There is a lot less people in the summer months so please sign up again even though you have done it more then once or have never signed up. There is always somebody that has done it and would be glad to show you how and do it with you. Thanks again.

Gardening

Alice & Bobby Jarvis

At last we got a nice rain so everything is slush and green; the rain really brightened everything up. Carolyn Johnson is keeping the laundry area looking good and Bobby and I work on

Tuesday mornings. Everything looks nice. Dave Weise is taking time off due to health reasons. He will be back soon. Thanks for your help. I often hear that we have sold the homes in this community because of the flowers and up keep of the area. Yes it could be true. Know you are all enjoying the spring flowers that we do not have in Florida like tulips, daffodils, forsythia, etc.

Until next time happy gardening.

Ladies Luncheon

Carolyn Fertig & Phyllis Allen

Luncheons for the summer will be on Thursday each month. Plans for a great time are in the making for a June outing.

Potluck Dinner

Alice Jarvis and all the ladies of LSR

Last Tuesday of April we had 65 attend and bring an array of delicious food to share. It was a lovely evening in the pavilion. Memorial Day is on the last Monday of the month and that will be our next picnic meal with hot dogs, hamburgers (cooked on the grill), ice cream and all the trimmings made by the residents. Time is 5:00 p.m. We will be fewer in number this time but will have a great celebration.

Monthly For June

African-American Music Appreciation Month. A celebration of African-American music in all forms. In June of 2011, President Barack Obama proclaimed, “African-American musicians, composers, singers, and songwriters have made enormous contributions to our culture by capturing the hardships and aspirations of a community and reminding us of our shared values.”

Child Vision Awareness Month. Children’s vision challenges can be difficult to detect because they may not know they see the world differently than other children. Infants and children should have regular eye exams to ensure that they can see both near and far away, confirm that their eyes work together to focus on a single object, and treat eye diseases early.

National Zoo and Aquarium Month. A good time to explore your local zoo and aquarium. Many have excellent educational resources—photographs, videos, lesson plans, and other activities. Go to the website of the Association of Zoos and Aquariums for links to its accredited zoos and aquariums.

National Scoliosis Awareness Month. A yearly campaign with the goal of highlighting the growing need for education, early detection, and awareness about scoliosis and its prevalence within the community. The campaign unites scoliosis patients, families, physicians, clinicians, institutions, and related businesses in local activities, events, and grassroots networking throughout the month of June.

Daily For June

National Running Day, June 4. Longtime runners reaffirm their love of running and beginners can kick off a lifetime and life-changing commitment.

World Oceans Day, June 8. A day to celebrate the world’s oceans and support action to protect them.

Flag Day, June 14. A patriotic celebration of the flag of the United States of America, a symbol of freedom and hope around the world.

Magna Carta Day, June 15. Date of the signing of the Magna Carta by King John of England, an important document in the history of political freedom.

Father’s Day, June 21. Tell dad how much you appreciate everything he’s done for you.

Take Your Dog to Work Day, June 26. Take your loyal canine companion to the office with you for a day (but check with your boss first).

Where there's a will, you need a plan

It sounds like the setup for a joke: A rich uncle dies and leaves you a fortune. But what happens next in real life? A financial windfall, large or small, needs to be managed well. Here are some tips on what to do if you come into some money:

- Stash it away. Put the money away for at least six months. Trying to decide what to do with the money too soon after a relative's death may lead to questionable decisions. Put it into a money market or savings account for a little while.
- Assess your debt situation. Before you decide to invest or buy something with the money, determine whether the funds would be better spent wiping out any debt you may have.
- Seek advice. If you receive more than \$20,000, consider hiring a financial advisor who can tell you how to gain the largest or safest return on your investments.

Fly Old Glory with pride on Flag Day

Flag Day became an official national celebration in 1916, when President Woodrow Wilson proclaimed June 14 Flag Day to commemorate the adoption of the Stars and Stripes by the Second Continental Congress on that day in 1777.

The idea of setting aside a special day to celebrate the U.S. flag wasn't new, though. One of the earliest observances of Flag Day occurred in Hartford, Conn., in 1861, at the suggestion of George Morris, to pray for the preservation of the Union at the beginning of the Civil War.

In 1885, a Wisconsin schoolteacher named Bernard J. Cigrand held a formal observance of what he called "Flag Birthday" at his school. Cigrand went on to become a passionate promoter of Flag Day, delivering more than 2,000 speeches on the subject, and he is generally considered to be the "Father of Flag Day."

In 1914, Secretary of the Interior Franklin K. Lane delivered a Flag Day speech in which he said the flag had spoken to him that morning: "I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself." In 1949, President Harry Truman signed an Act of Congress formally establishing June 14 as National Flag Day.
