events.

Last season Jerry Goodwin chaired the Pancake Breakfast and it was very successful. We need volunteers to chair, as well as cook and clean up. It's only on the first Saturday of the month and past volunteers will always answer any questions you may have and the board will back you up. If you are interested please contact any board member.

Potluck Supper is another food event that needs a chairperson. The potluck is not under the Association, there is no money involved, it is for anyone wanting to socialize and share dinner with friends. A chairperson is needed to make sure the clubhouse is left clean. Potluck has always been on the 3rd Saturday of the month at 6:00 pm. Jerry Snavelly always had a great turnout and surely all that participated are looking forward to having it again next season. If there is any interest you can contact any Board member. We will make sure that it gets into the Media for you and that nothing is booked on those nights.

While we are talking about volunteers; most of the entertainment has been booked for next season. We do need volunteers to help or even chair if you want. The entertainment is great so to make it even better, to have extra help and ideas for themes or decorations would be great. Contact any board member and we will be sure that you get all the info you need.

Also there is a sign-up VOLUNTEER sheet on the bulletin board in the Clubhouse.

JULY 4th CELEBRATION

Anne Santos

Ice Cream Social 2:00 to 4:00 pm Soundwavz Dance 6:00 to 9:00 pm

Join us from 2:00 to 4:00 pm at the Clubhouse for an Ice Cream Social. This has always been a great way to spend an hour or two eating ice cream, mostly banana splits, with your friends.

There is a sign up sheet on the bulletin board and you must sign up by July 1. This way we have a head count so we know how much to buy. You will buy your ticket at the door for only \$3.00 on the 4th when you come to the clubhouse. (Just like the pancake breakfast).

The tickets for the dance will be sold for only \$6.00 on Friday afternoons at the Clubhouse from 2:00 to 3:00 pm. Soundwavz always entertains and what a great way to celebrate the 4th. Hope to see everyone there. Any questions you can contact any board member.

A big **THANK YOU** to the people who deliver the media to your doors. Also THANK YOU to those of you who have volunteered to deliver the newsletter during the absence of our regular delivery people.

Thanks to our residents who fly our American Flags. I hope to see others do the same, even if it is a small flag placed in your garden, porch or patio. Our troops would really appreciate it, especially during this critical time in our lives. Remember to replace a Flag that is torn or faded.

Well the "wall" has been built and now we are awaiting the final load of dirt to fill in and make the ground even, thanks to the hard work of the maintenance crew.

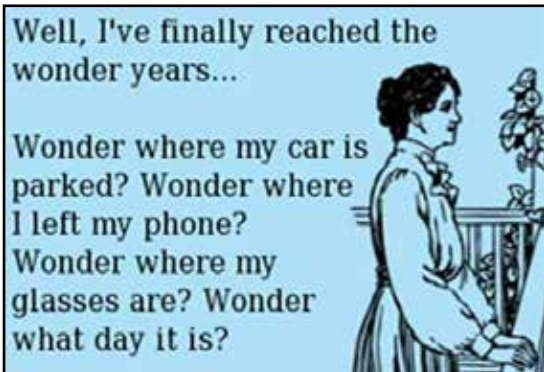

Thank you.

Aluminum Cans

The aluminum can barrels are for aluminum cans only. If you choose to add your garbage and trash to your bag of cans please just toss it in the dumpster rather than in the barrels. Thank you.

RECYCLING SUGGESTION

Bobbi Paye

While I know that recycling is not a part of the waste removal provided by in our park, did you know that recycling is available just out the exit of 69th Street and across East Bay Drive on the road **north** of the Wells Fargo Bank? You just need to drive on the road that goes out behind the currently operating stores north of Wells Fargo Bank. It is zero sort recycling, so flattened cardboard, newspapers, magazines, plastic bottles, cans, glass, etc. can be placed in the recycling containers. No plastic bags are allowed.

OF COURSE, THE LAPLAZA ASSOCIATION APPRECIATES YOU LEAVING YOUR ALUMINUM CANS AT THE DUMPSTER FOR OUR COLLECTION

WELCOMING COMMITTEE

Bill and Louise Hecker

If you are a new resident and we have not stopped by to visit you please contact us. We would like to meet with you at your convenience. Call us at 536-6963 and we will stop by, introduce ourselves give you some information about our park and a welcome packet. If you have questions, you can call us at 536-6963 and we will try to answer or find the answer to your questions.

A blonde just texted me saying,
"What does idk stand for?"
I texted back saying,
"I don't know"
and she replied,
"OMG, nobody does!"

NEIGHBORHOOD WATCH

Ann Santos

What is Neighborhood Watch and why do we have it? Neighborhood Watch is a program that the local Police Departments are urging neighborhoods and community's to organize to try to maintain a safe environment. We have had Neighborhood Watch in La Plaza now for about 2 years. We have had the Largo Police, specifically Julie Williams, come in and talk to us. You may see Neighborhood Watch signs on some of the houses as well as at both entrances. The Largo Police ride through here in the middle of the night at the request of Lou Goodwin who is the chairman of our Neighborhood Watch Program.

The message behind this is that **we are all part of the Neighborhood Watch**. If you hear, see or suspect that something is not right, if you are frightened by a noise in the middle of the night, if you observe a flashlight shining in someone's windows or their car in the middle of the night, you need to call the police. You need to give specifics and they may ask a lot of questions, but this is to help them understand exactly what they are facing when they come into our community. You can request that your identity be kept confidential and they will honor that. Call 911 if you feel it is an emergency situation or you can call the non-emergency number (727-587-6730). Just don't wait until the next day and tell Lou that you were frightened during the night by a noise outside your house.

Many of our residents are part of the Neighborhood Watch Team, however, we would like to see more volunteers. In the fall we will be recruiting for more members. The role is to be aware, never take aggressive action and educate your neighbors to make our community a safe place to live.

Just a reminder; if you have a bike, tricycle, scooter or golf cart, **make sure you lock them up or secure them in some way.** We have recently had some of these items stolen during the night.

You can put your name, La Plaza, and lot # under the seat. If they are found this will be identifying information for the police to follow up on.

La Plaza MHP Residents --- Join the FMO

George Silverman

FMO is the Federation of Manufactured Home Owners of Florida. It represents MHP residents at the state capital in Tallahassee.

Each year as the state legislature meets in Tallahassee someone suggests that Sales TAX should be charged on our monthly lot rent. If that were to happen, our rent would increase an average of \$462.00 a year on lot rent of \$550.00 a month. Don't you think it is worth the \$25.00 per year membership in the FMO to have a lobbyist in Tallahassee to warn and help us avoid sales tax being collected on our monthly rent?

Please consider supporting the FMO with your membership. Yearly membership dues are \$25. You can join online at www.fmo.org or see George Silverman unit #612, 727-754-6774 your La Plaza MHP representative to the FMO.

Louise Hecker

Due to health department rules, Grace House can no longer accept food items that are open. We will still collect unopened food items (non perishable). You can put them in the red tubs in the club house, or drop them off at our unit # 240.

Ours thanks to all our residents who have always been so generous.

If you have any questions please don't hesitate to call us.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Dragonfly breaks record for longest flight

Birds may fly great distances, but the world's leading long-distance flyer is a dragonfly an inch and a half long, according to biologists at Rutgers University-Newark. A species of dragonfly known as *Pantala flavescens* can be found in areas as far apart as eastern Canada, Texas, Japan, and India. Their work found that dragonflies in all these locations share a common gene pool, showing that they were able to travel vast distances to intermingle with local species.

The dragonflies have an increased surface area on their wings that lets wind carry them across oceans. (Some have already been observed migrating between Asia and Africa across the Indian Ocean.) Some of them may actually make the long journey without stopping, stroking the air and then gliding for extended periods to conserve their energy.

Monarch butterflies were previously thought to migrate the farthest distance of any creature—2,500 miles—but if the Rutgers biologists are correct, the dragonflies have set a new record.

Microwaves make rubies sparkle

Want to make your jewelry sparkle? Try putting it in the microwave. Actually, that may not be your best or safest bet, but scientists have discovered that a microwave treatment can improve the clarity and color of rubies, which aside from jewelry are used in high-power switches and sensors.

As reported on the Science Daily website, a research team at India's Institute of Minerals and Materials Technology (IMMT) put a series of natural, hexagonal rubies in a standard 3MW microwave furnace and heated them at 1,500 degrees Celsius. The microwaves changed the gemstones' color and structure, turning them from reddish black to bright pink and smoothing out defects and impurities by altering their atomic layout and crystal structure.

The process is promising because it's quicker than regular heating and ensures uniformity, and is also more energy efficient.

The winning argument?

William Gladstone, prime minister of Great Britain for many years in the 19th century, was known as a master of argument, even within his own family. On one occasion Gladstone and his sister Mary argued over where to hang a picture in their house. A workman stood around while the argument went on and on. Mary wouldn't yield, and eventually Gladstone simply stopped talking.

The workman finally hung up the picture where Mary wanted, but when he was done he walked to the other side of the room and hammered a nail in the wall where Gladstone had wanted the picture to hang. Mary asked him what he was doing.

“Well, Miss,” the worker replied, “that’ll do to hang the picture when you come round to Master William’s opinion.”

One act of kindness

One rainy night many years ago, an elderly gentleman and his wife entered the lobby of a small hotel in Philadelphia. The man asked the clerk if he had any rooms.

The clerk was a friendly man who prided himself on superior customer service. He said that unfortunately the hotel was completely booked. “However,” he said, “rather than send you out in the rain at 1 in the morning, I would be happy to offer you my room. It’s not a suite, but it will be comfortable for the night.”

The elderly man tried to object, but the clerk insisted. The next morning, as he paid his bill, the elderly gentleman said to the clerk: “You are the kind of manager who should be the boss of the best hotel in the United States.”

Two years passed. One day the clerk received a letter from the elderly guest, inviting him to New York for a visit with a round-trip airline ticket. When the clerk arrived in New York, the man met him and led him to the corner of Fifth Avenue and 34th Street. He pointed to a brand-new building. “There is the hotel I have built for you to manage,” said the elderly man.

“You must be joking,” said the astonished clerk.

“I can assure you that I am not,” said the old man, a smile on his lips.

The elderly gentleman was William Waldorf Astor, and the palace that he had built for the young clerk was the original Waldorf-Astoria Hotel.

The moral: You never know when kindness will come full circle.
