Board Meeting

Pat Horn

October 30, 2014, there will be a Board meeting to approve the contract for the paving of the roads.

Street Paving Plan

Gary Eskerod

On November 4th, we will have a Town Hall with the Paving Contractor in attendance to explain how the paving project will take place and to answer any questions you may have. Also, we'll have a large street map with the scheduled dates and actions planned which we will leave posted in the Hall. Anyone who resides from 101st Street toward Seminole Blvd. should plan on attending the town hall meeting to get the information on paving logistics, parking and street closures.

The plan is to start and complete Milling (grinding off) the old pavement November 10, 11 and 12th. For these first 3 days, you should expect to have restricted access and parking on all of the affected streets during the day until the Milling has been completed. The Milling (grinding) equipment is quite large, noisy, dusty and there will be a number of large trucks in the Park transporting the grindings out. Those who normally wash their house down in November might want to wait until the work has been completed.

Renting Your Home

Gary Eskerod

The following is the paragraph from our Rules and Regulations which deals with renting in the Park. Anyone contemplating renting their home should read and follow the process.

“Renting of a mobile home is permitted only with prior written permission of the Park management and is subject to the By-laws of the corporation. All renters must be a minimum of 55 years of age and are limited to two (2) persons per mobile home and must be approved by the Board of Directors prior to occupancy. The unit owner is responsible for the actions of all tenants and any violation of Park Rules and Regulations by the tenants shall be considered a violation by the unit owner. The Park management shall be advised of the effective dates and duration of all rental agreements. No home shall be rented for a period of less than three (3) consecutive months and more than six (6) months. No subletting allowed. A background check is necessary prior to interview”. At this writing it is \$50.00 US citizen per person and \$75.00 out of Country per person.

Labor Day Dinner

Alice Jarvis, Alice Godzich, Phyllis Allen

The Labor Day picnic was held in the Pavilion. We found that it is too hot in the pavilion during the summer months; it is truly a winter place. We had a good number attending, 28 or 29, with a lot of food and the grill was hot cooking up great hot dogs and hamburgers. The dessert was a birthday cake in red, white and blue decorated for Bobby Jarvis' birthday. Thanks to all who came.

Gardening

Alice & Bobby Jarvis

Summer is about over and a few of you will be returning soon; looking forward to the gardeners to help with a lot of the weeding. The weeds have been growing faster than we can keep up with them. We got a second blooming on one of the White Crape Myrtle. The trick was that Bobby Jarvis trimmed back the old bloom seed pods at the right time. When everyone comes back we will get on a schedule. I will make a list of what needs to be accomplished and the volunteers can pick what they would like to do for that day. It has worked in the past and know it will work again.

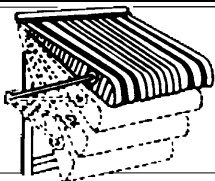

Just planted about 15 bromeliads. They were donated by Clarence Faucett that came from his brother-in-law, Charles, who died. A lot of the older residents will remember Charles; he left here to live at The Barrington. While living here at LSR, he loved gardening and was very sharp on various types of flowers

Ladies Luncheon

Barbara Fix

The luncheon for August was at the Quaker Steak and Lube. Eighteen of our LSR girls attended. It was a great lunch and a fun time out. Frankie Henry came and what a delight to see her out again. Sad to say one of our ladies that came, Marie Wegner, is no longer with us as she has since passed. Her daughter came and enjoyed getting to know everyone.

Road warriors: Reach your destination intact

Staying safe on the road, whether you drive on the job or just to and from work, takes a combination of caution and preparation. You can avoid accidents and injury by following this simple advice:

- **Keep your vehicle in good repair.** Pay attention to the basics: Clean your windows and mirrors and check them for cracks; make sure your wipers and brakes work; check the air pressure in your tires, and so forth. Take your car in for a tuneup on schedule.
- **Limit distractions while driving.** Does anyone really need to be told that talking or texting on your phone is dangerous behind the wheel? Even a conversation with a passenger can steal your attention. Make an effort to keep your eyes and mind on the road at all times while you're in motion.
- **Watch the weather. Monitor weather forecasts.** No matter how urgently you need to get somewhere, driving through heavy rain or snow can be needlessly hazardous. Drive at a safe speed for weather conditions, and don't hesitate to pull over if the road isn't safe.
- **Get enough rest.** You need to be alert when driving, and getting into a car while drowsy or fatigued won't help your concentration. Schedule sufficient sleep and rest for yourself. If you start nodding off or you can't keep your eyes on the road, stop as soon as possible and find a safe place to get some rest.
- **Drive defensively.** Keep an eye on other cars, and don't try to be king of the road. Maintain a safe distance from other vehicles, watch for trouble spots, steer clear of erratic drivers and speeders
