Team Glenda..

Team Glenda!" Lincolnshire Residents join together in support of Glenda Driscoll in her fight against cancer. This could be the beginning of a movement in Lincolnshire for a permanent group against cancer as many of our friends and neighbors continue in this fight

From the Editors

By Harold & Donna Wurtz (#938, 812-2670 bigchees99@aol.com)

Well it's time again when Lincolnshire gets quiet for the summer months. It has been a busy winter season, and we have enjoyed many activities and good times with friends that we won't see again until fall. During this season we have lost some friends and neighbors, and seen others grow ill with maladies that usually come with age. Our prayers are with these friends and families through these rough times.

That also brings to mind our thoughts about "getting old" as opposed to "aging gracefully"

Some people fear the thought of aging. They don't know how to cope with the idea of growing older. They find ways on how to stop and control aging. They try different types of products in the hope that they will be able to maintain the young version of themselves. But, does all of this give them the results they desire? Here, are some ideas to help you understand the simplest recipe for graceful aging.

Be an active member of your community. Studies have shown that this increases life span. To get the most benefit from your social interactions, focus more on intimate relationships rather than casual acquaintances.

They say what you eat is what makes you. So be careful with what foods you eat daily. Foods can make or break your whole body state. Choose to eat healthy and nutritious foods. Make sure to have a well-balanced diet.

Age is just a number as many aging people always say. They might be using it to lighten their thought about aging. However, positive minds can make a difference. Feel good about yourself and you will feel young.

When we are sleeping our body is repairing and renewing our body system. Make sure that you'll have a good night sleep with enough hours. The average adult needs eight solid hours a night. Shortage of sleep can put people at risk for illnesses, including depression and cardiovascular conditions.

For a lot of people, we tend to resist the fact that we are not getting any younger each year. You may hear how others are dreadful about aging, but no one can escape the fact that all of us will somehow come to that point in our lives. Therefore, be mindful of the above tips to attain a youthful looking you.

Dial Directory and Database

By Donna Wurtz (#938, 812-2670 e-mail to: bigchees99@aol.com)

The 2016-2017 Edition of the “Yellow Book” has been submitted to the publisher. Information that has been officially received from residents will appear in the new directory when it is printed and distributed. If we did not get information first hand you will not see it in the publication. Thanks to everyone who helped in compiling the new list of residents and phone numbers.

If you have a correction or wish to input information, please drop us a note, give us a call, or send us an e-mail. We try to make the book as complete and accurate as possible, and there have been a lot of changes at Lincolnshire since the last publication. If we don’t know about them firsthand, they will not be correct in the book. When we have only first names, or some nick-name that you have on your coach, we cannot publish it in the directory, so please give us correct inputs.

Remember, the Dial directory is only published once each year. The directory is **not** produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

Sunshine and Sympathy

By: Elaine Kenny (#752 230-4093) Francis Byrne (333-7878)

Don Blodgett, from 7th Street was hospitalized. He is now at home recovering. He reports that he is coming along nicely. On sunny days you can see him sitting out in front of his house.

Rosemary Foster and Judy Dunn's brother passed away in Massachusetts. Our condolences to both of them and their families.

Ian Marshall (son of Florence and nephew Anne) passed away on Wednesday April 13, 2016 at 5:30AM. Ian was with hospice of Florida Suncoast at the time of his passing. Ian was well known in the park and will be missed. Our condolences to his mother and family who are long-time residents of the park.

SPRING FOOD ROUND-UP

BY: Rita Sullivan (#1550, 584-2633)

Just a final seasonal reminder: If you are cleaning out your pantry and are getting rid of food that will be outdated by the time you return. The food pantry is begging for it. So- o - o- o, if you bring it to me at 1550 (put it in my bike basket if I'm not home,)

And, I will take it to the RCS pantry. Last spring we took 150 pounds.....Every little bit helps!!!

Caught Ya Doin' Somethin' Right

by: anonymous

Bonnie Tufts, of lot 554, takes her dog "Tuffy" for walks through the park daily. She is often seen riding her bike with "Tuffy" in the basket. She has been caught!!! While on her regular walks she has been seen picking up after the less considerate dog owners who do not pick up after their own pets. Thank you Bonnie. We hope some others will get the hint and pick up after their pets. Perhaps some cat owners will provide litter pans for their cats too so that we won't find "buried treasure" when working in planter areas.

"This One's For Braggin' Rights"

By: Bev Helbing (947 754-2245)

As the grandmother of Chelsea, I have good reason to share about an accomplishment of hers that will be achieved on May, 6, 2016 with her degree in commercial photography. I share with pride; while she was visiting me here at Lincolnshire in November she was also working on her finals which were a series of environmental portraits. She shot some images here and received a grade of 100%. At the Student Art Show - Chelsea submitted 6 images (180 people submitted images), 27 were accepted, 2 of those images were hers. The images are presently in the Walter e. Terhune Art Gallery, Perrysburg, Ohio and awards will be presented this Friday at the grand opening!

By the way, Charlie, your images have a name. Colorful Repeater and " Ride Along". She saw it...liked it...told grandma...got it!!

I asked Chelsea what was her inspiration? Her reply, my Aunt Lisa. She saw something in me, encouraged me and believed in me.

There's a difference from bragging about what you have and talking proudly about what you have. Beauty is a light in the heart!

Take a vision and turn it into something real, Creating Art.

Tai Chi

By: Art Lambert (#1117 270-7030)

If you're looking for a way to reduce stress, consider tai chi (TIE-CHEE). Originally developed for self-defense, tai chi has evolved into a graceful form of exercise that's now used for stress reduction and a variety of other health conditions. Often described as meditation in motion, tai chi promotes serenity through gentle, flowing movements.

What is Tai chi:

Tai chi is an ancient Chinese tradition that, today, is practiced as a graceful form of exercise. It involves a series of movements performed in a slow, focused manner and accompanied by deep breathing.

Join us on Mondays and Fridays at 9:00 AM in the clubhouse and reduce your stress while getting good exercise. Our sessions are designed for our age group, and start off new each day, so you can join any time and not miss anything.

Lincolnshire Library

By: Cynthia Varga (163 584-6402)

Since not everyone goes o coffee on Wed., you may not be aware that an announcement was made some weeks ago regarding the library.

No books are to be left in the credenzas in the clubhouse.

Please bring them to me at lot 163. Books left in the clubhouse will be removed when the clubhouse is cleaned, as management considers boxes of books to be an eyesore, so your donations will not be available if they are left there.

Again – please bring your donations to me at lot 163.

Thanks for your cooperation.

Time for Retirement

By: John & Linda Casey (#1211)

We have lived here in Lincolnshire for quite a few years, and it has been fun, but also busy for all these years. While Linda has been busy working outside the home, John has been working for all sorts of residents in the park, and also worked part time outside the park for a while. So many people have relied on John as the “fix –it” man. He has always been ready to help anyone who needed work done, and often either for no charge or at prices that are not anywhere near the going rates for the jobs being done.

Well folks – now it’s time for us. As of this month, John will be officially retiring from being the park handyman. We plan to be like the rest of the retired residents in the park, enjoying Florida Sunshine, travelling, and just plain enjoying our time together.

Thanks to everyone for understanding that now it is our time. There are new people in the park who are capable of helping you with projects and repairs you may need, but John is now retired. Please do not call him for help with projects after this publication date.

Nordic Pole Walking

By: Ralph and Barb (Lot 831 ralphwebbe@gmail.com 489-8080)

While summertime is here, and we return to the Northland, we would like to remind everyone in Lincolnshire who remains for the season – keep walking. It is good for you. Start out earlier in the morning to avoid the heat, but keep up the exercise. See you in the fall

If you would like more information of if you would like to receive a confirmation with a little bit more information just call or email.

Limerick of the month

"Sir" Jack Meyer (lot#1506 581-0014)

There once was a lady named Daisey O'Day
Whose favorite time was the Merry month of May

She would walk among the lilies

And sing 'til she was silly
Then off with the birds she would play

Jack and Jill Tournament

By: Bill Dunn (#155 210-5046)

Once again, due to the spirit and sense of community that makes Lincolnshire the park that it is, I sincerely thank everyone for braving the elements to play in the JACK-&-JILL. Congratulations to this year's winners, the team of Mel Moores, John Ernst, Pam Burrill, And Ginette Lalande. Well done.

A big thanks to Penny Coyle, who made and donated the Jack-&-Jill logo towels,

Thanks also to my girls, Judie Dunn and Susan Bogle who were a huge help in setting up and cleaning up. See you next year.

Help With Medicare Insurance

By: Jenny Alpert (Humana Representative)

Hello Lincolnshire.

Thank you for inviting me to attend your coffee hour on Wednesday mornings. Sorry about the mix-up on the date in April, but I hope you enjoyed the donuts anyway. I just want you to know that I will be available at coffee hour (before and after) on the first Wednesday of each month. The purpose is solely to help with any insurance questions you may have with regard to your medicare coverage. You do not need to be customer of Humana to ask questions that you may have, I will be glad to help in any way I can.

Hope to see you at coffee hour

Shiraoke

By: "Harmony Hal" (#938 812-2670)

Shiraoke is one of those year round events we enjoy here at Lincolnshire. As we cruise into the warmer months, and our numbers decrease, we invite guests from other parks and from venues around town. These guests are sometime called our "ringers". We choose our guests carefully from karaoke venues nearby, and do our best to be sure that they know how to sing. By doing that, we will insure that the audience gets to listen to a balance of folks in a variety of music genres. We want to encourage our summertime residents to join us in the clubhouse to enjoy our own singers as well as those invited guests. May's version will be on Saturday the 14th starting at 7 PM and going until the last singer gives up. Bring your own snacks & beverages. No charge for the fun.

Pot Luck Dinner

By: Dodie Hopkins (#529 586-4099)

Our largest group of the season gathered at 5:30 in the clubhouse for a taste of excellence. We were treated with many kinds of food, varied and tasty, with pies, cakes, brownies, and cupcakes served with a delicious cup of coffee

If you missed this month, “pot luck” will continue over the summer months on the second Tuesday of the month at 5:30 PM. Bring your table service, a dish to serve 10 people of either; meat, veggie, salad, or dessert. Don't forget your serving spoon. Our supply is limited. Be sure to sign up for May either at coffee or in the laundry room. It helps to know approximately how many are coming to dinner.

Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938, 812-2670 Bigchees99@aol.com)

The travel club was off to Clearwater to board the Starlite Swing Era lunch cruise. The group that performed was terrific - 3 ladies who sang all the music popular in the era, The Andrew Sisters, music from the USO shows, and a little comedy thrown in. Meanwhile we dined on fresh seafood, chicken cordon bleu, or beef burgundy as we sailed along the intra-coastal waterway on an escorted tour of the surroundings – even a little history thrown in. The photo of Don Thornell speaks wonders of how the trip was enjoyed.

The second trip in April was to the Show Palace for a performance of Grease, along with their famous lunch buffet. 34 residents were on that trip, and we got the good news that Show Palace has received the licensing for next season to produce a showing of Saturday Night Fever. If you are interested in joining us for that production, make your reservations early. This one will sell out, as it is a popular show and it will be at the high season.

May has our group traveling to Fort Myers for dinner on the “Murder Mystery Train. For those who are going and wanted to know about the dress code, word from the train is “dress as you would for any fine dining experience” I hope that helps. The second day of the trip will find us heading to Immokalee Casino on the way home. Good luck to all who like the casinos.

A new trip for December has also been set up to visit St. Augustine Christmas Lights. You asked and we listened. This is a 2 night trip that includes more time to tour St. Augustine, with on & off privileges for the trolley both days, and you will be there for the Christmas Parade. Other parks are also working on this trip, and hotel rooms are limited at this time of year, so if you are interested contact us early. It will be sold out before everyone gets back for next season.

There are also a number of cruises that we have arranged for December and January of next year. Check our Lincolnshire Facebook page and watch the bulletin board for notices.

1 – The Collect: O God, you have prepared for those who love you such good things as surpass our understanding: Pour into our hearts such love towards you, that we, loving you in all things and above all things, may obtain your promises, which exceed all that we can desire; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Acts 16:9-15, Psalm 67, Revelation 21:10, 22-22:5, John 14:23-29

8 – The Collect: O God, the King of glory, you have exalted your only Son Jesus Christ with great triumph to your kingdom in heaven: Do not leave us comfortless, but send us your Holy Spirit to strengthen us, and exalt us to that place where our Savior Christ has gone before; who lives and reigns with you and the Holy Spirit, one God, in glory everlasting. Amen.

Lincolnshire Kennel Club

By: "Wickett" Wurtz

I first want to pass on my prayers to my friend "Bella" for a speedy recovery from her recent surgery. Barbara Thomas escorted Bella to her vet in April for an operation for a problem that was found during her regular annual check-up. We hope by the time this issue is in your hands that Bella is back to her usual self. That does bring up a point for all other pet owners. Just because your pet "seems fine" doesn't mean they don't deserve the same preventive care as you. Annual checkups should be done for your pet to insure their good health.

It seems at this time of year as people head north, Lincolnshire becomes the home for more stray animals again. Perhaps there actually are residents who just enjoy having an animal without the responsibility of caring for them. I don't really know. More likely – these strays are coming through the fences from neighboring areas. At any rate – they are abandoned by owners who don't care. With all the great stories we hear about the good things pets do (service animals of such variety especially), and heroics of many pets who save lives, we hope that these strays will find a good home, or that the owners who lost them will be found.

In the meantime we have requests here in Lincolnshire for a better way to help find lost pets and to locate lost owners. Therefore we are suggesting that anyone who loses or finds a pet in the park contact my owners (Harold and Donna). When they hear about a lost, or found pet, they will post it on the Lincolnshire Facebook page, then if you find the lost pet or are the owner of a found pet, you can call first to be reunited with your family friend

Tricare Nurse Advice Line

Are you an older adult? If so, you can call the TRICARE Nurse Advice Line (NAL) 24 hours a day. When you call the NAL, a registered nurse will help you assess if you can handle your health concern with self-care or if you need to see a medical professional. The NAL can also help you find a doctor and schedule next-day appointments at military hospitals and clinics when available. To access the NAL dial 1-800-TRICARE (874-2273) and select option 1. For more information on the Nurse Advice Line, visit the [TRICARE website](#).

For more on TRICARE, visit the [Military.com TRICARE section](#).

Tricare While Traveling

Are you planning to travel soon? Your rules for getting care depend on your TRICARE plan and travel destination. If you are using Prime and have an emergency, go to the nearest emergency room. Standard and Extra beneficiaries can visit any TRICARE-authorized provider for care, whether stateside or overseas. If you need dental care and are enrolled in the TRICARE Dental Program, you can visit any licensed dentist for treatment. TRICARE Retiree Dental Program enrollees can call 1-215-942-8226 for dental emergencies. If you are traveling stateside and do not know what to do, call the TRICARE Nurse Advice Line at 1-800-TRICARE, Option 1. Information about all your TRICARE benefits is on the [TRICARE website](#).

LADIES GOLF - LINCOLNSHIRE LEAGUE

Lorrie Ouimet, Joanne Power

Another great golf season has come to an end for the Lincolnshire Ladies. We had a great end of season get together at Chili's on East Bay. A special thank you to Pat Hamlyn, she did a great job again this year with all the prizes. She continues to awe us every year with her large assortment of prizes.

Joanne and I will be handing the reins over to Penny Coyle and Roni Healy. Penny will be doing the scheduling and Roni will look after the score cards and doing the write-ups for the Voice, along with any necessary computer work Penny might need help with.

Joanne and Lorrie wish to express their thanks to Bill Dunn (Men's Section) for his cooperation in helping us coordinate drivers to the Landing's Golf Course. This is not an easy task, as we have some ladies who don't drive, and others have husbands who golf and it's a matter of who has a car available on what Fridays.

We look forward to seeing all the ladies back in the fall. For those heading north for the summer, safe travels. If any of the year-rounders wish to continue golfing together during the summer months, contact Penny.

This is the last report on low scores for April 8th. Beth Potvin, 82, Roni Healy, 85, Judy Dunn, 86, Pat Gagnon, 87, Karen Farrell, 88, and Sandy McNabb 89.

To quote Bob Hope, "Golf is a hard game to figure. One day you will go out and slice it and shank it, hit into all the traps and miss every green. The next day you go out and, for no reason at all, you really stink."

Thanks to all the girls who participated.

Caregiving has its rewards

As Americans live longer, families are feeling a heavier burden in the caregiving area. The Bureau of Labor Statistics estimates that some 40.5 million Americans are acting as unpaid caregivers for older family members. Most just help one person, but 22 percent are responsible for two people and 7 percent provide help to three or more. Most caregivers are between the ages of 45 and 64 (23 percent), but 17 percent of people older than 65 act as caregivers as well.

The demands may be high, but many Americans find the work worthwhile. Yes, 32 percent describe caregiving as stressful, but 88 percent say helping out an elderly loved one is a rewarding experience.

Try these year-round common cold remedies

You can catch a cold any time of the year, no matter what the weather is. Although you can't cure it, you can relieve its symptoms with some simple remedies. Try these:

- Honey. Honey mixed with tea or warm lemon water can relieve coughing and sore throat.
- Zinc. Zinc supplements taken within the first few days of having a cold can shorten your illness and could prevent a cold in the first place.
- Hot liquids. Hot tea or water can loosen up congestion in your chest and sinuses.
- Salt water. Evidence suggests that rinsing your mouth with salty water can clear up nasal congestion and unclog your sinuses.
- Vitamin C. Evidence that vitamin C can help you avoid or shorten colds is mixed, although research does hint that it may be effective for those with a vitamin C deficiency.

We must respect the past, and mistrust the present, if we wish to provide for the safety of the future.

—Joseph Joubert

Did you know that May is also...

ALS Awareness Month. ALS, also known as Lou Gehrig's disease, is caused by the death of neurons, leading to stiff muscles, twitching, and gradually worsening weakness. No cure is known, but this month is an opportunity to spotlight and support research to fight this deadly disease.

Better Hearing Month. Approximately 36 million Americans suffer from some form of hearing loss—and more than half are under 65. Visit an audiologist today to learn how to protect your hearing and ensure that your ears stay healthy throughout your life.

National Military Appreciation Month. As designated by Congress, National Military Appreciation Month celebrates the history of our armed forces and recognizes the brave people who have served in every branch of military service. It also allows Americans to educate each generation on the historical impact of our military through community participation.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling and encourage more folks to giving biking a try.

Children's Mental Health Awareness Week, May 1-7. A yearly event aimed at raising awareness of the issues and causes integral to the children's mental health field nationwide. Sponsored by the National Federation of Families for Children's Mental Health, this year's theme is "Healthy Families, ResilientChildren: Mental Health is a Family Affair."

National Nurses Week, May 6-12. One of the nation's largest health care events, National Nurses Week ends on the birthday of Florence Nightingale, the mother of modern nursing, and recognizes the contributions nurses make. It also educates the public about the significant work they perform.

American Craft Beer Week, May 16-22. American craft brewers are small, independent, and traditional. The average American lives within 10 miles of a brewery, and the United States now has more beer styles and brands to choose from than any other market in the world. Enjoy a cold one (responsibly) all month long.

May Day, May 1. An ancient northern hemisphere spring festival celebrated in many cultures. Dances, singing, and cake are usually part of the activities.

Mother's Day, May 8. Don't forget to tell your mother (and mothers everywhere) how much she means to you.

Memorial Day, May 30. A U.S. federal holiday honoring those who have given their lives while serving in the armed forces.
