Park Manager versus Management by Board Volunteers

Your Board of Directors

Based on demographics and what we see as a changing culture of Shareholders, the Park is at a serious point in its growth. Since the Shareholder's purchased the Park, it has always been run by a Volunteer Board of Directors. Over the years, this has worked very well because there have been willing and able volunteers to take on the management of the Park. The last few years, this has noticeably changed and it has become more and more difficult to attract willing and able people to the Board.

The ideal situation would be to have more Full time Board members on the Board, but it is an impossibility given the interest and breakdown of Seasonal versus Full time Shareholders which seems to average 65% Seasonal and 35% full time.

Most of those 35% began their lives in our Park as Seasonal residents and many of them were very active volunteers. Some continued to volunteer as Full time and some completely retired. They have done their part and so have a number of Seasonal ones who've been spending their winters on Board activities.

We're thankful to those who have put their names forth for the positions this year, but our view of the future is not encouraging because we see 5 more openings within 13 months!

As your Board, we must be pro-active in the face of the obvious, so to be ready, we have begun researching the pro's and cons of a Park Manager or Management service, to take over the day to day running of the Park. This would greatly reduce the workload for Board members and hopefully encourage more Shareholders to take a position on the Board.

From our preliminary findings, the cost for this will be between \$47 and \$65 thousand dollars a year, which will obviously have a significant impact on our maintenance fees. We intend to discuss this at Board and Town Hall meetings so you will be kept informed.

MANAGER

From your Social Committee

Lynne Sheridan, President, Social Committee

Today I want to talk a bit about change. As you know, your social club has experimented with a few programs. Introducing a few new things and shaking up others. Thank you for supporting us in our efforts to make a few changes! Many of you have participated in our new initiatives such as golf lessons, water aquatics, bridge lessons; I pad lessons; a book club. That's change. And there will be more, perhaps this year but for sure next year. One of the bigger change successes was the pizza party we had here in the rec hall a couple of weeks ago. It was a great success and you will see it again next year!

Now speaking about change, let's talk dances. When we had the round table conversation on art and culture in January, the most discussed topic was dances...what kind of dances, what kind of music, how can we use technology to enhance our dance program, how can we increase attendance, what modifications would enhance dances. Dances are a cornerstone of our enter-

...continued on page 6

tainment program. But changing anything to do with the dances is a bit like turning the Queen Mary. We have to book our entertainment a year in advance, and as much as some folks want us to shake things up, some folks ask us to keep the old and traditional. So we are going to do a bit of both.

Your Social Club has done its homework and over the last 7 – 8 years attendance at many of our dances has declined. In some cases the numbers are down just a bit, but in other cases the attendance decline is significant. So this is what we are proposing. Some dances will remain the same. The 50s/60s dance is one of our most popular and this year it was a tremendous success again and it will continue pretty much as is. So what modifications are you likely to see? We will experiment with a couple of dates...the November dance is moving closer to December because last November we had only 50 people attend. We hope by moving it forward a couple of weeks we can capture more returning snowbirds. We are going to alter the theme of one or two of our dances. Pretty radical, don't you think? Richard and Suzanne Piwonski are exploring a Welcome Back theme for November. George and Sharon Young are looking at a new theme to replace the Sadie Hawkins dance. And everyone has been asked to think about new, different, younger bands before recommending that the Social Club sign contracts. Please be patient with us while we experiment a bit with the dance program. The dance schedule for the coming year is posted in the hall. Check it out!

We ask that the volunteers organizing dances try to make a little bit of money on the dances. Strategically we want to see the more successful dances provide financial support for the less successful dances. By the way, all of this is going on in the absence of a leadership team to help lead the way with dances. Come see us if you want to get more involved.

Super Bowl 2015

Jackie McMann

Robbin Hawley and myself would like to thank EVERYBODY who helped make the Super Bowl Party a success. Thanks to Don New who always does a fantastic job of M.C., Gerald and Joyce Harroun for selling tickets at Monday Coffee at their house and at the door; the set-up crew of: Jeff Davis, Dan Jackson, Marty Williams, Richard Piwonski, Bill Wackerman; posters and printing of tickets by Jerry Gillis; pool tickets printed by Richard Hawley; TV and big screen set up: Bill Anderson and Richard Hawley; Pool Ticket Sellers: Dan Jackson and Nelson Slansky; hamburg cooks the night before: Dorina Eskerod, Janet Westbury. Jane Salituri, Ellen Macaulay, Jackie McMann; veggie choppers, servers, dish washers: Cheri Watkins, Jane Salituri, Vicki Williams, Janet Westbury, Connie Zammit, Lynda Baker, Robbin Hawley, Jackie McMann, Joanne Davis. We served 116 people, which was down from last year. We had chili left over which will be used for the Oyster Shuck on Feb. 14th. We made a profit of \$25.44 which was turned over to the Social Club. As you can see by the number of people helping, this is a big undertaking and Robbin and I could not do it without all your help.

FLORIDA ANCHOR AND BARRIER COMPANY

Lake Seminole Resort Book Club

Joyce Bretland

The first meeting of the LSR Book Club was held on February 5th in the Rec Hall. As we discussed our personal reading preferences, it became quite apparent we had an incredibly diverse group of readers; what fun! We chose *T*'s by Frank McCourt as our first selection and plan to meet in two weeks to discuss this book and make a monthly list of books we wish to read throughout the year. There will be an interesting mix of genre' which should appeal to a broad reading appetite. We hope to see you at our March meeting which will be announced at Monday morning coffee.

Flea Market

Gerry Near

Our 21st Annual Flea Market will be held Friday, March 6th from 9 to 1. Set-up will be Thursday, March 5th starting at 9 to noon.

Thursday, March 5th - Please be at the Hall by 9:00AM. If you don't know which table you are working on, look at the sign up sheet. Beside your name you will see a number.

Every table has a number and the 2 names of the workers on that table. Your job will be to help set up that table. Pens and labels are provided for pricing. Please bring any donations to the Flea Market to the Hall between 9 and 11 so we have time to set it up and price.

Friday, March 6th - Please bring your Bake Sale donations to the Hall between 7 and 8:30 so the Bake Sale workers have time to price everything before the doors open. Our Parking guys will be

glad to take your baked goods from your car and bring them in for you. Flea Market sellers, please be in the Hall by 8:45. It would be appreciated if you would leave your car at home as we need every available parking space for our customers. To avoid the mob at the front doors, use the back doors. Please don't start packing up until 1:00 as our ads say the sale is 9:00 till 1:00. The Goodwill truck will be here by 1:30 to pick up what is left over.

Thanks to all the volunteers who have signed up to help. This is our Social Club's biggest fund raiser, but it also takes about 100 of us to make it work. Hope to see you at the Flea Market. There will be lots of bargains. Pick up some goodies at the Bake Sale. Come over and have your lunch. Find Crazy Jane & Joyce and try your luck on our 50/25/25 (2 prizes) draw. Let's all pitch in, have some fun and at the same time raise money for our Social Club.

50/60's Dance

Dan and Lois Jackson

We want to thank all of the people who came out to support our dance. It is your commitment that will keep these events going. Our faithful committee was Jeff and Joanne Davis, Bill and Cathy Wackerman, Marty and Vicky Williams and Mario and Connie Zammit. Many other volunteers who set up tables, cleaned up after the dance or just helped in anyway they could are very appreciated. It can be just as much fun as the event itself. Thanks again.

Congratulations to Roger Gee who won the 50/50 draw of \$147. and also all of the people who won a great door prize. I just can't remember all of your names. Nick Knowlton played music that many of us could relate to and bring back memories of the good old days. Of course there are some of our residents who are not this 'old'. They will get their turn. All in all I'm sure everyone had a great time. It was fun to see so many of you dressed for the occasion. Mark this event on your calendar for sometime in February next year. Hopefully Nick Knowlton will be back. Cheers! See you all soon.

Gardening

Alice and Bobby Jarvis

Lake Seminole Resort is looking good thanks to our faithful volunteers. They are few this season but we get it done. Bud Koeth and Bobby are keeping all those bushes trimmed while the girls are on their knees weeding and planting. Thanks to all.

Friday walkers will carpool from Lake Seminole Resort to the designated park. The first walk outside the park was February 13 at Walsingham Park, which was lovely and lent itself well to the occasion. The next outside walk will take place at Heritage Village, February 20. Can a cup of coffee improve your health?

Many people enjoy their daily cup (or more) of coffee. It can have benefits beyond helping people wake up in the morning, though. The Tech Times website lists these positive attributes of moderate caffeine consumption:

- **Exercise.** A study cited by the International Journal of Sport Nutrition and Exercise Metabolism found that people who drank a caffeinated beverage before exercise burned 15 percent more calories during their workouts than those who took a placebo.
- **Eyesight.** The chlorogenic acid in coffee contains a strong antioxidant that's been shown to prevent retinal degeneration in mice. Research suggests it might play a role in helping humans prevent deteriorating vision and blindness.
- **Diabetes.** A Harvard School of Public Health study found that people who drank an extra cup of coffee a day over four years decreased their risk of a Type 2 diabetes diagnosis by 11 percent.
