Emergency 911 Call Boxes

Your Board of Directors

We now have 3 Emergency 911 call boxes. One inside the Hall by the light switches, one outside the Hall in the entrance way facing the shuffle courts and the original one on the wall between the offices and card room doors. They are all clearly marked with a sign.

These are very easy to use. If there's an emergency, all you do is push the silver button, listen to the dial tone and you'll hear it automatically dial 911. Quickly, an operator will ask "is your emergency Fire, Medical or Police"? You answer the questions then quickly make sure someone is visible on the street to intercept and direct the responders.

The boxes will be tested monthly to ensure they are in working order.

From Your Social Club

Lynne Sheridan

The snowbirds are wrapping up their time in Florida and many of us are starting to think about going home and settling into our other lives. It is a good time to reflect on this past season. There were a number of things that were new either this past year or the year before that, and I would also like to share with you some things that we can look forward to next year.

- We have seen a number of new activities, and largely they were based on suggestions you made.
- The Las Vegas Revue was a smashing success. Vastly exceeded expectations and making some money for the Social Club
- The water aerobics class sees as many as 20 women out on sunny days...Sharon, hurry up and get well
- For the second year we offered lessons on ipads in the card room
- You asked for an outdoor game day so we brought you the Senior Olympics
- We have now a committee on health and wellness that has brought in speakers such as safety for seniors, CPR, Hurricane preparedness
- And speaking of speakers, over 70 of us enjoyed Sally Bright's presentation on the 23rd.
- The poker tournament a couple of weeks ago was very well attended
- With your approval we created a new committee addressing our technology needs. This includes a new web site for the Social Club which we hope will be up and running early next year. Repairs to our audio system and an assessment for a new system, using DJs for some of our dances, getting greater WiFi usage in the park are all being studied
- We have started saving for a new audio visual system

...continued on page 6

- We put some money in the piggy bank in case we need it down the road for a failure in one of our fundraising programs
- A new book club and a walking club
- A group of cribbage players gather in the hall regularly
- And of course we have the wonderful events that we have come to expect every year like the Fashion Show, pancake breakfasts, dances, golf, shuffleboard, poker, bridge, ice cream social, pool party, pizza party, men's and ladies' lunches, the flea market, bingo and the list goes on.

I hesitate to thank individuals who led the way for so many of our activities for fear of forgetting someone. Thanks to each of you for working so hard to make this a very special place.

Programs are added, changed or dropped ...always these decisions are based on input from you.

This will be the last time we host a dinner dance. A difficult decision based on a recommendation from this year's organizing committee, declining attendance and steep losses. A recent survey by this year's organizing committee showed irreconcilable differences in opinions about the future of such an event. We offer our sincere thanks to the organizing committee for hosting an excellent event this year and being brave enough to make a recommendation that will disappoint some of our members.

Next year will be very exciting. When you return in the fall, we will have horseshoe pits just behind the shuffleboard courts; there will be a large storage container in the yard near the shuffle courts to house the horseshoe equipment, bocce ball, washer toss and a few other outdoor games that you asked for. We will have another Casino night as we did a few years ago and more evenings of entertainment. All the dances have entertainment booked; we will have Art in the Park in March and recently I spoke with a local artist who will offer a course on painting silk scarves.

Enjoy the rest of the season, safe travels and we look forward to seeing you in the fall.

Thank You

Jack Everitt and Lynne Sheridan

There is a small group of residents in Lake Seminole Resort that we owe a very special thank you to. As many of us head north for the summer, we leave our full time residents in charge of our beautiful community. There are just over 40 people who live here on a full time basis. They work so very hard to ensure that everything here is taken care of. The maintenance, the pool, the gardens and the social life and so much more we entrust to you. From the bottom of our hearts, thank you. We will see you again in six or seven months.

Calling All Artists

Lynne Sheridan

March 22, 2017 seems like a very long time away...but we want to give you lots of notice. The Social Club will be hosting a new event called Art in the Park. Are you a quilter, a painter, a weaver, a carver, a jewelry maker, or an artist of any description? We invite you to join us for a fun morning. Artists and crafters will be displaying their works for viewing or for sale. We know we have lots of talent in Lake Seminole Resort. So to our artists...build up your inventory and bring it with you next year. To the rest of us...you have a very special day to look forward to.

St. Patrick's Day Dance

The Koeths and Griersons

The St. Patrick's dance was a huge hit with 140 attending! Double M Band rocked the house and had so much fun with everyone that they played an extra 45 minutes! Special thanks to the golfers that helped set the tables and chairs.

Oyster Shuck 2016

Dan & Lois Jackson

We would have never imagined that this backyard event Dan and I began eight years ago would turn into something like this. We just love to see everyone having so much fun. I don't want to try to name all individuals who helped so much in one way or another. There are so many of you and we sure don't want to miss anyone. If you did not attend this event before because you do not care for seafood, I'm sure you found there was no need to go away hungry. Along with the oysters, shrimp, tuna, other fish and meat, there was every kind of appetizer and main dish you could ever dream of. Of course the desserts were just as fabulous. It is obvious that all the great cooks in the park put one of their best recipes on the table.

A big thank you to all the people who helped set up and stayed to clean up after the party. It is hard to judge how many oysters to purchase and how much tuna we will need, but we do our best. We purchase our oysters and tuna from J-N-K's Seafood Shack which is just up the street from us on Seminole Blvd. We have always been pleased with their service and we prefer to support our local businesses if possible. Hopefully we will be able to do so this again next year. Hope to see you there! Thank you All.

Dinner Dance

Bill and Sherry Smith

A BIG Thank You for the Dinner/Dance team. Bill and I would like to thank the Dinner/Dance committee for all the work. These wonderful people include: Diane and Earl Archie, Sherry and Duncan Brown, Pat and Bob Covault, Sharon and Roger Gee, Kay and Frank Sexton. This group of people are incredibly creative, cooperative and hardworking. We enjoyed working on the committee and getting to know them better. Thank You!

Date to Remember

A Our Seminole fireman, Brad Dykins, has been able to arrange a smoke detector team to check the smoke detectors in our homes. This will be conducted by a CERT group of volunteers on April 16th. This was the earliest date available. These are Community Emergency Response Team volunteers. They will knock on your door and ask to check your smoke detector. If it needs a battery, they will install one. If it needs to be replaced, they will replace it. This is a FREE service covered by a grant. Please be welcoming on April 16th. They will begin around 8:30 in the morning.

April Is...

Financial Literacy Month. With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

Month of the Military Child. More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

National Autism Awareness Month. A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

National Garden Month. Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

Weekly

National Robotics Week, Apr. 2-10. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

Animal Control Officer Appreciation Week, Apr. 10-16. This week recognizes the hardworking men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

National Environmental Education Week, Apr. 17-23. The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

National Pet ID Week, Apr. 17-23. Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.

April Fool!

It's April 1st—the day for practical jokes large and small. If you're looking for inspiration, remember one of the all-time great media hoaxes.

In 1957, the BBC's respected news program Panorama ran a story celebrating a bumper spaghetti crop in Switzerland—thanks to a mild winter and the near elimination of the destructive “spaghetti weevil.” The program included footage of Swiss farm workers pulling strands of spaghetti from trees and laying them in the sun to dry.

Although some viewers caught on—and chastised the BBC for playing fast and loose in a news program—others fell hook, line, and pasta ladle. Many even telephoned the network to ask where they could get their own spaghetti trees.

Make new friends all through your life

Building friendships and creating thriving social circles is a key component of good health throughout your entire life. From Mayo Clinic's HealthQuest newsletter come these suggestions for making new friends no matter how old you are:

- Take your pet for walks. Make conversation with folks who stop to chat.
- Join a hobby group.
- Volunteer in community groups or at a hospital, church, or school.
- Take a course at your local community college.
- Shape up while meeting new people in an exercise class.
- Get active in a social cause or goal.
- Go out to lunch with a work or social acquaintance at least once a month.
- Ask a small favor of a neighbor or co-worker, and do the same for him or her.
- Volunteer to usher at your local community theater.

Google answers your health questions

People turn to Google for all kinds of information. Health is always a concern, so naturally the search engine fields a lot of questions about diseases and symptoms of illness. Take a look at some of the top health-related inquiries people typed into the Google search bar in 2015 (as reported on the CNN website):

- **“Is bronchitis contagious?”** Answer: Maybe, if it’s the result of a bacterial infection.
- **“Is pneumonia contagious?”** Answer: It can be, because most cases of pneumonia are caused by bacteria.
- **“How much water should I drink per day?”** Answer: About half as many fluid ounces as your weight in pounds. For example, if you weigh 140 pounds, you should be drinking about 70 fluid ounces per day (nine cups), although factors like heat, exercise, pregnancy, and other considerations should be taken into account.
- **“How many calories should I consume?”** Answer: Check with a dietician to get advice tailored to your physical needs.
- **“What is Lupus?”** Answer: Lupus is a chronic autoimmune disease. Symptoms include headaches, fatigue, joint pain, fever, and rashes.

Slow down to eat less

Eating too fast can lead to eating too much. But when you’re busy, the temptation to cram a meal down your throat may be overwhelming. Here’s how to slow down and savor every bite:

- **Stop multitasking.** Don’t try to eat while you’re working, texting, or doing anything else. Turn off your devices and focus on your meal. You’ll have a better sense of how much you’re eating and how full you feel.
- **Sit down.** Eating over the sink or grazing while you search the refrigerator may result in consuming more unneeded calories. Set the table and put your portions on a plate to keep control of how much food you’re really eating.
- **Chew slowly.** Count each bite as you chew your food, and aim for about 20 seconds of chewing for each mouthful. You’ll force yourself to slow down, and your food will be digested more easily.
