FROM THE EDITOR

By Ann Curry (Lot 1015....acuria10@gmail.com....727-420-6518)

We the people of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this constitution of the United States of America. This has been our Constitution for 244 years since our country was founded. It's the oldest constitution in the world.

I was brought up in rural Wisconsin. I was a flower child of the 60s and 70s, tried to be my own person. Many of you have had very different experiences depending on where you grew up and how. I've always tried to be independent and try to see both sides of the coin. But things have gotten more and more polarized in the last 15 years to the point where you are almost forced to take a side or get on the sidelines. I am appalled at what is happening to this country. It's much more than lockdowns from covid-19 and riots from the death of George Floyd. I think that is also why Trump decided to run for President almost 4 years ago. I believe he is trying doing a good job. I respect that. Is everybody happy? No. But he was elected according to our constitution and I respect the office. We do have freedoms in this country guaranteed by our Constitution. It appears that good and evil, left and right, are trying to throw all that away. They say the Constitution is no longer relevant. In the past, we were proud to be a melting pot. People came here assimilating into society and trying to find their success and American dream by working hard and building their niche in this country.

Somewhere in the 80s, that all started to change. We were no longer all proud to be just American, but started to have new labels, African American, Native American, Italian American, etc. etc. When I grew up in the 50s and 60s in rural America, I hadn't even met a black person until I was out of high school. But my parents and schools taught us that we were all equal. I had nothing else to compare this to and I was always taught to make my own way. Not jump just because everyone else did. Think, before you speak, listen and have respect for others, especially those with authority.

Now here we are in 2020. Through the news media, social media, schools and our cell phones, we are slowly being turned into a socialist country. Do we want that? Is that what the Founders of our country wanted? Just because someone says or "reports it", is it true? Not always. Are all cops bad? No! Are all black people poor and uneducated? No! Outside influences are

Continued on page 6

tearing at our country like never before. I believe if people begin to realize this, we should all get on our knees (if we still can), and pray like we did after 9/11. Then get together and have true dialogue with each other, not riots and anarchy. Let's make this country the great one it still is. My opinion.

Another Viewpoint

By Paul Davis (Lot 159)

July 4, 2020 will be the 244th birthday of our country. The House of Burgesses of Virginia in 1775, met and established the 1st formalized legislative & democratic government of our nation, with principles for individual rights and the freedom to be free from any and all domains of foreign government control. There are many of us whose forefathers fought in the American Revolutionary War as well as others who gave the "ultimate sacrifice" of their deaths in 12 wars since the signing of the Declaration of Independence in 1776. As a nation, we need to start looking at our similarities, our likenesses, and welcome them with an open mind and heart and not dwell on our differences.

President Lincoln stated the following, "A house divided against itself cannot stand. " Today more than any other time in our nation's history, we as citizens need to apply on a daily basis 3 simple characteristics; responsibility, accountability and respect toward each other. I am thankful for the members of the House of Burgesses, the likes of Augustine Washington, Peter Jefferson and my 6th great grandfather, John Phelps. Perhaps our nation can be healed of its current wounds, and we can survive many more years to come. I am personally proud of "Old Glory" and delighted with what it means and may it continue to remind us.

Sincerely,

Paul Davis.

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

We are hoping that everyone is still safe and not going crazy from all the pandemic scares, notifications and new rules. As most of you have figured out, with all the lockdowns, and new rules that will be in effect for an unknown time in the future, things here in Lincolnshire will not be the same as in the past. With the phased in openings in Florida, this past week has seen over 1,000 new cases daily for the past 7 days, including new cases just down the street from us in the county jail. (hope none of our people end up there anyway. LOL)

The pool is open as of this writing at 100% capacity, but no organized activities yet. The clubhouse and fitness center are still closed. We have no information about rules that will be in effect regarding the re-opening of the fitness center. As for the clubhouse, we have no timeline, but we do have some idea of what will be required for opening. We will still be allowed only 50 people in any activity, and groups of 10 are max for any areas as required by the CDC. "social distancing" will be in effect, and with that, we will not be able to keep our long rows of tables. If the rule of 50 changes to 50% capacity, remember in the case of the clubhouse that would be "Seating" capacity, not Fire Dept. capacity, so our numbers would still be required to be less than usual. Buffets will no longer be allowed, masks are probably going to be required, and maybe even temperature checks. With all this in mind, please remain patient as we try to reorganize events for the season. Summer events will remain cancelled at least through mid-July, as we will need time to make purchases, sell tickets & re-establish entertainment. We hope that dances will be able to resume in the winter, but that is also still in question due to distancing requirements. The social committee will be working hard to figure out what they will need to do to keep Lincolnshire the active park that it has always been. Watch for their notices and posts.

Lots of things will be changing, but Lincolnshire is a great community & I know that everyone here will do whatever is necessary to keep it a fun place to live. We will find a way to get through all this and be back in full force as soon as possible. Things may take a little longer to get going in the fall, as rumors say that the northern borders will remain closed until the end of the year. Hopefully that will change, and our snowbirds will return as soon as possible in the fall. Please remember also that if you are in the park now, guests should be registered in the office as has always been in the park rules, but it is now even more important and visitors from national "hot spots" still are required to self-isolate for 14 days upon arrival.

Thanks everyone

Dial Directory and Database

By Donna Wurtz

(Lot938..... 509-1182..... momshse@aol.com)

Thanks to everyone who gave us phone numbers and information for this year's edition of the "YELLOW BOOK." The book is currently in print and will soon be delivered to the block captains. We apologize for the delay in printing, but like everything else, the COVID crisis has slowed things down. Hopefully they will have been delivered by the time this edition of the voice is in your hands. The printer like everyone is working with a skeleton crew and it is taking longer to complete. If you are new and haven't turned in your information, you will find that you are not listed in this year's edition. The deadline has come & gone. Typically we receive the new edition around the end of April, but this year it has been delayed just like everything else during the current pandemic.

Remember, the Dial directory is only published once each year. The next directory is already in the works. The directory is **not** produced by the office. It is a resident's club function, so don't expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed in the Voice, please let us know.

Please note that the "new residents seminar" originally scheduled for this summer, will be postponed for a future date. For those who are new, please address any questions directly to Donna Wurtz at lot # 938, (phone number above) Please do not ask about the new member seminar with people who have nothing at all to do with it, you will not get the correct information or any of the forms and publications that are prepared for you from those people. We hope that all new residents who have not yet attended a seminar will be able to attend when we get a new scheduled date. Watch the Facebook page & bulletin board for updates when they are issued

Thank you for your cooperation.

In the event the park is put up for sale for a different purpose LHOA is obligated to begin immediately in securing arrangements for purchasing within 90 days. Membership will be closed and only Members can vote to purchase or not. Secondly, we have the right and do request a meeting with the park owner on rent increases, property tax pass-on assessments and issues effecting a majority of Members. The park owner has by letter delayed this until a future time. LHOA Directors receive mandatory training when elected or appointed to the Board. Though not a state mandate the Directors are an excellent source of assistance and information to the benefit of Members. Our telephone numbers are in the inside cover of the Voice and also on the resident's bulletin board on the left

side in the laundry room.

LHOA is incorporated and each year we submit and pay for continued corporate status with the state. Most rental HOA's are not incorporated. The value of LHOA incorporation can't be underestimated. This incorporation resulted from very hard work by a few of very forward thinking residents of Lincolnshire 26 years ago.

The Directors and Officers not only ensure our corporate compliance they also ensure we submit our yearly taxes to the State. Maintaining our yearly membership in the FMO (our lobbyist in Tallahassee) is critical in supporting efforts to ensure our voices are heard at the state level.

Obviously LHOA cannot maintain its mandates without membership. Ensuring LHOA has the reserves to begin the process of park purchase if every necessary must be kept at the ready along with the simple expenses of administration.

Keeping guard on our rights along with responsibilities as homeowners is not often visible but always present. Directors/Officers must have the support of homeowners. Join if not a member or forgot to renew (not part of just living here or owning a home.) \$15 a year is a very valuable insurance premium.

LHOA does have an opening for a Director. Excellent way to serve your community. Call our President if interested.

LHOA has been in existence for 25 years! Board meetings are generally monthly and Member meetings are monthly from December to March. Members are strongly encouraged to attend.

A Nurse's Self Care Toolbox #25

Allyn Webert, RN. (Lot 1438, allynwebert@gmail.com)

This month's dose of nursing starts with what the heck happened to my 5 star skin that I had just a few years ago. I know I brought my skin in its entirety down from Vermont when I moved here 6 years ago. I don't mind the extra hairs and whiskers that emerge from places on my face and ears I never noticed before. The answer to that is I was working and just didn't have time to notice them. Hmmm.

Ok, back to skin. This will take 2 issues as important. Let's face the issue here, our skin changes with age. It becomes thinner, loses fat, and no longer looks as plump and smooth as it once did. Our veins and bones can be seen more easily. Scratches, cuts, or bumps can take longer to heal. Years of sun tanning or being out in the sunlight for a long time may lead to wrinkles, dryness, age spots, and even cancer. But, there are things we can do to protect our skin and to make it feel and look better.

Dry Skin and Itching is number one of our complaints. Where and why? Often on our lower legs, elbows, and lower arms. Dry skin patches feel rough and scaly. Some reasons for dry skin: Not drinking enough liquids, spending too much time in the sun, being in very dry air conditioned

air, smoking, stress, and we do lose sweat and oil glands, which is common with our age.

Dry skin also can be caused by health problems, such as diabetes or kidney disease. Using too much soap, antiperspirant, or perfume and taking hot baths can make dry skin worse.

Some medicines can make skin itchy. Because older people have thinner skin, scratching can cause bleeding that may lead to infection.

Here are some easy ways to help dry, itchy skin: Use moisturizers, like lotions, creams, or ointments, every day. Take fewer baths or showers and use milder soap. Warm water is less drying than hot water. Don't add bath oil to your water. It can make the tub too slippery. Falls are a common occurrence for us. And try using a humidifier, an appliance that adds moisture to a room.

Bruising happens more easily than younger people. It can take longer for these bruises to heal. Some medicines or illnesses may also cause bruising. In Florida we often don't wear full cloth covering. Talk to your doctor if you see bruises and don't know how you got them, especially on parts of your body usually covered by clothing.

Over time, skin begins to wrinkle. Things in the environment, like ultraviolet (UV) light from the sun, can make the skin less elastic. Gravity can cause skin to sag and wrinkle. Certain habits, like smoking, also can wrinkle the skin. A lot of claims are made about how to make wrinkles go away. Most of them don't seem to work and a big waste of our money. Some methods can be painful or even dangerous, and many must be done by a doctor. Talk with a doctor specially trained in skin problems, called a dermatologist.

Age spots, once called "liver spots," are flat, brown spots often caused by years in the sun. They are bigger than freckles and commonly show up on areas like the face, hands, arms, back, and feet. Using a broad-spectrum sunscreen that helps protect against two types of the sun's rays (UVA and UVB) may prevent more age spots. Of importance is to consider using sunscreen even in our homes as sun simply gets in! Many Medicare Advantage plans over the counter benefits have no cost sunscreen. Order it and use it.

Skin tags are small, usually flesh-colored growths of skin that have a raised surface. They become common as people age, especially for women. I have several. They are most often found on the eyelids, neck, and body folds such as the armpit, chest, and groin. Age spots and skin tags are harmless, although sometimes skin tags can become irritated. If your age spots or skin tags bother you, talk to your doctor about having them removed. Easily removed without any anesthesia.

Skin cancer is a very common type of cancer in the United States. We will focus on this next month. Put the sunscreen on the bathroom counter as step.

LINCOLNSHIRE PET KREWE

Ann Curry & Sadie {Lot 1015....727-420-6518....acuria10@gmail.com}

I have some dog children for you to meet. They are Zell and Bogie. They are Aussie doodles and are the children of John and Janet at 1209. They are very friendly or so Joey next door says...He should know being the King of his neighborhood.

Good Day, Sadie here! I heard that's another way to say hello. My new Aussie buddies told me that. Cool. Speaking of that, it sure is hot and dry! My birdmates, Tweety and Cookie don't seem to mind. Mom puts them in the Florida room sometimes and they love to sit and listen to the outside sounds through the open windows. Me, I like my walks so I can do my business and see my other friends. It's fun when we stop and visit on the street. Remember though, the street and sidewalk get pretty hot now and we dogs are walking around barefoot.

We can burn our foot pads pretty quick. For some of us, that can be why you see us licking our feet when we get home. So when you stop to chat, try to get us on the grass or in the shade so we don't have to stand on the hot street. Of course, then we can get itches from the grass and weeds. But at least we don't get burned. What is a dog to do!!

That brings up another issue. Mom speaking now. This is a pet friendly park. It is a senior community. I know some of us that live here year around still have jobs or just need to go places during the day. Please respect others who are not in a hurry and are out walking the dog or taking up trash or bike riding and such. Speeding (over 10mph), rolling thru stop signs, driving like you want to run people off the road, are all things you would be ticketed for outside the park and that includes golf carts. Oh, also there is that little lever on the left side of your steering column. When you pull it up or down, it lets people know you are going to turn. Please use it. Yes, in here too. And if you see people driving crazy, please report it to the office. Don't let it go. We should not have to put up with it. People and animals will get injured. Remind your guests and service workers, UPS, FEDEX, etc. of the need to obey the rules and regulations of the road. Have a nice summer and stay cool.

Sunshine and Sympathy

By Frances Byrne (727-776-7144)

Slowly-Slowly-Slowly things are getting back to normal(so to speak). It has been a rough 6 months with the Covid 19 Virus, the economy and then the riots. (Haven't we learned anything from the 60s). More bad news on bad news. Pretty soon we will get our overdue rent increase. Property Tax for the property we do not own. I digress.

Ok, back to business.

Another passing of a long time resident of over 30 years, Marie Gates of 1st street passed away recently. She was 97. May she rest in peace.

A new resident, Tom Waite also of 1st street, passed away a couple weeks ago, of a sudden illness. He was a chef at Clearwater Country Club. He was going to spoil us with his gourmet cooking. So sad we didn't get to know him. God rest his soul.

A long time resident for over 30 years Mae Jackman of 15th street past away recently at 92 in her sleep. What a way to go. She was so loved. May she be in heaven and rest in peace.

Our dear friend Rita Sullivan of 15th street is still in rehab, but will soon be home. Love you Rita and miss you.

Again I appreciate all your help in letting me know good or sad news.

I pray that we will resume our regular routines.

Thank you all for helping me with the Sunshine and Sympathy report.

God Bless You All, Stay Safe.

Lincolnshire Travel Club

By: Harold Wurtz

(Lot938.....727-459-0394..... bigchees99@aol.com)

On Dec. 4, 2011, Donna & I joined friends from another community for a cruise on Royal Caribbean's Freedom of the Seas. This was our first "cancer Cruise." We learned that their park had a "Travel Club" and did many of those kinds of trips organized by Advantage Cruises & Tours. We brought the idea to the resident's Club, and Lincolnshire soon had their own travel club. We searched around and found that Marie from Advantage had some of the best trips and opportunities for us here, and the travel club was born. Since then Lincolnshire residents have traveled as a group on over 16 cruises, more than 30 Day trips, 25 overnight trips, and many shows. I have attached some photos of past trips. We had a great time with many friends here in the "Shire," and even created our own traveling mascot "Abe Lincoln Shire" (See his photo on one of our cruises)

Nine years later, things have changed drastically. The pandemic that has hit has caused the cancellation of many of our planned cruises and trips and has caused the closing of our travel agent's office. Advantage has announced their closing just this month due to the COVID situation, and personal health problems as well (After years of donating to the cancer society, Marie has been diagnosed with an aggressive form of cancer herself.) Currently we are considering re-organizing the travel club using the merger with a long-time travel agency "Travelworld." For those who are booked on the "Harmony of the Seas" January 17 2021 (our annual Cancer Cruise) all of your information has been transferred to that agency, and everything is still in place. We have been informed that we will still have pickup in the park, and everything that was on the flyer is still currently in place. If you have questions about your reservation, you can call 813-634-3318 and ask for Hilda Simmons. Of course that still is dependent upon the ships once again being able to sail by that time. We believe that things will be back in some way by then, and we will actually sail. Beyond that date we are not sure what the club will be doing, and what new trips can be arranged if we use this new agency. We will keep you posted as we re-organize. Be patient.

VETERAN'S CORNER

By Robert Behm, LTC retired Army (Lot 775.....401-207=9317)

If you know a Veteran who during COVID 19 has experienced a financial hardship due to a lost job or having been laid off let me know as my organization the Military Officers Association of America is offering 500-dollar grants. These grants are open to all ranks and US uniformed services and caregivers for these vets. What we will help with:

- Rent
- Mortgage
- Auto Loan/Lease
- Utilities (electric, water, heat)
- Cell phone payments
- Internet access

The grant cannot exceed the equivalent of three months of delinquent payments. Only one \$500 grant per household. Any bill presented with a past due date prior to March 1, 2020, will not be considered. Grants are available on first-come, first-served basis. You will need to provide proof of negative financial impact (layoff, reduced hours, etc.) because of the COVID-19 crisis.

If you know somebody that meets the requirements above contact me at Robert.behm23@gmail.com and I will send you an application.

VA Medical Centers INFO:

signs of COVID-19 infection. Because the safety of our Veterans and staff is our priority, VA facilities may not expand to a full spectrum of care immediately. Factors VHA uses to determine expansion of health services are based on facility circumstance and the differing clinical needs of each Veteran. This flexibility allows facilities to provide safe care taking local circumstances into account. **Consult your medical center's website** for current status and contact information.

As we continue to navigate through the COVID-19 pandemic, we're all working to keep Veterans and VA staff healthy. To protect Veterans and staff, everyone must:

- wear face coverings or masks at all VA facilities
- be screened for COVID-19 symptoms or exposures before entering, to include a temperature check

VA medical centers will also have limited access points and new processes for visitors and patients to ensure everyone's safety. Look for signs indicating new entranceways and new entry procedures to protect patients and staff.

By Vicki Marentette (Lot 950...281-2382) Donna Wurtz (Lot 938...459-0394)

Hello from Canada. It would appear that things are still closed in the Park. We are putting our July meeting on hold at the moment. Those of you who are new to the park, please give Donna a call. She can answer any questions that you have and also provide you with our folders if you so desire. And also, please check the bulletin board in the Mail Room periodically for any updates to what you see in the Voice. Hopefully, our next meeting will be on Sunday August 14th at 1pm in the clubhouse. We would hope that activities will have resumed by then. If you are new to the park, do come. It is a very informative. Also, if anyone knows of new residents, please let Donna know. She is on duty now that I am up north. Donna's phone number and lot # are listed above.

Places are slowly opening up. Please still be mindful of social distancing.
Stay safe.

National Postal Workers Day, July 1. Many famous people have worked as postal employees, including presidents Abraham Lincoln, William McKinley, and Harry S. Truman, along with entertainers like Bing Crosby, Walt Disney, and Rock Hudson.

Independence Day, July 4. Celebrate the date that the 13 colonies announced their independence from Great Britain.

Bastille Day, July 14. The anniversary of storming of the Bastille, a fortress-prison in Paris, on July 14, 1789—a turning point of the French Revolution.

National Hot Dog Day, July 17. Whatever you put on your dog, enjoy one today.

International Self-Care Day, July 24. Self-care refers to activities and practices that we can engage in on a regular basis to reduce stress and maintain and enhance our short- and long-term health and well-being.

Independence Day Facts

Here are some fun facts to share with your family and friends on the Fourth of July while waiting for the hot dogs to cook on the grill:

- Three presidents died on July 4: Thomas Jefferson and John Adams in 1826, and James Monroe, in 1831. Calvin Coolidge was the only president born on July 4, in 1872.
- The Massachusetts General Court was the first state legislature to recognize July Fourth as a state celebration, in 1781.
- The first recorded use of the name “Independence Day” occurred in 1791.
- The U.S. Congress established Independence Day as an unpaid holiday for federal employees in 1870. It became a federal paid holiday in 1931.
