Fun Stuff at Lincolnshire in the Summertime

FROM THE EDITOR

By Ann Curry (Lot 1015...acuria10@gmail.com...727-420-6518)

We are in the throes of Florida Summer. Right now it's only July and we are being harassed with a mess of rain coming down from up north. Will it rain in the night, early morning, late afternoon or just all day. Will we get to worry about a tropical disturbance or worse, headed our way. Hopefully, God willing, we won't have anything too bad this year. Allyn, in his Nurses's Toolbox, gave us some good advice last month. So let's move on from all that and have fun in the sun the best we can.

There's lots to do in the park with Harold keeping up the activities. We have our good old pool too. Then too, we can go to the beaches, some of which allow our doggies. There are also some great parks with wooded trails like Taylor Park, Eagle Lake Park and Walsingham Park and Weedon Island or Fort DeSoto State Park.

Then too, we can be tourists, and take some of those one tank trips around the state.

I've been looking some up on the internet and there are so many interesting places to see.

I took a lot of this info from florida-backroads-travel.com web site. It is quite extensive with maps and everything. Since we live so close to some of the best beaches, I won't spend time on those. Instead I'll take you around west central Florida.

From the Editor

- 1. Babcock Ranch Eco Tours 8000 State Road 31 Punta Gorda** Babcock Ranch is a working Florida cattle ranch that also has farming and mining operations. The family first came to Florida in 1912 to hunt and fish. This is now one of the last places in Florida where you may see the elusive Florida panther in its natural habitat. It is as close to nature as swamp buggies. Call ahead for hours 1-800-500-5583
- 2. Bok Tower Carillon and Gardens Lake Wales** This beautiful place is on the National Register of Historic Places. The Bok Tower and Gardens were created by Edward Bok to give thanks to America for the opportunities he was given. The Carillon plays concerts everyday between 1 and 3 pm.
- 3. Ca'da'Zan, Ringling Home 5401 Bay Shore Blvd. Sarasota 941-359-5700** John Ringling and his brothers operated the circus known as "the Greatest Show on Earth"

Continued on page 6

In addition to the mansion, the Ringling complex includes the Museum of Art and the Circus Museum. There are many tour options so it is recommended you go to the web site and pre select what you want to see.

4. **Dade Battlefield Historic Park 7200 CR 603, Bushnell** This park was established in 1921 to commemorate the site of Dade's battle in 1835. Of 110 American soldiers, only 3 survived the ambush. This battle precipitated the longest and costliest Indian war in American History. The history of the event is preserved in a small museum at the visitor center. The park has beautiful grounds, and hiking trails.
5. **Florida Air Museum 4175 Medulla Road, Lakeland 863-904-6833** The museum features a display of one of a kind designs, classics, ultra-lights, antiques and war planes. There is even a Mercury rocket motor on display.

These are just some ideas to wet the appetite to get out there and enjoy Florida in other ways than the Orlando big attractions or the beaches. We are a beautiful big state with lots to offer and I guess that's why thousands of people keep moving here and making their mark as they have for decades.

- This information is the viewpoint of the Editor. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to acuria10@gmail.com, usually before the 12th of the month for publication.

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

Lincolnshire is entering the “dog days of summer.” Well, that’s what they say. June & July were very wet and hot. Wait – the wet part is about the weather. Lots of rain, in fact it rained every day from July 5 – July 12. I can’t say more about the days after that because this article goes to print too long before the end of the month, but as far as the temperature, it isn’t the weather, it’s the activities. Sure the temperature is up a bit, but the activities are “hot hot hot” Check out the pictures and articles about the Roaring 20’s party, Independence Day celebration, park Pool Party, and the upcoming programs for this month.

Meanwhile we noticed that the days are already getting shorter. For us who remain here in Florida all year while our other neighbors enjoy their summer vacation homes up north, we realize it won’t be long before everyone will be back here in Lincolnshire for a busy winter season. Yes that’s right – it is already getting closer to that time when the park is bustling with people all over the park. We are looking forward to that time, and keep working on new and interesting activities to keep everyone busy. Lots of new things are coming up, including shows, and travel. The cookbooks should be here by the time this article is in your hands, the new 2019-2020 Dial directory is out and in the hands of block captains. Just a reminder too that we will have a Labor Day Picnic (Labor Day is Monday September 7). I mention it now because there will be someone at the last minute who will say “I didn’t know about it” and want a ticket on September 6. If you will be here – be sure to buy your ticket early (price to be announced).

Have fun everyone, and for those away and see you soon.

“Welcome to Lincolnshire”

By: Donna Wurtz (lot 938..... 509-8112)

Our next new Owners’ Orientation will be held on August 18th at 1:00PM. If you did not receive a personal visit and were unable to attend our last orientation, or perhaps you have joined our community more recently, we hope you will be able to join us for the upcoming event in August. Lots of information about the community and the surrounding area will be available to you at one quick easy meeting. Hope you will be there.

Attention all residents: We need your help. If you are aware of people moving in or out of Lincolnshire, please let a committee person know so that we may extend an invitation. Names are unnecessary, just lot numbers. And don’t be shy yourself, join us at the session too. You might be surprised by what you don’t already know, or what you may be able to share.

See you in there!

ROARING 20'S PARTY

BY: Harold Wurtz (Lot938.....727-459-0394)

Saturday June 22 over 100 residents came out to the TIPSYSPEAKEASY AND CABARET For dinner and a show.

We travelled back in time in the clubhouse as we visited the ROARING 20's, enjoyed foods of the time and of course the music of the day. Featuring the "BEES KNEES." They taught us all the popular Charleston steps with lots of audience participation!!

Many residents dressed for the occasion – it was gangster time and flapper girls - feathers, fringe, beads, and boas – pin stripes and tails. Lots of reds – gold – silver and show girls - show girls - show girls. Our entertainers did a great job with song and dance that even included a Ziegfeld Follies show which was very popular in those days. Ed Hunter was up on stage enjoying a "chair dance" from one of the Ziegfeld girls to the delight of the audience. By the time the "dance class" was done, at least 20 residents were doing the Charleston like they were really in the 1920's. Ed Mason was our Bouncer guarding the door and listening for passwords from those who wanted to come in to our speakeasy. We discovered that New York had nearly 100,000 speakeasies in the 1920's, including the famous Cotton Club. To get into our speakeasy it was necessary to have the password to enter through the door with a peephole. The door was built and installed by our favorite John Casey. Thanks John and Ed for making even the entrance an experience.

Thanks to all who helped out with the decorations, food preparation, serving, clean-up and all the other "little" things that need to happen for an event like this to take place.

BAKED POTATO BAR

By: Harold Wurtz

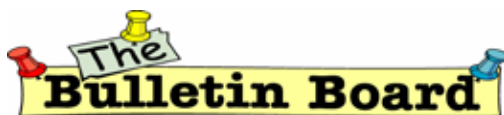

(lot 938.....727-459-0394)

Something new: On Sunday August 11 at 1:00 PM Lincolnshire will host a “BAKED POTATO BAR” in the clubhouse. Join us for this new activity for a Sunday afternoon. We will provide a very large baked potato (big enough to be a full meal) and a large assortment of toppings for you to enjoy in your own style. Toppings will include cheese, sour cream, butter, chives, chile, broccoli, and much much more. The only limitation will be your own imagination. Tickets on sale at coffee hour until August 7, or call Harold. We will shop only once for the event, so please be sure to buy your ticket before the closing date of 8/7.

See you there

LINCOLNSHIRE BULLETIN BOARD

Pot Luck Dinner

July 9 was our pot luck day last month. Our numbers were down, but spirits were up and as always great food was served up by Lincolnshire Residents. Just under 30 people still came out to the clubhouse to share their great cooking and fellowship with others. Summertime numbers are always lower but the food and conversation is still going strong. This month, pot luck will be August 13th.

NEW EVENT FOR 2019-2020 SEASON

The date is a long way off right now, but we want to get you thinking about a Dinner Theatre right here in Lincolnshire next March. The play, written by one of our residents, JJ Heischmidt, is called Sing for your Life. There will be tryouts for parts. Sounds exciting.

PAINT CLASS

Last month Suzanne Mahoney got together her 2nd group at the Club House to try their hands at scenic painting. The Gal that teaches the class brought everything except the people, all for only \$10. She showed us some basics, we each picked a subject from pieces she had already done, and then away we went, trying our best to be Rembrandts. We stuck at it for about 2 hours and then Walah!! We were the owners of our very own paintings.

It was a lot of fun and something I can see us doing again in the fall.

new ownership at The Sandwich on Main in Safety Harbor at the corner of 3rd and Main. Open from 11-5 Sun-Thur. and 11-8 Fri.& Sat. Rumor has it that the food's pretty good.

CARELESS DRIVING

PLEASE WATCH YOUR DRIVING IN THE PARK. Don't roll thru stop signs, look both ways. There might be a small dog or child there. Sometimes they just jump at you rather than away. Don't be afraid to call out a delivery or service truck either. They've got schedules to follow and so speed. They shouldn't!!

DID YOU KNOW? Responsibilities of a home owner.

Florida Statute Chapter 723.023 provides for the Mobile Home Owner's General Obligations. It exists under Title XL and covers "REAL AND PERSONAL PROPERTY MOBILE HOME *TENANCIES". It 723.023 **Mobile home owner's general obligations.**—A mobile home owner shall at all times:

1. Comply with all obligations imposed on mobile home owners by applicable provisions of building, housing, and health codes, including compliance with all building permits and construction requirements for construction on the mobile home and lot. The home owner is responsible for all fines imposed by the local government for noncompliance with any local codes.
2. Keep the mobile home lot which he or she occupies clean, neat, and sanitary, and maintained in compliance with all local codes.
3. Comply with properly promulgated park rules and regulations and require other persons on the premises with his or her consent to comply with such rules and to conduct themselves, and other persons on the premises with his or her consent, in a manner that does not unreasonably disturb other residents of the park or constitute a breach of the peace.

History.—s. 1, ch. 84-80; s. 918, ch. 97-102; s. 4, ch. 2015-90.

“Properly Promulgated Park Rules” means those “Rules” that have been submitted to the State of Florida and have been approved, by the state. Any other “Rule” is known as a “Defacto” Rule and is NOT enforceable as a matter of law.

Dial Directory and Database

By Donna Wurtz (#938 509-1182.....e-mail to: momshse@aol.com)

We have many new faces here at Lincolnshire, and the new (2019 – 2020) yellow book has been distributed to the block captains. For those who are returning to the park in the fall, please see your block captain when you return to pick up your copy. If you are new to the park, please be sure to fill out the information sheet to be included in the next edition, and to have your number published in the voice for others to update their books.

We already know that the newest edition is out of date due to residents who have moved into the park, and out of the park. Please update your current book to reflect information as we receive it from new owners. Here are this month’s changes as we know them. There are more, but information has not yet been shared:

Lot # 149:	add: Peter Atutis	315-985-0154
Lot # 1552 delete: Cornet	add: Tony & Glenda Juliano	904-713-5951
Lot #1252 delete: Barragon/Koury		
Add: John & Jan Knippri		226-790-211

As always, the success of the book is in the hands of the residents. For the book to be accurate, and for you to be listed, we need your input. If you are new to the park, or if you have changed your phone number, please submit an input sheet or email to Donna (e-mail above). If you need a form to share your information, just ask Donna. If you choose the e-mail method, please include birthdays, anniversaries, and home state or province so you can be recognized in the voice publication. It must be either on the form with signature, or in the form of an e-mail.

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it to Donna at lot 938. Remember, the Dial directory is only published **once** each year. The directory is **not** produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed in the Voice, please let us know.

Thank you for your cooperation.

9 HOT TIPS FOR TAKING YOUR DOG TO THE BEACH

- 1. Choose a dog friendly beach.** First things first. Always check the local rules-they're usually posted publicly- to make sure it's OK to bring your dog to the beach. Luckily, there are a few within driving distance that are set up as dog beaches in the county. The best in my opinion is Fort Desoto State Park, Paw Playground. There is actually an area where you can go off leash safely. They have cooling stations and showers for the dogs too. There are also fenced off areas to just let them run in the grass too. It's at the far end of the county by the Skyway Bridge but Fort Desoto State Park is one of the best parks in the state and country and has many things to do and the views are gorgeous. Closer to us is Sand Key Dog Park, just south of Clearwater Beach before the bridge. And there is also Honey Moon Island State Park in Dunedin, just north of Clearwater.
- 2. Teach your dog to swim.** Don't assume your dog is an automatic swimmer. Take it nice and easy. If it's your dog's first time in the water, he may be tentative about diving right in. Consider giving him some lessons first. And they have some great life vests now that makes them feel much safer.
- 3. Fresh water and shade.** Anytime you take your dog out in the sun for an extended period of time, it's important to provide a place for shady naps and hydration.
- 4. Watch what they drink.** They get thirsty and all that water looks great. But they will get very sick if they drink salt water. So keep an eye on them.
- 5. Steer clear of choppy water.** Water that's busy with boats, boards and jet skis can be scary to your dog and even if he's adventurous, rip tides and rough water can be dangerous.
- 6. Stay Sun Protected.** Dogs can burn too, especially if they have light skin and fur or short hair. They're also at risk for skin cancer. You can buy sunscreen for your pet, or put a sun shirt on him.
- 7. Keep a look out for dangerous items in the sand.** Remember he's barefoot too.
- 8. Rinse well.** Whether you're in salt or fresh water, be sure to rinse off your dog to rid them of any sand, salt and beach germs before you head home. It will prevent skin irritation caused by sand and salt and bad bacteria.
- 9. Pick up that poop.** Just like here in our park, dog poop can be a problem not only to step on, but for fish and wildlife. Most dog parks have poop bags stations and you should always have some of your own to clean up after your pooch.

With a little planning you can take your best friend with you this summer and have a great time and be safe.

LINCOLNSHIRE TRAVEL CLUB

By; Donna Wurtz (#938...459-0394)

There are still a few spots available for the singing Christmas tree, but it is filling up, so if you plan to join us, please make your reservation as soon as possible. We will begin collecting the funds next month to insure tickets. The travel agent will purchase the exact number of tickets on the day that they actually are on sale to insure that we have the best available seating, so payment will need to be in before the opening day of ticket sales. Watch the Facebook page to be sure of the date.

Don't forget about the newest trip to Key West in January. For those of you who know about hotel prices in Key West at the high volume time of year will realize that this trip is actually very inexpensive for what is offered. Ask us about the details..

We have also organized a trip to visit Fletcher's Early Bird Dinner Theater. Our first trip will be September 7 for opening night of "Steel Magnolias." We currently have 40 residents going to this show. Payment should be made by the end of the month for those who are attending. Remember there is no bus for this one – plan to carpool, as it is just down the road. We are glad that we have a good representation from Lincolnshire now that one of the regular actresses is now a resident at Lincolnshire. The food is great, and the shows are very professionally presented.

New: - - - Our favorite ship on Royal Caribbean (Brilliance of the Seas) which sails out of Tampa has 2 new short (5 night) cruises at reduced prices because of the itinerary changes that eliminated ports in Cuba do to new travel restrictions. Trips on 2/3/2020 and 3/2/2020 are available starting at \$483/PP. Call us for more info, or watch the bulletin board and facebook page.

A Nurse's Self Care Toolbox #14

By: Allyn Webert, RN. Lot 1438

I struggled with a topic this month because we're starting to think "I can't even open the front door and take a breath anymore because the algae is in the air. Or" We don't want to be standing close to strangers, shaking hands, hugging, sharing a cup or fork, or taking a walk on the beach without shoes, or sample a freebie at the food store. They are all worth an article. This month will be Hepatitis A or HAV.

Hepatitis is in the news more and more especially Hep. A (HAV). It startles us when a restaurant you went to a few days ago had a food worker with hepatitis. Happened to me just 2 weeks ago. Hepatitis is preventable, treatable but can take our life without a warning notice

on our phone. Unless you are watching and reading the news regularly you won't get an alert. Often under reported or made the news editors scissiors. It truly doesn't matter how many stars the restaurant, expensive or reasonably priced. Or if the waiters and servers have fresh clean uniforms.

This article will center on hepatitis A or HAV. There are 4 other hepatitis virus.

Hepatitis is an inflammation of the liver. The condition can be self-limiting or can progress to fibrosis (scarring), cirrhosis or liver cancer. Hepatitis viruses like "A or HAV" are the most common cause of hepatitis in the world.

The HAV virus is present in the feces of infected persons and is most often passed through consumption of contaminated water or food. Improper hand washing especially from an infected person or the person themselves is the most common route. Acute infection may occur with limited or no symptoms, or may include symptoms such as jaundice (yellowing of the skin and eyes), dark urine, extreme fatigue, nausea, vomiting and abdominal pain. Most people in areas of the world with poor sanitation have been infected with this virus.

Safe and effective vaccines are available to prevent and treat HAV. If a worker is infected the entire staff will usually be vaccinated. People who have been patrons should also get vaccinated. We have family visits and if they went back home then they should also be alerted.

As of this printing Pinellas County is waiving the usual cost of \$70 for the vaccine for adults. Vaccines are always provided at no cost to children and teens through the age of 18. Call first if you want.

You can get the vaccine at the following centers without an appointment:

- St. Petersburg: 205 Dr. Martin Luther King Jr. St. N.
- Pinellas Park: 6350 76th Ave. N.
- Mid-County (Largo): 8751 Ulmerton Rd.
- Clearwater: 310 N. Myrtle Ave.
- Tarpon Springs: 301 S. Disston Ave.

The most difficult part of not getting treatment is not knowing that we may have been infected at a local restaurant. Unless you check the news regularly you and I may simply just not know. I don't have a solution other than keep any eye on the local health news.

The other major reason is the food worker may just feel ill and doesn't want to lose pay if no sick days, which is quite common. Sad but true.

Lincolnshire Facebook Page

By: Harold Wurtz (#938.....727-459-0394.....email at bigchees99@aol.com)

We are trying hard to get up to 400 likes on our page!! Facebook reports for the week before this article accounts to us that 495 people were reached (that is those who viewed a post) and 828 people had post engagements (Those who like, or commented on posts). And that is just in one week. Some of those who were reached and reacted may not have clicked the “like” button yet. If you do see something on the facebook page that you like, and have not actually clicked “like.” Please click it next time you are in the site, so we can get that number up to the 400 level.

Families and friends are “liking” the page & use it to see what is going on here in Lincolnshire. Feel free to send us photos and articles. You can also send photos directly to me at the above e-mail address, and I will get them posted on the page. We thank all of those residents who contribute to the page, especially those who forward photos and videos. Posting as a visitor to the page may take a little time to get “front & center.” All posts are approved for final posting, and negative posts and political posts may not be shared. The page can be found at www.facebook.com/LincolnshireResidentsClub.

Let’s keep it rolling. Tell your friends, and make sure to leave comments or just a “like” on the posts.

VETERAN’S CORNER

By Robert Behm, Retired Army (Lot 775....401-207-9317)

1. Tens of thousands of Vietnam War veterans who served off that nation's coast will see their Agent Orange-related claims decided by the VA beginning in January. Here, USS Coral Sea (CVA-43) is underway in the Gulf of Tonkin during the Vietnam War. The VA will begin deciding Agent Orange exposure claims of Blue Water Navy veterans on Jan. 1, 2020, under the terms of MOAA-backed legislation signed by President Donald Trump on June 25. The move complies with the Blue Water Navy Vietnam Veterans Act of 2019, which outlines eligibility rules for the benefit and includes Jan. 1 as an effective date for the mandatory changes. VA has put the number of potential recipients as high as 560,000 Vietnam-era veterans, but other estimates put the figure at 90,000.

2. [RELATED: What You Need to Know About the Blue Water Navy Benefits Law]

“We are working to ensure that we have the proper resources in place to meet the needs of our Blue Water Veteran community and minimize the impact on all Veterans filing for disability compensation,” VA Secretary Robert Wilkie said in a July 5 news release announcing the move. Veterans whose previous claims for Agent Orange-related conditions were denied may reapply

...continued on page 32

under the new law, the release states. Survivors of veterans who served off Vietnam's coast may also apply for benefits. Veterans with life-threatening illnesses or those over age 85 will have claims priority, though no cases will be decided before Jan. 1, per the release.

The release lists the following as Agent Orange presumptive conditions:

AL amyloidosis

Chloracne or similar acneform disease

Chronic B-cell leukemias

Diabetes mellitus Type 2

Hodgkin lymphoma, formerly known as Hodgkin's disease

Ischemic heart disease

Multiple myeloma

Non-Hodgkin lymphoma, formerly known as Non-Hodgkin's lymphoma

Parkinson's disease

Peripheral neuropathy, early-onset

Porphyria cutanea tarda

Prostate cancer

Respiratory cancers (lung, bronchus, larynx, or trachea)

Soft-tissue sarcoma (other than osteosarcoma, chondrosarcoma, Kaposi's sarcoma, or mesothelioma)

A decision was expected in late June regarding the possible addition of four other conditions — bladder cancer, hypothyroidism, hypertension and Parkinson's like symptoms — to the list. The VA has yet to release any updates.

More information on filing an Agent Orange exposure claim is available [here](#), or by calling the VA at (800) 827-1000.

3. Senate leaders have joined a House effort to pass a law that would automatically erase the student loan debts of 100% disabled veterans, without them having to apply to the Department of Education for debt forgiveness. "This is a commonsense way to make it easier for totally and permanently disabled veterans to receive the student loan relief they deserve, and I hope that we're able to act quickly on it," Sen. Johnny Isakson, R-Georgia, chairman of the Senate Veterans Affairs Committee, said in a statement. Last year, the Departments of Education and Veterans Affairs began efforts to notify about 40,000 disabled veterans with student loan debt that they were eligible to have the debt erased by applying to the Department of Education.

Hey, bartender

A duck walks into a bar and asks, “Got any grapes?”

The bartender says no, and the duck thanks him and leaves.

The next day the duck returns to the bar and asks, “Hey, got any grapes?”

The bartender says, “No. We don’t serve grapes here.”

The duck thanks him and leaves, only to return the next day. The bartender sees him walking through the door and says, “Look buddy, I’m not sure why you keep coming in here. We don’t have any grapes, never did, and never will, and if you ask me about grapes one more time, I’m going to nail your beak to the bar.”

The duck is quiet for a few moments, and then asks, “You got any nails?”

“No,” the bartender replies.

“OK,” the duck says. “Got any grapes?”

Know the difference

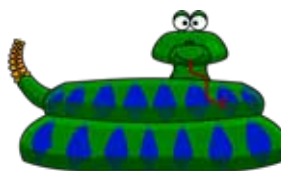

A guide took a group of people for a hike in the woods. They soon encountered a snake on their path. One of the hikers said to the guide, “Look there’s a snake. Do you think it’s poisonous?”

The guide looked over at the snake and replied, “No. That snake isn’t poisonous.”

Upon hearing this, the hiker walked closer to the snake to take a picture of it. The snake bit the hiker and slithered away. The hiker fell to the ground and began to moan in pain as the others in the group came to his aid.

“I thought you said that snake wasn’t poisonous,” someone said to the guide.

“That snake wasn’t poisonous,” the guide replied. “Poison is ingested or absorbed. That snake was venomous. Venom is injected.”
