Paradise Island Update

Pat Walker, Association Secretary

Happy New Year! Best wishes for a healthy and joyful 2018. Last year held many challenges for our nation as senseless terror attacks both here and abroad sadden us, and the military challenges from North Korea and elsewhere were of grave concerns. We trust that our national leaders will extend an olive branch of peace and friendship and the challenges will diminish in 2018.

National issues aside, 2017 was another good year in Paradise Island. We welcomed 10 new families, said farewell to as many old friends and mourned the passing of Rose Flanagan and Harry Schlesiger. It was especially difficult to say goodbye to long-time residents

Carol and Bud Donovan who were Lake Haven Residents for about 25 years.

To balance things out, we enjoyed many great Pot Luck Dinners and special events – including the most recent, The Annual Christmas Party. It was another successful celebration thanks to the hard work of the party committee – Lei Crance, Kendra Perenyi, Carolyn Bailey and Judy Wolff. Nicely done ladies.

Working together with new Park Manager Karen White, the HOA was successful in the removal of many unoccupied units that were a blight on our community and in negotiating another three year rental contract, as well as a number of smaller issues. Our thanks and appreciation to the HOA Board members who always keep the best interests of Lake Haven residents as their major priority.

Thank all of you who so generously supported our annual toy drive for needy children in Dunedin. Your gifts brought joy to many who otherwise may not have had a reason to celebrate. Bless you all.

The major focus for January is the Annual Community Sale on Saturday the 27th. The Hobby Club is again spearheading the collection and sales effort. We are accepting donations of gently used items. Remember: No TV sets, heavy furniture, mattresses or bed pillows. We need volunteers to make this event successful – come to the January association meeting to learn how you can serve. This is our major fund raising event, all proceeds support association-sponsored social events. Call me or Lei Crance if you need items picked-up, bring smaller items to the clubhouse.

At the January meeting we will outline plans for 2018 events. Come armed with suggestions for activities or other social events. The Board welcomes fresh activity ideas and recommendations for welcoming new residents. Every Paradise Island resident is invited and encouraged to attend meetings and social activities.

The January pot luck dinner host is Denny Wolff. It's sure to be delicious – get your name on the list.

January is also dues collection month. Please join the Association (open to renters as well as owners) and the HOA (owners only). Dues payment ensures these groups remain viable. Thank you for your support.

The Association Board looks forward to another fun year in Paradise. With your support we can make it happen!

HAPPY NEW YEAR LAKE HAVEN PARK 2 - HOPE YOUR 2018 TURNS INTO THE BEST Year YET !

Treasure Cove Goings-On

It was a very busy December in Park 2. Some snowbirds are here and it is so good to see them. It seems that more and more residents have been out and about enjoying the beautiful-cooler weather. To all of those who participated in decorating their homes for the holiday season, thank you! It is so heartwarming to see all the Christmas decorations; they really brightened things up for so many this season. And, for the first year, the Park 2 Association started a holiday decorating contest complete with first and second prizes. The winners are posted on the message board in the Clubhouse. Hopefully, we will have lots of homes decorated for Christmas in years to come so we can keep this decorating contest going. A very special thank you to Terri Salzburg, Jeri Lazazzaro and Charlie Parks for all the great decorations in the Clubhouse and around the pool area. We hope everyone enjoyed the decorations and maybe next year many of you will come and join in on the decorating fun.

After our very successful Thanksgiving dinner, we moved on to our Christmas Party which, took place Wednesday, December 13, 2018. Thank you to those that joined us and we are happy to say, the attendance broke some Park 2 records. We shared some fabulous food and drink and of course, the Neil Diamond music and dancing lead by Bobby Palermo, was fantastic! Thank you to Becky Love, Jeri Lazazzaro, Terri Salzburg and Lori Witkin-Mocerino for all the great additions to our catering menu. The special appetizers, pasta dish and fabulous homemade desserts topped off the evening, not to mention the extra special chocolate gifts we all got to take home! It was a wonderful time had by all and a special Christmas gathering for our community.

Park 2 also sponsored a food drive for the less fortunate of our own Lake Haven residents. This was another successful event for the 2017 Holiday season and we plan to continue this heart-warming tradition each year.

We now are looking forward to the New Year's Day Potluck gathering scheduled at the Clubhouse on New Year's Day (January 1, 2018). Let's spend a little time to bring in the New Year together. By now the flyer with details for this event has been put in your tubes, so please check for details.

We are still hopeful that we will receive our new pool furniture by the end of January 2018 -- keep your fingers crossed! And, we are still waiting on the final installation for the WIFI in the Park 2 Clubhouse. We will stay on top of Management so this gets done as soon as possible. Again, the name of the network and password (if necessary) will be posted. We are also waiting for the final Lake Haven Directory. Watch your tubes for a notice to update your information for the Directory. This is a listing of all residents of Lake Haven which makes finding each other much easier.

As the 2017 Holiday Season ends, we look forward to seeing more and more people from the North joining us here in Florida. On behalf of all of us, please take care when travelling on the roads during this Winter season and stay safe!

Written by Terri Salzburg

January Happenings 2018

HAPPY NEW YEAR!! We are looking forward to a great and fun filled New Year at Park III. We hope that everyone had a Merry Christmas and were able to enjoy time with their families. Several of our friends traveled home and we are happy to have them back. We closed out 2017 with four very successful social events at which everyone seemed to enjoy being with their Florida friends.

And now, in Park III, we are starting off 2018 with a BANG. The January Park III Association meeting will be held on Wednesday, January 3, at 10:00 AM. There are always important issues addressed and information shared, so be sure to attend if you can. As always we will serve delicious treats with coffee as well.

The January Pot Luck will be held on Monday, January 8, at 6:00 PM. This is the Ever Popular Soup & Sandwich evening. Many of us choose to share our favorite soup therefore the association will be providing a variety of sandwiches for the meal. The signup sheet will be posted in the clubhouse. Please remember to sign up and choose to share a salad, dessert or help with the cleanup. This event is FREE to members and guests are welcome for just \$5.00

The Famous Pizza Party, which is a real favorite with everyone, will be held January 17th at 6:00 PM. You only need to bring your appetite. Enjoy a variety of delicious Pizzas, served directly out of the oven, an extensive salad bar and an array of desserts. Beer, wine, soda and water are included, but BYOB. Live music and dancing will begin at 7:00 PM. Tickets are on sale from Glo at #419 or Kay at #504. There are only 70 tickets available. **DON'T WAIT! TICKETS SELL OUT FAST!**

And then, what we have all been waiting for...THE 1ST BAR-B-QUE of the season! Renowned Chefs Don and Dan will be grilling delicious Hamburgers, Bratwurst and Hot Dogs. A side dish or dessert is appreciated but not necessary. Beer, wine, soda and water are included, but BYOB. The party begins at 4:00 PM and ends some time later. The Bar-B-Q is FREE to members, and guests are welcome at \$5.00 each.

If you are a new resident to Park III or if you have never attended one of our social functions, I invite you to attend your first one for FREE, as my guest. Just see me, Linda Parker at #465, or call me at 612-508-7510, to reserve your place. I can assure you that there will be delicious food, great entertainment, lively conversation, and fun people to be with, with no obligation. Hopefully you will want to return and join the association.

Be sure to check your information tubes every time you pick up your mail. There are often important notices about upcoming events. Memberships may still be purchased from Bill Battle at #444, for anyone interested in joining in on the fun. Remember, each individual event is worth far more than the \$10.00 fee.

Thanks to everyone for their overwhelming support .
Linda Parker, President, Park III

Follow these tips to avoid accidents at home

Every year about 30,000 fatal accidents occur in people's homes, most of which were largely preventable. Making your home accident-proof isn't hard. To make sure your home is a safe home, review this safety checklist:

- Stairwells, stoops and steps. Tack down loose carpeting, augment dim lighting, and bolt handrails to walls with long screws.
- Exterior walkways and steps. If painted, repaint with a nonslip additive that prevents slipping or affix with nonslip strips.
- Electric garage door. Test periodically to make sure the safety stop mechanism is operational.
- Free-standing furniture. Secure bookshelves and storage units to walls with angled brackets, screws or bolts.
- Gas and water cutoff valves. Know how to close them. Use tags to identify each one, if necessary.
- Heating and water system. Have the vent stacks professionally checked annually to prevent toxic gases from entering the home.
- Water heater. Set temperature at or below 120 degrees Fahrenheit. Test highest temperature in running water with meat thermometer. Alternatively, install an anti-scald device on faucets and showerheads.
- Clothes dryer. Make sure it vents directly outside, not through a chimney flue, as lint is combustible and the fumes can be toxic.
- Radiators. Cover with a frame that is not touching the unit.
- Steam irons. Always unplug before filling with water.
- Toasters. Avoid toasting sugarcoated or filled pastries because the sugar can ooze, gumming up the inside and causing a fire.
- All appliances. Check to make sure they have UL listings, which guarantee the product meets safety standards. And make sure electrical appliances are not next to heating equipment.
- Light switches. Relocate any that are within reaching distance of a tub or shower.
- Electrical cords and plugs. Replace any worn piece, as they cause many household fires. Keep out of high traffic areas where they can trip children and adults. And never run under carpeting or rugs.
- Extension cords. Avoid using. If necessary, use cords with the same or greater wattage/ amperage than the appliance. Never run under carpeting or rugs.
- Electrical panel box. Ensure there's a main disconnect to cut off all power in case of a fire. Also, properly mark all circuit breakers.
- Fire extinguishers. Have at least two dry-chemical extinguishers, mount near kitchen and bedrooms, and check the pressure gauge at least twice a year.
- Smoke alarms. Test every six months.
- Medicines. Separate external and internal medications, and discard outdated ones.
- Kitchen knives. Store in blocks, not loose in drawers where blades are exposed.
- Stove tops. Cook on back burners when possible.
- Indoor locks. Make sure all locks can be opened from the outside in case of emergency.

More bad news about cigarettes

You probably know that smoking is bad for your health, but have you considered its impact on the environment? Among other things, it's a major cause of litter.

A report from the U.K.-based Greyhaze notes that more than 176,000,000 pounds of cigarette butts are discarded in the United States each year, amounting to 30 percent of all litter. More than 4.5 trillion cigarettes are littered around the world each year.

In addition, Greyhaze reports that more than 3.2 million cigarettes or cigarette butts were collected on beaches and inland waterways around the world in 2009, not including some 18,000 lighters, 74,000 cigar tips, and 36,000 tobacco pouches. The report notes that fish eat cigarette butts, mistaking them for worms and other food, and a single butt can kill a fish living in one liter of water.

Afraid of ghosts? Not everyone is

Would you buy a haunted house? Surprisingly, some homebuyers would be willing to live in their very own Amityville horror. Realtor.com's Haunted House Real Estate Survey of 1,000 people found that 30 percent are receptive to the thought of sharing living quarters with ghosts, 25 percent "might" be, but 42 percent would reject the idea outright.

Ghost-friendly buyers did list some caveats, though. Forty percent would expect a price cut on a haunted house, and others said extra space or a good neighborhood would increase their chances of accepting such a deal. Still, 28 percent of people in the survey said they've already lived in a haunted home, citing inexplicable noises, creepy feelings, or seeing objects move or disappear.

Listen to your internal clocks

The "clocks" in our bodies are important to maintaining good health—and messing with them can cause big problems. Three researchers recently won the Nobel Prize for their work studying how these clocks influence every cell in the human body. According to the NPR website, pulling an all-nighter for work or school, or jet lag caused by a transatlantic flight, can cause blood pressure to go up, disrupt hunger hormones, and increase blood sugar levels. You can overcome these problems over time, but a regular schedule that throws off your body clock can lead to such health problems as weight gain and Type 2 diabetes.

Late-night snacking can also disrupt your body clock. When darkness falls, your "master clock" advises other clocks not to eat. When you override that command, the pancreas starts releasing insulin to break down the food. This can reset the pancreas' clock and take it out of synch with other clocks in your body. The takeaway? Pay attention to the clocks inside your body for better health.

The courage to try

Life lessons can come from the most unlikely sources if we are open to receiving what they have to offer us. For Tricia Goyer, a wife, mother, and accomplished author, a lesson in bravery came from her twentysomething son Nathan.

When he announced his plans to write a book, Goyer encouraged him and even promised to edit it once the manuscript was completed. With 500 magazine articles bylines and more than 50 published books of nonfiction and fiction, Goyer knew her insight would be beneficial. She also knew that Nathan had a gift for creating and telling stories, which had been a favorite pastime since his childhood.

As Goyer edited Nathan's rough draft she realized that her son had a talent for writing and decided they should hire a professional editor to review the text. The editor also liked Nathan's work and offered the aspiring novelist some constructive feedback.

After the rewrites were finished, Goyer told her son to start weighing his options about next steps in the publishing process. He could go the traditional route and work with a publisher, or self-publish. Nathan told her he'd need time to think things over and then excused himself to run an errand. He returned a short time later and announced that he would self-publish his work as an e-book. The next day his novel *Bask* was for sale on Amazon.com. It has even received a few positive reviews.

For Goyer, taking those next steps in the process of publishing one of her many books has never been something she could act on with that kind of certainty or efficiency. She says she would first share copies with as many as 20 friends and consider their feedback. Next she might attend a workshop or conference to solicit even more feedback and advice before deciding which route to take.

Nathan has inspired Goyer to believe that “sometimes we just need to roll up our sleeves and do what we’ve been afraid to try.”

Stage one

Joe asked his friend Dan for a cigarette.

“I thought you made a resolution to stop smoking this year,” Dan replied.

“I did,” Joe agreed, “but it’s a process with many steps that must be completed before you actually quit. Right now, I’m working through stage one.”

“What’s stage one?”

“This is the period where I stop buying them.”

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL

visit: www.ascaluminum.com

Did you know that January is also...

Book Blitz Month. This is a time for authors of all genres to put themselves out there and promote their work. For the rest of us, it's a time to celebrate literacy, set personal goals to read more, and curl up with a good book.

National Braille Literacy Month. Developed in the 19th century by Louis Braille, this tactile system allows visually impaired and blind individuals a way to read, write, and learn.

International Creativity Month. Whether you're a homemaker, student, employee, employer, or retiree, this is the month to challenge yourself and your usual way of doing things. Try something new, explore, innovate, broaden your horizons of expression, and create something.

Hot Tea Month. Black, white, green, herbal, oolong, Darjeeling, Ceylon, chai—the list can go on for several pages. There are thousands of teas and blends to try. Find a new favorite and warm up with a cup of fragrant goodness this winter.

Self-Love Month. Many of us have already promised to become better at being better this year. Why not start by showing yourself some TLC? Find a way to honor, appreciate, and love yourself this January.

Universal Letter Writing Week, Jan 8-14. Since 1971, the Universal Postal Union has held a letter writing competition for young people age 15 and under. The event is a way to promote both literacy and the development of composition skills throughout the world. The theme of this year's contest asks writers: "Imagine you are a letter travelling through time. What message do you wish to convey to your readers?"

Healthy Weight Week, Jan. 16-22. This isn't about diets or the latest weight loss trends. A healthy body image is the key to establishing realistic goals and strategies that will help you to achieve and maintain a healthy weight and body mass. Factors such as age, bone structure, height, and physical ability should also be considered when developing personal health standards. Check in with your physician before making any changes to your diet, nutrition, and activities.

National Sunday Supper Day, Jan. 14. The second Sunday in January is a time for families to gather in the home and around the hearth and reconnect over the evening meal and hopefully establish a new monthly habit in the year ahead.

National Plan for Vacation Day, Jan. 31. There's a disturbing trend that the average American worker fails to use any or most of their vacation days. Let's change that in 2018. Set aside time in your schedule on this day to plan a getaway.

Ancient ocean covered much of Mars

Mars may be dry on its surface now, but readings from NASA's Mars Reconnaissance Orbiter (MRO) show that a vast sea existed in the southern highlands approximately 3.7 billion years ago, according to the Sci-News website.

The area, known as the Eridania Basin, contains a mix of such minerals as serpentine, talc, and carbonate, which led NASA researchers to identify possible hydrothermal deposits. The evidence suggests that these deposits were formed by heated water from a volcanically active part of the Mars' crust entering the bottom of a large sea. The sea could have held up to 50,000 cubic miles of water, as much as all other known Martian lakes combined and more than nine times the volume of water in all of North America's Great Lakes.

In addition to being important to the exploration of Mars, the sea-floor deposits also provide a glimpse into the early life of Earth. The earliest evidence of life on our planet comes from similar deposits, but the geological record is poorly preserved, NASA scientists say.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$137,600** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). **This month's cash winners are:**
