**H**appy New Year Everybody!! The Turkey and Prime Rib have been eaten, the presents opened, the decorations are put away. But the fun time at Lincolnshire continues. As we all are into what we do best, having fun and living our retirement time to the fullest that each of us can. As you will see on the calendar, we have a full month lined up in January and February, and March won't be any less full. And if you just want to relax there is always the pool and of course the beautiful Pinellas county beaches. Then there is always going for walks with our pets in some of our area parks. And if you want to just sit and let them exercise themselves there are some great dog parks around. There is the small one next to the Largo Post Office at BayHead Park on Seminole Blvd. Or you can check out Eagle Lake Park on Keane just north of East Bay Drive or Walsingham Park with its Dog park and wooded trails at 12615 102nd Ave. in Seminole.

Whatever you do, have fun and enjoy life!

# FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

Another year has gone by. As we usher in another new year, we wish all of our residents a prosperous and healthy 2020. Wonderful colors of the season are still lighting up the nights, and with so many of our northern friends back “home” we expect to have a great season.

And wow what a great busy season it will be here at Lincolnshire. It is great to see how many residents are involved in the activities, and how many old friends are back to enjoy the warm Florida winter. We are also seeing a larger number of new residents who are now becoming active and making more new friends to keep Lincolnshire one big family.

There is still a lot of fun & activities to fill out the rest of the season. Make your plans to enjoy the fellowship and fun at our 10th annual Luau with Miraj & the Paradise dancers, and our January Dance with Jonathan. Ladies will enjoy the Salad Luncheon, and we have more pancake breakfasts coming up. See the articles about each, and check your calendars to mark all the great things going on.

With all this activity and so many residents here in the park, it is a good idea to remind everyone of our speed limits inside the community. There are many walkers, joggers, and bikers, as well as pets walking throughout the park. Please take care & be aware.

# LADIES SALAD LUNCHEON

By LINDA DOUCETTE - LOT 267 727-475-9933

The time has come around again to plan for our famous Lincolnshire Ladies Salad Luncheon.

Once again this year it will be held on SATURDAY, January 25th, at noon in the Clubhouse.

You can sign up at coffee on Wednesday mornings or the sign-up sheet will be in the posted in the laundry room early in January 2020.

The ladies of Lincolnshire are notorious for serving the most amazing salads and desserts. For those who prefer not to bring either you can provide a monetary donation of \$10.00 which will be used to supply place settings, decorations and prizes. Table service will be provided along with water to drink, but if you prefer any other beverage please feel free to bring it along.

Our theme this year has expanded, we are always a work in progress, “The Good Old Days in Television”. No requirement to dress for the it but if you’re so inclined, the days of BLACK and WHITE television will be our main focus, remembering with a little “entertainment” thrown in for good measure.

Remember if you’re bringing a salad, tray or dessert it should be large enough to feed ten people. If you’re able to provide ingredients or recipes on an index card that would be appreciated by people with dietary restrictions.

Come out and join us for some Good Company, Great Food, Lots of Fun and Prizes, Prizes, Prizes. Last year we handed out \$1500.00 in cash prizes and 50 gift prizes.

Remember to bring your \$\$\$\$ for our draws.

## BAZAAR ... 8:00 – 12:00 February 1st

By Barb Leek....( #106. 317-508-3773). Diane Gallik.... (#365 330-671-4931)

It seems impossible that the Bazaar is just around the corner. There will be announcements at coffee all thru this month.

The date is February 1st. Our workday will be January 31st. You may bring items for sale to the clubhouse any time after 8:00 a.m. on the 31st. Remember that all items must be “squeaky” clean and something of a quality you would hand down to a friend or relative. Oversized furniture, i.e. entertainment centers, TV's, paints and chemicals, and clothing may NOT be donated or sold.

There will be a short information meeting for those new to this event after coffee on Jan.8th.

Information on volunteer opportunities, sign ups for donations, and “must know” information will be posted on the bulletin board in the laundry room.

Points of sale are : Housewares, Linens, Books, Electronics, Jewelry, Home Décor, Furniture/ Toys and Baked Goods. There will be raffle baskets and a 50/50.

The Café will be open serving both breakfast and lunch items.

If you have questions please call either of us for clarification.

Please see your block captain when you return to pick up your newest copy. If you are new to the park, please be sure to fill out the information sheet to be included in the next edition, and to have your number published in the voice for others to update their books.

We already know that the newest edition is out of date due to the number of residents who have moved into the park, and out of the park. Please update your current book to reflect information as we receive it from new owners. Some folks have asked about area codes. The area code for Lincolnshire local numbers is 727. When a local number is printed in the book or forwarded here, the 727 is not required, so you will know all numbers listed without area codes are 727 numbers. Here are this month's changes as we know them:

## “Welcome to Lincolnshire”

By VICKIE MARENTE (Lot 950.....281-2832)

**O**ur next New Home Owners’ Orientation will be held in January 12 at 1p.m..

Thanks to all who attended the November meeting. Hope all your questions were answered, and we look forward to all of our new residents attending future events in the clubhouse.

Attention all residents: We need your help. If you are aware of people moving in or out of Lincolnshire, please let a committee person know so that we may extend an invitation. Names are unnecessary, just lot numbers. And don’t be shy yourself, join us at the session too. You might be surprised by what you don’t already know.

See you in January

## PANCAKE BREAKFAST

By JAMIE DOUCETTE - LOT 267 727-475-9933

**O**ur next pancake breakfast is scheduled for January 18th !

The December one was the first pancake breakfast of the season and we had a good turnout.

A lot of fun, lots of Christmas Spirit and compliments to the chefs were abundant!

We offer your choice of sausages or ham, pancakes-blueberry, cranberry or plain, or french toast, orange juice and coffee or tea. Still great deal at \$3.00. We will also be selling tickets at the breakfast for a Lincolnshire Draw (not a 50/50 because we give all the take back to the winners).

Tickets for breakfast will be available at coffee hour on Wednesday mornings for two weeks before the 18th of January.

Please remember to bring your own dishes and cutlery. See you for breakfast!

## CALLING ALL ACTORS

**J**an Jones Heischmidt, of lot 560, is staging a play at our clubhouse. Tryouts for the actors will be on January 6, from 3-4:30pm at the clubhouse. Please email at [blindhorsetheatre@aol.com](mailto:blindhorsetheatre@aol.com) for questions or to sign up for the play or auditions.

“JJ” is a playwright and creative director of the Blind Horse Theatre Company which does dinner theatre for wineries.

Needed are three women and four men. One woman and two of the men need to sing. One woman sings, but horribly!

The play is a comedy/murder mystery farce called **SING FOR YOUR LIFE** and it is about karaoke night on a budget cruise ship.

It is a two act show with dinner in between acts.

If you miss acting or want to start now, hate karaoke or love karaoke, this show is for you and we will be conducting auditions in the clubhouse on **Monday, January 6th from 3 to 4:30** (another date if needed) and the productions will be March 27th and 28th.

Rehearsal schedule will be determined after casting is complete.

## SUNSHINE AND SYMPATHY

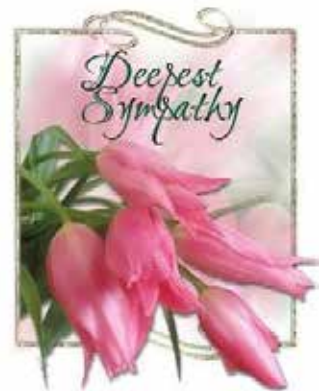

*BY: Frances Byrne: (lot 483.....776-7144)*

**W**e were finally able to have Jim Davidson's Memorial Service on November 20 at 2pm. at the club House. It was a beautiful sendoff to Jim's Legacy. I personally thank you all that attended and helped to make the service happen. I can't imagine how Joanna Schied, his mother, is missing Jim. They were very close and both lived at Lot 649.

Guy Webert, Lot 1538, is finally home after 6 weeks in the hospital with Mersa. He is being nursed back to health by his wife Mary Jo and brother Allyn. We wish him a full and speedy

Last for those who may have known her, LouAnn Craley, Lot 483, passed away in her sleep November 29. I purchased my home from her.

Lastly, when sharing information to me, please try to verify it. We try not to offend or make mistakes with the info that is received.

## LINCOLNSHIRE FAMILY

By Rita Sullivan (Lot 1550)

**W**e truly live in a family oriented community! Where else would people from all over come together to feed over 1200 meals to those in need. We are told that the 1440 pounds you donated will feed that many folks. Good thing we don't have to cook it! I guess the 5# Wednesday paid off! Along with the food pantry I am deeply grateful to all of you for your contributions. Thanks to Betty and Laura and all the men who helped load the truck. A special thanks to Bob Barrett and Paul Courchesne. All in all, it was a fantastic Year. Thank YOU!!

## PARK LIBRARY

By CYNTHIA VARGA (Lot 163.....727-584-6402)

**I**f you have a large quantity of books to donate, please do not leave them in the book drop. I would appreciate your bringing them to my home so I can sort them first. Also, when returning books, DO NOT shelve them as I have a system which gets messed up when people re-shelve the books.

Thanks for your cooperation.

# LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC.

## P.O Box 1822, Largo, FL 33779

BY Allyn Webert, secretary LHOA ( Lot1438.....847-975-1043)

### YOU NEED TO KNOW!

If you are new to Lincolnshire, a current Member or haven't helped in a year or so please take the opportunity to join or renew your Homeowner's Association membership. Current yearly assessment is \$15. Board listings are on the laundry room bulletin board.

The Annual Member meeting is on February 18th at 7 PM. At the January meeting Members wishing to nominate another member as a candidate for election to the Board may do so. Members may contact the Secretary and nominate themselves by February 12th. Deadline is 15 days prior to the Annual meeting allowing ballots to be mailed to Member park lots. The election of Directors will occur at the Annual Meeting on February 18th. As a reminder, in corporate elections, Members vote on Directors and the Directors elect the Officers. Different than social or other types of associations.

The January, February and March Member meetings are required by the LHOA by-laws. Members are strongly encouraged to attend. Come a bit early as Member sign-in is required.

LHOA has a total of 7 Director positions of which there is a President, Vice President, Treasurer and Secretary. The current LHOA BOD has 4 Directors and thus 3 less than desired. The following is a narrative on the importance of having a full Board representing the Membership. The Board can accommodate both full time residents and seasonal. Email unlimited calling has made this possible!

A board of directors is a requirement for a homeowners association to function properly. Whether that HOA is a "Tenet" like Lincolnshire or where the Board actually manages the property like homes, condos and resident owned mobile homes parks. These elected volunteer officials are responsible for being in compliance with their by-laws, state statutes (ours is FL 723.) Board training is a requirement and class cost is reimbursed. Without a capable board, their mission can quickly decline. The bylaws of an association give all the information regarding a board of directors, election procedures, the number of Directors, officer positions, and terms will all vary from association to association.

The board is elected from and by the Members at the annual meeting. The bylaws and statutes list how the election should be conducted. LHOA has staggered Director re-election to 3 and 4.

Once a board is elected by their peers, the board members will convene to elect the officers, usually during the first board meeting following the annual meeting. Associations are required to have a president, secretary, and treasurer and all officers' terms are limited to one year. Meaning, if a board member was elected to a two year term, they could be elected to secretary for the first year, and following the next annual meeting be elected to president for the second year of their term. Some bylaws and statutes allow the positions of secretary and treasurer to be held by the same person. In cases where there are fewer officer positions than board members, it is

## **LINCOLNSHIRE PET KREWE**

By Ann Curry & Sadie {Lot 1015....727-420-6518....[acuria10@gmail.com](mailto:acuria10@gmail.com)}

**W**ell the Holidays are over and hopefully everyone got all the good food and treats and toys that Santa Dog brought to your house. I got some cool new clothes and a new harness. So when you see me out with Mom, I'll be styling. Today Mom wants to tell you about some medical stuff, so I'll shift this over to her.

Hi; I want to touch today on something that happens to our pets as well as ourselves as we age, cataracts. If you notice haziness in your pet's eyes, or signs of failing vision, it's time for a trip to the vet. A mature cataract looks like a white disk behind your pet's iris. But cataracts shouldn't be confused with nuclear sclerosis which is a hardening of the lens. All animals experience nuclear sclerosis as they age. The good news there is that they can still see. Your vet will examine your pets eyes and can detect not only these things but can find systemic issues that can affect their overall health like diabetes and hypertension thru eye problems.

To sum up, regular visits can find these issues before they become too far along and may be able to do surgery (just like us) or give medication to minimize the difficulty.

And don't despair if your pooch can't be helped. She may need a little more guidance, but can still lead a rich, wonderful life.

# LINCOLNSHIRE TRAVEL CLUB

By; Donna Wurtz (#938...459-0394)

Another Cancer Cruise is under our belts. We had a few first time cruisers with us as we sailed on the newly remodeled Mariner of the Seas. A beautiful ship with new amenities sailed off to Coco Cay, Royal Caribbean's private island. Royal spent millions re-imagining the island, and it was a great day as advertised. The next Cancer Cruise will be in January 2021 on board the Harmony of the Seas, one of the largest on the oceans with so many new amenities, including the full on stage production of the musical "Grease." We will be taking reservations for the cruise shortly, so watch for more info to follow. So far the travel agent has donated over \$150,000 to the cancer society through these cruises, and none of it comes from the pockets of the cruisers.

We hope everyone enjoyed the trips in December. Remember, when you hear about a trip you might enjoy next year – NOW is the time to decide. If you are interested in a trip, put down a deposit. This will ensure you a spot, and also insure that enough people are going on the trip to make sure it does actually go. If later you find that you cannot go, you can still cancel within a period of time with nothing lost.

As promised, we have organized a trip to Helen Georgia in October of 2020 for the 50th anniversary of their Oktoberfest. If you have never been - - just ask anyone who has been there before and they will tell you what a great time it is.

Bon Voyage

## A Nurse's Self Care Toolbox #18

By: Allyn Webert, RN. Lot 1438)

---

Last month I went over how we as humans were designed to live successfully on Earth thousands of years ago. Just like when we buy flowers the sticker tells us how much sun is best. Our sticker said “best lived on Earth.”

This month is about how we get everything from what we swallow (or should swallow) for energy. Energy is the goal for every one of our cells including fat so they can do their job, whatever it is. Nerve cells to conduct information, muscle cells to flex and contract, skin cells to mature and replace what just fell off us and the list goes on.

99% of everything we swallow turns to sugar! The better question is how fast. Almost pure sugar like candy, cookies, pies (you get the drift here) are broken down in the stomach and small intestine. Then absorbed into our blood in less than 10 minutes or even seconds. Yikes! Fruits especially grapes, oranges are just like pure sugar. Starches like pasta, white bread, potatoes take just a bit longer like 20 minutes. Whole grains in some breads and cereals take about 40 minutes. Vegetables (greens) take up to 45 minutes to get into our blood. Meat (animal, fish, and poultry) are very dense food and take from 45-60 minutes to get broken down into sugar and absorbed. When we eat combination foods like a casserole each food will take its own time to be converted to sugar. The term “balanced meal” essentially means a meal that has all the food groups and in total takes almost an hour to be completely broken down in to sugar and absorbed in the blood. Hence the term “blood sugar.”

Sugars are absorbed starting in our stomach and all the way down our small intestine. We start preparing the food for conversion in to sugar in our mouths by chewing and saliva production. Chewing our food is a big deal! We are a human blender.

Our stomach further treats our food and the small intestine completes the job of breaking almost all we eat into sugar. Sugar from our food races (I mean races) through the lining of our gut into many small blood vessels. The sugar attaches to red blood cells and floats freely in the blood circulating to every, and I mean every cell in our body. I will talk about what happens when our cells don't get “fresh sugar” every 3-4 hours next month.

So how does the sugar get from the blood into the cell to make energy? Insulin (a hormone and another big deal!) Insulin propels the sugar into each living cell 24/7/365 days. More on insulin next month too.

# VETERAN'S CORNER

By Robert Behm, Retired Army ( Lot 775....401-207-9317)

## Veterans Targeted in Benefits Scams

U.S. veterans who receive calls or recorded messages claiming to be from "veteran's services" should have their guard up. According to reports by the [Leader-Herald Opens in New Window](#) in Saratoga Springs, NY, and [KARE11 Opens in New Window](#), an NBC station in Minneapolis, scam callers are attempting to elicit financial and other personal information from veterans. Callers may tell vets there is a new type of veteran's benefit related to home loans. The reports say the scammers use [caller ID spoofing](#) to deceive their intended victims. The scammers often leave voice messages, following a script that goes something like this: Your VA profile was flagged for two potential benefits to the changes in the VA program. These are time sensitive entitlements. Please call us back at your earliest convenience. The voicemail includes a fraudulent call-back number for "veterans services." Potential victims who call the number are offered "benefits," such as loan modifications to their mortgages, then asked for personal information, including social security numbers, dates of birth and bank account numbers. Scammers who gain access to such information can use it to steal money from bank accounts or credit cards, or sell the information to other bad actors for use in identity theft fraud. Other recurring phone scams preying on veterans include the "Update Your Military File" scam, the "Veteran Charity" scam and the "Veterans Choice Program" scam, [according to an article in Forbes Opens in New Window](#). An [AARP article about veterans scams Opens in New Window](#) reports nearly 80 percent of veterans they surveyed reported being targeted by scams related to their military service. If you get a call that offers any of the above "services," hang up immediately. If you get a voice message, write down the callback number and contact law enforcement to report the scam. Also, file a complaint with the FCC at [consumercomplaints.fcc.gov](http://consumercomplaints.fcc.gov). Any unexpected calls requesting personal or financial information should always raise a red flag. ## SHUFFLEBOARD

By JAMIE DOUCETTE (LOT 267.....727-475-9933)

Once again our shuffle board season is warming up. Our league will start on January 8th, and by now everyone who is on a team should know who their captain is and have a copy of their schedule.

We are expecting this to be a fun filled season. Please remember, if you are on a team, and are not going to be able to shuffle, let your Team Captain know as soon as is possible so arrangements can be made for a spare to replace you. If you're scheduled to shuffle, show up on time...or a little early to socialize. While shuffling you should step back off the court while your opponent is shooting, give them room. If you're keeping score, keep the players at the foot of the court up to date on score standings, it's often difficult to see the scoreboards from the distance. While the opposite end is playing please make sure they are aware which discs are in counting positions. While shooting to take out, please know your own strength....flying discs can be dangerous. Most importantly, have fun! See you at the courts.

## Billiards

Pool is a fun pastime. Cue sticks and balls are always there. Teams play on Thursday Nights. Bring your own refreshments.

## CARDS, DOMINOS, BOARD GAMES, ETC.

Poker, Texas hold 'em, Bid Euchre, Hand and Foot, Phase 10, Mexican Train, Skipbo, Cribbage, etc.

Watch the calendar for nights to play at clubhouse, usually Tuesday, Wednesday, Thursday & Friday.

Tuesday is called **Game Night** because there is more variety to what is played on that night. It's open game night. Remember during winter season there will be no game night when there are club meetings. Check the calendar.

Bring your favorite game equipment, snacks and drinks. Sometimes people show up and want to play a game but there aren't enough cards or pieces, so be prepared by bringing your own stuff from home.

## Health Watch

### Simple tips for a healthier heart

Close to 2,200 people die each day in the United States because of cardiovascular problems. That's one every 40 seconds.

Here's some advice from the WMC Action News website on how to keep your heart healthy:

- Laugh a lot. Laughter dilates your blood vessels, increases blood flow, and lowers your blood pressure.
- Snuggle. Hugging releases oxytocin, a hormone that relieves stress and can reduce blood pressure.
- Get a pet. A University of Maryland study found that survivors of a heart attack who had a dog were eight times more likely to be alive a year after their attack.
- Get the right amount of sleep. Both oversleeping and getting less than six hours of sleep a night raises your heart attack risk. Aim for about eight hours every night.
- Drink coffee. Studies suggest that caffeine can stabilize your heart rhythm if you have an abnormal heart rate. Check with your doctor.
- Move around. Standing and moving around one hour per day can reduce cardiovascular disease risk in women by 25%, according to a University of California, San Diego, study.

### Seniors struggle with out-of-pocket medical expenses

Health care is expensive, particularly so for senior citizens who depend on Medicare for their treatments, medications, and other medical needs, but who have to pay out-of-pocket costs as well. The Axios website reports that the average overall yearly out-of-pocket cost for Medicare beneficiaries is \$3,166. Here's how it breaks down by condition:

Arthritis	\$2,808
Diabetes	\$3,035
Stroke	\$3,072
Hypertension	\$3,308
Non-skin cancer	\$3,388
Heart disease	\$3,445
Mental condition	\$3,663
Parkinson's	\$7,346
Alzheimer's/dementia	\$13,269
