## On the Cover

**T**his month's cover: Ruthie and Ed Kaser pose for photo at the park "pool party" sponsored by management this August

## From the Editors

By Harold & Donna Wurtz (#938, 459-0394 - bigchees99@aol.com)

**A**s the photo above shows, it has been a wild ride this past month, but as always the residents here at Lincolnshire have pulled together and shown the rest of the world how to pull together as a community. While we were lucky enough to not be slammed with the worst of the storm, there were still many in the park just like above, who as of this writing are in need of help putting things back together. Homes were damaged, and the security of everyday life was upset for many. However, a look at the areas around us here in Florida, and the extensive recent damage in Texas, tells us that what we experienced here in Lincolnshire was nothing more than a minor inconvenience. Thank you all for pitching in to get life back to normal. It still amazes me how so many people here will come out to help all their neighbors. We have lived here in Lincolnshire for over 10 years, and never

*...continued on page 6*

seen a time when neighbors ignored anyone's difficulties through any life-changing events. We are blessed here with friends who will always back you up. In our past community, we owned our home for 25 years, and knew only 3 neighbors. It has been a great pleasure living here.

All that being said, with the experiences of the last storm, Donna & I have decided that it is really time for us to start thinking about true retirement. There are a lot of new residents who are young and energetic and are willing to help out with activities and other interests in the community. It's time for some of them to take the reins and continue to keep Lincolnshire an active community. If any of our readers have an interest in picking up some of the activities, please let us know. We especially need someone with computer savvy and internet knowledge to take over the editing of this newsletter. If you have the knowledge needed, and the creativity to continue the "voice" as it has continued for 41 years, and are willing to give up about 20 hours per month (less if you can get articles in correct format from folks), we want to hear from you. We are ready to retire from active participation, and relax and enjoy the efforts of others.

Thanks: Harold & Donna

## **From the Desk of the President**

**T**oday is Tuesday September 19th and the cleanup at Lincolnshire is well under way with "neighbors helping neighbors". That has always been the way at Lincolnshire.

Considering the damage caused by Hurricane Irma to the parks around us, Lincolnshire fared reasonably well. I know that any unseen expense when you are on a pension is a hardship but damage could have been a lot worse.

I would like to give a personal thank you to Dick Schneider and Bud Grimm for putting down my front awning and to Gail Grimm's brother was letting us know our house was okay after the storm.

Ellie and I are planning to head south on the 24th this year so we will miss the Halloween Dance which is on Saturday the 21st.

Oktoberfest will be held on Saturday the 14th.

Please attend Coffee Hour and Harold will keep you informed of upcoming events.

Remember SNOWBIRDS bring down your western wear for the Country Dance in January.

Ellie and I wish you all good health and no damage in the stormy weather to come.

## Dial Directory and Database

By Donna Wurtz (#938, 509-1182 - e-mail to: momshse@aol.com)

There have been many changes this year which we still do not have from new residents. Many new residents have not provided information, and many old friends have moved away. Every year there are changes that do not get published because we do not get the information. This year is no exception. We are missing names and numbers of many new residents, and some were not correctly entered. If you do not see your name & phone number listed in the yellow book, or see an error, please notify us. Some may already be in our hands, as many came in AFTER the publication deadline. We cannot publish second hand information. It must be received from the actual resident, so please let them know to contact us with their information.

**New residents reported by the office this past month include the following:**

Sherri Mulholland-#506

Tim and Diane Garcia #720

Please remember to make the changes in your new book.

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for next year’s edition of the directory. Any corrections can also be submitted to Donna at 509-1182.

As information is received from new residents, we will post it for you to update your new directory when publication is complete.

Remember, the Dial directory is only published once each year. By the time this article is in your hands, you should have the latest directory, and the next one will not be published until summer of 2018, so if you are not listed – it will be a while before your listing to be published. If you missed the deadline for the new edition, please be sure to send it in for next year so the deadline is not missed again. We appreciate our friends and neighbors here in the community, and often would like to be able to contact you, especially when block captains need to pass on important information.

The directory is not produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

## Bulletin Board

By *Lincolnshire resident's Club*

---

First we would like to say a big thank you to whoever is replacing the 3x5 cards and “sharpie” for the bulletin board. It always seems the cards are gone long before they are used by people who actually use them to post notices.

The bulletin board is arranged so that people can actually see what is posted. Just a reminder for everyone - there are some rules established for the use of the board. They are outlined below for your convenience

Somehow there are those who missed this part - - Articles for sale are limited to those posted on **3X5 cards only** (see above) and will remain for 30 days only (date stamps will be placed). Some have been there a bit longer,, but will be removed shortly as they are getting old & discolored,, and if the items have not been sold by now, they probably won't be. If you do sell an item that is listed, please remember to remove your ad. Ads **must** contain lot number, or will be removed.

Services available from park residents are permitted in the form of business cards or again on 3X5 cards, and are not subject to the 30 day rule. There is a separate section for these. Cards from businesses outside the park or without lot numbers will be removed.

Homes for rent and wanted to rent also are permitted on 3X5 cards. Again – lot numbers are required.

All advertising **MUST** contain a lot number.

No advertising from outside of Lincolnshire is permitted.

No ads for homes for sale, or from realtors is permitted

“Sunshine” notices are encouraged. Someone thought this area wasn't need I guess, and took down the heading on the board – but we will put up another one.

## Lincolnshire's 5th Annual Oktoberfest

By: *Donna Wurtz (#938, 509-1182)*

---

Yes we are still planning to have our Oktoberfest celebration, and it is almost time. On October 14, we will again transform the clubhouse into a “Festhalle.” Bavarian Blue, Brats, and Bier. It may be little smaller than usual due to the storm, (some decorations & specialty foods may not be available) but we will do our best to make it the biggest one yet.

If you haven't been to one of the past Oktoberfest meals, you really missed a lot of fun. Eric Zawallich will be back again to provide the music. Polkas will be the norm, so dust off those shoes and be ready to dance. Watch the bulletin board, and listen at coffee hour for the menu and prices. German style food and beer. What could be better?

Tickets still available at coffee hour.

## Health Notes

By: medicare news

---

...Continued from September

### **PROTECTING YOURSELF FROM PNEUMONIA IS EASY**

Did you know that 674,000 Americans go to the emergency room with pneumonia every year? Pneumonia is a lung infection caused by pneumococcal disease, which can also cause blood infections and meningitis. The bacteria that causes pneumococcal disease spreads by direct person-to-person contact. There's a vaccine to help prevent pneumonia, but only 64% of adults 65 and over have ever gotten it.

Medicare can help protect you from pneumococcal infections. The pneumococcal shot is the best way to help prevent these infections. Medicare Part B covers the shot and a second shot one year after you got the first shot.

You may be at a higher risk for these infections if you:

- Are 65 or older
- Have a chronic illness (like asthma, diabetes, or lung, heart, liver, or kidney disease)
- Have a condition that weakens your immune system (like HIV, AIDS, or cancer)
- Live in a nursing home or other long-term care facility
- Have cochlear implants or cerebrospinal fluid (CSF) leaks
- Smoke tobacco

To be continued . . . . .

## Labor Day BBQ

By: Donna Wurtz

---

The Labor Day BBQ was another good time here in Lincolnshire.

About 100 residents enjoyed "Chef David's" BBQ grilled chicken cooked outside on the resident's club grill. Residents brought salad items and desserts of all kinds. Everything was absolutely delicious. We did have some chicken left that was placed in the freezer for future use, but thanks to Hurricane Irma, we were unable to keep it frozen for the next function. We were able to save it and distribute packages of the cut up chicken which was still in a safe "tempered" state, and hand out the packages to residents who had power. We hope that some of those packages were helpful and were shared with those

who were unable to cook for themselves. Time & communication problems prevented us from actually having a general cookout at the pool, but we learned from this experience, and if we ever encounter the same type of experience, we will be sure to have a program in place to help everyone by cooking any stored items & have a free BBQ around the pool.

## Lincolnshire Travel Club

By "*Abe-Lincoln Shire*" (#938, 459-0394 - *Bigchees99@aol.com*)

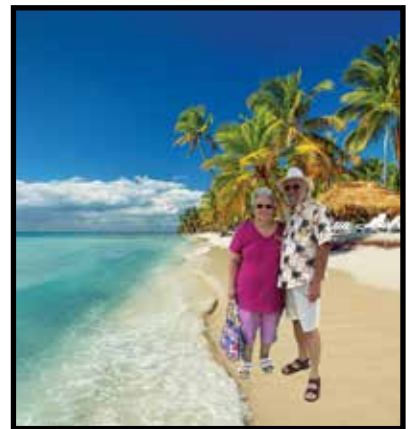

---

**T**he travel season is upon us. October begins the time when we get a rush for reservations for trips we try to plan for all of our residents. There are some good day trips, overnight trips, and of course cruises, that have not yet completely filled up. Consider the “Christmas Lights” cruise in Punta Gorda (almost sold out), Room for only 2 for the shopping trip. Springtime tips to Charleston, and springtime trip to Mobile Festival of Flowers & Cherry Blossom Festival. Watch for details or call for information.

Cruises for this year are sold out, and we are already working on next season. 54 residents are signed up for this year’s cruises. Everyone should have a great time. Some ports may change in the itineraries due to storm damage, but all are planned to leave ports on time.

Speaking of the storm, we will no longer attempt to organize any cruises on Carnival Cruise lines, or their subsidiaries. The treatment received by cruisers during the days of Hurricane Irma, resulting in many people not being reimbursed for their trips when they could not be on board the ships in the port of Miami tells us we are not going to trust them for future cruise dates. Royal Caribbean, and Norwegian lines both took extra care with passengers, and even extended some cruises, paid for changes in airfare, and changes in itineraries, offering future discounts for passengers and helped devastated areas by bringing needed supplies and evacuating people from the islands, while Carnival only told passengers “sorry – too bad for you”

Therefore we will not sponsor cruises thru them, although if you desire to cruise with them, we will still help you find a cruise booking to your liking.

## Lectionary Readings for October 2017

1 – O God, you declare your almighty power chiefly in showing mercy and pity: Grant us the fullness of your grace, that we, running to obtain your promises, may become partakers of your heavenly treasure; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

### Exodus 17:1-7, Psalm 78:1-4, 12-16, Philippians 2:1-13, Matthew 21:23-32

8 - Almighty and everlasting God, you are always more ready to hear than we to pray, and to give more than we either desire or deserve: Pour upon us the abundance of your mercy, forgiving us those things of which our conscience is afraid, and giving us those good things for which we are not worthy to ask, except through the merits and mediation of Jesus Christ our Savior; who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

### Exodus 20:1-4, 7-9, 12-20, Psalm 19, Philippians 3:4b-14, Matthew 21:33-46

15 - Lord, we pray that your grace may always precede and follow us, that we may continually be given to good works; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and forever. Amen.

### Exodus 32:1-14, Psalm 106:1-6, 19-23, Philippians 4:1-9, Matthew 22:1-14

22 - Almighty and everlasting God, in Christ you have revealed your glory among the nations: Preserve the works of your mercy, that your Church throughout the world may persevere with steadfast faith in the confession of your Name; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

### Exodus 33:12-23, Psalm 99, 1 Thessalonians 1:1-10, Matthew 22:15-22

29 - Almighty and everlasting God, increase in us the gifts of faith, hope, and charity; and, that we may obtain what you promise, make us love what you command; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

### Deuteronomy 34:1-12, Psalm 90:1-6, 13-17, 1 Thessalonians 2:1-8, Matthew 22:34-46

As always; all are welcome, come as you are, your Bible an open heart and God will do the rest! Sunday's @ 10a in the Club House.

Rudy writes for me again this month”

## RUDY'S NEWS

As I write this we have just been through one of the most trying weeks that any dog, cat, bird or human could, and it has a name.

### IRMA

I'll try to write this from a human and animal perspective. First, the TV, when all the nail biting was down to the quick, finally showed that it was aimed for the middle of the state, then the west side of the state, then it was coming ashore in the keys and would go in at Marco Island and Naples. When they ordered evacuations, of course we decided to leave the park. But where? An old friend of my Mom's said we could go to her house in Palm Harbor and we did. Left on Saturday afternoon taking everything needed. That included me, Ann, Doug, and the birds, Tweety and Cookie. Mom packed like we might never go home again. When we got to her friend's, it was pretty full. Her friend Bev, has a big dog named Bailey. So there were 5 humans, 2 dogs, 2 cats, and 2 birds. Kinda like Noah's Ark.

Saturday night was OK, just Windy and rainy. Then Sunday it got nasty and Sunday night was the worst. We all huddled in our sleeping places and waited. Things were blowing and crashing outside. The power went out about 1am and a generator was fired up. Believe me, that takes getting used to. It is loud. Hard to sleep.

Next morning, it was still raining some, but things improved rapidly. We stayed until Monday early afternoon and drove a long drive home down Keene rd. All the traffic lights were out. One or 2 intersections had people directing traffic, but it was 4 way stop everywhere and that was a long drive. It seemed like an hour. When we got back to the park, we drove in and there was our little place. No damage!! And the power was on. Praise God and Hallelujah!!! Of course there was damage to homes, trees and big branches went down. Electricity was out for some until the following Sunday, and the good old Spectrum came on after a week. My Mom and Dad put up an antenna, so they had TV. A good investment!!

Now, I'll try to suggest some things for pets. I found this on facebook and it was written by a vet. She gave some human over the counter meds that can be given to help your furry friends.. Of course check with a vet for dosage amount.

1. Benedryl can be used as a sedative, or for allergies.
2. Miralax is good for constipation.
3. Pepcid and Prilosec, acid stomach and vomiting.
4. Lomotil, cough suppressant especially cats.
5. Saline eye & nose drops for cats and dogs
6. Hydrogen peroxide to induce vomiting if your pet has swallowed something dangerous.

## VETERAN'S CORNER

---

1. Glad to be back but feeling a little guilty and sad seeing all the damage in the park and yet blessed because I had none. If I can be of any help to anyone please let me know. Just a reminder that on 11 NOV at 1045 we will have our yearly Veterans Day Luncheon. Once again, we will start in the pool area with the playing of Taps.

2. Congress once again is dragging their feet passing a Defense Budget what this does is delays Purchasing power, messes up troop training readiness, erodes routine maintenance, drives up the purchase of services and weapons. Retired General Mattis told senators he was shocked by the deterioration in "our readiness to fight". He stated no enemy in the field has done more harm the military than Congress their refusal to once again to restore budget stability.

3. The Senate has embraced the Trump plan to cap the January 2018 military pay raise to 2.1 percent vs. a full 2.4 percent raise to match the private sector. The Senate also endorses Trumps plan to remove the "Grandfathering" protection from last year's defense bill that protects current retirees from Higher TRICARE fees. The Senate Bill also endorses the Defense Department's call for higher pharmacy co-pays on Tricare Beneficiaries who use mail order or Tricare retail outlets. Now more than more ever you need to get in touch with our Senators and Congress to voice your opposition.

### 4. Exchanges Soon Opening to Millions of Veterans

Just a reminder that last month, 12,000 veterans began shopping at the military exchanges by way of a "beta test." The beta test allowed veterans to test the new online exchange shopping experience, which will open for millions of honorably discharged veterans on Veterans Day Nov. 11th. All veterans are being encouraged to confirm veteran eligibility status at <https://www.vetverify.org>. It might be a multi-step process if the Defense Manpower Data Center lacks information to verify that a veteran served and received an honorable discharge.

## Did you know that October is also...

**Adopt a Dog Month.** Each year an estimated 3 million to 4 million animals waiting in shelters never find someone to give them a safe, loving home and are euthanized. If you're thinking about getting a dog, be a hero and consider adopting from your local shelter.

**Down Syndrome Awareness Month.** Approximately one in every 700 babies in the United States is born with Down syndrome, making it the most common chromosomal condition. During October you can celebrate people with Down syndrome and make others aware of their abilities and accomplishments.

**National Cyber Security Awareness Month.** The internet touches almost all aspects of our daily life. National Cyber Security Awareness Month is designed to engage and educate public and private sector partners through events and initiatives to raise awareness about the importance of cyber security, provide them with tools and resources needed to stay safe online, and increase the resiliency of the nation in the event of a cyber incident.

**National Protect Your Hearing Month.** Hearing loss is a growing health issue among young adults and older Americans alike. Forty-eight million people nationwide suffer from hearing loss. National Protect Your Hearing Month is an important reminder to take steps to preserve your hearing health.

**Mental Illness Awareness Week, Oct. 1-7.** During Mental Illness Awareness Week, join the National Alliance on Mental Illness in shining a light on mental illness and replacing stigma with hope.

**World Space Week, Oct. 4-10.** More than 2,700 events in 86 countries celebrated the benefits of space and excitement about space exploration in 2016. This year's theme, "Exploring New Worlds In Space," aims to inspire even more events around the world.

**National Business Women's Week, Oct. 15-21.** The purpose of this observance is "to recognize women who have been the cornerstone of working in business in the United States in the past and to examine how far women in business have come."

**International Music Day, Oct. 1.** Initiated in 1975 to encourage the promotion of musical art among all sections of society.

**World Teacher's Day, Oct. 5.** Celebrate the hardworking teachers who educate our children.

**Columbus Day, Oct 9.** In 1492, Columbus sailed the ocean blue . . .

## Three activities to ward off Alzheimer's

---

**A**lzheimer's disease may not have a cure, but experts believe some practices can help delay memory loss. Here's what you can do:

- **Cognitive training.** Crossword puzzles and other games can help, but try some different techniques. Do simple arithmetic in your head instead of relying on a calculator. Develop a new method for remembering what's on your shopping list. Train your brain to remember things in new ways and you'll keep it sharper.
- **Control your blood pressure.** Reducing high blood pressure with medication and weight loss not only cuts your risk of heart disease, but it can also ease stress on the delicate blood vessels in your brain— stress that can exacerbate memory loss and dementia.
- **Exercise.** Moderate aerobic exercise has many health benefits, including heading off symptoms associated with Alzheimer's. Try exercising for 30 minutes five days a week, or 50 minutes three times a week. You'll feel better and extend your cognitive health.

## Scientists search for life on the toughest planets

---

**W**e think of life as viable only on planets orbiting stars like our sun, but scientists now speculate that it could evolve on worlds circling very different types of stars.

Stars called M dwarfs are the most common stars in our galaxy. Their harsh flares and gravitational grip on their innermost planets could interfere with the formation of liquid water, which is necessary for life. However, astronomers have spotted approximately 200 planets circling M dwarfs, and dozens are in the so-called habitable zone where liquid water could exist and temperatures aren't too extreme for the development of life.

Scientists are studying these strange new worlds in hopes of detecting conditions that might lead to life—although it will probably be very different from any life found on Earth.

## Lost and found: Seeking owner of ancient sword

---

**S**cientists are trying to determine the identity of the owner of a 14th-century sword found in a bog in Poland. The four-foot-long sword, which according to the Fox News website is remarkably well preserved, was discovered by a worker using an excavator to drain a peat bog. The worker donated his find to a local museum.

Museum officials speculate that the sword was lost by a medieval knight, or that perhaps the knight perished in the bog. Researchers are examining an engraving on the sword's hilt that may identify the knight or his family. Meanwhile, archeologists are searching the bog for other artifacts.
