HIGHLIGHTS OF THE OCTOBER 10 LHRO BOARD MEETING

All board members were present in person or via phone.

- Treasurer's Report
 - o As of September 30, we had a positive balance of \$39,616 in the operating fund year-to-date.
 - o 2019 audit – The office was not happy with the CPA firm which did our 2018 audit. Beth sent out 9 RFPs and received 2 back. Kathy Hartwell and Beth Carroll interviewed those two firms. One firm would charge \$15,000 to do our audit. The other – Marsocci, Appleby & Co., would charge \$4,000. After some discussion the board voted to hire Marsocci, Appleby & Co. to do the 2019 audit.
 - o The board voted to send the proposed 2020 budget to the owners the beginning of November. It will include a proposed increase in the monthly maintenance fee to \$210 per month. The water/sewer charges are the biggest increased expenditure.
 - o Comment – if you have concerns with the way money is being spent, please bring those concerns to the board.
- Manager's Report
 - o Additional life preservers have been installed on the opposite side of the lake.
 - o The floors in the clubhouse have been cleaned.
 - o Maintenance will wash and paint the mailbox posts. Please consider your mailbox and post as a part of your personal home maintenance.
 - o Beth has looked into automatic door locks for the common buildings. Because we have push bars on the doors, automatic locks are not feasible. Bob Anderson, lot 164, has informed the office that he is willing to lock up when he is in town. No further action on automatic door locks.
 - o Holiday decorations will be going up on the island beginning the end of October and finishing up by Thanksgiving. Residents are invited to help.
- Unfinished Business
 - o Traffic pattern road painting – After much discussion among the board and from residents, a proposal to paint directional arrows on the park roads failed to pass.
 - o ADA compliant walkways to benches around the lake – Beth has a bid from one company for ADA compliant walkways at a total of 75 square feet (5 ft. wide) for four benches at \$8,900 and one bench for \$2,400. After discussion the board asked Beth to get additional quotes before voting on the matter. This item has been tabled until next month.
- New Business
 - o Fred Wimmer proposed a park-wide personal carport sale once a year to sell items not accepted by the Social Club's White Elephant Sale. This matter was tabled to allow the Social Club to discuss its impact on their sale.
 - o Gloria MacMillan proposed the park stop paying for twice yearly piano tuning to save money. It is used very seldom. No action was taken on this matter.

If you would like to know first-hand what takes place at a board meeting, please remember that the meetings are open to all resident owners.

VETERANS DAY CEREMONY

Annually patriotic Lake Highlander tradition is a ceremony honoring our veterans. Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

REMEMBERING VETERANS

The following are two articles from “Chicken Soup for the Veteran’s Soul” which can be found in the Lake Highlander Library in the General Interest section.

TO ANY SERVICE MEMBER

“During the Persian Gulf War, I was stationed aboard the naval amphibious ship USS Nassau. As a senior Marine intelligence analyst, my workdays were routinely twelve to sixteen hours long. Like all the veterans, we looked forward to receiving mail from home.

“Unlike the Vietnam War, the Gulf War found support among most Americans. As a result, we soldiers received an enormous amount of ‘To any service member’ mail from the States. I never took any of those letters, since I wrote to my wife and two children on a daily basis, as well as occasionally writing notes to my daughter’s classroom, and I didn’t feel I had time to write to anyone else.

“After five or six months of hearing the mail orderly announcing the availability of ‘To any service member’ mail, I decided to take a few of the letters. I planned, as time permitted, to drop them a line telling them ‘Thanks’ for their support.

“I picked up three letters and placed them in my cargo pocket and proceeded back to work. Over the next week or so, I started responding to the letters. When it came time to answer the third letter, I noticed it had no return address, but a Colorado postmark, which made me think longingly of home. I had missed spending Thanksgiving, Christmas and New Year’s with my family, and I was really lonesome for them.

“I opened the card and started to read the letter enclosed. About the third or fourth sentence down, it read, ‘My daddy is a Marine over there, if you see him tell him hi and I love and miss him.’ This statement really touched me and made me miss my family even more. I looked down to the signature – and sat in stunned silence as tears filled my eyes.

“My own daughter Chris and signed the letter.” By Nick Hill

THE VISIT

“My dad, Angelo, was in the hospital in Tacoma, Washington. A former Marine and veteran of the Korean War, he was having his third knee-replacement surgery.

“A long and very painful operation was going to be made even worse because Dad was going through it alone. There was no one to hold his hand, no familiar soft voices to reassure

Continued on page 14

him. His wife was ill and unable to accompany him or even visit during his weeklong stay. My sister and brother lived in California, and I lived even farther away in Indiana. There wasn't even anyone to drive him to the hospital, so he had arrived that morning by cab. The thought of my dad lying there alone was more than I could stand. But what could I do from here?

"I picked up the phone and called information for the Puyallup, Washington, Marine Corps recruiting station where I joined the Marines ten years before. I thought that if I could talk to a Marine and explain the situation, maybe one of them would visit my dad.

"I called the number. A man answered the phone and in a very confident voice said, 'United States Marines, Sergeant Van-es. May I help you?'

"Feeling just as certain, I replied, 'Sergeant Van-es, you may find this request a little strange, but this is why I am calling . . .' I proceeded to tell him who I was and that my father was also a former Marine and 100 percent disabled from the Korean War. I explained that he was in the hospital, alone, without anyone to visit and asked if Sergeant Van-es would please go and see him.

"Without hesitation, he answered, 'Absolutely.'

"Then I asked, 'If I send flowers to the recruiting station, would you deliver them to my dad when you go to the hospital?'

"Ma'am, I will be happy to take the flowers to your dad. I'll give you my address. You send them, and I will make sure that he receives them,' he replied.

"The next morning, I sent the flowers to Sergeant Van-es's office just as we had planned. I went to work, and that evening, I returned home and phoned my dad to inquire about his surprise visitor.

"If you have ever talked with a small child after that child has just seen Santa Claus, you will understand the glee I heard in my dad's voice. 'I was just waking up when I thought I saw two Marines in their dress blue uniforms standing at the foot of my bed,' he told me excitedly. 'I thought I had died and gone to heaven. But they were really there!'

"I began to laugh, partly at his excitement, but also because he didn't even mention his operation. He felt so honored: Two Marines he had never met took time out to visit an old Marine like him. He told me again and again how sharp they looked and how all the nurses thought he was so important. 'But how did you ever get them to do that?' he asked me.

"It was easy. We are all Marines, Dad, past and present; it's the bond.'

“After hanging up with my dad, I called Sergeant Van-es to thank him for visiting my dad. And to thank him for the extra things he did to make it special: wearing his dress blue uniform, bringing another Marine along – he even took a digital camera with him. He had pictures taken of the two Marines with my dad right beside his bed. That evening, he e-mailed them to me so I could see for myself that my dad was not alone and that he was going to be okay.

TRIPS AND TOURS

Submitted by Cathy Quast

Hi Lake Highlander,

Our first trip is right around the corner. I still need 6 more residents (friends, family or relatives you don't claim) to sign up for the St. Augustine's “Nights of Lights” Tour. I need 40 people or more (up to 54). to fill our tour bus. The more the merrier. National Geographic listed **St. Augustine Nights of Lights** (in 2011 and 2012) as one of the top ten displays in the world. Price includes: travel, hotel, breakfasts, on/off trolley for 2 days and the Nights of Lights Trolley.

All but a couple of deposits have been paid, and many have paid their trip in full. Thank you all for your cooperation. I have to pay the tour company at the 1st of November so I will be looking for the rest of the monies real soon. Anyone who has paid by check, please know that your check has not been cashed, it will go to the tour company

Now that my worries about the first trip being a success are almost over, I am looking forward to promoting the second trip, “KEY WEST AND THE FLORIDA KEYS”. This trip is set for January 15 – January 17, 2020 (\$229.00 per person). I am requiring a \$40 non-refundable deposit from those interested in this trip. I will need to pay the tour company around December 10th so please be conscious of payments. A number of people have already signed up and paid the deposits (many, many thanks) so I believe we are off to a good start. There are fliers at the clubhouse describing this trip. I am including a short description below for those who want to check it out now.

Key West, Florida Keys (Everglades) and Miccosukee Resort and Gaming

Includes: Travel, hotel, continental breakfasts.

Day 1: We leave at 7am and travel the famous Tamiami Trail where there is an array of exotic wildlife including the Florida Gator. This route was built to connect the East and West coast of Florida. We stop for lunch (on own) then head into the heart of the Everglades to Big Cypress. We will have the opportunity to take an air boat ride (extra cost of approx. \$20). Bring your camera – we will be going to the smallest post office in the US. We visit the Oasis Ranger station and view a film about the culture, creatures and ecology of the surrounding area, then

continue through the Miccosukee Indian Reservation. We check in at the hotel in late afternoon and enjoy dinner at any of the nearby restaurants and explore the surrounding area.

Day 2: After breakfast we travel the overseas highway, across 42 bridges that connect the Florida Keys like a string of pearls. On this drive, turquoise sea follows the same route that brought travelers from the north at the turn of the century. The journey culminates at our arrival in Key West at the trolley station. Trolley tickets can be purchased at a group discount rate of \$25 that includes on/off privileges for the day. We have the entire day to experience the Keys. Relax and appreciate the Key West sunset celebration at Mallory Square then we return to the mainland for the night.

Day 3: After breakfast we head to Miccosukee Resort and Gaming, browse, eat and play (and win???) on more than 1,700 gaming machines and at the 32 tables. With the aid of Brinks (lol) we board the coach for a leisurely journey home.

NOTE: A Government ID/Canadian Passport is required at the casino.

Next month I will be talking to you about the “Savannah” trip (Feb 19-21, \$229 per person), and reaching out to March is the Kennedy Space Center trip.

Contact me, CATHY QUAST AT 580-695-5534 for more information or, by email at 1947clq@sbcglobal.net. STRESS LESS, TRAVEL MORE.

VOLUNTEERING

Submitted by Steve Schultz

Lake Highlander would not be the premiere it is without the volunteer efforts of our many residents – past, present, and future. Roving reporter Steve Schultz has asked several residents about their views of volunteering.

It is not what you take from the Park, but what you give that counts. – Don Hanson, #92

I am very happy to share my feelings about volunteering in our Community in Lake Highlander. I have really learned and reaped from other peoples’ caring and giving, and in turn I feel that I have been given certain gifts and talents that I want and need to share. As I have watched others give of themselves very unselfishly, I have in turn been motivated to do likewise. I have found that the activities that I have been involved in, as a giver, have given me so much satisfaction and I have truly enjoyed every time that I have reached out and given my efforts. We seem to grow and reap from one another's giving, and especially the one that is giving, discovers new gifts and finds new joy in their life. – Margaret French # 237

Each of us has skills and/or talents which can be shared with others to help make the world in which we live a better place. I find volunteering a positive way to serve the community and the benefits back to me are many. There’s a positive feeling when accomplishing a task that needed to be done. As a retired person, it offers the opportunity to meet new people, interact with others, stimulate my brain and varies my daily routine. My personal experiences have

always left me feeling my efforts to serve were greatly appreciated. In terms of the Lake Highlander Community, it is the efforts and time put forth by resident volunteers that helps to make the community the wonderful place it is to live. It is a certain way to send the message we care about one another. – Susan Zerbe # 32

It is a good idea for folks to be thinking about the future. Within a Resident Owned Community, it is important that each share owner lend a hand to keep things running smoothly:

- Recycling is helping.
- Keeping an eye on shut-ins is helping.
- Serving on a committee is helping.
- Preparing Holiday meals in the Clubhouse is helping.
- Calling BINGO is helping.
- Keeping the library orderly is helping.
- Keeping your home looking good is helping.
- Offering good ideas to Board members is helping.
- Keeping visits to the office brief and to the point is helping.
- Participating in an orderly manor at Board meetings is helping.
- If you have a background in a Building Trade or have Union experience or been in Business or served as an Educator or been involved in the Arts or served in the Military, perhaps the most helpful thing you can do is to run for the Lake Highlander Resident Owners Board of Directors. That would really be helpful.

LAKE HIGHLANDER POWER

If you were here in September, you probably noticed Duke Energy affiliated trucks in the Park. Resident Don Hanson was concerned with frequent power outages in the Park. He persistently contacted Duke Energy to see if something could be done – and it was.

Reasons for continued utility work:

1. Strengthen power poles from wind damage.
2. Better protect cable connections from wind, corrosion and lightening
3. Simplify line system for easier repair maintenance in the future.

THINGS FOR WHICH TO BE THANKFUL

Author unknown

Be thankful that you don't already have everything you desire. If you did, what would there be to look forward to?

Be thankful when you don't know something, for it gives you the opportunity to learn.

Be thankful for the difficult times. During those times you grow.

Be thankful for your limitations, because they give you opportunities for improvement.

Be thankful for each new challenge, because it will build your strength and character.

Be thankful for your mistakes. They will teach you valuable lessons.

Be thankful when you're tired and weary, because it means you've made a difference.

It's easy to be thankful for the good things. A life of rich fulfillment comes to those who are also thankful for the setbacks. Gratitude can turn a negative into a positive. Find a way to be thankful for your troubles, and they can become your blessings.

**LAFF CORNER

In a certain city in eastern Spain, the builder of a movie theater only built a single emergency exit door rather than the two required by law. Sure enough, there was a fire and several people were trampled to death. The moral: Don't put all your Basques in one exit.

The man who fell into an upholstery machine is fully recovered.

What's the definition of a will? (It's a dead giveaway.)

There was a man who loved to make up puns. One day, a local magazine sponsored a pun contest. The man entered the contest ten times in the hope that at least one of his puns would win. Unfortunately, no pun in ten did.

There were two ships. One had red paint, one had blue paint. They collided. At last report, the survivors were marooned.

A bachelor is a guy who is footloose and fiancée-free.

Two Eskimos sitting in a kayak were chilly, but when they lit a fire in the craft, it sank, proving once again that you can't have your kayak and heat it too.
