Editor's do the Winter Season Shuffle

Summer Editor, Sharon, takes a break

It's that time of year again, Summer PIPER Editor Sharon Shedd gets to take a well-deserved 6 month vacation and I will take on the job of writing and editing the next 6 "Winter Season" editions of the PIPER. As usual, all Lake Highlander residents are encouraged to submit signed articles and photos, they are always welcome. The deadline for copy to be included in the next issue is the 10th of the month.

"A friendly reminder", the master Birthday and Anniversary lists as well as the Centerfold Calendar of Events are kept in the park office computer. With approximately 450 residents living in the park, occasionally an error occurs. If you catch an error or omission in the birthdays or anniversaries notices, please call the office so the information can be updated on their

system. If you want your special function listed on the PIPER centerfold calendar see Sharon in the office. Thanks, it's great to be back at our winter home. Here is wishing you all a safe, healthy and Merry Christmas. Terry Moran, Lot#121

MESSAGE FROM THE OFFICE

As the holiday season is upon us, we find ourselves reflecting on the past year and on those who have helped shape the park in a most significant way. We value our relationships with you and look forward to working with you in the year to come. I would like to share a Christmas rhyme; **WOULDN'T LIFE BE WORTH LIVING ...WOULDN'T DREAMS BE COMING TRUE ... IF WE KEPT THE CHRISTMAS SPIRIT ... ALL THE WHOLE YEAR THROUGH.**

We wish you a very happy Holiday Season and a New Year filled with health, peace and prosperity. Merry Christmas from Beth, Sharon, Dave and John.

R.O. PRESIDENT WARREN BOWMAN'S CHRISTMAS MESSAGE

First of all I would like to wish everyone a very Merry Christmas and a healthy and happy New Year. We've had a very hectic and productive year. We finished the redecorating of the Clubhouse with a new floor, new Heat pump Air-conditioners, a new paint job, and new Push bars on the doors which increases our capacity to 162 people. We also finished a new Reserve Study which will help us in keeping our reserves and budgets to a more realistic and sound financial future. Beth, as always, has been very busy with all the upkeep of our Park. From putting in a new floor in the Lanai, new chairs, and constantly keeping up with the everyday

chores it has helped tremendously in making this a very pleasant place to live. Our new maintenance man Dave has also worked out very well. Can't miss that Smile he has for everyone. I know the OOPS letters she sends out doesn't sit well with some people but they are a necessary evil to keep the Park looking beautiful. I know the Board has worked very hard in all areas and I for one am very grateful for all their help in making this a good year . It seems with every new Board we constantly get better and better in all areas , and with Beth's input it has worked out smoothly. Can't forget the many volunteers, without their help the jobs would get more numerous and harder to complete.

Thank you all and again, Have a Very Merry Christmas and Happy and Healthy New Year.

Warren Bowman

IN MEMORIUM

In early November, LaVerne Sledgeski, Lot #264 passed away following a lengthy illness. Our thoughts and prayers go out to LaVerne's family.

NOVEMBER R.O. BOARD MEETING HIGHLIGHTS

- To open the meeting, Chaplain Darlene Johnson offered an invocation and President Warren Bowman led the Pledge of Allegiance.
- Park lawyer (Joe Cianfrone) gave a talk on the proper way to handle closings on park coaches. Many laws have changed over the past few years and as a result, he has recommended the Park Manager stop doing closings in the park office. He recommends using a Title Company to do all closings. He also recommends purchasing Title insurance.
- **Correspondence** - #1 from Dick and Loche Kline who were concerned about the April 10th. R.O. meeting which discussed the updating of Governing documents. The Board indicated that they felt enough discussion was held during the winter months (season) so everyone had an opportunity to comment. The April 10th meeting was held with our lawyer present. #2 Mr. Hancuff, the owner of Lot #9 wrote to object to a maintenance letter he received from the Park Manager. He felt it was unfair and spiteful. The Board replied that several issues with the coach maintenance needed attention. They showed photos of awnings requiring paint and badly overgrown weeds next to the home. The board supports the Park Manager in her efforts to maintain park aesthetics. They suggested Mr. Hancuff contact the manager by phone or in person to resolve issues in the future. #3 The Moore family, Lot #318 want to plant a new pigmy palm in their yard and wondered why permission had been denied. The Board responded that after several board members had been on site, checking where the tree was to be placed, the location was approved for a new tree. Permission must always be received before planting any tree in the park.

- **Managers Report**, Manager Beth Carroll reported that several summer board meetings were called to address ongoing issues. All the projects accomplished this summer came in at or under budget. Projects included, new clubhouse flooring, panic bars on clubhouse doors, new a/c units for clubhouse, several new sections of sidewalk and 5 new palm trees. All of these items were funded from our Reserves. The depressions along Falcon Street were repaired and some work continues. This work was forecast to cost \$62,000.00 but will actually cost about half that amount. She requested that persons using the laundry not use Canadian coins or car wash tokens. Please do not take old TV sets to the dumpster. Best Buy will take old TV sets, just drive to their front door and they will take your old TV out of the car for you. There will be a raffle in January, for items that were removed from clubhouse during renovations. Raffle tickets will be free. Also slated for January will be an informal information meeting between residents and the Park Manager. Refreshments will be served and park operations and maintenance subjects will be discussed.
- **Finance Committee Report** Treasurer Dusty Rhodes gave a comprehensive overview of current finances including pending 2015 budget and Reserves options that will be mailed out to members in a few days. He stated two options will be circulated to vote on. One will show a budget with underfunded Reserves resulting in a maintenance fee of \$195.00 per month. The other will show reserves fully funded making for a maintenance fee of \$240.00 per month. He commented that the park expects a very large savings in our mortgage payment once it is renewed in 2018. We expect to have approximately \$800,000.00 from the pay down account, to put against the mortgage at that time. Until then, he feels underfunding reserves is the best option. He suggested the board should underwrite the underfunded portion of the reserves with a \$24,000.00 contribution in 2015. (This became a motion and it passed unanimously). The pay down account currently stands at \$627,000.00 and we have \$631,000.00 in notes remaining from residents financing their share. A motion was made to circulate the budget and proxy forms, motion passed.
- **Buildings and Grounds** Dick DuClow thanked the Long Range Planning group for submitting a prioritised list of projects to be completed. Project completed or pending include; Upgrading the clubhouse, adding a new aerator at the north end of the lake, covered security cart parking, new parking spots at clubhouse for golf carts, the pool room is being re-evaluated, new park signage is being studied. A motion was made and carried concerning the unit on Lot 97. It will be removed and the lot leveled to make it more attractive to potential buyers.
- **The following motion was made and accepted unanimously.** Equity National Title Company will handle all coach sales effective November 13, 2014.
- **Legislation and Gov. Documents.** Director Arthur Duncan reports all documents have been reviewed and the board will be given the committee's work to circulate to members. (Motion to accept the proposed amendments passed unanimously).
- **Sales and Marketing.** Director Susan Zerbe reported 17 homes were sold in 2014. 7 homes are currently listed for sale. There will be no Open House during December.

CHRISTMAS EVE LUMINARIES

Lakeside Christmas Eve Luminaries

Following a long standing Lake Highlander tradition, Luminaries will once again adorn the curbs around the lake and front entrance on Christmas Eve. Funded by the Social Club then prepared and set out by volunteers, this program will help set the tone for another beautiful Christmas evening in our park.

Volunteers will be needed to fill the bags, insert candles, place around lake, light at dusk and clean up the next morning. Call Terry @ 738-1268 if you would like to help.

Lake Highlander 2014 Remembrance and Veteran's Day

Submitted by Harold Lewis

The Veterans ceremony was held at 11:00 A.M. on the 11th day of the 11th Month. It consisted of two ceremonies, The Remembrance of fallen veterans and the Recognition of Veterans of all Wars from Canada and the U.S.A... This service was hosted by the Social Club, Kay Bryne, President. M.C. at the ceremony was Harold Lewis. It was attended by 85 residents and visitors. The following were those who assisted in these ceremonies; Robert Frazier, Dennis Lapointe who used and operated his P.A. system, Chaplain Darlene Johnson, Bud Howell, James McNee, Nevin Hart, Sonny Skeie, Bugler Albert Towle, Frank Leone, Joscelyn Hart, Sharon Shedd and Joanne Shelden. Responsible for setting up were Eugene Brown and Bob Martin. Serving the lunch after the ceremony were Butch Partington, Lucille Towle, Kathy Quost, and Teresa Brown.

During the summer, Judy and Don Hespelt (Lot #153) celebrated their 50th wedding anniversary in upstate New York. They were surprised when a number of their Lake Highlander friends and neighbors arrived to help them celebrate the occasion.

That's the happy couple, Judy and Don, sitting in front

L to R; Terry and Mary Moran, Bob and Mary Brooks; Rod and Barbara Daniels; Sonny and Joy Skeie; Roseann and Laddy Hubbard; Joe and Pat Kasprzak; Fran LaBree. The happy group had a long lunch at a local restaurant then continued the party with refreshments at Judy and Dons new home in Clinton, New York. Guests arrived from Dunedin Florida, Cape Cod Mass., St. Johnsbury Vermont, Ivy Lea, Ontario, Sherrill, N.Y., and New Jersey.

A History Lesson

A few years ago, while in England ,At a fairly large conference, Colin Powell was asked by the Archbishop of Canterbury if our plans for Iraq were just an example of Empire building' by The United States.

He answered by saying "Over the years, the United States has sent many of its fine young men and women into great peril to fight for freedom beyond our borders. The only amount of land we have ever asked for In return is enough to bury those that did not return."

VETS DAY 2014 PHOTOS

Army Veteran Harold Lewis was master of ceremonies this year and he did a masterful job. Once again, all veterans were called forward and awarded a poppy for their lapel then they gave comments about their service. Sharon Shedd and Joanne Shelden pinned a poppy on each Vets lapel before awarding handshakes and hugs for the Vets service.

HELLO FROM JOHN AND SHEILA

Recently, the PIPER contacted Long time Lake Highlander residents John and Sheila Cook to see how things were going “up North”. John reports that Sheila has been undergoing treatments in Michigan for early onset Alzheimer’s disease. As a result of health problems the Cooks moved to a retirement community closer to their children. Sheila’s treatments are going “as well as can be expected”, according to John. They have settled into their new home and are looking forward to spending Christmas with their entire family for the first time in a few years. The Cook’s are finding their new home very comfortable; 3 delicious meals are served daily in the large and well appointed dining room, maid service and personal care attendants are on call 24/7. John continues to serve on the R.O. Board of Directors using electronic communication and indicated he will continue to serve at least until January. The Cooks would like to come back to the park but really can’t make any long term plans now. John is in good spirits and reminded me to include their very best wishes to all our readers for a very Merry Christmas and Happy and healthy New Year.

LIBRARY NEWS

Submitted by Judy Hespelt

The library recently received over 100 hard cover books to add to our collection. Thank you to all of the residents who donate books and magazines. We no longer accept VHS tapes but do appreciate audio books. They make great listening on those long trips between our summer and winter homes.

Our volunteers did a great job this summer. From May through October they put in 105 hours. Total used & returned books, puzzles, magazines, etc. – 731. Total donations 519.

Even though our population is down in summer – our library is well used.

If you are new to the park make sure to visit our user- friendly library. Simply select the books you want, read them at your leisure and when you are finished bring them back and put them in the RETURN BOX

CLUBHOUSE SOUND SYSTEM

After countless repairs and upgrades we finally have a modern, efficient and smoothly working sound system in the club house. BUT, at a recent R.O. Board workshop the mystery shriek returned. The board was assembled and Director Duncan was “plugged in” from his home up north, everything was ready to go EXCEPT the darn sound system was squeaking and whistling like crazy again. . Many suggestions were offered from the audience (all to no avail). Finally President Bowman and Manager Beth Carroll sorted things out and the meeting proceeded, complete with working sound system.

In the old days they used to refer to mystery equipment failures as the work of GREMLINS. You would think with all the recent clubhouse upgrades and remodeling they would have evicted those damn GREMLINS, along with the old flooring.

Warren and Beth save the day(and the sound system)

ANOTHER LATE NEWS FLASH

Submitted by very proud grandparents

Thanks to the quick thinking of Landon Bay Vacation Center, Assistant Manager, Christopher Dennison, a near disaster was recently avoided. Two adult non-swimmers were in the shallow end of the pool when one of them wandered into deeper water. The lifeguards had finished for the day and an open swim was available for campers.

Christopher, noticing that the man appeared to be having difficulty, dove in (fully clothed) and returned the fellow to the shallow end of the 60 foot pool. The event was witnessed by three other adults, who became aware there was a problem only after they heard Christopher enter the water. The saved man was so thankful; he offered to give Christopher his dry clothes. (Chris refused with thanks). A local TV station picked up the story and put Chris on the 6 PM news. The next week he received a government lifesaving plaque. Christopher, a third year Carleton university student, is the grandson of Lake Highlander residents; Mary and Terry Moran

SOCIAL CLUB NEWS

Submitted by Kay Byrne

- At the November meeting, Treasurer Lucille Towle reported the Club bank balance as of October 31 was \$6,205.41.
- Veteran's Day ceremonies will be MC'd by Harold Lewis. The Social Club gives their thanks to the volunteers who make this celebration possible.
- Social Event ticket pricing for 2015 has been set by the executive board to be \$3.00 for each member, down from \$3.50 for 2014. Non-members will pay \$6.00 down from \$7.00 and guests of residents' tickets will be \$6.00. This year's New Years Eve dance tickets will be \$25.00 per couple.
- President Kay Byrne has appointed Pat Kasprzak as chairperson for the nominations committee. Those who would like to run please sign the sheet posted on the clubhouse bulletin board.
- The Executive has decided to present the Club budget for the coming year to the membership for suggestions at the January meeting.
- At the November meeting, President Byrne opened discussion regarding the clubhouse capacity at coffee hour. The effort is to keep it simple first come, first seated until the legal seating capacity of 162 is met. There are only 162 chairs set up. History tells us that this will only be a problem during the months of January, February and March. Cooperation and patience is requested.
- Christmas dinner in the clubhouse will be hosted by Bill and Rachel Savage.
- Treasurer Lucille Towle has tickets for the Island Way Christmas Luncheon slated for December 11th.
- Upcoming Social Events are posted on the bulletin board. Thanksgiving dinner will be hosted by Karen Judson. Karen is looking for a volunteer to organize Christmas caroling.

FROM THE WELCOMING COMMITTEE: SAVE THIS DATE—THURSDAY JANUARY 15, 2015

You are invited to come to the clubhouse between 7:00 and 9:00 PM to meet our newest residents. It will be an informal "mix and mingle" occasion and an opportunity to give them a warm Lake Highlander welcome. If you are the head of one of our many activities there will be time to give a brief description of your group.

Mark your calendars, come enjoy some light refreshment and make some new friends. Hope to see you there.

PARK RESIDENT ITEMS SELECTED FOR F.D.R. MUSEUM

Del Miezio's Mom circa 1933

On December 26, 1933 Del Miezio's mother wrote the following letter to President Franklin Delano Roosevelt's wife, Eleanor. "Dear Mrs. Roosevelt, Under separate cover, I am mailing you a photograph of my baby boy born October 1st, 1933 at St. Anthony's Di Padua Hospital Chicago, which I named Franklin Delano in honor of our great president, which we folks think is so brilliant, and doing everything in his power to overcome this depression. I was informed by the sister in the hospital to mail you a photo and mention the name of the hospital. Wishing you and the president & family a very Happy and prosperous New Year. Yours truly, Mrs. Jeanette Miezio, 2517 South St. Louis Ave. Chicago, Ill".

Mrs. Miezio received a nice thank you letter from the Roosevelt's which included a F.D.R. monogrammed silk handkerchief. Del had both letters and the silk handkerchief framed and hung in his home here in Lake Highlander. Recently permission was requested and given for F.D.R.'s Presidential Museum in Hyde Park, New York to display copies of both letters and the photo of baby Del. The artifacts are now part of the museum collection.

News from the Hobby Club

Submitted by Bonnie Enberg

The Hobby Club started the season with a meeting on November 3rd... It was sandwich day and Corlyn Wempe's birthday was celebrated with a cake baked by Rachel Savage. We had much work to do in November to get ready for the ART IN THE PARK show and for our annual Christmas sale which will be held at coffee hour on December 6 and 13. We are in need of some old style clothes pins, not the spring type. If you have some and are willing to part with them, please contact Rachel or Bonnie. We are also looking for someone who crochets, to help out with a small project. We are always looking for new ideas and for more ladies to join us. Tentative plans for the cookie exchange is December 15. The first Monday of every month is sandwich day. We meet every Monday at 12:30. Merry Christmas from the Hobby Club Ladies

A BUGS LIFE

By Loche Kline A.K.A. Lakeside Lassie

Have you ever gone to battle against a Palmetto Bug? Yes, those things can only be considered big and ugly and scary. We all dread the thought of one of them being "in our space", even it happens to be outside! I can almost guarantee that nearly every Florida home owner has found at least one, dead, with it's legs in the air, especially upon re-entering

our vacated "tin castles". On very rare occasion we come in contact with one that isn't dead. Of course, we'd prefer to go the other way, but if they are in our home, battle we must!!! I did a little research and want to share the interesting information that I discovered.

While there are several Florida varieties of what we call a Palmetto bug, as much as I hate to admit it, each is simply some type of a roach! None of the big "Palmetto Bug" species are really hazardous to humans, unlike the much smaller kitchen pests primarily found up north. I'll concentrate on telling you about our SW Florida insects.

Seldom do "Palmetto Bugs" get into and contaminate food. None of them attack, sting or bite and they do not cause structural and/or other damage. While these qualities might allow the bugs to be less frightening, they still are NOT any more loveable! The main problem is that it's just plain creepy thinking about even one of these huge bugs living (or dead!) in our home.

All of these "monster" varieties have an assortment of common features such as their size (up to 2" in length); dark color (from reddish brown to nearly black); and wide glossy body. Their living habits are very much alike, as well. They all tend to live in and near Palmetto trees, which is where the name Palmetto Bug comes from. These insects are not usually indoor pests, however there are still occasions when an individual or small group find their way inside. While they do like moisture, they tend to find their way into our homes when it's extremely rainy and wet outside. During the summer our homes offer a dark, quiet, less soaked area of escape, but the bugs rather quickly die of dehydration when they don't find their way back out. Keeping plant vegetation and such things as wood mulch, where Palmetto Bugs like to live, away from our homes will help keep the insects from leisurely wandering in! They are seldom found on walls or in furniture and cabinets.

No bugs are pleasant or healthy to have around, so I have a couple of "home remedy's that will help minimize having to come in contact with them.

You can sprinkle Boric Acid, Borax or even Silica Gel around the outside of your home, as well as inside, if you'd like. You need to only put a fine dusting of your choice under sinks and around baseboards of your home, especially in the kitchen and bath areas. Those products are also good to fight other insects, like ants! You might want to put some around your stove and refrigerator where they butt up to the cabinets, under drawers and in other dark locations. Each can be purchased in powder form at home supply centers, drug stores and dollar stores at reasonable prices. The powder is often in a container with a pointy end that makes distribution easier.

Another easy to clean up hint, using the same powders, is to mix a tablespoon of sugar with 1/4 tablespoon of the Borax, Boric Acid or Silica Gel. Add enough water to make a paste. Put a dab of the paste on pieces of paper to place in areas where the insects might be found. The sugar will attract and encourage them to eat the fatal mixture! The paper can be removed with no mess or fuss.

While these home remedies are touted as being non-toxic, please keep them out of the reach of pets and small children.

If you live in Florida, you have to understand that "Palmetto Bugs" are a harmless, altho ugly, fact of life so we must learn to keep a cool head while dealing with them. This is Lakeside Lassie advising you not to let these pests get the better of you during the battle!!!!

LADDY DOES THE ICE BUCKET

Well know golfer and man about town, Laddy Hubbard Lot #285, showed up on YouTube a few weeks ago. He stood there in his shorts and poured a bucket of ice water over his head. Now we all know it gets pretty warm during the summer months in upstate New York but many of his friends couldn't figure out what had gotten into Laddie, they thought he had lost his marbles.

Actually when he was done, he challenged several other Lake Highlanders to contribute to the ALS ICE BUCKET CHALLENGE fund. Nice going Laddy, hope you managed to raise lots of bucks for a very worthy cause.

NEWSPAPER RECYCLING

Every Monday at 9AM sharp, park volunteers arrive at your mailbox in the park truck, ready to pick up discarded newspapers and other paper products you have left there for recycling. This week it was Jack French and Richard Zerbe helping out and there is a long list of other park volunteer paper pickers who man the truck and do the weekly job. The products are placed in the paper recycling bin located at the maintenance yard. When the bin is filled it is hauled away by a company that recycles the old stuff into new paper. Then they send the park a check as a reward for our efforts. A win win situation all around.

Thanks to all the volunteers who do this job week in and week out. You are all helping keep Lake Highlander GREEN !

LAFF A LITTLE

A young man named John received a parrot as an early Christmas gift. The parrot had a bad attitude and an even worse vocabulary. Every word out of the bird's mouth was rude, obnoxious and laced with profanity. John tried and tried to change the bird's attitude by consistently saying only polite words, playing soft music and anything else he could think of to 'clean up' the bird's vocabulary.

Finally, John was fed up and he yelled at the parrot. The parrot yelled back. John shook the parrot and the parrot got angrier and even ruder. John, in desperation, threw up his hand, grabbed the bird and put him in the freezer.

For a few minutes the parrot squawked and kicked and screamed. Then suddenly there was total quiet. Not a peep was heard for over a minute. Fearing that he'd hurt the parrot, John quickly opened the door to the freezer. The parrot calmly stepped out onto John's outstretched arms and said "I believe I may have offended you with my rude language and actions. I'm sincerely

remorseful for my inappropriate transgressions and I fully intend to do everything I can to correct my rude and unforgivable behavior."

John was stunned at the change in the bird's attitude. As he was about to ask the parrot what had made such a dramatic change in his behavior, the bird spoke-up, very softly, "May I ask what the turkey did?"

Creativity

Shift your mind to find new answers

Sometimes you need to change your thinking to spark your imagination. When you're feeling stuck on a problem, try these techniques to get over the hump:

- Go to the future. Imagine that you're well past the current situation you're dealing with. What are you doing differently? What's changed, and what hasn't? Freeing yourself up from today's concerns can allow your mind to roam in new directions.
- Become a new person. Pick a hero from history, a fictional character, or someone you admire in the real world, and ask, "What would he/she do?" The answer may push you outside of your comfort zone and help you try something different.
- Turn off your mind. Instead of obsessing over the problem, set it aside and work on something else. Often your subconscious will come up with an idea, or find a new connection, if you send your mind along a fresh route.

Resist these mistakes when you brainstorm

Brainstorming is an important tool for innovation, but it can be too easily derailed if you're not careful. Your team's creativity will flourish if you avoid these mistakes (as listed on the Fast Company website):

- Lack of preparation. Don't just pull some people into a conference without warning and say, "Let's start throwing around some ideas." Let your team know what you want to explore, and give them some time to think about the issue before asking them to contribute.
- Searching for one solution. The point of brainstorming is to generate options—as many as possible, as long as they're practical and thought-provoking. Don't obsess about finding a single great idea, at least right away.
- Stifling with structure. The typical venue for brainstorming is a conference room and a flipchart. Often, though, the routine can get stale for your people, especially if you insist on holding off until the conference room is free and everybody has time to meet. Encourage brainstorming everywhere, whenever people have ideas.
- Starting off with your own ideas. If you're the leader of the team, you may be tempted to get things rolling by offering a few ideas of your own. Resist the impulse. The team may follow your ideas, consciously or not, and you won't get the full value of their creativity and imagination.
