PARADISE ISLAND UPDATE

Pat Walker, Association Secretary

Happy New Year

It's a brand-new year! Happy 2020 everyone. Your association officers extend every good wish for excellent health and for more joy than your heart can hold throughout the year.

What an outstanding Christmas Party! Every seat in the house was filled, the food was delicious and the one-man band kept everyone on the dance floor. Accolades to the Christmas planning committee – Lei Crance, Marcia Lilley, Kendra Perenyi, and yes I helped out a bit too. And thanks to Parks #2 and #3 for supporting us.....we are, after all, one park with three individual entertainment committees supporting one another. Let's keep the good will going.

Hope to see you all at the January Association meeting; we will be voting in a new 2nd Vice President. Currently there are three nominees: Erin Dow, Irene Haskell and Marcia Lilley, any one of whom would be a welcome addition to the board. Following the close of the meeting we will be asking volunteers to remain to unfrock the tree and wrap the holiday decorations for storage.....and, of course, to set up for Pot Luck Dinner.

The main focus this month will be on the annual Community Sale. The Hobby Club has once again agreed to chair the event. Lei will be posting volunteer sign-up forms, so be sure to get your name on the list(s) to help in some way. Irene Haskell will be requesting items for the bake sale table, so break out your favorite recipes and make a few batches of something overflowing with excessive calories to donate. We will need gift baskets or gift cards – the basket table is always a crowd favorite so please support this effort as well. When you eat out ask the manager if they would consider donating a gift card – even if it is just \$10 off the cost of the next visit. This is a Community Sale requiring a community effort. We appreciate your time and energy to support this event which funds our social activities throughout the year.

I would be remiss if I did not say THANK YOU SO VERY MUCH for Lake Haven's response to the November food drive and the December toy drive for our local food bank Dunedin Cares Food Pantry. When we delivered the food prior to Thanksgiving, the volunteers told us that the children were already asking if there would be Christmas toys. Our three parks were very generous again this year and the food bank was extremely vocal in expressing their appreciation. The residents of Lake Haven are very special, very caring people. Thank you for your support of these annual charity drives.

January is dues payment time; if you have not already received both the HOA and Paradise Is-land Association dues envelopes, I assure you they are on the way – check your mail tube. HOA dues are \$5 per household; Association dues are \$5 per person. You cannot get more for your money anywhere else, so please respond in a timely fashion.

On the bulletin board are sign-up forms for locking the clubhouse and picking up the donuts for the monthly meetings. Please take a turn being responsible for one of these volunteer needs. Al-so, each month we need someone to plan and prepare the entrée for the monthly pot luck dinner so please don't be shy. You can either get your own crew together or the board will find workers to help you.

We're looking forward to another fun social time in Paradise Island. If there is a special event or activity you feel everyone would enjoy, please present it to the board as we are always anxious to try something new and different. I've always wanted to do a Mystery Dinner – how about it? Do you like to perform and “ham it up”? If so, let's get together and determine if it is doable. How about a block party? We haven't had one of those in at least 15 years. We used to do a social hour after dinner around the pool when the weather was cooperative, I miss those friendly gatherings. Or we could plan something simple like a Continental Breakfast – or something more elaborate like a Sunday Brunch or a monthly birthday party. And, it doesn't necessarily need to include food – an activity of any sort would be welcomed. Put your thinking caps on and let's get some events planned before the end of the season when our part-time residents leave. Even better, how about electing/appointing an official Entertainment Committee to coordinate events.....that would take a load off the board's shoulders and provide another opportunity to serve our community.

HAPPY NEW YEAR

Treasure Cove Happenings – Park 2

Susan Regan- Park 2 Secretary

Well, it's January 2020 – my, oh my, time is passing fast! We hope everyone had a wonderful holiday season and we wish you a very Happy New Year. If you traveled to see family and friends, we hope you enjoyed and are now settled back to your routine and waiting for the excitement of 2020 to happen.

We had a very successful Thanksgiving Dinner with all the trimmings and our great cooks. Everyone loved the music bingo and we look forward to doing that again in the near future.

What a Fantastic Christmas Party we had! The food was delicious as usual thanks to our talented cooks! The entertainment was a community favorite and enjoyed by everyone, but most of all celebrating the holiday season together was the highlight of the evening!

Please remember we will be having our White Elephant/ Bake Sale on February 15, 2020. It's a good time to clean out your unused items, clothes, small furniture, etc... We greatly appreciate your donations.

Please note: No large furniture, TV's or mattresses. Also, if items are not in good reasonably good shape please consider re-sale before donation.

Our bake sale last year was fantastic and we look forward to your Bake Sale donations. This year items we're looking for are Oatmeal Raisin Cookies, Chocolate Chip Cookies, Pies, and Brownies! Please contact Lori Lot #254, Susan Lot # 501, or Terri Lot #211 to make sure we don't have too many duplicates and enough of the baked items that are all good sellers.

Don't forget Pool 3 is heated if you want to go swimming and enjoy the wonderful "winter" weather. And, also, Richard Lilley conducts his water aerobics twice weekly. If you haven't joined him already this would be a good way to start the New Year!

You will be receiving or have already received information to pay your Park 2 Membership Dues, which are \$10.00 per person along with your HOA Membership Dues, which are \$5.00 per home. Please be sure to get these completed as quickly as possible. Your Park 2 Membership Dues allow you to attend events, many for free, or at a discounted amount.

Please watch your tubes for flyers for all the information on upcoming events. We hope to have many planned for 2020. Any questions, please let us know.

"GOSSIP FROM GUANA"

Ralph Crance, (acting President)

Well the New Year begins!!!

I hope all of you had a wonderful Christmas and Hanukkah holiday and a memorable New Year welcome.

I'm delighted to report that our formerly hobbled friends, Chickie Thomas and Don Tupper, are back and ship shape.

Kudos again to Mike and Linda Parker AND their "staff" for their usual gourmet preparation and service at the annual Christmas Dinner Dance. The less than usual attendance can be best explained by "endorphin overload." Barely into Advent, the dinner was preceded by a week-long decimation of the turkey population at three Thanksgiving Dinners in Lake Haven. An excellent job by those responsible.

Pleased to report that our aqua-aerobizisers all survived the cold snap. The current word that three of our exercise group are headed to Long Island for a New Year's day dip in the sound has proven to be just a rumor. "Stay here, stay warm, stay wet" is being considered as the motto of the group. Please check with Richard Lilley for details.

Now's the time to recheck your event calendars:

January 6th	- Pot Luck Soup Dinner
January 8th	- Association Meeting
January 25th	- BBQ

Many thanks to Tim and Glo (Biggs) for distribution of December Happenings! The January happenings will be delivered after January 2nd when we return from up North.

Happy New Year!!!

Ralph

Online privacy threat a crisis, many say

We're more worried than ever about the threat to our privacy online, the Axios website reports. A survey of adults 18 and older found that 59% don't feel confident that their personal information is adequately protected by the companies and organizations they do business with online, and 58% consider the threat to online privacy a crisis. Just 38% believe that online services are essential to modern life, and "we all have to accept some risk to personal data."

Companies' asking for personal information has become increasingly common these days so they can offer more personalized products and services, but 43% of people in the survey said they feel this is inappropriate. Twenty-six percent are fine with it, and the other 26% are neutral.

Health Watch

Simple tips for a healthier heart

Close to 2,200 people die each day in the United States because of cardiovascular problems. That's one every 40 seconds.

Here's some advice from the WMC Action News website on how to keep your heart healthy:

- Laugh a lot. Laughter dilates your blood vessels, increases blood flow, and lowers your blood pressure.
- Snuggle. Hugging releases oxytocin, a hormone that relieves stress and can reduce blood pressure.
- Get a pet. A University of Maryland study found that survivors of a heart attack who had a dog were eight times more likely to be alive a year after their attack.
- Get the right amount of sleep. Both oversleeping and getting less than six hours of sleep a night raises your heart attack risk. Aim for about eight hours every night.
- Drink coffee. Studies suggest that caffeine can stabilize your heart rhythm if you have an abnormal heart rate. Check with your doctor.
- Move around. Standing and moving around one hour per day can reduce cardiovascular disease risk in women by 25%, according to a University of California, San Diego, study.

Seniors struggle with out-of-pocket medical expenses

Health care is expensive, particularly so for senior citizens who depend on Medicare for their treatments, medications, and other medical needs, but who have to pay out-of-pocket costs as well. The Axios website reports that the average overall yearly out-of-pocket cost for Medicare beneficiaries is \$3,166. Here's how it breaks down by condition:

Arthritis	\$2,808
Diabetes	\$3,035
Stroke	\$3,072
Hypertension	\$3,308
Non-skin cancer	\$3,388
Heart disease	\$3,445
Mental condition	\$3,663
Parkinson's	\$7,346
Alzheimer's/dementia	\$13,269

The beginning of an era

At 12:01 a.m. on Jan. 1, 1946, the birth of Kathleen Casey Wilkens, in Pennsylvania, would herald a generation known as the “Baby Boom.” Following the end of World War II, more than 76 million people were born in the U.S. from 1946 to 1964. This surge in population and the demands it created helped to shape the way communities were developed throughout the country. This generation accounts for roughly 20% of the U.S. population and—depending on your age—are our parents, grandparents, siblings, friends, neighbors, co-workers, and maybe you.

Something to consider

When you step out for a bite to eat in January, remember that it is Be Kind to Food Servers Month. Though they may not be the ones in the kitchen creating a culinary masterpiece that will delight your taste buds, they will surely bear the brunt of your ire should your meal fail to measure up. They cater to your moods and demands to make sure that your dining experience is “just so.” Show them the courtesy and appreciation you feel entitled to, and don’t forget to tip your server.

A man revealed

During his lifetime he was arrested roughly 20 times. His work provoked violent reactions, including the bombing of the home he shared with his wife and family, as well as numerous physical assaults. Ultimately, his life would end in tragedy resulting from a sniper’s bullet.

Though parts of his bio may sound like a description of a public enemy, Martin Luther King Jr. was the exact opposite. A tireless crusader against injustice and inequality, King championed nonviolence as a way to combat hatred and oppression. He held a B.A. from Morehouse University, a B.D. from Crozer Theological Seminary, and a doctorate from Boston University. Four years before his death he was awarded the Nobel Peace Prize for his work during the civil rights movement.

Had he survived, Jan. 15 would have been his 91st birthday. Because he is no longer with us, the third Monday of January is held in observance of King’s life and work.

*I believe that unarmed truth and unconditional love will have the final word in reality.
This is why right, temporarily defeated, is stronger than evil triumphant.*

—Martin Luther King Jr.

Haiku to you

Because a little iambic pentameter, verse, and rhyme can be cathartic for the soul and for nurturing your creativity, the second Tuesday in January is devoted to doing just that—in the workplace. Jan. 14 is Poetry at Work Day. What better way to brainstorm or generate ideas than by engaging in a bit of wordplay?

Host an impromptu open-mic reading in the breakroom, hang a whiteboard and encourage your team to collaborate on a poem with each person drafting one line, litter your workplace with poetry to inspire others, or turn your to-do list into a Haiku. Your next big idea may just jump out at you after reading a bit of poetry.

Thoughts on creativity

Writer Austin Kleon has this advice for those of us trying to tap our creative wells: “Let go of the thing that you’re trying to be (the noun), and focus on the actual work you need to be doing (the verb). Doing the verb will take you someplace further and far more interesting.”

Kleon believes too many of us focus on the titles we aspire to be defined by, instead of concentrating our efforts on the actions and processes that should be getting our attention. He also thinks titles can keep us from exploring and pushing out past our limits.

If your goal is to be more creative, then embrace creativity in everything you do. Creativity is about fun and playfulness and being open to new possibilities. You can inject a bit of creativity into everything you do, from housework to grocery shopping to managing a process that is becoming mundane.

Don’t fall into the habit trap. Use your imagination to push boundaries, explore new options, and gather unlikely resources that will allow you thrive.

In the world of words, the imagination is one of the forces of nature.

—Wallace Stevens
