## On the Cover

This month's cover: Nobody believed me when I said that Lincolnshire had a real mermaid in the pool. She only comes out at night, so many have not seen her swimming around. The Luau was the perfect setting for her appearance. With everyone around the pool after dark to enjoy the Paradise Dancers fire eating & twirling show, she decided to come up to see everyone. (she has also been seen at Weeki Wachee springs – but I didn't know there was a hidden underwater outlet to our pool). Her mane is Miraj – I wonder why that name??? We hope to see her back at Lincolnshire again.

## From the Editors

By Harold & Donna Wurtz (#938, 459-0394 bigchees99@aol.com)

Happy august everyone!! It is the middle of summer and here in Lincolnshire that means many trips to the pool too cool off. Many of the full time residents will say it's hot, but really it isn't as bad as many other places around the country. Remember – we have never in the history of weather record keeping hit a temperature of 100°. What about Chicago, New York, Atlanta, Etc.? All have reached and surpassed that number. We still get the cooling breezes here in our county daily. Mornings from Tampa Bay, and evenings from the gulf – and of course the afternoon showers. And the showers are warm and comfortable too. Why not go out and dance in the rain sometime – it might do some good (but not the storms with lightning & thunder please – we want you to still be around for winter)

As the year flies by, we have been assessing some of our involvement here in the community, I know there have been neighbors who follow along with the events that go on here in the summer, and often hear us say “who will do this one next year?” Everyone thinks we are just kidding, and we continue to plan the next one and work on “next year.” We have many volunteers who come out to help us with all the events, and our thanks go out to ALL of those people. There will soon be a time however when some of those events will need new people to take over their planning & execution. There are a lot of new residents here who might step up to take over, as we did over 10 years ago. Let us know if you would like to help by running one of these many summertime events, and we will be happy to get you all the information you need to proceed, or perhaps you have an idea for a different event. That would be great too. Step up & let us know. Lincolnshire has been and will continue to be an active year round community, but to continue, we need people in place to keep things rolling.

One other thing we need help with, and that is the “voice” you are now reading. Every month as we approach the deadline from the publisher we ask regularly for articles to be submitted.

*...continued on page 6*

We thank those who have stepped up and send us articles of interest to publish. Many people don't realize how many hours are put in to put each month's issue together. We search for photos, write articles for people, and re-type articles that are submitted. We thank everyone for their input, and greatly appreciate your response. We would however ask a favor. We do live in a computer age, and computer is used to compile and submit each month's issue for the publisher. If possible, if you submit an article to publish, we would appreciate as many sent to us by e-mail rather than hand written. This will cut down our time a great deal, and if possible, those coming by e-mail should be typed in "times new roman 12" and double spaced. This will cut down our editing time greatly. Thanks you all so much for helping make Lincolnshire great, and our monthly news an interesting read.

Until next month: Enjoy every "day in paradise."

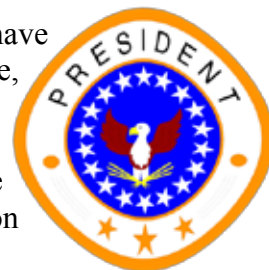

## From the Desk of the President

By Brian Sliter (#574, 812-7903)

I hope everyone is enjoying their summer. Up here in Tillsonburg we have had lots of rain for short periods and then it gets bright and sunny. Gee, sounds a lot like Lincolnshire weather!

Upcoming events

Shiraoke on Saturday the 12th, Computer seminar on Tuesday the 15th put on by Jenny, Pool Party and Free lunch on Friday the 18th put on by the Office.

PotLuck is held on the second Tuesday of the month and has been well attended this summer. Thank You Cindy for helping to keep it going and your article in the Voice should serve as a reminder to the residents.

Bunco Night –Dice and Cards--will be held on Tuesday nights when the Hall is not in use for Board and Membership meetings. This sounds like fun to me. Call Teri for more information.

Please attend Coffee Hour on Wednesdays. Harold will keep you posted on upcoming events.

Until next month stay healthy and enjoy yourselves.

# Dial Directory and Database

By Donna Wurtz (#938, 509-1182 e-mail to: momshse@aol.com)

There have been many changes this year which we still do not have from new residents. Many new residents have not provided information, and many old friends have moved away. Every year there are changes that do not get published because we do not get the information. This year is no exception. We are missing names and numbers of many new residents. If you do not see your name & phone number listed in the yellow book, we did not have the information to list it as of the publishing deadline. We cannot publish second hand information. It must be received from the actual resident, so please let them know to contact us with their information.

New residents reported by the office this past month include the following:

- Mike and Margaret Smith- #918 (delete Pam Sherman)
- The Mercado's- #1516 (delete Robert George)
- Barry and June Marshall- #1470 (delete Ernst/Fortier)
- Tammie Lowell and Dale Spaulding- #1268
- (numbers not yet available)
- New number for George & Diane Young #816: 727-401-3389
- Roger & Roselle Massey #947: 309-202-6303
- Janeth Van der Dungen #522: 727-219-7677

Please remember to make the changes when your new book arrives, which should be shortly.

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for next year's edition of the directory. Any corrections can also be submitted to Donna at 509-1182.

As information is received from new residents, we will post it for you to update your new directory when publication is complete.

When we have only first names, or some nick-name that you have on your coach, we cannot publish it in the directory, so please give us correct inputs.

Remember, the Dial directory is only published once each year. By the time this article is in your hands, you should have the latest directory, and the next one will not be published until summer of 2018, so if you are not listed – it will be a while before your listing to be published. If you missed the deadline for the new edition, please be sure to send it in for next year so the deadline is not missed again. We appreciate our friends and neighbors here in the community, and often would like to be able to contact you, especially when block captains need to pass on important information.

*...continued on page 10*

The directory is **not** produced by the office. It is a resident's club function, so don't expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

## Bulletin Board

by Lincolnshire resident's Club

---

**T**he bulletin board has now been arranged so that people can actually see what is posted. Just a reminder for everyone - there are some rules established for the use of the board. They are outlined below for your convenience

Articles for sale are limited to those posted on 3X5 cards only (they will be provided as needed) and will remain for 30 days only (date stamps will be placed). Some have been there a bit longer,, but will be removed shortly as they are getting old & discolored,, and if the items have not been sold by now, they probably won't be. *...continued on page 14*

Services available from park residents are permitted in the form of business cards or again on 3X5 cards, and are not subject to the 30 day rule. There is a separate section for these. Cards from businesses outside the park or without lot numbers will be removed.

Homes for rent and wanted to rent also are permitted on 3X5 cards. Again – lot numbers are required.

**All advertising MUST contain a lot number.**

No advertising from outside of Lincolnshire is permitted.

Thanks goes out to Jennie Alpert who you may remember buys our donuts some days for the coffee hour in the clubhouse. This month she has volunteered to bring us a class called computers: 101. It is an introductory class about computers tablets & smart phones. A flyer will be circulated with more information. The date is Tuesday, August 15. The time is noon. There is no charge for the class, and lunch will be provided. There is one catch. You must sign up in advance. There will be no “walk ins” for the lunch. So watch for sign-up sheets, and RSVP numbers so you won’t be left out.

## Independence Day Celebration

*By: Donna Wurtz & Anna Petrivelli*

Our Fourth of July Celebration was once again a great success. Over 100 residents came to the clubhouse for our lunch. There was a large assortment of salads and such made by residents to share, while big burgers and hot dogs were cooked outside on the grill. Many thanks to Craig Michel, who manned the grill in the heat of the day to cook all the meat with a little help from John Hanschu running back & forth to keep bringing in the finished product. So many residents helped in so many ways, it is impossible to list everyone, but we want to relay our sincere thanks to all who made it a success. The assortment of salads was amazing. Unlike last year when we had way too much potato salad, we made a list of salads for people to bring, and it made for a great variety. Jello salads, devilled eggs, pasta salads, 3 bean salads, Taco/pasta salad, calico cole slaw, fresh fruit, veggie tray and still had enough potato & macaroni to satisfy everyone. A separate condiment table had sliced tomato, lettuce,

Patriotic music filled the hall throughout, and our flag was lit up and blowing on the stage.

**R**uthie Kaser – you got caught!!! We saw you helping out a neighbor who works all week long, and is tired when she gets home. She kinda fell behind in her weeding efforts in a garden that has a lot of flowering plants and annuals. And there you were to lend a helping hand, weeding her garden before she got home from work. Your neighbors consider themselves lucky to have you in the community

## Lincolnshire's 6th Annual Luau

By: Donna Wurtz (#938, 509-1182)

**T**he “Paradise Dancers” were the hit of the year. This was our 6th annual luau at Lincolnshire, and each year we try to do something a little different.

Here is a little history for those who are newer to the park. Our first Luau was actually more than 6 years ago, as we did have to postpone a year while the clubhouse was under construction. That first year, we roasted a whole pig outside the clubhouse, and food was the highlight of the event with a great variety of Hawaiian style foods and lots of fruit. We did have a Hula Dancer back then too, but as we changed through the years, we upgraded our dancers from just a Hula to more rapid hip singing Tahitian Dancers.

This year we had early worries from some people because the time was later in the day, and some thought there would not be the same large buffet since we said it would be mostly “finger foods”

I believe there was nobody who left hungry. All kinds of foods were served, from Teriyaki chicken on a stick and Pulled pork & chicken sliders, to the usual large quantities of fruit and side items.

But this year's highlight had to be the dancers. We called on our friend “Miraj” once again to provide the entertainment, and she said to us she would bring a few surprises this year. And so she did!! There was no Hula this year, but we were still in a tropical climate as the “Paradise Dancers” performed both on stage, and after dark around the pool. Three “Elvises” entertained the ladies too, handing out leis to all the women present. The dancers got everyone involved

during the indoor show, and the fire dance later around the pool was great. A fire eater?? Flaming batons?? And who would have believed we would have a mermaid swimming in the pool here at Lincolnshire if we didn't see it for ourselves.

A big thank you again goes to all the volunteers who help put this one together. Without you it could not be done. This year we give a special thanks to our new "chef" David Cassidy who says he will continue to help in the kitchen with our events

Join us next year as we have an entire year to figure out how to top this one!!

## Shiraoke

By: "Harmony Hal" (#938, 459-0394)

Summer time "Shiraoke" is up and running. We had a small but enthusiastic crowd in July for our first Sunday afternoon karaoke show. There were 9 singers including Fred Dexter, Rachael Charron, Teri Thara, Jim & Shirley Thompson and a few guests. Even Donna (AKA "My Gal") was on the stage. We tried out our new karaoke system with the BOSE tower speakers, and everyone seemed to like the sound. The folks who came to sing did exactly what we expected. Since the time was right around dinner, a large assortment of foods was seen at the tables. Also since it was Sunday, some gospel style music rang through the hall.

We will have to think about doing a Sunday evening program again sometime, but for now we will return to the Saturday nights beginning in August with Saturday August 12. Start time will be 6 PM. As usual, bring your friends, voices, snacks & beverages.

See you there

Follow us on Facebook!

We are up over 265 people who have liked the page. Don't be afraid to comment or ask questions about life in Lincolnshire. Soon to come - - - - "Facebook Live" - -

--We haven't quite figured our how it works, but soon we should see Actual live postings of events in the clubhouse and comments by residents as they happen.

We do have video postings now on the cover as you enter the site, and we are getting more comments and input from neighbors. More and more residents are using the page to post thoughts, questions, etc. Our last weekly report from the facebook community tells us that for this past week we reached 1021 people, and 251 of those reached were "engaged." That means they actually read a post, or commented.

Remember that we encourage positive posts and informative posts. Negative views regarding perceived life at Lincolnshire that are not helpful to residents will be removed.

Post your exploits over the summer, so others can see what adventures you are enjoying while away from Lincolnshire at your “summer vacation homes” up north. Watch for posts about residents who are travelling around the country too – “Abe Lincoln Shire” could be featured in their photos & videos.

## Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938, 459-0394 Bigchees99@aol.com)

**H**ave you been following Barb Thomas & Betty Bowman on their trip to Alberta, Calgary, and other points North West? You can follow their trip on facebook. They brought me (Abe) along with them. I am enjoying all the photo-ops. I'll just remind everyone that I love going along with you to see the world, so any time you travel, be sure to send me an invite, & I'll come along so I can show all your friends what good time you have travelling.

Meanwhile, last month the travel club was at the Immokalee Casino and the Palm Dinner Theater. I'm sure it was a great trip with lots to do, and hopefully some big winners. Unfortunately the trip was after the deadline for this article, so again I hope you followed on facebook to see what a good time everyone had.

There are still a few cabins left on our annual cancer cruises, but time and space is running out, and prices are going up, so if you want to join your neighbors on either of these cruises, call us now for information. We do have about 20 people on each cruise so far. The more the merrier – and we really mean merrier! Cruising with friends is a lot of fun. Watch for pictures again.

Some new day trips are being put together too. By now we hope you all are aware of the shopping trip in November to the "Christmas Tree Shop" (New Englanders know what this is – just ask any Bostonian). At this printing we do have over 30 residents going on this trip. It also includes a stop at the International Outlet Mall. Plenty of room under the bus for your purchases, and it's right in time for your Christmas shopping.

Check with us for info on our evening Christmas Lights cruise in Punta Gorda.

2 shows coming up at the Show Palace for this season too: "Seven Brides for Seven Brothers" - a matinee show on Thursday Nov. 2, and another matinee in February to see "Pippin" Both great musicals in what has been called one of the best dinner theaters on the coast. Call us for details and reservations

Lectioary Readings for August 2017

**L** 6 – O God, who on the holy mount revealed to chosen witnesses your well-beloved Son, wonderfully transfigured, in raiment white and glistening: Mercifully grant that we, being delivered from the disquietude of this world, may by faith behold the King in his beauty; who with you, O Father, and you, O Holy Spirit, lives and reigns, one God, for ever and ever. *Amen.*

Exodus 34:29-35, Psalm 99 or 99:5-9, 2 Peter 1:13-21, Luke 9:28-36

**13** - Grant to us, Lord, we pray, the spirit to think and do always those things that are right, that we, who cannot exist without you, may by you be enabled to live according to your will; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

me sniff the air, she puts my coat on. It helps me feel calmer. It's called a thundercoat. Also in July I had a tummy ache for a week or so. I snagged some people food I shouldn't have and it made me sick. Please be careful with food around me and my friends. Even though it looks and smells good, it's not always good for me to eat.

Since the last 6 weeks or so, we've had some changes in the pet population around here. We have 2 new friends on 9th. A new gal on 2nd named Precious found her forever home. Coco on 2nd & also has been on vacation with her Mom and Dad. Then on a sad note, Sweet Pea, made her walk over the Rainbow Bridge. If there are any other doggie (and cats) news items I can post on the Voice, let my Mom, Ann, or Harold know so we can post in in the column.

Lastly, the days are so hot now that we get overheated very easily. Be sure to walk us only in the early morning and evening. We sweat thru our mouths by panting and our feet. We need more water than usual. Hot pavement is not good. We are fur babies; our skin isn't bare. Some of us like to go to the beach and get wet. There are some beach access dog parks in Pinellas, Fort Desoto Park and Crystal Beach in Palm Harbor are 2, I know of.

At 125° skin destruction can occur in just 60 seconds. Always check the asphalt prior to allowing your pet to walk on it. Paws can get burned. "If it's too hot for your bare feet, it's too hot for ours."

**LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC.  
P.O Box 1882, Largo, FL 33779**

**A** N OPEN LETTER TO LINCOLNSHIRE RESIDENTS FROM A LHOA DIRECTOR.

The topic for this edition of "The Voice" will not be F.S.723. You and I know you could care less about the law as it pertains to mobile home parks. So, what DO you care about? If you're a full time resident you probably care about the pool, coffee hour, clubhouse activities and events, etc. If you are a seasonal resident, your thoughts are very remote from Lincolnshire right now. You've made that "mental memo" to pay your \$10.00 annual dues, but somehow you keep forgetting to write that check. You know there's a HOA meeting but it's inconvenient for

*...continued on page 36*

you to attend meetings or maybe you just plain forgot - again. I'm amazed that we can have over a hundred people at coffee hour in the winter months and yet we can't get a quorum of the membership at a HOA meeting! How does that effect the operation of your HOA? It does! You have a voice and ideas to share. Each of us must do our part. You may have solutions and/or resolutions that might benefit our community as a whole. Example: a motion to have the HOA represent the membership of the HOA in discussions and mediation over the notice of changes to the prospectus; rules and regulations; voted on and passed by a quorum of the HOA membership, might have tipped the scales in our recent discussions with the park owner.

As a member of our community, we enjoy those rights and privileges endowed by residing in our community. Along with the rights and privileges of "citizenship" in any community comes the responsibility and accountability of that "citizenship". Seasonal resident or not, you and I are "citizens" of this community. All of us have vested financial interest in our coaches. All of us have certain obligations and responsibilities owed to the park owner. By definition of community we share a common bond in fellowship. In every sense, we share liberty, equality and fraternity as a community.

I ask you now to resolve to renew your membership in the HOA. Don't make another "mental memo", write that check NOW. If you're not a member, join. If you join, participate. The HOA meetings is YOUR community town hall meeting. It's democracy in action.

## Columbus' anchor salvaged from the depths

A team of explorers believe they've discovered an anchor from one of Christopher Columbus' ships in the Caribbean. According to a story on the Fox News website, an analysis of the anchor shows that it dates from somewhere between 1492 and 1550. It weighed 1,200-1,500 pounds and probably belonged to a 300-ton vessel, typical of Columbus' time.

The anchor is believed to come from a fleet of smaller ships called caravels, which included the Pinta. Captained by Vicente Pinzon on one of the "minor voyages" of Columbus' third expedition to the New World, the ship sank in a hurricane near the Turks and Caicos islands in 1500.

In addition to the anchor, the team brought up other artifacts at the shipwreck site, including grappling hooks used for salvaging cargo from shipwrecks, as well as pieces of pottery and an olive jar painted with indigo.

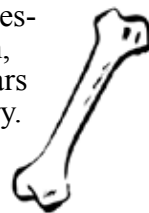

## Scientists create negative mass in the laboratory

Negative mass might sound like something out of science fiction, but physicists have created it in a laboratory. The BBC News website reports that scientists at Washington State University have created a particle composed of negative mass by using lasers to trap atoms of rubidium and then cooling them down to just above absolute zero. This caused the atoms to behave as a superfluid liquid, flowing without losing any energy.

Paradoxically, if you push something with negative mass, it accelerates in your direction, following behavior predicted by quantum mechanics. Scientists expect the technique to help them solve questions about black holes, neutron stars, and dark energy in the cosmos.

## Ancient bone raises modern questions

An artifact unearthed in Crimea may shed new light on our Neanderthal ancestors, according to the Sci-News website. It's a bone fragment from a raven, and it's approximately 38,000 years old. A mere 18 mm long, the bone bears a series of notches that are too evenly spaced to be the result of everyday butchery. Archaeologists believe that two notches on the raven bone could have been made intentionally by Neanderthals to create a pattern meant to be consistent or symbolic. The bone may have worn as a personal ornament, some speculate.

## Traditional books are alive and well

---

Publishers and traditional readers alike have long been worried about the rise of electronic books as sales of Amazon's Kindle and other devices have grown, but their concerns may have been at least somewhat overblown. New studies suggest that the growth of e-book sales is leveling out—and possibly declining.

According to the Chicago Tribune website, during the first nine months of 2016 e-book sales dropped by 18.7 percent compared with the same period a year earlier. On the other hand, hardcovers, paperbacks, and audiobooks did not suffer a similar decline. In the same time frame, e-books' share of the total market fell to 17.6 percent from 21.7 percent. In addition, sales of hardcover books in 2016 outpaced e-books for the first time in five years.

Don't panic—books don't look like they're being replaced any time soon.

## More Americans taking advantage of technology

---

The digital revolution continues gaining ground, according to the Pew Research Center. Seventy-seven percent of Americans own a smartphone, a figure that's almost doubled since Pew began tracking smartphone ownership in 2011.

Similarly, broadband access is on an upswing, with home broadband service rising 6 percent in 2016 (after a slight decline from 2013 to 2015). In November 2016, nearly three-quarters (73 percent) of Americans reported having broadband service.

Finally, 69 percent of U.S. adults are using social media, especially young people—86 percent of 18- to 29-year-olds are on at least one social media platform.

## New hope for headache sufferers

---

Cluster headaches, such as migraines, are rare, but they can cause intense pain to the people (mostly men) who suffer from them.

But there's hope. According to the NBC News website, the Food and Drug Administration has recently approved a device known as the vagus nerve stimulator for treatment of cluster headaches. Sufferers place the small device, named gammaCore, against the neck and send a mild electrical stimulation to the vagus nerve—a large nerve that runs from the brain to the colon. The jolt disrupts signals along the nerve, reducing the pain.

Vagus nerve stimulation is already used to treat ailments such as epilepsy and depression. Gammacore, manufactured by the organization electroCore, is available in Europe, but electroCore plans to begin offering it in the United States later this year.
