Social Club Announcements:

Hi members. Fall is coming! The Executive Board met recently and decided by a majority vote on some Social Club issues that are problematic as a result of the pandemic.

First: Health issues. We are all prone to Covid-19 due to our age and age related health issues. Fortunately, our park is virus free at this point and we really want to keep it this way. REMINDER: The flu season is right around the corner so please get your flu shot.

Second: We, the Board, are trying to follow our By-Laws; however, the pandemic safety guidelines are impacting our ability to follow them as written particularly regarding timelines, member meetings and upcoming elections. We may have to deviate from the written By-Law but we will follow the intent of it as closely as possible. The end of the year is quickly approaching and decisions had to be made.

Third: Planning for an event is a real problem. Crowd size, set up and break down, social distancing, masks and more, are all issues to consider. And who will act in a policing role. Sadly, we report that the pervasiveness of Covid-19 and our community's high risk health factors convinced us that all planned events through January 31, 2021 should be and are canceled.

Our social club life has been non-existent since the onset of the pandemic. The Board suggests it would be appropriate that Social Club memberships for 2021 be free to all members who purchased a 2020 membership card. When the 2021 Club memberships are open for sale, members could turn in their 2020 card and get a free 2021 membership. Our By-Laws state that dues would be determined annually by members at the December meeting. Since the status of meetings are currently unknown, the Board offers this change as a suggestion only.

Elections for the 2021 Social Club Board are right around the corner. According to By-Laws a nominating committee would be appointed by the Board, the committee would announce candidates for the executive board offices 30 days prior to the election in January. Being hindered by Covid-19 and resulting guidelines, a nominating committee will not be appointed. Instead there will be a sign up sheet posted on the bulletin board in the clubhouse for anyone interested in running for an Executive Board Office for the 2021 year. The Board will continue to review how the elections in January may be held effectively.

Attendance in social activities has always been good thanks to our club members. If you want the activities and fellowship to continue as in the past, please step forward and keep the Social Club strong. Lake Highlander is ripe with talent and it's time for new faces with new ideas to lead our social activities. There will be ample opportunities for those who are interested. Four officers at a recent Executive Board meeting (Gloria MacMillan, Del Miezio, Cathy Quast and Bob Bernier) announced stepping down from their office at the end of their term. Open offices will be President, First Vice President, Second Vice President, Secretary and Treasurer. Those who may be interested in an office may contact the Board and we will add your name to the candidate's list. Elections are scheduled for January 11, 2021,

continued on page 6

(pandemic allowing) so time is of the essence.

A smooth transition is desired and hopeful. The resigning members are willing to provide some assistance to the new officers for a short period of time as they get their feet on the ground during these trying times. Events and entertainment planned for 2021 beginning in February will remain on schedule, but will be reviewed as times change, and/or by the new Social Club Board.

The Social Club purchased a ping pong table this year and expended only a small amount of our funds on incidentals so there will be plenty of monies available for use in the future. Our sound funding is good news since the pandemic may interfere with a 2021 White Elephant Sale. NOTE: The ping pong table, racquets and balls are in the pool room ready for use by all. ALSO: A big thank you to Bill and Sharon Shedd for a newly refurbished pool room complete with tables and chairs and other necessities for the pool room. Funding was through the LH office, labor by Bill and Sharon.

The Annual Picnic is still scheduled; however, only 50 people will be allowed at the shelter per regulations of Phillippe Park.

Please feel free to contact us about any of the related matters. We take phone calls, letters and emails. We took forward to hearing from you.

2020 / 2021 SHUFFLEBOARD CLUB UPDATE

Shuffleboard season is almost upon us. We are not sure if we will be playing shuffleboard. We will follow the precautionary measures regarding Covid-19, such as social distancing, masks; small groups. etc. We do have a few months before the season starts so the virus may resolve some of the problems ahead of us.

We don't know how the other parks feel; but Lake Highlanders have used the guidelines to keep themselves healthy and have been mindful of the health and safety of their neighbors, friends and relatives - and we have been free of Covid. No matter what, our team will have issues to resolve for this season.

First .. Butch Partington, our team President; who is also the President of the League this year, will not be available with his full support for this season. Butch is stepping down from both presidential positions. He will continue to play at home games when possible but not the

away games. Butch will leave a mg void to fill.

Second - John Rheberg, team Treasurer, will be resigning. John always said that he would resign when Butch left. He too will leave big shoes to fill.

Third - The pandemic leaves us wondering if Lake Highland will have enough players to form a team, or if the other parks will be able to form teams.

Big issues .. few resolves.

Our team will need to elect a new president. Keep in mind, our new team president will become the league president as well. Double duty. Obviously, we will need someone who really knows shuffleboard, who is available to attend league meetings, who knows how to set the schedule for the league, and knows all the league rules and regulations. Our team will need to elect a new treasurer as well. All offices are open for election. Anyone interested in the office of President, Treasurer, Secretary, or Team Captain, please let us know. I will stay on as secretary unless someone else wants the position. If possible (dictated by the pandemic) our first team meeting will be on November 2, 2020, at 7PM. Officer elections will be held at that time.

The first league meeting, in the beginning of November, will inform us of how many teams there will be and will set the schedule of play. It may also give us guidelines that players will have to follow, and set new rules for the season. Play usually begins at the beginning of December.

This submission is meant to be a heads up to our members, and park friends. If you are not a team member, I encourage you to join. You are wanted, welcomed and needed. There's no pros here and no experience is necessary.

REMINDER: Flu shots are available. Get your flu shot ASAP and stay healthy. Please feel free to contact Butch or Cathy. We will be glad to hear from you.

Submitted,

Cathy Quast, Secretary

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

Bringing people to the center

Shortly after being forced out of Apple Computer, Steve Jobs bought a small computer manufacturer named Pixar. In 2000, he relocated the company to an abandoned factory. The original plan called for three buildings, with separate offices for computer scientists, animators, and the Pixar executives.

Jobs immediately scrapped it. Instead of three buildings, he wanted a single vast space with an atrium at its center.

As Pixar's Ed Catmull explains, "The philosophy behind this design is that it's good to put the most important function at the heart of the building. Well, what's our most important function? It's the interaction of our employees. That's why Steve put a big empty space there. He wanted to create an open area for people to always be talking to each other."

Jobs saw separated offices as a design problem. He shifted the mailboxes to the atrium, then moved the meeting rooms, cafeteria, coffee bar, and gift shop to the center of the building. "The atrium initially might seem like a waste of space," says director Brad Bird. "But Steve realized that when people run into each other, when they make eye contact, things happen."

Jobs insisted that the best creations occurred when people from disparate fields were connected, especially in an age of intellectual fragmentation.

When you plant a tree every day

What used to be a landscape devastated by erosion is now 1,360 acres of forest, and it's all thanks to one Indian man named Jadav Payeng. Jadav planted a tree every single day for 40 years, and now this man-made forest is bigger than Central Park. This incredible forest is also home to hundreds of elephants, rhinos, boars, reptiles, and birds.

This botanical enthusiast says he is planning to plant trees until his "last breath." "Nature is God. It gives me inspiration. It gives me power ... As long as it survives, I survive."

If you want to learn more about this hero, check a short documentary at <https://www.youtube.com/watch?v=HkZDSqyE1do>.

Hurts all over

A retired man went to the doctor and said, “Doc, I ache all over. Everywhere I touch it hurts.”

The doctor replied, “OK. Touch your elbow.” The guy touched his elbow and winced in genuine pain.

The doctor, surprised, then said, “Touch your head.”

The guy touched his head and jumps in agony. The doctor asked him to touch his knee and the same thing happened. Everywhere the guy touched hurt a lot.

The doctor was stumped and ordered a complete examination with full-body X-rays. He told the man to come back in two days.

Two days later the man came back and the doctor declared, “We’ve found your problem.”

“Oh, yeah? What is it?” asked the retiree.

“You’ve broken your finger.”

Laughing gas

Hate going to the dentist? These jokes may ease the pain:

A little boy went to the dentist, who found a cavity that had to be filled. “Now, young man,” asked the dentist, “what kind of filling would you like for that tooth?”

“Chocolate, please,” replied the youngster.

Young man: “My dentist said bacon and soda are just as good as toothpaste.”

Parent: “That’s ‘baking soda.’”

If I brushed my teeth with half the energy I do 15 minutes before going to the dentist, I’d never have a cavity.

The person who can bring the spirit of laughter into a room is indeed blessed.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$154,200** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or **mail your paid receipt** to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
