ON THE COVER:

Lincolnshire appreciates those who serve us. But then also enjoys fun at Halloween.

FROM THE EDITOR

By Ann Curry (Lot 1015....acuria10@gmail.com....727-420-6518)

Wow! It's already December, the park is once again almost full. The fun is in full swing, but we also have paid attention to the people that keep us safe and come to our rescue in time of need. I speak of our first responders and our military Veterans. October 28 we had a First Responders Luncheon open to all firefighters, police, and paramedic/ambulance people who take care of us when we need them here in Lincolnshire. Second, on November 11, we celebrated Veterans Day with a ceremony outside by the pool followed by a recognition inside and a luncheon provided by our homeowners. Thank you all for your service.

Next I want to remind us all to be aware of each other in the park. We have many newcomers in the park. Welcome one and all. This includes many new pets too. Please keep your pets in control and on leash. And for you drivers of cars, trucks, motorcycles and golf carts, please obey the posted speed limit and STOP signs. This is a neighborhood with many walkers and bicycles. This is not Ulmerton or East Bay. We don't have speed bumps. As I sit here at my computer, I can see 3rd street and the sound of cars going by indicates that the speed limit is most often way over 10mph. and the stop signs are treated as yield signs. We all know better.

- *This information is the **viewpoint** of the Editor. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to acuria10@gmail.com, **usually** before the 12th of the month for publication.*

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

The Holiday Season is here. We hope everyone enjoyed the “Welcome Back Dance.” Veterans Day, Thanksgiving are already past, and Christmas is just around the corner. Lots of activities are planned, and good times with friends are happening every day. It’s great to see all of our northern friends back for the season. Be sure to get your tickets for the entertainment committee dances, and our new Friday Evening event: American Bandstand Show & Dance. Christmas Dinner this year will be back to serving Prime Rib Roast, along with tables of friends and their own special side dishes. Tickets should already be on sale when this edition is in your hands. We will again need some table captains to organize.

New Year’s Eve tickets will also be on sale. This year we welcome “Duplicity” as our entertainers, and plan a delicious snack buffet. We hope everyone will enjoy these events. The best times are when friends get together. Help us make these the best times of the year
Let’s have a fun year - - come out and join us.

"Welcome to Lincolnshire"

By: Donna Wurtz (lot 938..... 509-8112)

Our next new Owners' Orientation will be held in January. Watch the bulletin board & Facebook page for date & time.

Thanks to all who attended the November meeting. Hope all your questions were answered, and we look forward to all of our new residents attending future events in the clubhouse.

Attention all residents: We need your help. If you are aware of people moving in or out of Lincolnshire, please let a committee person know so that we may extend an invitation. Names are unnecessary, just lot numbers. And don't be shy yourself, join us at the session too. You might be surprised by what you don't already know.

See you in January

LADIES SALAD LUNCHEON

By LINDA DOUCETTE (LOT 267.....727-475-9933)

The time has come around again to plan for our famous Lincolnshire Ladies Salad Luncheon. Once again this year it will be held on SATURDAY, January 25th, at noon in the Clubhouse. You can sign up at coffee on Wednesday mornings or the signup sheet will be in the posted in the laundry room early in January 2019. The ladies of Lincolnshire are notorious for serving the most amazing salads and desserts. Those who prefer not to bring either can provide a monetary donation of \$10.00 which will be used to supply place settings, decorations and prizes. Table service will be provided and coffee, tea and water to drink, if you prefer any other beverage please feel free to bring it along.

Our theme this year will be "The Good Old Days in Television". Remember if you're bringing a salad, tray or dessert it should be large enough to feed ten people. If you're able to provide ingredients or recipes on an index card that would be appreciated by people with dietary restrictions. Come out and join us for some Good Company, Great Food, Lots of Fun and Prizes, Prizes, Prizes. Last year we handed out \$1500.00 in cash prizes and 50 gift prizes. Remember to bring your \$\$\$\$ for our draws.

Lincolnshire Bazaar 2020

By Barb Leek (317-508-3773.....Lot106) Diane Gallik (330-671-4931.....Lot365)

It might seem too early to be thinking about the Bazaar but in reality it is heading our way before we can finish saying, Happy Thanksgiving, Merry Christmas and a Blessed New Year! The date is February 1st 2020. That gives us just a month after the holidays to regroup and gather items for sale. Then don't forget to scrub a dub- dub on each item you donate. Sparkling clean items are our trademark!

If you have served as an area chair in the past and wish to change that status please call either Barb or Diane.

If you are new to the park and need more details either of us would be more than willing to take your call and give you any information you might need.

We are always thankful for all who share their time to make the Bazaar a success. If you have never helped this is a good year to step up.

Our two work days will be January 31 and February 1.

Announcements will be made weekly at Coffee Hour.

We have topped \$5000.00 profit in the last few years!! Amazing! All profits go to the Residents Club and benefit each one of us, especially allowing event tickets to remain more than reasonable!!

SUNSHINE AND SYMPATHY

BY: Frances Byrne: (lot 483.....776-7144)

Back again with the Lincolnshire Sunshine report. First I want to thank those of you who have helped in sharing of information to make my job easier, but we still need more input to make the articles complete each month. Of course it will almost always be old news by the time you read it, due to publication deadlines imposed by the publisher. One important thing though - - please – please – please. Do not post to me any rumors, or post anything that is second hand information. This often leads to hurt feelings and or just plain misinformation. We had a bad reaction last month to an item that was posted in the bulletin board that was posted as NOT A PART of this article, but did appear in the published voice. Our apologies to the Braica family for the erroneous post regarding his hospitalization, and good to see that he is home doing well from un-heart related symptoms. All articles of this type should ONLY be posted in this article. We especially encourage GOOD NEWS.

Congrats to Harold & Donna Wurtz who welcomed their first GREAT Grandchild – A girl – (oh oh – trouble coming) Lucy Wurtz was born Nov. 5 at 8:41 PM and weighed in at 8 lbs. 1 oz.

For those who know & have followed Jimmy Davidson from lot #649, by the time this article is in your hands, we are hoping that his memorial service will have been held, but we still have no information, so if it has not happened yet, please watch the bulletin board.

Also watch the board in the section for Sunshine & Sympathy for additional notices.

THE VOICE BULLETIN BOARD

By Ann Curry (Lot 1015.....acuria10@gmail.com)

This section is a place where you can post short notifications, upcoming events, marriages, illnesses, condolences, new pet, etc. Please submit to the above email address or to Frances Byrne before the 12th of each month.

RCS FOOD PANTRY CANNED FOOD DRIVE

By Rita Sullivan (lot 1550.....584-2633)

Hello Again! It's time for the RCS food pantry drive again and I'm here to bug you, during all of November! As in past years, all the food we donate is weighed in at RCS. The last few years we haven't met our goal of 1500 pounds. But we are going to try again! So this year, at coffee we are going to do **FIVE POUND WEDNESDAY. On November 13**, try to donate 5 pounds of groceries. It could be 5lbs. of flour, sugar, peanut butter, or multiple things. Of course we'll accept any amount you care to donate. Bins will be on stage from November 1 to December 4. We really get excited about this event and so do the workers at the RCS Food Pantry because of all the people that this benefits. Thank you for all you can give.

PANCAKE BREAKFAST

By JAMIE DOUCETTE (LOT 267.....727-475-9933)

December 14th will be the first pancake breakfast of the season. We are all looking forward to getting our griddles heated up and seeing you all again at breakfast.

We offer your choice of sausages or ham, pancakes-blueberry, cranberry or plain, or french toast, orange juice and coffee or tea. (The ham we used is no longer available so we would like feedback on the new one.)

Still great deal at \$3.00. We will also be selling tickets at the breakfast for a Lincolnshire Draw (not a 50/50 because we give all the take back to the winners). Tickets will be available at coffee hour on Wednesday mornings for two weeks before December 14th.

Please remember to bring your own dishes and cutlery. See you for breakfast!

LAST CALL-DECEMBER 4

BY RITA SULLIVAN (LOT1550.....)

The last call for the 2019 RCS Food Drive is Wednesday December 4. As in other years, we try to cover the stage with cans and cans of food. Now is the last great push!! We will take what we have collected that afternoon. We could use a few volunteers (5 or 6) at 1:30pm to help load the truck. The RCS volunteers will unload and weigh it all!! No matter what the outcome...we thank you for every scrap of food you brought to the clubhouse. What a great community we live in!!!! Thanks to all of you. RITA

CALLING ALL ACTORS

Jan Jones Heischmidt, of lot 560, is staging a play at our clubhouse.

“JJ” is a playwright and creative director of the Blind Horse Theatre Company which does dinner theatre for wineries.

Needed are three women and four men. One woman and two of the men need to sing. One woman sings, but horribly!

The play is a comedy/murder mystery farce called **Sing For Your Life** and it is about karaoke night on a budget cruise ship.

It is a two act show with dinner in between acts.

If you miss acting or want to start now, hate karaoke or love karaoke, this show is for you and we will be conducting auditions in the clubhouse on Monday, January 6th from 3 to 4:30 (another date if needed) and the productions will be March 27th and 28th.

Rehearsal schedule will be determined after casting is complete.

Line Dancing 2019-2020

By Ellie Sliter (Lot574.....812-7903)

Hello everyone! This winter and spring I will be leading the line dancing in Lincolnshire. Maureen Wood has passed the torch and I only hope I can measure up to her very capable talents. I plan to make one change that I hope everyone is okay with. There will be line dancing only once a week on Tuesdays at 10:00 A.M. beginning on November 5.

Looking forward to seeing past participants and any newcomers who would like to join us! No experience is necessary. We welcome beginners and will teach new dances to a variety of music.

PARK LIBRARY

By CYNTHIA VARGA (Lot 163.....727-584-6402)

If you have a large quantity of books to donate, please do not leave them in the bookdrop. I would appreciate your bringing them to my home so I can sort them first. Also, when returning books, DO NOT shelve them as I have a system which gets messed up when people reshelve the books.

I know you mean well, but it makes more work for me.

Also, I do not accept magazines. They can be left in the laundry room. If you're not sure where to leave the books, please call me.

Thanks for your cooperation.

LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC.

P.O Box 1822, Largo, FL 33779

BY Allyn Webert, secretary LHOA (Lot1438.....847-975-1043)

YOU NEED TO KNOW!

As a reminder to new residents, LHOA Members and those who have not joined the deadline for the 2020 membership **renewal** (\$15 a year) is December 31st 2019. It is like a small insurance policy premium, because without these funds, the Association will have limited resources to meet its mandates. LHOA will have representatives at the weekly coffee on Wednesday mornings, board meetings and the December Member meeting.

What are the LHOA mandates? **1.** Be prepared to purchase the park within 90 days of receiving a letter stating that the park is being sold for a different use than a mobile home park. Members have the only vote! **Second**, the Board requests a meeting with the park owner or representative within 90 days of receiving the rental increase and property tax pass-on plus any

Continued on page 20

issues effecting a majority of members (usually maintenance concerns.) **And lastly**, and no less important, be available to Members who have question or issues and desiring information. In your corner, as it is same as ours.

LHOA is a member of the FMO (Federation of Manufactured Home Owners of Florida.) The FMO is our only lobbying group looking out for resident/owners of all types of manufactured homes in the Florida Statehouse. Park owners have their own lobbying groups. Individuals can also join the FMO and do. Depends on how you view your investment.

The following are excerpts from a few of the past FMO newsletter LHOA receives and individual FMO member too:

- FMO Attorney, Lee Jay Colling reports that FL Statute Chapter 34, County Courts has been amended. Effective January 1, 2020, the jurisdiction for all county courts will increase from \$15,000.00 to \$30,000.00 and after January 1, 2023, will increase to \$50,000.00. Historically, we have encouraged Homeowners to file actions in County Court where it is not necessary to have an attorney, but have been limited by the jurisdictional amount of \$15,000.00. Essentially check FL law on whether you need an attorney for issues with a park owner etc.
- Trailer Estates Park & Recreation District, located in Bradenton, was the first mobile home subdivision in Florida. It is also the largest and even has its own zip code. There are over 1,200 homes in that park and they are still growing. It is a deed restricted 55+ community. They celebrated their 60th anniversary in 2015. This isn't a rental park but represents how important all over 55 mobile home parks are.

**Join and Maintain your LHOA membership.
From your LHOA Board of Directors.**

LHOA has been in existence for 25 years! Board meetings are generally monthly and Member meetings are monthly from December to March. Members are strongly encouraged to attend.

LINCOLNSHIRE PET KREWE

By Ann Curry & Sadie {Lot 1015....727-420-6518....acuria10@gmail.com}

Hello there all you four legged and two legged friends. It's been a busy and crowded month. Since then, we've had lots of excitement around here. We've had people go on vacation, people have surgery or illnesses that required our masters to put us fur babies in other houses to stay until they got home. We had lots of younger and little people around. I think humans call them Kids. Anyway it's been a little stressful for us fur babies. We like routine. Please forgive us if we weren't always on our best behavior.

With that in mind, my Mom looked up some rules that the **park, city and county** say we should abide by. I think they're called codes....

- Article II,
- Sec.5-33 Running at large upon premises of another. That means off leash.
- Prohibited. No dog shall be allowed to run at large or upon premises not owned or occupied as a residence by the owner of or person in custody of the dog.
- (b) Limitation on prohibition. Nothing in the above subsection can be construed to prevent the walking of a dog under leash control in areas open to the public so long as the leash is no greater than six feet, or to prevent dogs running loose within fenced areas on or off the premises of the owner or custodian of the dog. We have dog parks in the area.
- Sec.5-34 Removal of dog poop from certain public and private property.
- It shall be unlawful for any dog owner or person in custody of a dog to fail to remove deposits of dog poop made by a dog in that person's charge when the deposit of dog poop is known or should be known to the dog owner or person in custody of the dog on any public or private property.

In other words, use common sense. **Don't** let your dog run out the door unless on a leash or in a fenced in area. Someone could get bitten, or a COYOTE could be in the area looking for dinner. Someone's dog WAS attacked by a group of them here in the park last year.

And pick up the poop when out walking the animal. There is nothing more disgusting than stepping in a pile at night. If you need extra bags, newspaper bags work very well. Some people keep extra bags in white containers attached to their carport area poles or railings.

I might also say that while we have few restrictions on size, except weight, some dogs are better trained and behave better than others. And that includes bigger dogs as well as small.

PLEASE remember some dogs react differently than others when meeting other dogs. Some have never seen so many dogs in one place and are used to being by themselves. You are the

leader of your dog. He or she needs to be told what to do. Don't be afraid to discipline. If they act out by barking, lunging or growling, they are sometimes scared. You need to tell them what to do.

Sadie will get quiet and stand at attention staring at the dog before acting out. That is the time to get her attention and tell her no. Make her/him face you to get her attention off the other dog or golf cart or bike.

I know many people came to this park because they could have dogs. Please don't cause problems for others but follow what should be common sense and has been spelled out by the city and county.

LINCOLNSHIRE TRAVEL CLUB

By; Donna Wurtz (#938...459-0394)

Our fall wine & cheese travel club meeting was held on Monday Nov.4. We had a great turn-out, and lots of information was passed on to residents for upcoming trips & opportunities.

Coming up in December we will be enjoying a day trip to the singing Christmas Tree, and overnight trip to St. Augustine for the nights of lights, and our annual Cancer Cruise on Royal Caribbean – leaving from Port Canaveral on the newly remodeled Mariner of the Seas..

There is a trip going to Key West that may still have room. This one you will actually be staying 2 nights right in Key West, with hotel shuttles, and even an airboat ride. Call for pricing information.

Some of our travelers will be enjoying a trip to the outer banks, and there is a great 15 day river cruise in Europe available at a great price with air-fare included.

We are in the process of arranging a trip to Helen Georgia in fall of 2020 for the 50th anniversary of their Oktoberfest. If you have any interest in that one, please let us know so we can be sure to reserve hotel space right in downtown Helen

Join us - - - - and a hearty Bon Voyage on your next trip wherever you are bound. Remember – traveling with friends makes it more fun.

A Nurse's Self Care Toolbox #18

By: Allyn Webert, RN. Lot 1438)

Hopefully everyone has survived the first dose of holiday parties and dinners with much more to come. Tally Ho.

In the November issue I had promised to begin laying out over the next several months on how our bodies were designed in the first place relating to food and exercise (movement.) At the end my goal is help you understand how we were designed, how that compares to our lives now and lastly how to start a change. Easy and hard at the same time.

Our human story probably wasn't one single day in time but between 200-350,000 years ago we as humans (*Homo sapiens*) finally rolled off the assembly line of life. That assembly line had actually begun eons before we landed. I wasn't there.

Our body (all of it) was specifically designed to survive each and every day. Not a very simple task. Basically we were male and female, thin or muscular depending on the abundance of food and amount of movement needed to find food each and every day. Our skin was purposely dark in the beginning to limit the amount of a necessary vitamin (D) produced with help by the sun. We were very strong, could climb trees and walk for miles. We also didn't speak much because there wasn't much of a language. We were built to survive and surely did.

Food was very abundant and mostly year round. Food is really packaged sugar that becomes energy for every cell in our body to do a specific job (including fat believe it or not.) Food travels into our stomach, down the small intestine where almost all the sugar is removed, the large intestine and you know what follows that I'm thinking. This is called our digestive or GI system. It is unbelievable! Our GI system is a conveyor belt from one end to the other.

So where was the food that we needed every day and multiple times a day? Actually it was everywhere. On or under the ground and in the trees. There was fruit, veggies, grains and if you were extremely lucky some animal protein lying on the trail. Remember we didn't know how to hunt yet so protein was just a spontaneous find and very irregular. Food was fresh and ready to eat. Food spoiled quickly so it was "find and eat." Pretty simple recipe to me.

So what was our day like way, way back then? No calendar and no weekends. The secret to getting in control of our metabolism is in plain sight. At dawn we would begin to venture out of hiding (and I truly mean hiding as no weapons yet.) We, in a group, would begin to move out, finding food usually within an hour. Our body was demanding food for fresh sugar! We hadn't eaten for at least 10 hours. Our body was using what sugar remained from the previous day and some from fat to sustain us. Food was very abundant. So we ate. Probably sat for a bit as we do now after eating a meal. We were feeling happy. **Then!** We did something absolutely extraordinary, we stood up and walked farther on. For our next meal! We walked (moved!) This sequence happened every 3-4 hours throughout the day. Somewhere close to dusk we began to find the same or another safe place to sleep which was our only protection. Curfew

...continued on page 34

was darn early then! Next day, you guessed it, same plan. Day after day. It was our quest! We are here because the search for food and safety was relentless. Brought us to almost every corner of Mother Earth.

Next month we look at what has gone wrong for many of us. I ask each of you to see how your day compares to what was described above. Do you eat in the early morning, relax, move for 3-4 hours and eat a small meal again? Just think about how closer you can get to how we were designed to live. Until next month, chew well my friends.

system, according to the VA website. You can complete an application by telephone by calling 877-222-8387, Monday through Friday, from 8 a.m. to 8 p.m. Eastern. You can also apply for VA health care benefits online at www.va.gov/healthbenefits/enroll, or in person at your local VA medical facility.

Another important piece of information if you go to MacDill AFB to get your prescriptions the Pharmacare building is now closed. You have to go to the main clinic to put in a new script, expect a wait. You also cannot pick them up on the same day, you have to come back and get them at the Pharmacare drive – thru. If you just have a refill you can still call them in and pick them up at the drive-thru, again expect a delay because everyone is now picking up their scripts there and they are no longer open on Saturdays! You can also expect an increase of prices in the tiers for Preferred Scripts, the mail order pharmacy!

Shuffleboard

By JAMIE DOUCETTE (LOT 267.....727-475-9933)

Once again our shuffle board season is warming up. Our league will start on January 8th, but in the interim we will be shuffling on Wednesdays, starting in December at 12:30 for fun! If you're new to the park, and would like to learn to shuffle or if you're a seasoned player who wants to practice your game and teach some new players the game, come on out. If you're not already signed up to play, there will be a signup sheet in the laundry room soon. We are expecting this to be a fun filled season and are looking forward to having a lot of our regulars back and hope to have room for some new players as well. I expect by mid-December our Team Captains will know who their players are and what the schedules are. The teams will be posted in the laundry room and in the shuffle board shed.

See you at the courts!

Billiards

Pool is a fun pastime. Cue sticks and balls are always there. Teams play on Thursday Nights. Bring your own refreshments.

Cards and Dominos, etc.

Poker, Bid Euchre, Hand and Foot, Phase 10, Mexican Train, Cribbage, etc.

Watch the calendar for nights to play at clubhouse, usually Tuesday, Wednesday, Thursday & Friday.

Tuesday is called Game Night because there is more variety to what is played. It's open game night. Remember during winter season there will be no game night when there are club meetings. Check the calendar.

Bring your favorite game equipment, snacks and drinks. Sometimes people show up and want to play a game but there aren't enough cards or pieces, so be prepared by bringing your own stuff from home.

Monthly Memos

National Drunk and Drugged Driving Prevention Month. Drinking and driving can make the holiday season deadly for drivers, passengers, and pedestrians. National Drunk and Drugged Driving Prevention Month seeks to spotlight the dangers of driving under the influence of alcohol, drugs, or both. According to the National Safety Council, more than 40,000 people died in alcohol-related traffic accidents last year, so this year, stay safe during the holidays.

- **National Safe Toys and Gifts Month.** In recent years, the U.S. Consumer Product Safety Commission (CPSC) has created a robust toy safety system, requiring testing by independent, third-party laboratories around the world, imposing some of the most stringent toy standards in the world, and more. These combined efforts continue to foster the confidence of American families as they prepare to shop for toys this holiday season.
- **National Tie Month.** December is the month to honor the most required yet maligned strip of cloth that's an essential part of business attire—the necktie. Neckties give people the chance to add a little spice to their classy, professional look. A nice necktie speaks volumes about a person's sense of style and even gives people a little look at his or her personality. So this month, give a little extra respect to the people who are professional, classy, and trendy in their favorite ties.

Awareness Week

National Handwashing Awareness Week, Dec. 1–7. Avoid colds and flu during the winter months by following the four principles of hand awareness: Wash your hands when they are dirty and before eating; don't cough into your hands; don't sneeze into your hands; and above all, don't put your fingers into your eyes, nose, or mouth.

- **Older Driver Safety Awareness Week, Dec. 2–6.** Older Driver Safety Awareness Week aims to promote understanding of the importance of mobility and transportation to ensuring older adults remain active in the community—shopping, working, or volunteering—with the confidence that transportation will not be the barrier stranding them at home.
- **Kwanzaa, Dec. 26–Jan. 1.** A weeklong celebration observed in the United States as well as other countries with populations of African descendants, Kwanzaa is a holiday that honors African culture in not only the African American community but also in the world African community.

Life it is not just a series of calculations and a sum total of statistics; it's about experience, it's about participation, it is something more complex and more interesting than what is obvious.
—Daniel Libeskind

December Days

World AIDS Day, Dec. 1. World AIDS Day is an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness.

International Tea Day, Dec. 15. Enjoy your favorite cup with a friend.

Ugly Christmas Sweater Day, Dec. 20. You know you've got at least one. Grab your least attractive Christmas sweater and show off your lack of good fashion taste.

Christmas, Dec. 25. The highlight of the year to children young and old.

Da Vinci's bridge design would have worked

Leonardo da Vinci is known for such paintings as "Mona Lisa" and "The Last Supper," but he was also a masterful engineer. According to the LiveScience website, in the 16th century he designed what would have been the longest bridge in the world at the time, connecting Constantinople to a nearby area called Galata over the Bosphorus Sea. He was responding to a request for proposals from Sultan Bayezid, the ruler of the Ottoman Empire.

DaVinci's bridge was never built, but modern researchers from MIT have built a 3D replica of the bridge, using materials and construction equipment that would have been available in the 16th century. They found that da Vinci's design, using only a single arch, would have been structurally sound, thanks to compression that would have held the bridge's stones together. Leonardo was a true Renaissance man.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$150,400** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or **mail your paid receipt** to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:
