## On the Cover

This month's cover: Our third Easter Pot Luck style dinner organized by Jim & JoAnne Power was the most successful so far. Over 120 residents packed in to the clubhouse to enjoy the day's festivities. All sorts of casseroles and side dishes were brought in. It was like "days of old" when dinner was held in the "old" clubhouse. Many entrees in the Easter bonnet Contest, even some of the men – And the winner was: Karen Otte Sullivan - - - see our facebook page for more pictures

## From the Editors

By Harold & Donna Wurtz (#938,.....459-0394..... bigchees99@aol.com)

Well so far it has been a great start to our summer season here in Lincolnshire. It's sad to think that there are some residents who aren't here to enjoy the sunshine, breezes, and just plain great weather. They head north for their summer vacation homes without realizing that those of us who stay year round enjoy our days in paradise.

We hope some of you have started out on our adventure to become "younger next year." Last month we discussed a little about exercise. This time it's a little word on diet and nutrition. Just some simple things that make a difference, and can add to your overall enjoyment of life. Some of these may surprise you, while others just might not be to your liking. Take what you can from this and run with it. You might like what you hear.

First: stop looking for that perfect "almost ripe – but not quite" fruit and vegetables that get pushed at you in the grocery stores. New research shows that FULLY ripened fruit has more life-lengthening health benefits. Forget those Green bananas and other less ripened fruits. The deeper colors mean more fiber, and more lycopene that may reduce cancer risk

Enjoy that extra cup: Seems coffee does more than wake you up; it also reduces risk of stroke, diabetes and some cancers.

Frozen is in: Research shows that fresh fruit can lose nutrients after 3 days of refrigeration, but frozen holds them. Also it has been found that frozen blueberries have more vitamin C than fresh. "whoda-thunkit?"

Goes without saying: Don't sweeten with sugar. Keep your added sugar to a minimum

Drink WHOLE milk: You've been told to go low fat or skim, and the same with the yogurts, but a new study shows that those who consumed the most dairy fat had a 50% lower risk of diabetes.

And last for this month: Drink lots of water. Besides the obvious benefits of reducing risk of bladder and colon cancer, it has also been found that those who sip water regularly during the day consume 68 – 205 calories less per day - - hence lower weight problems which always are a part of a healthy body

Next month we will look into the benefits of relationships. Enjoy every day in paradise.

# From the Desk of the President

By Brian Sliter (#574, 812-7903)

Ellie and I made it north to Tillsonburg without any problems and are settling into our busy schedule up here.

I hope the residents in Lincolnshire enjoy the Memorial Day celebration. Harold will keep you up to date on upcoming events at Coffee Hour so please attend.

For those who missed the last Residents' Club meeting and haven't heard, the dance in January has been changed to a Country Music dance. This will be a different direction for the Entertainment Committee and the Board has agreed to include a meal. So returning Snowbirds, don't forget to pack your boots and hats for next fall's trip south. The music will be supplied by HARMONY HAL AND HIS GAL, with Harold and Donna volunteering to do the honors. It makes the whole event very doable financially.

Until next month enjoy yourselves and live life to the fullest.

## Dial Directory and Database

By Donna Wurtz (#938,.....459-0394.....e-mail to: bigchees99@aol.com)

There have been many changes this year which we still do not have from new residents. Many new residents have not provided information, and many old friends have moved away. Every year there are changes that do not get published because we do not get the information. This year is no exception. We are missing names and numbers of many new residents. If you do not see your name & phone number listed in the yellow book, we did not have the information to list it as of the publishing deadline. We cannot publish second hand information. It must be received from the actual resident, so please let them know to contact us with their information.

The yellow book is for use by our residents only. It is not to be used for solicitation by advertisers, so please do not give anyone outside the community access to the books. Any violation of this rule by an advertiser is a violation of their contract, and will result in cancellation of any future advertising.

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules.

Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for next year's edition of the directory.

As information is received from new residents, we will post it for you to update your new directory when publication is complete.

When we have only first names, or some nick-name that you have on your coach, we cannot publish it in the directory, so please give us correct inputs.

Remember, the Dial directory is only published once each year. The directory is **not** produced by the office. It is a resident's club function, so don't expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

## Bulletin Board

*by Lincolnshire resident's Club*

---

Lately our bulletin board has become cluttered again with notes all over it. It's time to again re-organize it to the standards which were in place for a long time. Right now anyone who posts will probably not have their advertisement or information seen by anyone, because they are all lost in a big puzzle fashion.

Beginning after May 31, the board will be set up with sections for each type of announcement or ad.

Remember that there are some things NOT permitted on the board. They include ads from OUTSIDE the Lincolnshire Community; and Ads for Homes for sale or realtors advertising in the park.

Articles for sale are limited to those posted on 3X5 cards only (they will be provided as needed) and will remain for 30 days only (date stamps will be placed)

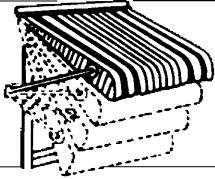

Services available from park residents are permitted in the form of business cards or again on 3X5 cards, and are not subject to the 30 day rule. There will be a separate section for these.

Homes for rent and wanted to rent also are permitted on 3X5 cards.

All advertising MUST contain a coach number.

All advertising that does not conform to these rules after May 31 will be removed, so please try to update any posts you may have on the board.

**W**ell Jim just rolled me home stuffed to the brim with another grand Easter Feast. Our 3rd Annual Easter Potluck Dinner was a great success. With 127 residents and guests attending the smell of delicious casseroles, salads and vegetable specialties was amazing.

We had a record number of entrants in our Easter Bonnet contest and the winners were:

Under 21: Leah, Kizzy and Bobby

Men: Geoff Rowe and Dennis Driscoll

Ladies: Karen Sullivan, Betsy Miozzi and Bell Rowe

Many thanks to all the people that made this possible: Harold and Donna Wurtz; the table hostesses Karen Sullivan, Glenda Driscoll, Roni Healy, Brenda Mattison, Linda Casey, Marina Reynolds, Linda West, Pat Gagnon, Bren Uling, Betty Bowman, Linda West and Dawn Dodge; and last but not least the many people that helped clean up.

We are truly blessed to be in a community like this.

## Summer Time Driving

By: Residents Club

---

Just a reminder: Summertime does not mean speed-weeks. Our Northern neighbors have returned home, to their summer vacation places and Lincolnshire is quieter on the streets. Most have been very courteous all season – aware that young visitors, walkers, bikers, and pets are always present when the park is busy. BUT: summertime is not any different. There are still walkers, still pets walking with their owners, still bike riders, and with school out for the summer there are little ones who visit regularly. We have noticed that speeds are up again. The park speed limit is 10 MPH. We know that is really slow, and most drive above that, but remember 20 is still TWICE the limit, and there is no need to be driving over 30 down the streets here. Also it has been noticed that at least 1 person (name with-held) apparently believes that these street are made ONLY for their own vehicle, and will drive 2 inches from the curb pushing bicycles off the road, and forcing walkers onto the grass. If you see this kind of recklessness, Please report it to the office for the safety of all who reside here

## Lincolnshire Library

By: Cynthia Varga (163, 584-6402)

---

**M**y thanks to all who have brought books to my house this makes it much easier for me to keep order in the library.

I try to keep the shelves in alphabetical order and when people randomly put the books back, I have to go through all the shelves each time and sort all the books.

Having them in order makes it so much easier for someone looking for a particular author

Thanks again for helping make my job less of a chore.

Also looking for some nice book-ends to use on the shelves

Keep the books coming.

## Lincolnshire's 6th Annual Luau

By: Donna Wurtz .....(#938.....509-1182)

---

**T**his year our Annual Luau will be set a little different than past years. We will not be serving the large buffet that we have in the past, because the time will be later in the evening. We will still be serving plenty of food, but more finger food than in the past. Dinner will be served at 7:30 PM. Why so late you ask?? Well it's because we have arranged a special night of entertainment. The paradise dancers will be presenting their "Tropical Heat-wave" show for us that includes the "fire-dance." To get the full effect or the fire dance, the show needs to be done when the sun is down. It will be performed outside around the pool after the indoor activities are completed. Make your plans to join us on June 17. Ticket prices and menu to be announced in next month's voice.

By: Paul Edwards (#153, 317-750-7402 )

**T**he Art Group has finished up with the "seasonal" weekly meetings in the clubhouse.

Although the group meeting is small, the results are great. Some very nice artwork has been completed, and more started. It's a great way to share ideas about methods, mediums, and more. We are looking forward to next season's gatherings. But don't stop now!! Keep you art work going, and come back and share your work and ideas.

Paul.

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## Benefit for Susan Bogle

*By: Thank you from Susan herself*

---

**T**hank you, Thank you, Thank you. I, who is seldom at a loss for words as you all know, find it almost Impossible to put into words, the love, kindness and gratitude to my family, my Lincolnshire family and all of my many friends for your generosity, food, silent auction items , donations of money to the Benefit Dance. A special thank you to Judie Dunn, Linda Casey and Dar Burke for pulling the whole thing together , the hours spent making sure there was enough food, selling tickets and worrying about if everything was okay. It was perfect. Oh, they organized the many door prizes also. Thanks to my sister Diane and Nancy for most of the Silent Auction items, Peter and Babs for golf clubs and guitar and Phyllis Murphy for beautiful painting and last but not least Kim and Laurie for approaching Judie with the idea in the first place. All of the funds have been put into two separate bank accounts, one to help defray the many copays, because I am dealing with specialists, and the other for the very expensive anti-rejection drugs not completely covered by insurance. This is required by Tampa General. If I live to to be 100, I will never forget the love, you have shown me. I love living in Lincolnshire, all of the residents are a family. I still have a couple of humps to get over, but I am positive it will all be fine.

Every day is ANOTHER BEAUTIFUL DAY IN PARADISE.

## Media Library

*By: Teanna Ennis*

---

**S**o everyone will know, Lincolnshire now has a media library in the clubhouse. A substantial number of DVD and Blue Ray discs are now available for you to borrow. They are located in the drawers of the book library shelves, as well as in the drawers of the side tables along the walls. Feel free to borrow any one you choose, and just

return it when you have finished, or trade for another that you are finished with. Donations of more DVD's will be welcomed.

The library is started in memory of Gae and David Steinberg, who were responsible for our "movie nights" for such a long time here in Lincolnshire. It has been started with the many movies that were part of their collection.

## Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938,..... 459-0394 ...Bigchees99@aol.com)

**W**ow – snowbirds – we have a new limited time special made just for you. We hear what some of you are saying about travel from your homes up north, and we heard about this limited time low price offer. If you normally keep a vehicle here in Lincolnshire, or transport your vehicle south while you fly, you might like this one. If you arrange your own flight to the port, you can take a 14 DAY TRANS-ATLANTIC cruise from Barcelona Spain to Tampa with stops in the Canary Islands and Coco Cay. That's **14 nights at a starting price of only \$599/person**. This is only available for a limited time, so if you would like information, call us immediately. It will sell out fast.

Meanwhile, a group of us from here in Lincolnshire will be travelling out of Tampa to Key West and then across the 90 miles to Havana Cuba on board the Empress of the seas. This is the first available cruise to Cuba from Tampa. We should have some interesting reports upon our return, so if you plan to cruise to Cuba at a later date – stay tuned for our report.

We just returned from a scouting mission on a new local venue. If anyone is interested in a less expensive real dinner theater, we may be arranging reservations in the near future for you to the new "Just for Laughs" dinner theater. Nice and close and good value – it's on Starkey Rd., and prices are low. We have the Scheduled show list, and plan to make reservations for tables for each show all the way through May of 2018. More information to follow, but we do hope to sign up a few tables from Lincolnshire. The shows are all comedy, and they are not the big productions of the Show Palace, but the acting was good, the laughs were plentiful, and the buffet was very good with low drink prices too.

Still have room on the 2 cancer cruises - - call for details

We are organizing an overnight trip in July for those who are here. July 26 – 27. For the casino lovers, we are heading to Imokalee for an afternoon of gaming, then we will stay over and next day head out to the Broadway Palm Dinner Theater for a Matinee and lunch. Call for information, or see us at coffee hour for more information and reservations.

Don't forget to "take me (Abe Lincoln Shire) along" if you are going on a trip that others may be interested in. Ask Donna, & she will get me packed for you so my picture can appear with you on your trip.

Lectionary Readings for May 2017

7 – Collect: O God, whose Son Jesus is the good shepherd of your people: Grant that when we hear his voice we may know him who calls us each by name, and follow where he leads; who, with you and the Holy Spirit, lives and reigns, one God, for ever and ever. Amen.

Acts 2:42-47, Psalm 23, 1 Peter 2:19-25, John 10:1-10

14 – Collect: Almighty God, whom truly to know is everlasting life: Grant us so perfectly to know your Son Jesus Christ to be the way, the truth, and the life, that we may steadfastly follow his steps in the way that leads to eternal life; through Jesus Christ your Son our Lord, who lives and reigns with you, in the unity of the Holy Spirit, one God, for ever and ever. Amen.

Acts 7:55-60, Psalm 31:1-5, 15-16, 1 Peter 2:2-10, John 14:1-14

21 – Collect: O God, you have prepared for those who love you such good things as surpass our understanding: Pour into our hearts such love towards you, that we, loving you in all things and above all things, may obtain your promises, which exceed all that we can desire; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen. Acts 17:22-31, Psalm 66:7-18, 1 Peter 3:13-22, John 14:15-21

28 – Collect: O God, the King of glory, you have exalted your only Son Jesus Christ with great triumph to your kingdom in heaven: Do not leave us comfortless, but send us your Holy Spirit to strengthen us, and exalt us to that place where our Savior Christ has gone before; who lives and reigns with you and the Holy Spirit, one God, in glory everlasting. Amen. Acts 1:6-14, Psalm 68:1-10, 33-36, 1 Peter 4:12-14; 5:6-11, John 17:1-11

As always, your Bible and an open heart - God will do the rest! Sunday's at 10AM in the clubhouse... Come as you are ~ all are welcome.

### Rudy filling in again this month

#### RUDY'S NEWS

**W**ell, well April Showers are supposed to bring May flowers or at least up north. We haven't seen much of that and the grass around here is looking a little ragged. We are seeing a lot of weeds and dust and itchiness among us dogs. A lot of us are seeing and feeling stuff gets stuck to our paws and fur. Mom tries to brush me out and wash me more often, but it can get into footpads and ears. Mom bought some itchy spray and ear wash which helps.

April was a busy month for all the snowbirds to fly back North (never been there myself). There were fun events like Pawfest up at the big park. I got to go with some of my friends Annabelle and Shoeshine. We watched all kinds of dogs big and small run around on a course chasing a white thing on a string. Annabelle even did it! Her Mom was so proud of her. Of course every booth had treats and bowls of water.

I got a big boy tie to wear for Easter.

Lastly, as it gets quieter around here, life goes on for the coming summer. Mom is going to take me to Largo Pet Feed this month to get my annual shots. There is a traveling country vet that goes around giving annual shots to all kinds of 4 legged animals, but mostly dogs. He has a web site called 888 apetvet. He will be there May13 and May 27 from 8 to 9:30 am. He is there twice a month. It is out back of the store. People and their pets line up and he gives them their shots. I'm not saying you should stop going to your regular vet when we're sick, but I've been going there almost all my life. I get all my shots, including Heart-worm check for about \$70. Mom also buys my regular heartworm and flea stuff there too. If you want to go with me or need more information come see me or my Mom, Ann Curry.

## A solemn tradition: Memorial Day

Memorial Day began in the 19th century as “Decoration Day,” when citizens were encouraged to decorate the graves of soldiers who’d died in the Civil War. After World War I, Decoration Day expanded to include ceremonies honoring the dead in all of America’s wars.

Decoration Day officially became Memorial Day in 1967. In 1968 the Uniform Holidays Act established it as one of three holidays (including Veteran’s Day and George Washington’s birthday, now called Presidents Day) celebrated on a Monday to create a convenient three-day weekend. Memorial Day is now observed on the last Monday in May.

Wearing poppies is a popular Memorial Day tradition. The custom is generally credited to Moina Michael, a former teacher at the University of Georgia, who was working for the YMCA Overseas War Secretaries at the end of World War I.

She was inspired by reading the poem “In Flanders Fields,” by Canadian poet and doctor John McCrae. The poem’s opening lines read:

In Flanders Fields, the poppies blow  
Between the crosses, row on row . . .

During the Overseas War Secretaries’ annual conference held in New York City in 1918, shortly before the signing of the armistice that ended the war, grateful delegates gave Michael \$10 in recognition of her help with the conference. She spent the money on 25 red silk poppies to hand out to participants (or she may have used the money on materials to make the poppies herself).

The poppy became a national symbol of remembrance, and two years later the American Legion adopted it at its own conference. Poppies have symbolized the day ever since.
