Our New Website!

Becky Burton

To comply with new state regulations, and to move into the 21st Century, we have a new website that will help us keep in touch whether you are in Florida or anywhere in the world. I will have some small group sessions in the card room for people with questions. There is also a computer in the card room for anyone who wants to access the LSR website.

1. To get registered, please go to www.LakeSeminoleResort.org. In the upper right-hand corner, click on "Register". Please enter your information as best as you can. (You do not need to add city, state and zip for your LSR address.)
2. I will get an email asking to approve your registration.
3. You will get an email back when that has been approved. (Check your SPAM folder.) Click on the link within the approval email and you can change your password. Your default user name is the email address you used.

If at any time you'd like to change anything, click on "Your Profile." You can add a photo of yourself, couple or family; change your profile information; update your phone number; change your user name or password, etc. You can also have a separate profile, within the same account, for your spouse but it's not necessary.

On this website, you will find important documents for residents, events and photos; as well as contacting the board and filling out requests. Please note that anyone not logging in (those who do not reside here) cannot access the resident directory or documents. If you use a public computer to access our website, please remember to log out before closing the window. If you need help, please attend one of the group sessions.

Remember January's unbelievable tasty meal that started your day feeling perfectly satisfied and able to conquer the world? You can do it again. Viva Las Vegas!!

Kim Grierson & Marilyn Koeth

What a fun evening of gambling! We need to thank the many volunteers who made this event possible; the guys who moved the tables for setup, dealers and wheel spinners, our greeters, Vegas Jane, golfers for moving the tables back and most of all, our gamblers!

New Resident Welcome Gathering

Judy Bielicki

The Lasereno Board had its first Welcome to New Residents and Renters gathering on Sunday, Feb. 10. It was so wonderful to meet, talk with and get to know our fellow residents. Now we can match a face to a name and link each other with common work experiences, places of origin, hobbies etc. Both the Lasereno and Social Club Boards were on hand - so now the connection is made. They know us too!

For criteria, we went back one year to last January for “new” residents and also included renters who are here for the first time. We plan to establish this as an annual event. I would like to thank ALL who helped make this successful. 20 people stepped up to pitch in and we had more offers of help beyond that. What a testament to the volunteer nature of our Lake Seminole Resort! What a superior place to live.

Moccasin Lake Nature Park

Diane Archie

It is getting warm out, time to visit some parks.

Recently, we went to Moccasin Lake Nature Park. 2750 Park Trail Lane, Clearwater. It has one mile of nature trails and a lot of birds, snakes, lizards, turtles, owls, and bald eagles. They even have a butterfly garden. I know you will enjoy Moccasin Lake Park. We took a lunch and spent the afternoon. Florida has some of the most beautiful parks I have ever seen and most don't cost a thing. Go enjoy your day.

Cleaning out your pantry?

Judith Friend

Before you leave for the summer, please consider donating your food to help others. I would like the items from your pantry to donate to my church for dinners. I can even use items that have been opened. Please let me know and I can pick it up.

Tuesday mornings have been busy planting with Sue Reed, Sue Tucke, Mary Jo Luzius, Carol Hassett and myself. Mike got the old bushes out and new drip hose in and working. Thanks to all who helped, Alice Jarvis.

We are definitely blessed to live in LSR where there are so many kind and caring people. Thank you from the bottom of my heart to all men and women who helped in Project “Rides for Carl” and especially a bit thanks to Mike Barry! Sincerely, Oma Redden

Monthly

Credit Education Month. Know your credit score, review your budget, and make a plan to pay off debt. This month, focus on your personal and professional finances while you research the tools and services that can help you manage your credit.

Employee Spirit Month. The holidays are over, but cold and flu season is still here, tax time is around the corner, and the weather leaves much to be desired. Boost workplace morale and engagement by giving employees a reason to celebrate this month. Cater lunch or provide a tasty snack to show workers how much they mean to you. Spread good news and encourage others to do the same. Whatever you decide, do something. Your staff deserves it.

International Mirth Month. Keynote speaker, author, and self-proclaimed “Jollytologist” Allen Klein developed this month’s theme as a way of encouraging others to find humor in the mundane and stressful occurrences of life. Beat back the end-of-winter doldrums by infusing a healthy dose of mirth to your home and workplace.

Spiritual Wellness Month. Shift the focus to yourself to keep your spirit nurtured, and encourage others to do the same. It can be as simple as pushing back from your desk each day at 3 p.m. to observe a minute of quiet reflection and deep breathing, or creating a meditation station in an unused cubicle where you can retreat to enjoy a few minutes of quiet and space.

Weekly

National Write A Letter of Appreciation Week, March 1–7. When was the last time you wrote a letter to let someone know just how much they mean to you? Now is the time to do just that. You don’t have to limit yourself to writing only one.

Girl Scouts Week, March 10–16. Show your support for girls and young women in your community as they take on projects and tasks to develop their leadership and stewardship skills.

Welllderly Week, March 18–24. They say age is nothing but a number, so don’t let those digits be an excuse for slowing down. Staying active and engaged is the key to healthy life regardless of your age. Encourage seniors in your family and community to keep busy and move about. Help them find activities and resources to promote a greater sense of well-being.

International Week of Solidarity with People Struggling Against Racism and Discrimination, March 21–27. Attend programs and lectures in your area to elevate your awareness of problems and inequities created by prejudice.

Americans prefer to stay at home

Planning a vacation overseas this year? You're not exactly alone, but you're not in the majority. As reported on the NerdWallet website, a survey by Priority Pass found that only 14 percent of Americans plan to leave the United States for a vacation this year. Forty-five percent said they'd prefer to stay in the U.S.

The survey included 10,000 people in nine countries. Overall, 32 percent of respondents said they expect to go abroad for their holidays. Among other travel-related findings from the survey:

- **Americans are least likely to spend a cash gift on travel.** If given \$300, U.S. residents are least likely to use it to help pay for a trip. People in the United Kingdom and Mexico are most likely.
- **Americans spend more on travel.** Although they travel less, Americans have the highest per-person budget for overseas travel.
- **Americans don't share.** Finally, the survey found that Americans are least likely to share their travel memories on social media, or recommend hotels, airlines, and transportation services than residents of other countries.

We're still looking at our phones on the road

We all know the dangers of texting while driving—or do we? A survey of drivers in Philadelphia, as reported on the Fox 8 website, found that 75 percent admit to using mobile devices behind the wheel.

They're not all kids, either. Although 91 percent of millennials reported using a smartphone or other device while driving, so did 79 percent of Gen Xers and 64 percent of Baby Boomers. What are they doing? Reading text messages or emails (48 percent), updating or checking social media (23 percent), and recording videos (18 percent). Only 9 percent of drivers in the survey said they use a "Do not disturb" app on their phones while driving.

Arithmetic is where you have to multiply—and you carry the multiplication table in your head and hope you won't lose it.
