Shareholders

Pat Horn

Please note, the Board Approval Budget Meeting that was scheduled for December 4th has been moved to Thursday, December 11th

To all Residence, Friends, and Vendors

Lasereno2@tampabay.rr.com

In an ongoing effort to upgrade Services, Equipment and Infrastructure at Lake Seminole Resort, there has been a new provider and phone system installed. Anyone wanting to contact the Office/Administration via e-mail, please use lasereno2@tampabay.rr.com for all future communications via the internet. The old e-mail address is no longer in service. We thank you in advance for helping out with the conversion over to the new e-mail system by noting in your phone books the new e-mail address.

Shareholders and Renters

Please remember to sign in at the office upon your arrival. Thank you.

Beautification

Jack Everitt and The Board of Directors

We want to draw attention and show special appreciation to Alice and Bobby Jarvis along with their helpers, who continue to keep our Park looking so great! It's wonderful to have such knowledgeable residents with such energy and commitment, keeping the flowers and plantings so fresh and beautiful. Now with more and more "rested" snowbirds returning, I'm sure they'll welcome any help they can get.

THANK YOU

Save a life: Recognize the symptoms of stroke

Every minute matters when someone suffers a stroke. Prompt medical attention can make a huge difference in whether the person lives or dies, as well as in the quality of his or her recovery. Be alert for these warnings signs so you can take fast action:

- Difficulty walking. The person may appear dizzy, off-balance, or uncoordinated on his or her feet.
- Speech problems. Stroke can affect a person's ability to remember words or pronounce them correctly, making him or her seem confused or intoxicated.
- Drooping face. One side of the person's face may droop or look frozen.
- Difficulty with arm movements. Ask the person to lift both arms. An inability to raise his or her hands may indicate a stroke.
- Headache. Stroke can cause a sudden, severe headache accompanied by nausea or vomiting. If you observe, or experience, any of these symptoms, seek medical help right away.

December Is...

National Impaired Driving Prevention Month. Get home safely from your holiday parties this month—and remember safe driving habits all through the year. December was designated National Impaired Driving Prevention Month in a presidential proclamation in 2011 to “address the serious and growing threat drunk, drugged, and distracted driving poses to all Americans.”

Safe Toys and Gifts Month. Shopping for toys for Christmas, Hanukkah, or other holidays? Think about safety. Every year, toymakers around the world recall millions of toys due to safety concerns like lead paint and small magnets. Choose toys that are safe for the age of the child so everyone can enjoy a happy holiday.

Universal Human Rights Month. Universal Human Rights Month is dedicated to sharing information about human rights and distributing copies of the Universal Declaration of Human Rights throughout the world in English and other languages. The declaration was adopted by the U.N. General Assembly on Dec. 10, 1948.
