NEW YEARS DANCE FOR 2017

Dan and Lois Jackson

I think everyone would agree that we all brought in 2017 with flying colours at our dance Saturday night. When Dan and I said we would host the party, people came out of the woodwork offering their help. That is just the way it is here.

We want to thank our committee for all of their hard work: Jeff and Joanne Davis, Marty and Vicky Williams, Bob and Clare Osgood, Bill and Cathy Wackerman and Wanda Lenneville. I know Dan was very stressed out???

A big thank you Cheryl Russell for making up the beautiful posters and dance tickets and Bill Anderson for setting up the big screen TV so we could countdown the minutes to the new year.

Thank you to all the people who helped set up and clean the hall after the dance. You know who you are and I'm afraid if I say names, I will probably miss someone. You were all a great help. We could not have done it without you.

Al Ruggiero, our dance entertainer, always does a great job for us. He plays for the people. If he notices no one is getting up on the floor he will change the rhythm of his music. The floor was full of dancers most of the night.

We asked you to decorate your own table if you wished, and we had some pretty impressive centerpieces. Job well done.

The social club had a 50/50 draw and Jackie Weeks was a very happy recipient of \$122. There were 10 other door prizes but I don't have all of the names of the winners. Congratulations to all.

Before the night was over we had a couple come forward and express an interest in hosting next years New Years Dance. Thank you so much Paul and Cathy Westbury. We know they will do a great job. If they need guidance, they just have to ask. When people see how much fun you can have putting these events together they realize it is not all work, but a lot of play and 'special meetings with wine' too.

...continued on page 6

Now that we are into 2017 let us all try to make an effort to keep this beautiful park active. This is what keeps us young. I can't think of anywhere I would rather live in Florida. Keep on smiling.

HAVE A VERY HAPPY AND PROSPEROUS NEW YEAR!

Casino Night

Come join us for a fun night of gambling! Our LSR Monte Carlo night will be held Wednesday, February 15th from 7-10. There will be roulette, craps, blackjack and more! Cost is \$10 per person and tickets must be purchased in advance. Your ticket will get you \$5000 in "play" money to gamble with and at the end of the evening you can cash in your play money for a chance to win fabulous prizes!! Tickets will be sold at Monday coffee starting January 30th or you can contact Bud & Marilyn Koeth. No tickets will be sold the night of the event. BYOB. Hope to see everyone!

Marilyn & Bud Koeth
Kim & Gregg Grierson

OUR THANK YOU TO MIKE

Monday Coffee participants stretched the capacity of the Hall as residents of Lake Seminole Resort gathered to thank and say goodbye to Mike D'Amore, our long term maintenance man. Mike came to our community as a young man and spent many years of his life keeping it well maintained and beautiful. He helped many residents as well. His family accompanied him on this happy occasion.

Thank You!

The Lasereno Board, represented by Roger Gee, presented Mike with an engraved watch. Then generous monetary gifts contributed by residents were presented by Carl Redden. A scroll with residents names accompanied the gifts.

A beautiful cake was served, pictures were taken by Claire Osgood and Alice Jarvis shared good memories.

Once again this community showed its warmth, kindness and generosity.

GOLF:

Ladies Golf League every Monday at 9:30 a.m. at Largo. Come join us for some fun on Monday. This is a great way to meet your neighbors and make new friends.

Flea Market

Our 23rd Annual Flea Market will be held on Friday, March 3rd from 9AM to 1PM. Two years ago it was decided to go to a one day setup instead of our usual two days. This year we are going back to two days for setup. We made the one day work but we all felt the pressure of getting everything set up and priced. It was hectic and started to feel like work instead of fun. This year we will setup on Wed starting at 9am. If you don't get finished we will open at 9am Thurs. The other reason for the change is that the last two years the outside sales were down. When we setup on Wed., everything outside was for sale for two and a half days. With the Thurs setup we only had one and a half days to sell everything in front of the Hall and shuffleboard courts. I'm sure our numbers will be back up this year.

There is a signup sheet in the Hall for FLEA MARKET SELLERS ONLY. If you are working on the lunch counter, Bake Sale or parking cars please don't sign this list. Those in charge will get in touch with you.

When you sign up let me know if there is a certain table you like to work on by writing books, linens, dishes etc. after your name. If you would like to work with a friend put their name after yours. I also need the men who are working outside to sign this list. There is another signup sheet for our Bake Sale.

There will be more details about the Flea Market in the March Bulletin.

Christmas Eve Gathering at LSR

Christmas Eve was a beautiful warm evening with over 100 residents attending. We had lots of food! Everyone had a wonderful time socializing and singing Christmas carols led by Don New and the 'choralaires'. The park looked awesome with all the luminaires lit, lining all the streets. Thanks to Jeff Davis and his crew for cleaning the tables and setting up the pavilion with tables and chairs from the hall. Thanks to Barb New for helping me decorate the tables, and to Diane Majewski for helping to dismantle the tree after Christmas. The tree looked beautiful with all the new, leftover decor, from the hall. Thanks to all for making it a success.

Entertainment Night

An Entertainment Night is scheduled for Wed. Jan. 25 at 7:30 p.m. I will have more details on its success in next months' bulletin.
Thanks, Jackie

Football Championship

We are planning on having a NFL Championship party on Feb. 5. Instead of Chili, this year we are having Lasagna & coleslaw and buns. Check with me regarding availability of tickets because I need a head count early to get supplies.

What chapter was that?

A minister told his congregation, “For next week’s sermon, I would like everyone to read the 17th chapter of Mark from your Bible. This will help you fully understand my topic on an important sin.”

The following Sunday, the minister opened his sermon with, “Now, how many of you have read Mark 17 this week as I asked?” Nearly all the hands went up.

The minister smiled. “Mark has only 16 chapters. I will now proceed with my sermon on the subject of lying.”

How many cats?

Teacher: “If I gave you two cats, and another two cats, and then another two, how many would you have?”

Johnny: “Seven.”

Teacher: “No, listen carefully. If I gave you two cats, and another two cats and another two, how many would you have?”

Johnny: “Seven.”

Teacher: “Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?”

Johnny: “Six.”

Teacher: “Good. Now if I gave you two cats, and another two cats, and another two, how many would you have?”

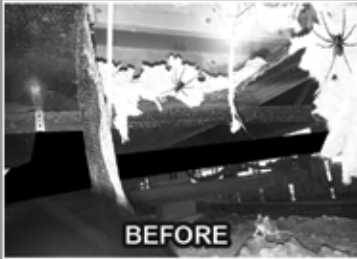

Johnny: “Seven!”

Teacher: “Johnny, where do you get seven from?”

Johnny: “Because I’ve already got a cat!”

Cities encourage healthy lifestyles

Cities are doing their part to help people stay healthy and physically fit, adding bike paths, parks, public transportation options, and “walkability.” According to Healthways, which uses scientific means to measure and encourage healthy behavior, the cities with the highest “active living environments” are:

- Boston
- San Francisco
- Chicago
- New York
- Washington, D.C.

The lowest scoring cities include Fort Wayne, Indiana; Indianapolis; Oklahoma City; and Tulsa.

Get up and work out

The alarm rings. Do you leap out of bed to head for the gym? Or hit snooze and tell yourself you’ll work out tomorrow? Motivating yourself to get up and start exercising can be tough. If you give in to temptation to skip the health club more than you’d like, try these tips to get moving:

- **Watch what you eat before bedtime.** A heavy snack right before you hit the mattress will make you feel lethargic in the morning. Stick to fruit, vegetables, and lean, protein-rich foods, and don’t eat anything for at least 90 minutes before you go to bed.
- **Go to bed early.** You’ll wake up feeling refreshed and ready to work out if you get enough sleep—seven to eight hours. Limit your TV, computer, and cellphone use before bedtime so you can get to sleep easier. 
- **Look forward to something.** Don’t think of exercise as drudgery. Find something you enjoy about it so you wake up excited about hitting the gym, or give yourself a reward for working out once you’re finished.
- **Find a workout buddy.** Exercising alone can be boring. Ask around your neighborhood, workplace, or health club and find someone who works out on the same schedule you do. When you know you’ve got someone waiting for you, you’ll be more motivated to show up.

Daydreaming can be good for you

Daydreams aren't necessarily a waste of time. We daydream for different reasons, but it can have a positive affect on your life and career. Consider these facts about daydreaming from the LiveScience website:

- Daydreaming can be controlled—up to a point. Most people daydream intentionally because they're bored or working on something simple. When tasks require more concentration, drifting off is less frequent, but still happens.
- Blinking is a clue. Wonder if someone is daydreaming while you're talking? Look closely at their eyes. Studies show that people blink more often and more rapidly when they daydream.
- Daydreaming can help with problem solving. Let your mind wander when you're working on a tough problem. Scientists have observed that the areas of the brain involved in problem solving turn more active when we daydream.

Sharpen your mind with these puzzles

Brainteasers are good for honing your creative thinking. Try these to stretch your mind:

1. You are driving a bus with nine passengers. At the first stop, three people get off and five get on. At the second stop, seven people get off and four get on. At the first stop, six people get off and two get on. How old is the bus driver?
2. You have to choose to enter one of three rooms. Inside the first room is a team of ninjas hired to kill you. Inside the second is a tiger that hasn't eaten for three months. Inside the third is a raging inferno. Which room do you enter?
3. Harry is a butcher. He started his career at age 19. He worked for nine years in Boise, Idaho, and then moved to Duluth, Minnesota, where he's been in the same line of work for 14 years. What does Harry weigh?
4. Imagine you're in a leaky rowboat that's sinking. Great white sharks are circling your boat. How do you get out of this predicament?

Answers:

1. Whatever you own age is, since you are the bus driver.
2. Room No. 2. A tiger that hasn't eaten in three months is dead.
3. Meat.
4. Stop imagining.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Meeting of minds

The famous movie actor/director Charlie Chaplin once met the world-renowned physicist Albert Einstein at a public event. According to the Storypick website, Einstein told the comedian: “What I most admire about your art is your universality. You don’t say a word, yet the world understands you.”

To which Chaplin replied, “True. But your glory is even greater. The whole world admires you, even though they don’t understand a word of what you say.”

Mistaken identity

Even Queen Elizabeth II sometimes goes unrecognized. A story from the Hello magazine website tells of a time when the queen’s car drove up to the Royal Windsor Horse Show in 1991. A guard walked up and told her, “Sorry, love, you can’t come in without a sticker.”

Unfazed, her majesty answered, “I think if you check, I will be allowed to come in.”

He did, and she was. The guard admitted later that he’d thought the queen was just “some old dear” who was lost.

A little praise

As a speechwriter for presidents Ronald Reagan and George H.W. Bush, Peggy Noonan introduced such phrases as “a thousand points of light” into the vernacular. But she derived her greatest personal satisfaction from a simple note of praise.

As recounted in her book, *What I Saw at the Revolution* (Ivy Books), four months into her job as Reagan’s speechwriter, Noonan had yet to meet the boss. Then he returned the draft of one of her speeches bearing the hand-scrawled words “Very Good.”

Noonan was overjoyed—so overjoyed that she cut out the note, taped it to her blouse, and walked the halls beaming with the pride of a schoolgirl who’d suddenly discovered she was teacher’s pet.

Monthly

African American History Month. An annual observance to recognize and commemorate African American culture, African American History Month (or Black History Month) is celebrated annually in the United States and Canada in February, and in the United Kingdom in October.

Dog Training Education Month. Every day of the month, perform one training activity with your dog: jumping, herding, racing, etc. By the end of the month, you'll notice an improvement in your dog's temperament, and you'll share a closer bond.

National Haiku Writing Month. Write one haiku a day throughout February—the shortest month for the world's shortest genre of poetry. Don't think writing a good haiku is easy, though. As French philosopher and literary theorist Roland Barthes once observed, "Haiku has this rather fantasmagorical property: That we always suppose we ourselves can write such things easily."

Teen Dating Violence Awareness Month. A national effort to raise awareness about abuse in teen and 20-something relationships and promote programs that prevent it. One in three teens in the United States will experience physical, sexual, or emotional abuse by a partner in a relationship before they become adults. Spread awareness, and stop dating abuse before it starts.

Weekly

Burn Awareness Week, Feb. 5-11. Observed the first full week in February, Burn Awareness Week is intended to provide an opportunity for burn, fire, and life safety educators to share the message of burn awareness and prevention in communities around the nation.

National School Counseling Week, Feb. 6-10. This year's theme, "School Counseling: Helping Students Realize Their Potential," will focus public attention on the unique contribution of school counselors and highlight the tremendous impact they can have in helping students achieve school success and plan for a career.

Children of Alcoholics Week, Feb. 12-18. A campaign led by the National Association for Children of Alcoholics (NACOA) to raise awareness of children affected by parental alcohol problems. Children of Alcoholics Week is celebrated internationally each year during the week in which Valentine's Day falls.

National Invasive Species Awareness Week, Feb. 19-26. Raise awareness and identify solutions to invasive species issues at local, state, tribal, regional, international, and national levels. Participating organizations include the Association of Fish and Wildlife Agencies, the Environmental Law Institute, and the Nature Conservancy.
