FROM THE EDITOR

BY ANN CURRY (LOT 1015.....727-420-6518.....ACURIA10@GMAIL.COM)

This month, I was hoping and wishing we could be further along in this world with the virus and its restrictions. Although, life goes on and sports, jobs, restaurants and bars are taking baby steps, we still have to be careful to keep the virus from flaring up. There is obviously, a difference of opinion as to how good a job we are doing. Here in Lincolnshire, we have survived since March and only had one confirmed illness. But we have to take baby steps too. Do we stop wearing masks, social distancing and hand washing? No of course not. But to do nothing is not healthy to our psyche's. Indeed, isolation is dangerous and may drive some to stop living. This has been evidenced by the number of Seniors passing on in Nursing Homes. There have been huge increases in suicides, physical and mental abuse drinking and drug overdoses because of people being separated from each other nationwide. We were not made to live alone. We are social animals, needing interaction with one another. The park had a successful lunch on 9/11 with good social distancing.

So as Harold says in his editorial this month, I hope that each committee and social event head can think of ways that we can restart some of our activities. Maybe have 2 shifts for coffee on Wednesdays, bring your own donut and we supply the coffee thru the pass thru. I know so many people enjoy the fun and exercise of water aerobics outdoors that we are doing 2 sessions at 9 and 10am, 4 days a week. There is line dancing in the club house on Wednesdays. Social distancing is observed.

I think Bingo could be done too with some modifications. I know people that already play cards and other games in their homes among friends. Maybe we could start a cornhole league. Or shuffleboard, billiards. Where there's a will, there's a safe way. It could be played outside in someone's long carport. That's been done here this summer too.

Lastly, and do to the pandemic and Canadian as well as US restrictions on travel, we may not see some of our Canadian friends for a while. There are some openings or will be in the Committees and Social Events listed in the back of the Voice. If you would like to become involved in park activities, please let us know. Also, A Co Editor for the Voice is needed. Although I enjoy doing this, it is a lot of work for one person each month.

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

As we continue as a community, as a nation, and as a world to fight against the unseen enemy – Covid19 – we have seen many changes come about. Change will continue in our lives as it has for most of us who have reach an age that even qualifies us to live within this community. Yes – the community: The definition of community is all the people living in an area or a group of people who share common interest -“An example of community is an area that determines local laws and guidelines for business, and other functions.” That describes Lincolnshire Estates. All of us living together in an area where guidelines and rules for our living within the area leased to us by the owner of the property. We are not living in a vacation resort, - it is a community and we all live here together

We have seen so many changes in our community over the years. I venture to say that the only thing constant in life is change. We have seen homes being sold, and new residents coming in, new events replacing old standards, newly renovated clubhouse, Homes being removed and new ones being brought in and so much more. Covid19 is just another change, and together we can rise-up and conquer the threat.

Recently we have seen a willful disregard of public health guidelines within the park, and residents openly defying rules and regulations. As of this writing, over 6.5 million cases of this dangerous virus have been reported in the U.S. Far more than our Canadian owners have reported. Talking to some just recently, one reason is they have NOT opened clubhouses, and many have much more restrictive rules with fines. Here in Lincolnshire I hear people say: “I’m fine – we are not sick and my friends are not sick,” so they don’t think they need to follow the public health guidelines. How do they know? Are they aware of everyplace they have visited in the last few days? Symptoms may not be present for a while after exposure, but it can still be transmitted to others in the meantime.

We want to start things back up. But we will only do it if people agree that part of the changes will include following rules and regulations delivered by management. Some of our new residents were not here years ago, when one of our past presidents was not able to work with management in a constructive way, and it took a few years to repair the damage done. Beginning with Brian Sliter as president, we have been able to work closely with management to get more things done, and have been able to get permission to do more and provide more entertainment and programs since that time. When we have residents who think that the world revolves around them, and that they have a “right” to do what they want, we go back to the time when management will not help us in any way. There are times when we do know that change is necessary but we feel or think that it should come from someone else.

Of course the board members always get blamed for this. When we start up our events again,

they will be only if the committee chairperson is willing to take the responsibility to enforce all the rules that may be in place at that time, and feel safe in holding their events. Watch the bulletin board for event information, as we are not ready to post dates in the calendar at this time. We do not want to cheapen events that have been held annually in the past. Oktoberfest – cannot be held the way it has been, Luau, Dinners, dances, all need new ideas to be able to be successful. Don't be the ones who complain about what we can't do – Look to what we CAN do to make our community better and keep everyone healthy. Act as if what YOU do makes a difference. Remember things come to those who wait – good things come to those who wait patiently. It is not the strongest and loudest or the most intelligent who will survive, but those who can best manage change.

See you all when we get back to normal – stay safe!

Harold

TO ALL BLOCK CAPTAINS

Thanks to all for delivering the Voice each month. We couldn't continue without your help. Please let Betsy know the number of copies you will need each month by the 17th.

With COVID and people moving in and out, it's truly difficult to not short or over shoot the total issues needed each month. Monthly Media, which produces our Voice will produce only what is needed. The summer and winter totals usually varies by over 120 copies, but this year we have often been shorted, probably because some residents have stayed longer or didn't go back north and also new full time residents replacing snow birds.

Again, thanks for your help with this.

Thanks to everyone who gave us phone numbers and information for this year's edition of the "YELLOW BOOK." The new book for next year is already in the works with the many new residents and changes that we have received. Of course it will not be published for some time. Please contact your block captain for your copy if you have not received it. If you are new to the park, the office should be giving you a copy when you sign for your park rules.

Remember, the Dial directory is only published **once** each year. The directory is **not**

ENTERTAINMENT COMMITTEE

BY LINDA CASEY (LOT 1211.....727-581-5257)

This is an update regarding functions of the Entertainment Committee. We promote and run our dances and social events which include 7 dances and the Christmas Social and decoration contests. We have decided to cancel all dances until March or until further notice. Because of the CDC rules, it would be hard to hold a dance and follow all the rules, especially concerning social distancing and hall capacity. We will still have our Holiday Cart parade. We will not have a Home decorating contest but I am hoping all will decorate so we can have a little joy in our lives. This has been a hard year and I am hoping we will get back to normal after the New Year. Let's hope all our snow birds can come back soon.

Thank you

YOU NEED TO KNOW!

YOU WANT TO KNOW? Responsibilities of a home owner.

LHOA has begun Board of Director meetings in September. Board meetings are centered on business though members are always welcome. Non-members can also join LHOA after the meeting. Members may and encouraged to speak to an agenda item or after the agenda has cleared. LHOA will have two Member meetings, January and February (annual) in 2021. Dates will be in the Voice for Board and Member meetings whenever possible and posted on the bulletin board in the laundry/post room as required by law. Attendees must adhere to the park's guidelines on mask use and distancing.

The 2021 LHOA membership enrollment will start on October 1st. The yearly assessment for membership is \$15. Small premium for established mandates your LHOA has and takes very seriously. Payment can be made to Dennis Hornsby, Membership Chairman, at Lot 112 or Allyn Webert at Lot 1438. Checks can be made out to LHOA. Cash is ok as a receipt will be given. New members will receive a membership card and current LHOA bylaws.

LHOA has an attorney, often called our legal representative or legal agent. This addition of legal expertise is a hallmark of LHOA. Many Florida 55+ rental mobile home parks do not have an attorney, incorporated as LHOA or include maintaining their services in the annual

budget (if they even have one.)

When you attend the annual meeting you can see his services are a major expenditure compared to tax preparation, maintaining our corporate certification and administrative supplies. They are expensive so you might as well have the best. LHOA does.

The LHOA utilizes our attorney for legal assistance of our mandated activities. The attorney assists when we prepare for, when needed, and attend our yearly meeting with the park owner's representatives on rental increases, property tax pass-on charges or major issues with the owner. Also, ensuring our amendments to the LHOA by-laws meet stringent State guidelines is imperative for a corporation. LHOA is a non-profit corporation and does not own or operate the park. The park owner usually has his attorney present during any negotiations when they occur.

Secondly, the LHOA, its members and even nonmember homeowners, as a group, can be subject to complaints, or a lawsuit from a citizen or the city, county and federal government, either in conjunction with the park owner or solo. Having an ongoing relationship with our attorney means the LHOA seldom comes into a legal need cold and not aware. The HOA gets a quick response each and every time. Invaluable! As needed in the fall of 2019 with 2 federal complaints that stated LHOA owned and operated the park. Both defeated though expensive.

We live in a society that thinks nothing of seeking legal or government counsel without understanding or conducting the research needed to fully understand the legal issue at hand or the potential ramifications of poor decisions. The LHOA must always be prepared to respond to each and every occasion.

Allyn Webert, LHOA Secretary/Treasurer

Join and maintain your yearly support of Lincolnshire Homeowners Association. Owning a home does not mean HOA membership! LHOA has been in existence for 26 years! Board meetings are generally monthly and Member meetings are monthly from December to March. Members are strongly encouraged to attend. FROM THE LHOA BOARD OF DIRECTORS.

THE LIBRARY

By Cynthia Varga (Lot 163.....icvar@aol.com)

PLEASE USE THE BOOK CABINET BETWEEN THE SHELVES TO RETURN BOOKS AND PUZZLES. Do not put anything else in that cabinet. You can bring videos, puzzles and books to my coach if you have something to donate. Don't put the return books in the shelves. I have a marking system to keep it in order. I rotate and check the books for wear, so you putting them back on the shelf truly messes it up. If you want a neat and organized library, PLEASE GO ALONG WITH ME ON THIS. I really need some additional book ends to keep the books neat. If you have any small ones it would be very appreciated.

Yes, we also have jig saw puzzles and videos. Several puzzles were donated to us and we just got in some more puzzles, 300s. The puzzles are under the book shelves. Look in the draws in the BUREAUS around the room for videos. The puzzles are in the cabinets under the books. This is all done on the honor system, so keep them in as good a condition as possible and return in the same or better condition than you got it.

Do not donate magazines. If you want to share, leave them in the laundry room.

Thanks for your interest and help.

A Nurse's Self Care Toolbox #28

Allyn Webert, RN. (Lot 1438, allynwebert@gmail.com)

This month's dose is everyone's favorite subject. Immunizations! Yup the season is upon us. We can expect to be notified and strongly encouraged to get our flu shot by November. We shouldn't forget that each pharmacy, primary care clinic and local health services will vie to provide each of us with whatever immunization we need. Getting our flu shot is critical in view of the Covid virus spread.

Almost all of us whether from other countries have since being a young child received all the various immunizations along the way. Anyone who served in the military probably has a shot record as long as mine. We received all of these shots because they were required not voluntary as some are now. My point here is that as baby boomers we have a habit of getting immunized. So don't stop now just because they "aren't required."

And did you know that when we get vaccinated, we also help protect our families and close friends here at Lincolnshire. Because of community immunity, vaccines help keep diseases from spreading to our friends, family and grandchildren. How often have we asked where is so and so today and told "they got whatever is going around and are really sick." Well what is going around may be the flu and preventable. The Covid virus further complicates this year.

I've gotten all my childhood vaccines. Why do I need more? As older adults we need vaccines for several reasons. Some vaccines are recommended only for adults, who are more at risk for certain diseases like shingles and pneumonia. Protection from childhood vaccines wears off over time so you need additional doses of certain vaccines to stay protected. You may not have gotten some of the newer vaccines that are now available. Some viruses, like the virus that causes the flu, can change over time. You may be at increased risk for diseases based on were

we have traveled, lived part of the year, or our own health conditions.

How do I know which vaccinations I've had and which ones I need? Do the best you can and at the very least ensure your current doctor has as much of a record as possible especially the last 10-15 years. If you can't find your record, ask your doctor if you should get some vaccinations again (I'm sure you wanted to read that!)

We should get flu vaccine every year. Covered by Medicare, VA, Medicare Part D plans, employer health plans, local no-cost health services and National Health Services. *There are 2 types of the yearly flu vaccine, one is regular and the other is a Higher Efficacy Dose for those over 65. The most often question I am asked about the flu shot is "when should I get it, wait for the vaccine to be better?" All the other vaccinations don't seem to have this issue. It's best to get vaccinated before flu season begins spreading in our and your home community. It takes about two weeks after vaccination for antibodies (the elements of our immune system that tackle the infections) to develop and protect against flu. CDC recommends that people get a flu vaccine by the end of October. Tally Ho!

Be brave and roll up your sleeve. Immunizations are given with the smallest needle known to mankind and sharp. Unlike my razor. Last item before I release you back to other articles. Please don't wear a tight long sleeve garment when you are getting shots. That's why nurses always carry scissors. Hmmm.

The Wonders of Water

Want to get a good workout and stay cool? Just find the nearest pool that offers water aerobics, also known as aqua aerobics, and you can have fun mixing it up like a traditional gym workout with the wonders of water. Remember in public pools it is important to distance yourself from others. From my experience, it's hard not to social distance as you could kick or wack someone when you're exercising!

Water Facts

The buoyancy of water reduces the weight of a person by about 90% at chest level and 50% at waist level, which reduces the stress on joints and muscles. Water takes the impact out of your workout. But you can cover all components of fitness: cardio, muscular, endurance and flexibility. You will have a greater range of motion in the water which increases your flexibility. Water offers support so there is less need to worry about slipping or falling.

Water exercise is great for those recovering from knee and hip surgery and injuries or arthritis.

Water walking forward and backward in waist high water helps improve balance. Avoid walking on toes. Keep back straight. Contracting abdominals will help you avoid leaning forward or falling to the side.

Lastly, the ladies at Lincolnshire and some men, learned about this and started meetings 4 days a week **years** ago. We have accumulated some audio workouts which give group instruction with background music. Since covid has happened we've had so many people this summer wanting to participate that we started meeting at 9 & 10 am. The session usually lasts from 20-40 minutes depending on the tape we use that day. Then there are others that come up earlier and just walk or swim. Remember the pool is open from dawn to dusk 7 days a week so there is lots of time to do whatever kind of pool activity you want. See you at the pool!

LINCOLNSHIRE PET KREWE

Ann Curry & Sadie {Lot 1015....727-420-6518....acuria10@gmail.com}

Greetings everyone. Well, it was a rainy September. Mom made me wear a raincoat when it rained too hard. Not my choice, but she didn't want me to get wet and catch cold.

Also, I wanted to let you know that we lost a member of the Lincolnshire Pet Krewe last month. My friend Sammie from 12th street walked across the rainbow bridge to meet with his other canine buddies. Marilyn is missing him.

Well, summer is trying to slow down, but it's been a long one with everything being closed for a while or restricted. So the allure of having a pet around to take care of has exploded around the country. There are waiting lines to get dogs and cats from rescue shelters. Unfortunately, some of these pet adoptions don't always work out. A pet has needs and must be cared for, therefore responsibilities. After the newness wears off some of these happy pets have run into issues for lack of care. A pet must be fed properly, walked and exercised. They also need training. Like kids, they don't come with manners, they have to be trained. Also, you have to groom and bathe them regularly, take them to the vet for shots, etc. Some have problems with food, develop allergies and as they grow older, need more care. A famous dog trainer on TV says, a pet needs 3 things from its owner, food, love and discipline. If someone can't provide these things for their family member then a pet might not be the answer. It 's a big commitment. More on this next time.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

Sunshine and Sympathy

We are still looking for someone to take over for Sunshine and Sympathy. With no weekly coffee, people don't always hear about things until long after they occur. We are a small community who have always tried to be friendly and concerned. So I hope someone can step up, maybe 2 to make it easier and more comprehensive. Please let Harold or myself know if you're interested.

Meanwhile I'll let you know of happenings on the sympathy side. Mike Renner lot 752, passed on September 2. Mike and his wife Elaine Kenny Renner have been active in the park at Coffee, Pot Luck dances and many other activities. Recently, he had health issues that mounted up and became too much to survive. Mike was 75 and had been a Marine who served in Viet Nam from 65 -67.

Ginny Peterson lot 768, recently, had hip surgery to repair a torn tendon. She is recovering at her home.

JJ Heischmidt lot 560, who is a snowbird and spends her summers in Illinois, is recovering from viral meningitis.

Please pass on any good or sad news on to myself or Harold and Donna until we find a new committee person.

VETERAN'S CORNER

By Robert Behm, LTC retired Army (Lot 775.....401-207=9317)

I hope this message finds you and your Family's well and Healthy and Safe!

If you have a damaged or old US Flag. Please do not throw it in the garbage. Bring it to my home at 775 and if I am not home put it in a bag and leave it on my golf cart. I will see it is properly disposed of! Thankyou!

The military is ditching flimsy laminated paper-based ID cards for military retirees and dependents for an all-new card system: The Next Generation Uniform Services Identification Card.

According to a Defense Department announcement published Monday, the cards, which represent the first ID update for these military communities since 1993, will be more durable and more closely resemble the Common Access Cards, or CACs, used by active-duty troops and DoD civilians.

The new IDs are already in circulation: the military quietly began issuing them to retirees, reservists and dependent military family members July 31 at a few ID card facilities, according

...continued on page 34

to the DoD release.

The new USID cards are enhanced with an updated design and security features to deter counterfeiting and fraud, Michael Sorrento, director of the Defense Manpower Data Center, said in a statement. To date, only about 20 Real-Time Automated Personnel Identification Card System (RAPIDS) sites now offer the new cards; other sites await equipment upgrades in order to make them. All DoD USID card facilities are set to offer the IDs by December 2020, according to the release. The complete transition to new USID cards is targeted for January 2026.

This transition doesn't affect current card expiration dates and doesn't change the populations who are eligible to get the current USID cards.

In addition to dependents of active-duty troops and reservists and retirees and their dependents, those eligible for these DoD-recognized IDs include Medal of Honor recipients and their dependents and 100% disabled veterans and their dependents, among others. The cards facilitate access to military bases and to other exclusive facilities, such as commissaries and exchanges.

The COVID-19 pandemic has complicated the rollout of the new cards.

Sorrento advised that it would be better to wait to get the new card until next summer unless the holder's current one is expired. Applicants should call ahead for appointments to get the new USID cards.

In April, Pentagon officials announced that dependent and retiree cards set to expire in 2020 would be automatically extended through September in light of the pandemic, and changed policy to allow some ID updates and new enrollments to be done by mail. DoD is further developing the ID card process, Sorrento said in the release, and eyeing changes such as a mail-in ID process with online vetting, eliminating the requirement to apply in person at a RAPIDS site. Bob Behm, LTC (RET) Army

Ballot Drop off locations

You may go to any early voting location, plus there are stations at most libraries You must have picture and signature ID. Check the voter website for more locations. **Use ballot drop box inside. DO NOT put your ballot in any box outside. An election employee will be there to assist you and give you an” I voted” sticker.** I would suggest you to only use the supervisor of elections center which are starred above. The only places to drop off mail ballots on Election Day are the same 3 *starred .

WELCOME TO LINCOLNSHIRE

By Vicki Marentette (Lot 950...281-2382) Donna Wurtz (Lot 938...459-0394)

Scheduled activities by the Residents Club are still on hold in the Park. So we are putting our meetings on hold for now. **Those of you who are new to the park, please give Donna a call.** She can answer any questions that you have and also provide you with our new homeowner information folders. There is a lot of information in them regarding the park, our groups and functions, and information about the surrounding area.

If anyone knows of new residents, please let Donna know. She is on duty now while I am up north. Also, if you didn't get a copy of the park rules and regulations from your realtor, please ask the office for one.

Please practice social distancing and wear a mask indoors. It is your best protection. Stay safe.
