## Director's Corner

Betty Luciano

---

**B**ecause I work with an uncommonly strong Board of Directors, being designated President is not a frightening prospect. It is a unique opportunity. I have set some goals for myself.

First, I plan to engage more residents in the planning and the work necessary to keep Lake Seminole Resort a five star park.

Second, I plan to consider, plan, and deal with problems promptly, with help from other Board members and residents.

Third, I plan to show residents and board members who take extra responsibility the recognition and appreciation they deserve. Appreciation is a strong motivator.

Coronavirus can cancel dances and close our pool, but it can't change the fact that we live in a beautiful place. We will get through this together.

## Listing Your Home for Sale

Board of Directors

---

**L**asereno Inc. has requirements that must be completed and approved before the sale of your home can be completed as per Rules and Regulations (section 12) and the Bylaws, dated April 2018, article 15. Requirements for you to undertake to ensure timely closure on any sale include:

- Notify the Park office as soon as your home is listed either privately or with a realtor.
- Direct the potential buyer and his/her real estate agent to contact the Park office immediately.
- Potential buyer must complete a background check, obtain and complete the buyer's package and be interviewed by two board members. The buyer must be approved by the board of directors.
- Upon approval of all requirements the closing can commence and the share in Lake Seminole Resort can be issued.

Failure to follow these required steps can delay the selling process and the subsequent issue of the share to the buyer. In addition, please note that when adding or removing a name on your share, Lasereno Inc. must also be notified to ensure the required process is completed. Thank you for your cooperation.
