HIGHLIGHTS OF THE SEPTEMBER 12 LHRO BOARD MEETING

The meeting was called to order with all Board members present either in person or by phone.

- Introduction of Louis Haskell CPA. Mr. Haskell is a certified expert in QuickBooks. He has been hired on a quarterly basis to help the office with QuickBooks. Mr. Haskell has had experience working with other mobile home associations.
- Open Forum
 - o Lot 85 requested a door stop for one of the French doors to ease bring supplies into the building. Manager Beth Carroll indicated that would be done.
 - o Lot 315 asked that a consideration be made to change the location of the smoking section in the pool area to the southeast corner of the pool deck. Its current location causes smoke to drift into the Lanai.
 - o Lot 190 expressed concern over the almost 100 cracks in our newly asphalted streets. Beth asked for the location of the worst cracks, which were given.
 - o Lot 315 stated there are rumors that the Board is considering changing the traffic pattern around the lake. She asked that it be left as it is.
- Disposition of Correspondence, 7/15/19. A potential buyer, significantly underage, requested a waiver of the age requirement to live in the park. The request was denied.
- Treasurer’s Report
 - o The park budget continues to be positive, with a current cushion of \$28,347 year to date.
 - o The 2018 audit was finally received. There was dissatisfaction as, per contract with the auditor, it was due back to us in April. RFPs have been sent out to other CPA firms. The audit shows our books in good shape but suggested minor clean-ups which have been done.
 - o Additional Mortgage Payment. We have a mortgage paydown account which is funded through repayments on the outstanding notes which the park holds. The current balance

Continued on page 10

of that account is about \$58,000. Treasurer Kathy Hartwell moved that \$50,000 be paid on the mortgage in December in addition to the monthly payment. This will ultimately save one year of payments, retiring the mortgage June 10, 2031. The Board approved the motion.

- Manager's Report

- o Manager Beth Carroll asked the Board if the meeting notices and agendas should be posted on Facebook and in Monday e-notes. The Board said yes.
 - o A request was made by a resident at the last meeting for concrete walkways to the gliders around the lake. The ADA compliant walkways, in four locations would cost about \$8,000. The Board will put this on a future agenda.
 - o A resident requested an osprey nest be erected on the island. An osprey has built its own nest in one of the palm trees on the island, which was discovered in the recent tree trimming. Also discovered an owl nest in a palm tree on Mary Circle.
 - o Life preservers will be placed on the east side of the lake.
 - o The egg rock project around the trees is half finished.
 - o Maintenance is testing a new weed killer around the trees by the clubhouse.
 - o The Fire Marshall recently made a surprise inspection. The light in the emergency sign in the multi-purpose building was out. The Fire Marshall requested we identify our common buildings with signs.
 - o Regarding "Oops" letters, this has been a bad year for mold on homes and weeds. Beth has been getting many rude comments from homeowners, with some people getting very irate. It was suggested by a resident the future letters be signed by the Board, not Beth, to show solidarity. The Rules & Regulations state a homeowner is responsible for the condition of their own property. Not being here in the summer is no excuse to be negligent.
 - o This month's planned projects are: replacing mulch with egg rock, power washing sidewalks, cleaning buildings, cleaning clubhouse floor, and power washing tables.
 - o Several residents have requested new mowers. There are problems and situations with any mowing company. If you have problems with damage to your property by the mowers, call the office – preferably while they are still here. The problems will be rectified. This mowing does a lot of extra things they don't charge us for.
 - o The park plants about five new palm trees each year. Each tree eventually needs a tree ring around it. The cost continues to rise and when last inquired the new rings would be \$86 each. Beth purchased a machine for \$979 so Maintenance can create them in-house. Our cost per tree ring is \$14.85.
- Standing Committee Reports. There were no official committee reports, but the Emergency Management team has been monitoring weather events and acting accordingly. Recently the shutters were put down in the common buildings in preparation for Hurricane Dorian. Beth stated the covers over the stained-glass windows would stay put during the hurricane season and taken off when the season is over.

- Unfinished Business
 - o Traffic pattern road painting – community safety issue. After a long discussion the issue was tabled to a future meeting.
 - o Ice Machine. After some discussion, the Board voted not to purchase an ice machine for emergency situations. They will look into other options at a future meeting.
- New Business
 - o Ratifying purchase of AC unit for library and pool room. The Board voted to spend not more than \$7800 to remove the old HVAC units in the multi-purpose building and replace them with new heat pumps.
 - o Clubhouse locking system. Since it is hard to find volunteers to lock up the common buildings at night, Beth has been looking into an electronic locking system. This was tabled to a future meeting.
- Adjournment at 12:09 p.m.

Beth Carroll's first day on the job with then-board president Jack Arsenault and vice president Ruth Barton.

Thank you, Beth, for all you do!

LABOR DAY END OF SUMMER BASH 2019

Okay, it wasn't Labor Day – It was Sunday, September 8 – but a delicious Chinese buffet was enjoyed by all at the clubhouse. Hurricane Dorian was projected to be our unwelcomed Labor Day “guest,” so our bash was postponed. But when you're retired, every day is a holiday! Thank you to our Social Club Board for planning such a fun evening of food and Family Feud.

The accommodating volunteer Family Feud participants were: Judy Edwards, Bill Shedd, Sharon Shedd, Joanne Shelden, Sue Stevens, Amy Haynes, Fuzz Haynes, and Del Miezio.

POOL TABLE FUN TOURNAMENT

Submitted by Steven Schultz

On August 22, the Lake Highlander Pool Cues got red-hot! Seven smiling men and five happy ladies competed for skill and laughs, though not always in that order. Aggie Bowman, Joan Bernier, Gloria McMillan, Pat Reynolds and Jan Schultz had a great time with cheerleading by Grace Hughes. Aggie said she was new to this but became the day's surprise winner. Yahoo!

The men got down to serious business too, in spite of a crowded room of old chairs and tables temporarily in the room. J.P. St. Laurent, Del Miezio, Bob Bernier, Bob Reynolds, Russ Latimer, Warren Bowman, Dean Reynolds and Steven Schultz eyed each pool ball carefully. Ah, well, the final results seem to come in that order, [J.P. was the winner] but we remain "neighbors".

Aggie Bowman gets ready to shoot.

Warren Bowman and Del Miezio in competition.

SANDWICH NIGHT

On the evening of August 21, the Social Club hosted a “Build Your Own Sandwich” night at the clubhouse. Seating was done a little differently – the tables were numbered, and participants drew a number to determine which table they would sit at. When everyone got up to get dessert, they drew another number and sat at that numbered table. It was a great way to talk to people we don’t normally have the opportunity to converse with.

After dinner we had an opportunity to find out more about our fellow Lake Highlanders. Everyone had been asked to write down something about themselves that others may not know. Then we had a quiz to see if we could determine who that person might be. Do you know who got locked in a church and had to jump out a window onto boys’ backs? Who dropped a million-dollar missile in Korea while moving it onto a transport vehicle? Who has 85 pairs of pants in her closet? Who rode her horses in parades? There are so many interesting stories our fellow residents can tell about themselves.

DUNEDIN STREET-WORTHY GOLF CART CHANGES

Abridged from the Dunedin Beacon, August 2019

Dunedin officials have amended an ordinance designed to provide golf carts better access to more parts of the community. To be street-worthy, a golf cart must be registered with the city. Local registration requires an annual fee of \$10 and golf cart inspection to verify road worthiness. Your golf cart must have efficient brakes, reliable steering, a horn, safe tires, a rearview mirror, amber reflectorized warning devices in the front, and reflectorized red warning devices in the rear.

Golf carts may be operated on city streets between sunset and sunrise. Golf carts are not permitted on roadways with a speed limit of 35 mph or greater. You must be a Dunedin resident to be eligible for golf cart registration and be a licensed driver.

Approved crossings are currently at San Christopher Drive, Falcon Drive, Amberlea Drive North, Michigan Boulevard, Bass Boulevard and Main Street at State Road 580 [Skinner Boulevard], and along U.S. Alt 19 at Monroe Street and Palm Boulevard. For access to downtown, a crossing will be created between James Street and Knollwood Drive. The city will also allow golf carts to cross County Road 1. A future crossing will be added at Spanish Trails after the installation of a flashing beacon. The city has also put in a permit request with the state for a crossing at San Jose Drive and Alt. 19.

The city's website has a link where one can download the golf cart registration form as well as a link to an interactive map. [<https://www.dunedingov.com/services/transportation/golf-carts-533>]

MORE DUNEDIN NEWS

Expect more traffic on Pinehurst in the near future. The city of Dunedin is building a new City Hall- Municipal Services Building at the current location of the city offices. The current City Hall at 542 Main Street will continue to operate in its present location, but other city offices and employees will be moved to a complex at the corner of Pinehurst and San Christopher. They will be at that location for 2-2 ½ years. That will certainly add additional traffic to our neighborhood.

DID YOU GUESS CORRECTLY?

Last month I posted a photo of 2 swans and asked if you knew where to find them in the park. The photo was submitted by Bob Frazier and the answer is lot 154 – Bob’s driveway. Give yourself a pat on the back if you got the correct answer.

LOGIC PUZZLE

Three islands – Zanga, Binoo, and Biro Biro – export fruit to Germany, Australia, or the USA. The islands are found in the Indian Ocean, Pacific Ocean, and the Caribbean. Their exports are coconuts, pineapples, or mangoes. Can you discover in which body of water each are, and which island produces which fruit for which country using the following clues?

- Zanga is not in the Pacific Ocean, and its mangoes are not exported to the USA.
- Australia imports the coconuts, which are not from Binoo.
- Biro Biro is in the Caribbean.

See the answer after the first joke. pg 32

**LAFF CORNER

HALLOWEEN HUMOR

Last Halloween there was a knock on the door. I looked out of the window and then shouted upstairs to my wife, "Honey there's a witch at the door. What shall I do?"

She shouted back, "Just give her some candy and tell her to get lost."
My mother-in-law hasn't spoken to me since.

ANSWER TO THE LOGIC PUZZLE

- Zanga is in the Indian Ocean and exports mangoes to Germany.
- Binoo is in the Pacific Ocean and exports pineapples to the USA.
- Biro Biro resides in the Caribbean and exports coconuts to Australia.

KITCHEN HINTS: MARTHA STEWART VS. REAL LIFE

Martha Stewart: Stuff a miniature marshmallow in the bottom of an ice cream cone to prevent ice cream drips.
Real Life: Just suck the ice cream out of the bottom of the cone, for Pete's sake! You are probably lying on the couch with your feet up eating it anyway!

Martha Stewart: To keep potatoes from budding, place an apple in the bag with the potatoes.
Real Life: Buy Hungry Jack mashed potato mix. Keeps in the pantry for up to a year.

Martha Stewart: When a cake recipe calls for flouring the baking pan, use a bit of the dry cake mix instead and there won't be any white mess on the outside of the cake.
Real Life: Go to the bakery! Hey, they'll even decorate it for you!

Martha Stewart: If you accidentally over-salt a dish while it's still cooking, drop in a peeled potato and it will absorb the excess salt for an instant 'fix-me-up.'
Real Life: If you over-salt a dish while you are cooking, that's too bad. Please recite with me the real woman's motto: 'I made it, you will eat it and I don't care how bad it tastes!'

Martha Stewart: Wrap celery in aluminum foil when putting in the refrigerator and it will keep for weeks.
Real Life: Celery? Never heard of it!

Martha Stewart: Cure for headaches: take a lime, cut it in half and rub it on your forehead. The throbbing will go away.
Real Life: Take a lime, mix it with tequila, chill and drink! All your pains go away!

Martha Stewart: Don't throw out all that leftover wine. Freeze into ice cubes for future use in casseroles and sauces.
Real Life: Leftover wine???????????? HELLO!!!!!!!

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.
