## PARADISE ISLAND UPDATE

*Pat Walker, Secretary*

---

**W**e're beginning to see some familiar faces around and about as our seasonal residents are exchanging the cold of the north for the warmth of the south. Bob & Jane Brown are the first to arrive; Bob even gave up wild turkey hunting to get an early jump on the season this year – that's a first!

November already and the holidays are barreling down on us – time to start shopping and decorating for the upcoming festive season. To give you a head start, the Hobby Club crafters are all set to wow you with their talents. You can see a display of their wares in the Paradise Island Clubhouse during their 5th Annual Arts & Craft Sale on Saturday, November 14 from 9:00AM – 1:00PM. Everyone is invited to stop in to admire their handicrafts and perhaps even purchase a unique gift or two - or better yet, find a gift for yourself. The club members appreciate your support.

A big shout out to Denny Wolff who once again made our taste buds tingle when he prepared a fall favorite – pot roast – as the entrée for the October pot luck dinner with able assistance from his faithful and talented sous chef, Chuck Oller. What's on the menu for November you ask? It's back to tradition as Carolyn Bailey, fresh from her son's wedding, decided to celebrate Thanksgiving early and will tackle roast turkey. Sounds good to me! You bring the "fixings" and join us for pot luck dinner on Saturday, November 7th – please remember to sign up.

October saw another successful three-park Italian Dinner, if you weren't there you missed a tasty treat. Thanks to Carolyn, Lei, Kendra and everyone else who helped make the night a grand affair. Thank you for your support of these Association-sponsored events; your enthusiasm for, and loyalty to the Association are the reasons we do it.

The seasonal activities are in full swing with Wii Bowling and Bingo drawing in their loyal fans. Ladies Poker on Monday nights and Hobby Club continue to draw a crowd. Monday night Sewing will soon join the fray.

Al Perenyi is gearing up for another knee replacement. It's taken several long, hard months to eliminate the leg infection and then build up his muscles to prepare for surgery. It has also been a stressful time for his faithful and always smiling wife, Kendra. Hang in there, the end is in sight.

Tickets for the annual Christmas Party will go on sale at mid-month; see Janel Balogh #41 to purchase yours. The Christmas committee has planned a catered buffet and reserved professional entertainment for this special event -- don't miss it.

It's that time of year when we ask for volunteers to lock the clubhouse, pick up the monthly meeting donuts, coordinate pot luck dinners, etc. As always, the signup sheets are posted on the bulletin board; we would appreciate everyone taking a turn. Thanks.

Reminder: After a very wet summer, many units could use a power wash to eliminate the mold that has built up. And, some flower gardens have gone to weed and could also use attention. It is a Prospectus provision that units be power washed annually. Let's each of us do our part to keep our park beautiful.

We send deepest sympathies to Chuck Oller on the passing of his father; Carol McCalvy on the passing of husband, Dale; and Ron Bassett on the passing of his son.

HAPPY THANKSGIVING

## **LAKE HAVEN TREASURE COVE HAPPENINGS!**

*Written By Bob Baker, Park 2 Association Treasurer*

Usually by November most of our winter residents have either returned or are on their way South. With that in mind, Park 2 Association President Bob Scott has scheduled our first monthly potluck dinner of the season at 5:30 pm on Sunday, November 1st in Club House 2. Bring your place settings, whatever you'd like to drink and a potluck dish to share with others.

Our monthly association business meetings will start again on Monday, November 2nd at 7:00 pm. One item on the agenda will be to appoint the nominating committee for association officers and directors for 2016. Please see Bob Scott or a member of the nominating committee if you'd like to serve on the Board of Directors in one of these positions

We'll also have our Association Dinner on Sunday, November 15th at 5:30 p.m. Just bring yourself and whatever you'd like to drink. As usual, reservations are required for the association dinner. Watch for more details in the tube under your mail box.

Our annual association Christmas dinner in the club house is also coming up on Wednesday evening, December 16th at 6:00 p. m. Entrees will again be Prime Rib or Chicken Marsala. Tickets will be sold starting mid-November. The cost is \$15.00 per person for association members and \$25.00 for non-members. See Bob Baker, Lot 280, before December 10th to make reservations and get your tickets.

President Bob again reminds everyone that we need items to sell at our annual White Elephant Sale which enhances the association treasury. The sale will be in March and we desperately need items for it. It's the monies raised from this once a year sale that pay for most of our activities and lets us keep our membership dues low. Please contact Bob Scott If you have larger items, especially good usable furniture, which need to be picked up and stored until the sale.

We also need volunteers to decorate the pool area with garland and Christmas lights in early December as well as to decorate inside the club house. A man is also needed to supervise the white elephant sales in March in the shuffle board court (tools, furniture, electrical items etc.). Please see Bob Scott if you are willing to “step up to the plate”.

While park management provides for mowing the grass and edging, maintaining flower beds etc. around our homes is the responsibility of the homeowner. Now that the weather’s a little nicer, many residents have been seen outside weeding and replanting flowers around their homes. Their efforts are much appreciated as they do improve the appearance of our park.

Also, for those homeowners who are new to mobile or manufactured home living in Florida, you should have received last month your annual Mobile Home Registration Notice from the Office of the Pinellas County Tax Collector. Mobile and manufactured home registrations must be renewed each year and the fee for doing so paid by December 31st. If you live in a single wide you will receive one notice. If you live in a double wide you will receive two notices. Upon renewing your registration and paying the fees, you will receive one or two decals to display on a window at the front of your home so that decal (or decals) can be seen from the street. Mobile home parks are subject to drive through inspections by law enforcement and those homeowners who do not display current decals are subject to being fined.

Finally, next month the association treasurer will start collecting park association dues and also the Lake Haven Home Owners Association dues. All residents may belong to the Park 2 (Treasure Cove) Association. Annual dues are \$5.00 per person. Only home owners may belong to the Lake Haven Home Owners Association whose annual dues are \$5.00 per lot. This year your bill will be mailed to you so please watch your mail box in December for your bill.

Thanksgiving is November 26th so Happy Thanksgiving to all.

# Multiply Your Monthly Mania!

**A**s you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. **We pay out \$400 every month to residents** who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

## Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.  
*(To qualify each resident can only suggest a business once)*

## LAKE HAVEN PARK III ASSOCIATION NEWS NOVEMBER

---

**W**ell here we go again! Another fun and exciting season has arrived. Many of our Northern Friends have already returned to Lake Haven Park III, and before long we will be reunited with all of our friends. We are starting off with a bang, and have many events planned through April 2016.

To begin with, the first Park III Association meeting will be held on Monday, November 9, at 10:00 AM. This will be a very important meeting. We will update everyone on the happenings that took place during the summer and give a progress report regarding various ELS issues. We will also present a calendar of events for the coming year, available as well for our new residents will be the park rules and regulations if you did not receive a copy at your closing.

At the meeting we will have people on hand to collect Park III Association dues. Dues are \$10.00 per person, which as we have stated many times before is less than the cost of any single event. Membership covers the cost of all Meetings, Pot-Luck Dinners, and all Bar-B-Qs, plus discounts on many other events.

The first Pot-Luck Dinner will be later in the day, at 6:00 PM, on Monday, November 9, and will be hosted by Mike and myself. The entrée is BARBEQUE RIBS. Please bring a dish to share, as well as your own table service, and beverages. Non-members and guests are \$5.00 each.

The Pre-Christmas Sale will be held on Saturday, November 22, from 8:00 AM-1:00 PM. Please bring any unwanted and gently used items to the Clubhouse so that we may put them up for sale. The Sale includes a HUGE BAKE SALE and lunch served all day. This was very successful last year. Aluminum baking pans and plastic containers will be provided for all of those who wish to bake items for the sale. The funds raised from this sale help to offset the costs of many of our events.

We will again be hosting a Thanksgiving Dinner on Thursday, November 26, at 2:00 PM at the Clubhouse. The cost of the meal is \$8.00 for members and \$10.00 for non-members.

During the summer two new regular events were started and have been very well received. Every Tuesday and Thursday, at 9:30 AM Phyllis Becker conducts a Water Aerobics Class, at the pool. On Fridays at 6:30 PM, Ladies Night Out takes place, which has also been popular.

Euchre will again be played beginning at 7:00 PM every Tuesday night, but we are not sure when it will begin. Poker will continue to be at 7:00 PM on Thursdays.

Horseshoes will begin again on Wednesday at 1:00 PM. We need more players—talent is not a prerequisite. We are not sure of the start date.

**BE SURE TO CHECK YOUR INFORMATION TUBES** (below your mail box) for important announcements regarding upcoming events and reminders.

Please remember overnight parking on the street at Lake Haven is not permitted and will not be tolerated. Additional parking is available around the pool or the main office.

## Moo! Cows may be smarter than you think

---

**W**hat's the smartest animal you can think of? Dolphins and chimpanzees may spring to mind quickly, but don't neglect one often-overlooked farm animal: the cow.

College students at the University of Sydney (as reported by the Huffington Post) conducted experiments with dairy cows and found that our bovine friends are capable of quickly mastering a maze to find food, and thus may possess better problem-solving skills than previously known.

The cows were tested in a T-shaped maze similar to those used with mice and rats. They learned to follow a sound through the maze to get to their food, with one of them reaching its goals within the first 20 seconds of the test.

The results suggest that cattle farmers could train cows to obey specific sound signals to come in for milking, producing greater efficiency on dairy farms.

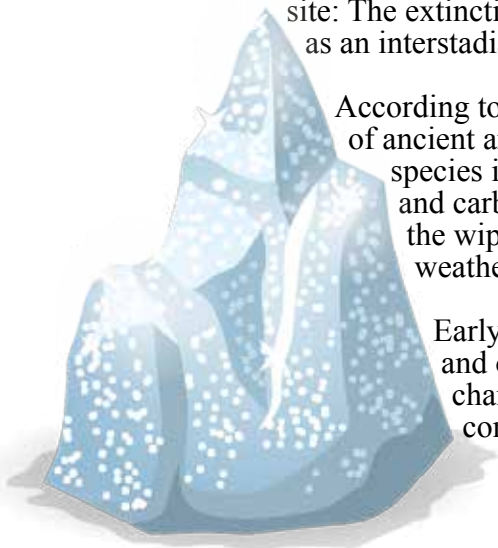

## Global warming, not Ice Age, may have killed mammoths

---

**G**iant woolly mammoths roamed the Earth until about 11,000 years ago, when they abruptly went extinct. For years, scientists theorized that they were killed by the cold temperatures of the last Ice Age. Now some believe the explanation is just the opposite: The extinction event was caused by a sudden warming event known as an interstadial.

According to research published in the journal *Science*, DNA studies of ancient animals point to the sudden extinction of many large species in past ages. As more DNA from fossils became available, and carbon dating methods improved, scientists discovered that the wipeouts didn't correspond to the rise of glaciers and cold weather, but rather to periods of rapid global warming.

Early humans also contributed to the demise of the mammoths and other large beasts, but the evidence suggests that climate change was a major factor in their extinction—raising concerns about the future of our present environment.

## Have a nice flight (if you can)

---

**F**lying may be the fastest and safest way to travel, but we all have our own preferences and quirks when traveling by air. A survey of more than 1,100 family travelers by ExpertFlyer looked at passenger habits. Their findings included:

- **Airline choice.** United? American? Southwest? Forty-five percent of participants said that airline mile redemption was a factor in choosing which airline to fly on.
- **Storage space.** Space is at a premium on most airplanes. Seventy-five percent admitted to “stealing” overhead bin space beyond their authorized allotment.
- **Food.** In-flight meals aren’t the only option if you’re hungry. More than one-third of passengers said they bring their own food to eat during flight.
- **Complaints.** Flying can be stressful. The top complaint: A bad seat or a seat not near companions (35 percent), followed by delays (25 percent), and general discomfort (24 percent).
- **Worries.** Lost luggage is one thing, but 21 percent of survey participants said that terrorism is their biggest concern when traveling with their families. That was followed by getting lost or separated (19 percent) and crime (19 percent).

## Who’s drinking all the coffee?

---

**L**ots of people depend on coffee to get them through the day. According to figures from Gallup, 64 percent of U.S. adults drink at least one cup a day. Some drink more:

- One cup                    26 percent
- Two cups                 19 percent
- Three cups               8 percent
- Four or more            11 percent
- None                        36 percent

Coffee is somewhat more popular with the older generation, with 74 percent of people 55 or older drinking it daily, a habit shared by just 50 percent of the 18-34 crowd. Women drink a little more than men: Sixty-six percent of women report having one or more cups per day, while 62 percent of men say the same. And Caucasians drink more than African-Americans—67 percent to 59 percent.

## November Is...

---

**Military Family Appreciation Month.** Throughout November, military families serving around the world are honored through a variety of observances and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

**National Epilepsy Awareness Month.** The Epilepsy Foundation estimates that 65 million people around the world, and 2 million in the U.S., have epilepsy—a neurological condition in which disturbances in the electrical activity of the brain cause seizures. National Epilepsy Awareness Month seeks to break down barriers stopping people with epilepsy from reaching their fullest potential.

**National Peanut Butter Lover's Month.** Celebrate your love of peanut butter this month by sharing these facts with your friends: One 12-ounce jar of peanut butter contains about 540 peanuts; one acre of peanuts can produce enough peanut butter for 30,000 sandwiches; and peanuts contribute more than \$4 billion to the U.S. economy every year.

**Native American Heritage Month.** Beginning as a single day of recognition for the contributions the first Americans have made to the establishment and growth of the U.S., Native American Heritage Month was designated in 1990 by President George H. W. Bush.

## Week to Week in November

---

**National Animal Shelter Appreciation Week, Nov. 2-8.** Approximately 3,500 animal shelters across the United States serve the estimated 6-8 million homeless animals in need of refuge each year. Show them some love and support.

**National Hunger & Homelessness Awareness Week, Nov. 14-22.** Held each year the week before Thanksgiving to give Americans a time to show compassion for people experiencing hunger and homelessness.

**Geography Awareness Week, Nov. 15-21.** Spatial thinking through maps is one of the most important skills that students can develop as they learn geography, Earth and environmental sciences, and so much more. Celebrate and explore the power of maps!

**American Education Week, Nov. 16-20.** Take this opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a quality education.

## Stay healthy when you travel

---

**C**an your hotel room make you sick? Whether you're on vacation or traveling for work, you don't want your accommodations to create health issues. Try these tips to stay healthy wherever you crash:

- Get a smoke-free room. Avoid exposure to leftover smoke and nicotine by requesting a smoke-free floor when you make your reservations, or at least a nonsmoking room.
- Resist the minibar. Decline a minibar key when you check in. You'll be free of temptation to indulge in unhealthy (and expensive) drinks and snacks.
- Ditch the bed cover. Bed covers can be hiding places for bugs and other pests. Store it in a dresser or a corner of your room before going to bed.
- Bring your own disinfectant. Wipe down the phone, TV remote, and other devices with an antibacterial spray or wipe before using them to get rid of any harmful bacteria and germs from previous guests.
- Use fresh cups. Don't drink from reusable glasses and cups. Stick with your own water bottle, or plastic disposable cups wrapped in plastic.

## Don't sabotage your diet during the long afternoon

---

**Y**ou can eat a healthful breakfast and a nutritious lunch, yet still undercut your efforts to stay fit if you slack off in the afternoon. Watch out for these post-lunchtime habits that can add on extra pounds (from the Health Magazine website):

- Heavy snacks. A mid-afternoon snack can turn into a second lunch if you're not careful. Don't overdo it. Limit your snacking to 150 calories or fewer.
- Avoiding the gym. Schedule time for exercise; don't skip it just because you're busy or tired. Burning calories is important to staying in shape.
- The coffee shop. If you need a dose of caffeine, don't overload on extra sugar and cream, and resist the scones and muffins. Have a cup of coffee or tea at work, or ask a friend to pick up something salubrious for you so you don't face the temptation.
- Workplace celebrations. Birthdays, showers, good-bye parties and the like usually feature treats that can pack on the pounds. Share your good wishes, but don't go overboard on the goodies.
