ON THE COVER

Sunset at Lincolnshire – photo taken from 12th street in Lincolnshire – as we approach the end of another year the sun is setting on the year 2020. Looking forward to a much better 2021 – a new sunrise will always follow.

FROM THE EDITOR

The residents' Club board would like to thank Ann Curry for her work in editing the voice for the past years. We all know how much work there is to put the words and thoughts of many people into coherent combination that perks the interest of all our residents. This newsletter is in fact the "VOICE" of the Lincolnshire Residents' Club, and as such follows the objectives of the club as outlined in the articles of the by-laws of the club. That is to promote social educational and recreational activities and to encourage participation by all residents (owners and renters) and shall be non-political and make no endorsements. We have a temporary editor, and a permanent appointment will be made by the board on a later date. Until that time we welcome your articles and ideas for inclusion in future issues. Just send them to haroldwur@aol.com , or give us a call at 459-0394.

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394.....haroldwur@aol.com)

Well here we are again, another month of wondering when this CVID19 will leave us. Once again cases are increasing in number here in Pinellas county as of this writing. We all will be so glad when this year comes to an end. With a lot of hope for the future, we are again trying to get things started up for the enjoyment of our residents. So far as of this writing we have started up the bowling league, the golf league, bingo, Thanksgiving dinner, plans for Christmas dinner, and golf cart parade. We hope to be doing more, but everything is based on covid19 requirements, and the need for more volunteers. We hear many residents say "when can we start up coffee hour" etc. Well all of these activities require volunteers to be chair-people and committee members. At present we are lacking both for almost all activities. The club is dependent on volunteers to do any activities – they don't happen by themselves, and management does not do them for us. It is the volunteers who have run these events for over 30 years. Right now, many have retired or resigned from their committees, or they are still in the north country because of COVID, or

Continued on page 6

simply don't want to follow COVID regulations. We need you – our resident volunteers – to make anything happen. Coffee hour cannot happen unless a committee chairperson will take responsibility of organizing it. Among responsibilities include getting to the clubhouse early every Wednesday morning to make coffee, arrange tables, sanitize tables, arrange for cleaning committee for after coffee, purchase donuts (there is no delivery at this time,) handle and be responsible for money & supplies, etc. We have no one who will take that responsibility at this time. It would also mean enforcing social distancing and masks as required at this time. Any takers? – just give me a call.

The world has changed, and we must change with it as our nation has done for it's entire history. We will not give up and crawl in a hole, but we need everyone's help to go forward. Remember we do have another residents' Club meeting the first Tuesday of December. Please come out to the meeting to volunteer & provide your ideas on how we can go forward in this new world and get a head start on the upcoming new year

Lincolnshire Facebook Page

By: Harold Wurtz

(#938.....727-459-0394.....email at haroldwur@aol.com)

Welcome to all of our new owners, and to those who are new to facebook. There is often a lot of interaction on the page, some good, some not so good. We have a good representation of our residents who follow the page, with well over 460 likes as of now.

Now that we are up to this many likes, It's time to get more involved. Remember the rules, but please help us to get more fun things posted. In these times of not getting our usual fun events going in the clubhouse, we can use posts of your own events to share with the rest of Lincolnshire.

All Lincolnshire Estates Residents are invited to post their events and pictures to share.

With many more new owners in the park we should reach even more in the near future. Spread the word to your friends. It's a good way to spread news in the park. We will try to post bowling results, sunshine reports, and other announcements as available The page can be found at: www.facebook.com/LincolnshireResidentsClub. Remember this is not a vehicle for management to provide information – it is for residents' activities.

ENTERTAINMENT COMMITTEE

By: Linda Casey.....(#1211.....581-5257
lcasey9@tampabau.rr.com)

The Entertainment Committee will again be holding the Christmas golf cart contest. This year we will have 1st, 2nd, and 3rd place prizes. So - if you have a golf cart please join us. Sam at 1203 will be in charge and we will put info on the board in the mailroom. I am asking all to decorate your houses in our great Christmas Tradition and this year we are going to ask Management to pick the winner. When we are able to go back to our old routine, we will have the winner from one year pick the next year. We need to get into the Christmas spirit and have some fun and close this year out with a bang. Stay Safe.

Thank you

The Entertainment Committee

FOOD PANTRY

Hi, Rita Sullivan here again. Our food pantry our Food Pantry Drive this year was extended until after Thanksgiving Day. We realize how many people have donated, and the need remains great. A lot of food was distributed to the food pantry by many organizations before

Thanksgiving, and we understand that most of that food was distributed by Thanksgiving because of the extreme needs. However, the needs continue after that day, so we have decided to make Lincolnshire's donation to help continue for those who will still be in need.

As of the deadline date for this article, we have over 15 bins of food getting ready to be delivered. We will give you an update of the final number of pounds in next month's edition.

In the past you have donated over 1500lbs. of goods although that may be difficult this year. But we could surprise ourselves with everyone's generosity. Cash donations have also been received. Every bit helps.

Dial Directory and Database

By Donna Wurtz (#938.....509-1182.....momshse@aol.com)

Thanks to everyone who gave us phone numbers and information for the next edition of the “yellow Book”

We have an increasing number of new residents who have moved into Lincolnshire. Unfortunately, many have not filled out information to be included in our directory. We need the phone numbers even if you do not want your number published, as this is how the block captains can reach you if there is important information to pass on quickly. Some residents have already been here for some time, and we have no information.

Please make the following changes to your current directory:

Dennis Hayward	#1274	new number:	460-4157
Joh Nadeau	#727	new number:	510-6446
Kim Gormley	#727	new number:	510-6414
Florence Marshall	#110	new number:	475-8712
Robert Wright	#256	new:	686-4299
Beverly Bealby	#256	new	724-4377
Ann H. Brown	#305	new	584-6880
Linda Charlene	#305	new	642-7887
Jan Lavern	#552	new	815-263-6426
Wendy Williams	#552	new	815-708-4357
William & Norma Acker	#637	new	470-9619
Martha Acker	#1150	new	410-4005

If you are new and have not provided your phone number for the book, please fill out a form and sign if you give permission to publish, or state to keep your number unpublished. Forms can be returned to me at lot #938, or you can send me an e-mail to the above address with all the information and your permission to publish.

Remember, the Dial directory is only published once each year. The directory is not produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed in the Voice, please let us know.

For those who are new, please address any questions directly to Donna Wurtz at lot # 938, (phone number above)

Thank you for your cooperation.

"WELCOME TO LINCOLNSHIRE"

By Vicki Marentette (Lot 950...281-2382) Donna Wurtz (Lot 938...459-0394)

Hello from Canada. Up here we are going into fall with cooler temperatures. With travel restrictions, many of us cannot say when we will be down to enjoy the warm weather.

For now, the Welcome Committee is on hold. Donna is keeping track of new residents and, if possible, providing them with our welcome package. If you are new, please contact Donna. If there is any news regarding the committee, Donna will post it in the laundry room.

In the meantime, do stay safe, wear a mask and practice social distancing. This is not just for your health but for those around you.

Sunshine and Sympathy

By: Donna Wurtz (727-459-0394.....momshse@aol.com)

A few things to report this month. First of all we would like to thank the team of Marge Kristall and Mary Jo Webert who have volunteered to become the sunshine committee beginning January of 2021. They will be looking for your help to put together their article for the February edition of the voice. Due to printing deadlines, they will begin their article with that edition, as the January edition will be going to print before they take over. Please help them by sharing information about our residents – especially good things.

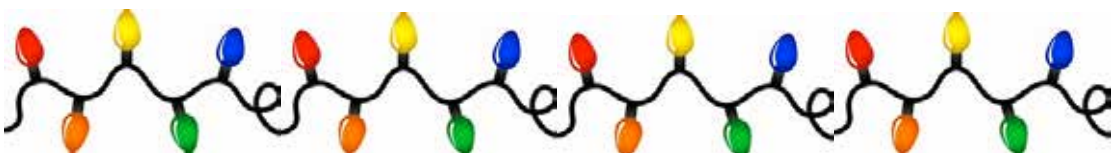

We have heard that Rita Sullivan (1550) is in rehab at time of this writing but should be coming home in time for Christmas. Special thanks to Rita & her family for continuing with the food drive while all this has been going on at her own home. Also, thanks to Gary Carrell for all he does to help with the food drive.

Sally Schneider (636) is recuperating from knee surgery. We hope she is getting up and about more by this time. Sally has been here in the park for many years and has always been active – stop by pay her a visit.

We also have heard that Beryl Lodge's twin brother has recently passed away in the U.K. – the Lodges are from lot #253.

Remember to help us out with any information you may have – especially GOOD NEWS

LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC.

P.O Box 1822, Largo, FL 33779

BY Allyn Webert, Secretary, Treasurer LHOA (Lot1438.....847-975-1043)

DID YOU KNOW?

As a reminder to new residents, current LHOA Members and those who have not joined the deadline for the 2020 membership renewal (\$15 a year) is December 31st 2020. A small insurance policy premium. Without these funds, the Association will have limited resources to meet its mandates. LHOA will have representatives at the weekly coffee if they resume, monthly board meetings and the December Member meeting. Also at our homes found in the inside page of the Voice.

What are the LHOA mandates? Be prepared to purchase the park within 90 days of receiving a letter stating that the park is being sold for a different use than a mobile home park. Members have the only vote! Second, the Board requests a meeting with the park owner or representative with 90 days of receiving the rental increase and property tax pass-on plus any issues effecting a majority of members (usually maintenance concerns.) And lastly and no less important be available to Members who have question or issues and desiring information. In your corner as it is the same as ours. LHOA is Florida registered corporation, files taxes and maintains that status each year. One of the few rental HOA's in the county that are incorporated.

LHOA is a member of the FMO (Federation of Manufactured Home Owners of Florida.) The FMO is our only lobbying group looking out for resident/owners of all types of manufactured homes in the Florida Statehouse. Park owners have their own lobbying group. Individuals can also join the FMO and do. Depends on how you view your investment.

The LHOA Board now has 7 Director, a full complement, and many thanks for the recent additions and your commitment to the community. The complete register of Officers and Directors is in the front of the Voice and posted on the HOA section of the resident's bulletin board in the laundry/PO box room.

Join and maintain your LHOA membership no matter if full time or seasonal.

LINCOLNSHIRE KENNEL KLUB

WICKETT WURTZ {Lot 938....459-0394.....bigchees99@aol.com}

It has been some time since I have written this article for our “kennel Klub.” Some of you may remember that I was beginning to lose my sight. Well it is pretty much completely gone now. When my humans forget, they will move something in the house, and I will walk right into it without seeing it. I can still make out shadows, so when I walk around the park, I can tell where the sidewalk is and where it is grass or the street. I still have full use of my hearing & smell. I can get the full story from all my canine friends who walk by my house each day. I know where all my friends live and leave my messages for them too to let them know I have been by. I did notice recently that one of my friends had not been around for a long time. I had my human check to see what was up and found out that Hershey who lived with “Lady Di” at lot #821 is now in the great dog park in the sky. I was real sorry to hear about that.

There are a lot more people here in the park again, although not as many as last year – someone said that many didn’t come yet this year because their Chauffer didn’t come down from the north. With more people driving around, it’s time to remind them of the speed limit in the park. Between the walkers, joggers, cyclists, dog walkers and even cats – PLEASE be considerate when you drive – we do not want to see anyone get hurt by a speeding vehicle.

Oh & I probably should remind all the animal lovers about one important park rule. If you have a pet in your home, they must be registered in the office with a photo, and copies of licenses and up to date rabies vaccine. This is for everyone’s safety, and includes those who have cats. Lets talk again next month.

WHEN IT COMES TO HEART CARE, WE BRING EXPERIENCE TO THE TABLE.

At BayCare, we want to help keep your heart healthy so you never need our table. But if you do, the experts at the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital are ready. As the first multidisciplinary center of its kind in the area, our experts offer a range of treatment options, including minimally invasive approaches to treat a variety of structural heart conditions such as aortic valve stenosis and mitral valve regurgitation. We provide innovative heart care and access to clinical research trials, making the latest scientific discoveries available to our community long before they become available to the general public. You may be thinking about delaying your heart care due to COVID-19. Rest assured, as a heart and health care leader, we've put enhanced safety measures in place to help protect you throughout Morton Plant Hospital. And we always provide the high level of personal care that BayCare is known for.

THANKSGIVING DINNER/CHRISTMAS DINNER

BY: Residents club board

Our annual Thanksgiving dinner has come & gone. Once again, we are writing in advance of the actual event, and are hopeful that the meal was served without a hitch, and everyone enjoyed it. Christmas dinner is still in the planning stages, and information will be posted on the bulletin board and the face book page, so watch for updates. We do know that seating and actual meal service will be different than in the past, and we hope we will have learned something more from the Thanksgiving meal. We will not be serving family style with residents bringing their own side dishes. Masks will probably still be needed when walking around in the clubhouse, and social distancing for those who do not live in the same home, but we will try our best to make it an enjoyable dinner experience. The menu is still not set at this time. STAY TUNED for more info as planning progresses – check the face book page and the bulletin board to keep up to date.

SPORTS PAGES

BOWLING

Our bowling league has begun for the season. Joe Thompson (650) is the contact person for the Lincolnshire league which meets every Thursday (except Thanksgiving Day) at Liberty Lanes. The first week is in the books, and with 10 teams bowling we have a 4 way tie for first place, tie for 2nd, and 4 way tie for 3rd. That's the way we roll in week 1. High game goes to Larry Farrell with a 203 for the men, and Elle Henderson with a 191 for the ladies - her top score ever. More scores & standings next month.

VETERAN'S CORNER

By Robert Behm, LTC retired Army (Lot 775.....401-207=9317)

Veterans and Gold Star Families will be granted free access to national parks, wildlife refuges and other Federal lands managed by the Department of the Interior starting on Veterans Day this year and every day onward.

“With the utmost respect and gratitude, we are granting Veterans and Gold Star Families free access to the iconic and treasured lands they fought to protect starting this Veterans Day and every single day thereafter,” said Secretary of the Interior David L. Bernhardt.

Entrance fees for the National Park Service and the U.S. Fish and Wildlife Service and standard amenity recreation fees for the Bureau of Land Management and the Bureau of Reclamation sites will be waived for Veterans and Gold Star Families. They will have free access to approximately 2,000 public locations spread out across more than 400 million acres of public lands, which host activities to fit any lifestyle, from serene to high octane, including hiking, fishing, paddling, biking, hunting, stargazing and climbing.

Many Department managed lands have direct connections to the American military, such as frontier forts, Cold War sites, battlefields, national cemeteries, and memorials. These special places pay tribute to our veterans and serve as reminders of their courage and sacrifice throughout the history of our nation, from Minuteman National Historic Park where colonists stood in defense of their rights, to Yellowstone National Park, which was protected from vandalism and poaching by the 1st U.S. Cavalry before the National Park Service was established, to Mount Rushmore where modern warriors attend reenlistment ceremonies.

Details on program

For purposes of this program, a Veteran is identified as an individual who has served in the United States Armed Forces, including the National Guard and Reserves, and is able to present one of the following forms of identification:

- Department of Defense Identification Card
- Veteran Health Identification Card (VHIC)
- Veteran ID Card
- Veterans designation on a state-issued U.S. driver's license or identification card

Gold Star Families are next of kin of a member of the United States Armed Forces who lost his or her life in a “qualifying situation,” such as a war, an international terrorist attack, or a military operation outside of the United States while serving with the United States Armed Forces

A Nurse's Self Care Toolbox #29

Allyn Webert, RN. (Lot 1438, allynwebert@gmail.com)

Hopefully everyone has survived the first dose of holiday dinners. Certainly different this year. I remember my parents, Uncles and Aunts, talking about trying to celebrate during the WW2 years with rationing and many shortages. Not to mention many who were thousands of miles away from home and some never to return. I remember why we said our blessings at the dinner table.

In the November issue I had promised to begin laying out over the next several months on how our bodies were designed relating to food and exercise (movement.) At the end, my goal is help in understanding how we were designed, how that compares to our lives now and lastly how to start a change. Easy and hard at the same time.

Our human story probably wasn't one single day in time but between 200-350,000 years ago, we as humans (*Homo sapiens*) finally rolled off the assembly line of life. That assembly line had actually begun eons before we landed. I wasn't there.

Our body (all of it) was specifically designed to survive each and every day. Not a very simple task. Basically we were male and female, thin or muscular depending on the abundance of food and amount of movement needed to find food each and every day. Our skin was purposely dark in the beginning to limit the amount of a necessary vitamin, (D), produced with help by the sun. We were very strong, athletic, could climb trees and walk for miles. We also didn't speak much because there wasn't much of a language. We were built to survive and surely did.

Food was very abundant and mostly year round. Food is really packaged sugar that becomes energy with oxygen for every cell in our body to do a specific job (including fat believe it or not.) Food travels into our stomach, down to the small intestine where almost all the sugar is removed, the large intestine and you know what follows that I'm thinking. This is called our digestive or GI system. It is unbelievable! Our GI system is a conveyer belt from one end to the other.

So where was the food that we needed every day and multiple times a day? Actually it was everywhere. On or under the ground and in the trees. There was fruit, veggies, grains and if you were extremely lucky some animal protein lying on the trail. Remember we didn't know how to hunt yet so protein was just a spontaneous find and very irregular. Food was fresh and ready to eat. Food spoiled quickly so it was "find and eat." Pretty simple recipe to me.

So what was our day like way, way back then? No calendar and no weekends. The secret to getting control of our metabolism is in plain sight. At dawn we would begin to venture out of hiding (and I truly mean hiding as no weapons yet.) We, in a group, would begin to move out, finding food usually within an hour. Our body was demanding food for fresh sugar! We hadn't eaten for at least 10 hours. Our body was using what sugar remained from the previous

Continued on page 40

day and some from fat to sustain us. Food was very abundant. So we ate. Probably sat for a bit as we do now after eating a meal. We were feeling happy. **Then!** We did something **absolutely extraordinary**, we stood up and walked farther on. For our next meal! We walked (moved!) This sequence happened every 3-4 hours throughout the day. Somewhere close to dusk we began to find the same or another safe place to sleep which was our only protection. Curfew was darn early then! Next day, you guessed it, same plan. Day after day. It was our quest! We are here because the search for food and safety was relentless. Brought us to almost every corner of Mother Earth.

Next month we look at what has gone wrong for many of us. I ask each of you to see how your day compares to what was described above. Do you eat in the early morning, relax, move for 3-4 hours and eat a small meal again? Just think about how closer you can get to how we were designed to live. Until next month, chew well my friends.
