## PARADISE ISLAND UPDATE

*Pat Walker, Association Secretary*

January certainly was interesting weather-wise -- if it wasn't 80+ degrees, it was down in the 50's. However it was rather refreshing to have a few chilly days interspersed with summery temps – gave us permanent residents an opportunity to break out our sweaters and other winter-wear. Those from the north continued to wear their shorts and flip-flops just to make us look like wimps.

We had a super turn out for the January meatloaf pot luck dinner; the four cooks, Lei, Judy, Kendra and I each contributed one made from our favorite recipe. Must have been good as a couple of late comers had to share the lone half-slice left on the platter. We appreciate the support and the delicious side dishes. This month, Denny and Chuck will again show off their culinary skills with another crowd favorite – pot roast with potatoes and carrots. Hope you have signed up already as we expect another full house.

Another Community Sale is in the history books. Words alone cannot express how much we appreciate the many volunteers who worked long and hard to pull it off. Thanks for donations, purchases, cooking, transporting, unboxing, sorting, selling, and packing up the unsold items – great teamwork. A special thanks to Lei Crance who had the onerous job of coordinating it and to the hobby ladies who chaired the individual sales areas. Great job everyone. A report of the individual areas and total sales amounts will be made at the meeting. Come celebrate with us – and we will be announcing the nominees running for executive positions for Park #1, so for sure you will want to be there.

I know it seems early, but we need a Christmas Party Planning Committee – how about volunteering to participate? Perhaps you have ideas for something new and different, we're open to that, so take a chance and make your interest known.

Look for a hot dog night in February, seems we haven't had one in ages and ages. We'll crank up the grill, you bring your beverage and an hors d'oeuvre or side dish to share. It's usually a smaller crowd than pot luck so attendees have more opportunity to socialize; no sign up, just show up, amazingly it always turns out great.

It's not too soon to buy your ticket to the Spring Dance on Friday, March 15. Carlo will work his magic with the music, the gals will be bopping and electric sliding on the dance floor, and when they can drag their guys out of their chairs there will be couples dancing..... something for everyone. Join us for a fun night. Watch your tubes for an announcement flyer on this and other activities.

See you at the monthly meeting on Saturday, February 2. Coffee and donuts at 8:30AM (bring your own cup) – meeting starts promptly at 9:00AM.

**SPECIAL NOTE: LAKE HAVEN HOME OWNER'S ANNUAL MEETING**  
Wednesday, February 13 at 7:00PM in the Paradise Island Clubhouse  
All home owners urged to attend. Election of board members.

## Treasures Cove Going Ons -

Hello Treasure Cove

The Month of love - and we love the month OF February in florida!

The second Month of the year already... Where does the time go...

And, this is the month that the new Board in Treasure Cove (Lake Haven Park 2) takes control of Leadership of the Treasure Cove Social Group. (By now you should have received separate correspondence identifying your new Board Members.) We look forward to serving our Community, and would be glad to answer any questions you have. We will continue to work to improve Treasure Cove, and welcome any constructive recommendations that you have. The Board would like to say that all matter in our Community, and we hope that you consider upcoming activities and events.

It's time for the Mardi Gras again (February 2nd, 2019), if you have not gotten your ticket yet, call any of the Board Members to see if there are still tickets left. We hate to see anyone miss this event, it is so much fun, and the food is just fantastic.

Reminder...

Our Annual Garage Sale (White Elephant/Bake Sale) fundraiser is coming up February 23rd - it's a great time to get the clutter out. You can start putting any items you may have in the back corner of the clubhouse. We appreciate your contribution.

Keep your eyes on Lake Haven Happenings and your Tubes for upcoming events and reminders.

In closing, lets share in some of our Valentine Love Quotes, this gives the Men in our Community some ideas for Valentines Day too... and don't forget the flowers!

“There is only one happiness in life to Love and Be Loved” – George Sand

“A flower cannot blossom without sunshine and a man cannot live without Love” – Max Muller

“Love doesn't make the world go round, Love is what makes the ride worthwhile” – Franklin P. Jones

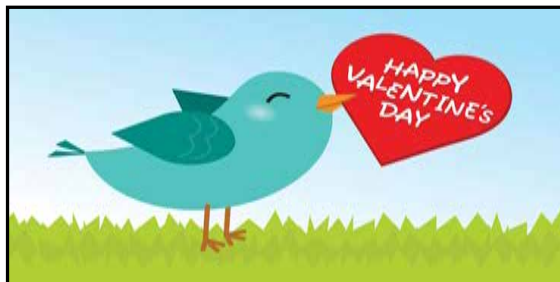

“Where there is Love there is Life” – Mahatma Ghandi

“All you need is Love, but a little chocolate now and then doesn't hurt”. – Charles Schultz”

“I want a man who is kind and understanding, is that too much to ask of a millionaire?” – Zsa Gabor

“To Love oneself is the beginning of a lifelong romance”. – Oscar Wilde

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## February Happenings 2019

Welcome to February! With a fast a furious January behind us we are heading into February just as quickly. Thank you to all who participated in the events this past month. With so many new faces it was great to be able to get to know some of the new residents and so happy to have everyone involved in our community.

We will be starting off February with the association meeting on Tuesday the 5th at 10 AM as usual. Stop by to get an update on what is happening and enjoy a cup of coffee and a pastry.

The February pot luck will be Italian themed with lasagna, baked ziti, chicken riggies and much more. Be sure to sign up in the clubhouse and indicate the type of dish to share you will be bringing and if you intend to bring a guest. Remember, members are free and guests are still just \$5.00. You must provide your own table service and beverage of choice.

Watch your information tubes for our social event for the month. We will be seeking couples to participate in the NOT so Newly Wed Game. Our hosts Larry and Tamara will let us know just how well we know our neighbors and their spouses...or how much they "think" they do. It should be a fun evening. Only volunteers will be on stage. We will see what Larry and Tamara have in store for us. This event will be ticketed with light snacks and drinks provided. Watch closely for this flyer as I am sure tickets will go quickly.

Of course we will end the month with our BBQ on the 23rd. Once again this event will be free to members and guests are welcome. A dish to share is always appreciated.

Our Spring sale is not scheduled until March 16th so please do not bring your donations to the clubhouse prior to March 12th. We have events leading up to that time and need the space.

Have a great day. Happy Valentine's Day and we look forward to seeing you at our events this month.

Linda Parker, President Park 3 Association

Our delivery driver, Bob Davis (whom many of you know and have liked over the years), had a **SERIOUS FALL** while trimming a tree for a needy person on Sunday, August 5th.

He broke bones in his neck plus other injuries. He has NO insurance and he is the sole provider for his family. ANY donation you may be able to help with will be GREATLY APPRECIATED!!!

*Credit card donations gratefully accepted over the phone. For more info call 727-548-8460.*

THANK YOU SO MUCH for anything you may be able to do!

## Cave drawing of bull is earliest of its kind

**A**rcheologists have discovered the oldest known drawing of an animal on the wall of a cave in Indonesia, according to the U.S. News & World Report website. It's some 40,000 years old, about five feet wide, and it depicts a bull-like creature in a red silhouette.

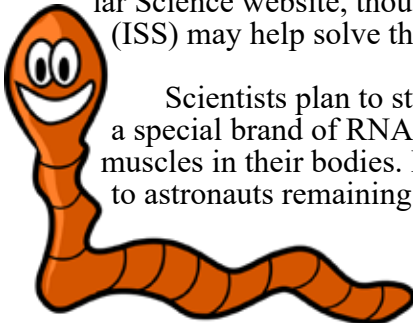

Along with similar drawings on cave walls in Borneo, the drawing sparks renewed debate about the role of art in ancient times. Similar cave paintings have been found in France and Spain, though they're just 33,500 to 37,000 years old.

Cave dwellers began sketching humans engaged in hunting activities and dancing some 14,000 years ago in both Europe and Asia. The findings raise the possibility that humans migrated from Africa to Europe and then Asia, bringing their artistic sensibilities with them.

## Invasion of the space worms

**L**ong-term space travel poses many challenges, but one of the most daunting is the loss of muscle mass in a zero-gravity environment. On a voyage to Mars, for example, space travelers could arrive on the red planet too weak to stand. Now, reports the Popular Science website, thousands of worms headed to the International Space Station (ISS) may help solve the problem.

Scientists plan to study muscle atrophy in the worms and then treat them with a special brand of RNA designed to stop the breakdown of protein and preserve the muscles in their bodies. If all goes according to plan, this could alleviate one danger to astronauts remaining in space for long periods of time.

Science is simply common sense at its best, that is, rigidly accurate in observation, and merciless to fallacy in logic.

## Many Americans still worried about their finances

---

The stock market may be up, but many Americans are still struggling with financial security, according to a story on the USA Today website. A September 2018 Bankrate.com survey found that among people earning less than \$30,000 a year, 78 percent said that their financial situation has failed to improve over the past two years, and many said it had gotten worse. On the other hand, people earning \$75,000 a year or more reported feeling better about their money.

The survey found other divides as well. People 65 and older reported the least financial improvement, and millennials ages 28–37 felt the most improvement. In addition, men reported doing better in earlier years than women did.

---

## Coffee still in demand

---

We sure like our coffee. The U.S. National Coffee Association’s 2018 National Coffee Drinking Trends report says that the number of Americans who drank coffee in the past day is the highest it’s been in six years.

According to the report, based on a study of more than 2,700 adults 18 or older, 64 percent said they drank coffee within the past day, the highest amount since 2012. This is higher than the growth from 57 percent in 2016 to 62 percent in 2017. The study also found that past-day consumption traditional coffee, defined as “regular coffee” brewed from “gourmet quality” beans, held steady over the previous years, at 16 percent. Similarly, consumption of espresso-based drinks held steady from 2017, at 24 percent.

## Try these tips for healthy eating habits

---

If you’ve already slipped off your New Year’s diet, it’s not too late to get back on track. Just follow these tips for healthy weight loss from the Harvard Health Publishing website:

- Make a list. Keep track of what you eat and drink for at least three days. Include what you consume, where, how much, and so forth.
- Set a goal. Be specific—do you want to lose a certain number of pounds, lower your blood pressure, or something else? Identify strategies for reaching your goal in a reasonable amount of time.
- Anticipate obstacles. What might prevent you from hitting your goal? If a busy schedule might keep you from working out, plan to get up a little earlier. If an empty pantry tempts you to order take-out, spend some time looking up healthy recipes, then go to the grocery store for ingredients and make enough for a few nights of leftovers.

## Start on the path to better heart health

Taking control of your heart health is one of the best ways to lead a long life. It's not that hard, especially if you follow this basic advice from the Time magazine website:

- Eat more plants. Fruits and vegetables contain fiber, antioxidants, and lots of vitamins and minerals.

- Limit animal fat. Butter and other forms of fat from animals have been linked to higher cholesterol and increased risk of heart disease. Stick to monounsaturated fats found in olive oil, avocados, and many nuts, along with polyunsaturated fats from fish like wild salmon and sardines.

- Watch your sugar intake. Many foods add sugar, which can add calories and weight. The American Heart Association recommends that women have no more than six teaspoons' worth of added sugar a day and men stick to nine—although the average intake for all Americans is roughly 22 teaspoons per day. Check the labels on everything you buy.

- Exercise often. You don't have to run for five miles every day. The American Heart Association advises about 150 minutes of moderate exercise a week, or 30–60 minutes every day.

- Stand up. Sitting for hours at a time has a negative impact on your heart. Even if you work at a desk job, make a point of getting up and moving around regularly for five to 10 minutes every hour.

- Watch your stress. Stress can heighten your heart disease risk at a rate similar to smoking and diabetes. Practice meditation and yoga to keep yourself calm and reduce your heart's workload.

*The foundation of success in life is good health. That is the substratum fortune; it is also the basis of happiness. A person cannot accumulate a fortune very well when he is sick.*
