Residents enjoy summer breakfast club

Summertime at Lincolnshire means that the events are a little more intimate, but they do not stop. Hear some of the residents discuss the morning fare at the “Breakfast club” meeting during August. Another “Breakfast Club” will be meeting in September.

From the Editors

By Harold & Donna Wurtz (#938, 812-2670 bigchees99@aol.com)

It has become an electronic age for sure. We see so many people attached to their phones, hooked up to I-pods, constantly texting, and of course making friends on facebook. I have so many facebook “friends”, I lose track of who is who. Is this one a Lincolnshire friend? Or maybe an old high school friend?

So now I have decided to use the facebook method of friending people in the real world. After all, wouldn't it be great to have that many face to face real friends?

Here's how it works. Every day I walk down the street and tell passers-by what I have eaten, how I feel at the moment, and even more important, what I will do later in the day and with whom. I give them pictures of my family, my dog, and of me gardening, taking tools out of the shed, or watering the lawn. Also “selfies” in front of landmarks, driving around town, having lunch and doing what anybody and everybody does every day.

I also listen to their conversations, and give them the “thumbs up” and tell them I “like” what they say or do, and of course that I like them too.

You all should try it. It works just like on facebook. I have lots of new “Followers.” They even include 2 policemen, a private investigator, 1 FBI agent, and a psychiatrist. I wonder who will be next.

From the Desk of the President

By Brian Sliter (#574, 812-7903)

Well here we are in September already! Summer is flying by! Ellie and I hope you are enjoying yours and that everyone is in good shape health wise. From all reports, August events at Lincolnshire were a great success with 65 people enjoying the “breakfast club” and 33 people attending the “pot luck supper”. It’s great to hear that the year round residents are getting together to participate in and enjoy the facilities and events planned. An event that is coming up quickly is the Labor Day picnic BBQ. Harold is looking forward to using the new gas grill again. The breakfast club is planning to have another breakfast and Harold will keep residents updated on dates etc. at coffee hour. There is also a karaoke planned for September.

Enjoy the rest of your summer. Keep safe and healthy!

P.S. I hear that the pool is well used in the afternoons and that “happy hour” carport parties are in style.

Dial Directory and Database

By Donna Wurtz(#938, 812-2670)

The Lincolnshire Dial Directory is printed by “Dial Directories Inc.” and is distributed for Lincolnshire residents only. It is never to be given to anyone except residents. Advertisers do get a copy for proof of their advertising, but are not allowed to solicit. If you ever receive unwanted calls, they are from another source. If you ever receive a solicitation call from one of our advertisers, please contact me immediately.

All current residents should continue to notify me of any changes to your name, address, or telephone number.

All new residents should contact me to receive your copy of the directory and to make sure I have your name address and telephone number.

If you would like to be included in e-mails sent by the resident’s club, please send me an email or call with the information.

The newest edition is ready to be distributed to residents as they come home to Lincolnshire. We will have them at coffee hour, and they will be available to you when you come back to the community in the fall. Call or stop by. One book per coach please.

If you are new to the Park and do not see your name or number listed, then we did not have your information at the time of publication, or do not have it at all. This also means we do not have

your birthday or anniversary information for publication in the voice either. If you have not seen your birthday or anniversary listed, or see a listing with an error in the Voice, please contact me with your information. If we have not received your information in time for publication, please still remember to send us a note, or e-mail for new additions or corrections so we can at least add them to notations in the monthly Voice. A lot of time & effort is involved in trying to update the book each year. We do not always have all the updated information. Mistakes may be made. Please help us out by letting us know of any mistakes, or omissions. Remember however that we must have first-hand information for publication if we do not hear from you directly for verification we will not make a change.

Remember, the Dial directory is only published once each year. If you have changed your number, or are new to the park and have not been contacted to be listed properly, please call Donna to give them an update. The directory is not produced by the office. It is a resident's club function, so don't expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

Sunshine & Sympathy:

By: Babs Mills, - your "sunshine lady" (#262, 517-3413)

We are sad to report that Andy Bellissimo of lot # 1036 passed away on July 14th while in the hospital.

Also we learned that Judy Smith, wife of Richard Smith of lot 1034 has passed away after a long illness.

Our prayers are sent to the families of both of these Lincolnshire residents.

Northern Mockingbird - Florida State Bird

By: Bev Helbing (947, 754-2245)

Not only a Florida favorite, but its range stretches from the Florida Keys to the South to as far North as Canada. Florida designated the mockingbird as the official state bird in 1927.

I reflect on my first week living here, early morning sunset, sitting on my lanai with a good cup of coffee and listening to their singing!

Did you know about their mimicking ability from their sounds from the environment such as mammals (including our pet dog) or frogs. Even electronic sounds, like car alarms and cell phones. They are learned and memorized by the mocking bird repeated 35-63 (mimic) eventually grows to as many as 200 at "old age" (up to 8 years). The next time you hear a mocking

bird sing, stop and see if you can pick out phrases.

A quote from the book 'To Kill A Mockingbird'; Shoot all the blue-jays you want, if you can hit 'em, but remember it's a sin to kill a mocking bird. Mockingbirds don't do one thing but make music for us to enjoy. They don't eat up people's gardens, don't nest in corncribs. They don't do one thing but sing their hearts out for us!

LISTEN! LISTEN! to the mockingbird, Sing his sweet song, Listen to the mockingbird and know that life is good!!!

Labor Day Picnic

By: Harold Wurtz (938, 812-2670)

We are going to use that new BBQ again for the Labor Day picnic. As of this writing, the price has not yet been determined, as we are still pricing supplies, but it will be well within everyone's budget, and tickets will still be on sale when this edition is in everyone's hands. We will be serving BBQ chicken this time. We had a show of hands for preferences. Yes – old fashioned BBQ Chicken, marinated and grilled outdoors, served with potato salad and macaroni salad and col-slaw. Hope you will all be able to join us on Labor Day at noon to enjoy the cookout.

Movie Night

By: David Steinberg (562, 240-9964)

July 14th our movie goers enjoyed watching "Paul Blatt Mall Cop Two". Kevin James did an outstanding job catching the art thief in Las Vegas while attending a security convention. Ten residents enjoyed the show.

On July 21 the group watched "A Merry Friggin Christmas" Boyd Mitchler and his family must spend Christmas with his estranged family of misfits. Upon realizing that he left all his son's gifts at home, he hits the road with his dad in an attempt to make the 8-hour round trip before sunrise. Joel McHale, Lauren Graham, Clark Duke.

Next up on July 28 our movie goers enjoyed "The Duff" A high school senior instigates a social pecking order revolution after finding out that she has been labeled the DUFF - Designated Ugly Fat Friend - by her prettier, more popular counterparts. Mae Whitman, Bella Thorne, Robbie Amell.

On August 11 the movie started out as "Knocked up", but there was too much profanity, so it was changed to "The Girl With the Dragon Tattoo." Journalist Mikael Blomkvist is aided in his search for a woman who has been missing for forty years by Lisbeth Salander, a young computer hacker. Daniel Craig, Rooney Mara, Christopher Plumm.

Hope you will come out & join us next month.

A SURVIVING EXPERIENCE WITH LIGHTNING

By: Donald Kreis (#923, 286-6307)

Part I
Residing in a Mobile Home Coach located at Lot 923 in the Lincolnshire Estates Mobile Home Park, under a BIG nemesis Oak tree, which is one of mother-nature's faults that attracts the electrical phenomenon called LIGHTNING. You have heard, when on the golf course, and a storm comes up never seek shelter under a tree. Well in my case, and all others whom reside in a Mobile Coach, do and will have weather perils in storms with electrical disturbances. Under trees, and in Mobile Homes, there is no avoidance to make oneself in a field called SAFE!

On November 18, 2014 at 3:45PM EDST, while sitting in my recliner reading, outside it was heavy rain and occasional thunder with lightning flashes. When all of a sudden I found myself lying face down on the floor, a monstrous loud boom/bang/shudder of compression force within my coach, knocked my wall pictures of my NASA display crashing to the floor, along with my school house clock crashing onto my dinning cupboard top hitting a chair and fell broken on the dinning floor area. What happened? Stunned somewhat, I quickly regained my composure and went to the rear of the mobile coach searching for smoke, fire or whatever, as I knew what had taken place. Could find no visual changes. Went outside my front porch doorway and encountered two neighbors Bob and Dave, whom reside in coaches across the way. Both inquired if I was alright, I said I am not sure, I am, somewhat without words and feel funny. Bob and Dave both said they witnessed some flame or fire from something on the street in front of our coaches. Determination was by all, that lightning had struck something, somewhere, no evidence in my coach of fire or physical damage. Nothing was viewed or found outside the coach area even at the Park Electrical Pedestal. Make sure you inspect the roof, I did not and should have, with the nature of the damage would have been found SOONER AND NOT LATER!!

Returned to my coach, inside I found the wall crystal from the wall thermostat laying on the carpet in the hall way. All power was off inside the coach. Investigated the electrical wall panel and most all the circuit breakers were tripped. Except the main breakers were still set in the

on position. Upon further review and inspection, I noticed the TV Control clock light was out, my computer light also was out. Well, further investigation indicated my desk top computer along with my DVD-VHS recorder would not work. Even though they were plugged into and supposedly protected by a surge electrical power strip.

After arrangement made with cable service for inspection of electronics equipment, it was determined that both my desk top computer and the DVD-VHS recorder were victims and destroyed by the high power surges created by mother nature's wrath.

The Park Resident Manager and his personnel established replacement of the power from their park pedestal to my coach, and operations seemed restored as being OK. From that day on from and through the ensuing six months, I experience various instances of power outages, which became somewhat a nuisance. I even had the Duke Energy people out for review investigations, nothing to them was out of order each time. The months of DEC/JAN/FEB/MAR/APR/AND INTO MAY 2015 had elapsed.

To be continued.....

Voice Articles Needed

(From: your editors)

Are you a new owner here at Lincolnshire? Tell us about yourself. Where are you from, what did you do in the past? Do you have an interest of hobby someone might be interested in, of some knowledge you could pass along? We need input to continue to keep the "voice" interesting.

We are also looking for article about places you have visited. Let us know what you have been doing. Group dinners, library news, community volunteer news, fitness news, family travel, news from the Homeowners, - -- all are good articles to be included in the voice, so others in the community are aware of what may be happening with our neighbors.

Use your imagination, people are interested in what goes on, and often the only thing we here about are rumors about negative things. Be positive! Write an article and submit it!!

2015 -2016 Calendar

Just a reminder to all committee chairpersons: The calendar of events and activities for this next season is not yet complete. We have received very few reserved dates for the calendar, and the published monthly calendar printed in the voice will soon be blank. If you expect your event or activity to be listed on the calendar, or have a day that you thought is “always been” – this is not the case. If we get a request for a day of the week, or a time, or a specific date for any event, if that date of time is not already reserved, it will be given to the first group to request it. Don’t wait. Even if you have “Always met at that time” it may not continue to happen if you do not reserve it on the calendar.

Caught Ya Doing Somethin’ Nice

By: anonymous

We hope this will become a regular monthly feature in the voice. But to do that we need help from residents in the community. It won’t take much, just a quick notice and you can send us a note or give us a call with what you see & we will get it into the article. If you see anyone doing something nice for someone, or helping out in any way that affects others, just let us know.

This months “Good neighbor” is Roger Artish. He probably thinks nothing of it, but for those who know, his little daily helpful action means a lot. You see when Roger rides around the community in the early morning hours he takes the time to pick up neighbors newspapers as he travels, and places them in a dry high spot under the carport or similar place. Just a simple little thing, but it means a lot to others. Thanks Roger

Shiraoke

By "Harmony Hal & My Gal"

July "Shiraoke" was great fun. We had some very good guest singers, and every month our own Lincolnshire folks just get better & better. Great performances by Fred Dexter and Dave Pongratz among others. (and, you can watch on our facebook page)

August karaoke has not yet taken place as of this writing, but I want to remind everyone that the September date will be Saturday September 19, and the starting time is 7 PM.

Lincolnshire Gourmet Breakfast Club

By Harold Wurtz

Our first try at our “Gourmet Breakfast Club was a great success. 65 residents were served either omelettes or French-Toast cooked to order in the clubhouse kitchen. Everything ran smoothly, and nobody waited to be served. Thanks to all the people who helped us make this a success. We will be back again on September 26 to do it again. Tickets on sale at coffee hour.

Lincolnshire Travel Club

By Abe Lincoln Shire (#938, 812-2670 Bigchees99@aol.com)

The two day trips to the dinner theater in Hudson are selling very well. We have enough people for the bus to be picking us up here at Lincolnshire for sure. If you are interested in joining us, make your reservation now to insure your spot. When tickets are sold we can't help you. The Show Palace has a new owner who has Broadway experience. It's hard to think with the level of great performances that we have seen, that they will be even better still. First trip is Thursday January 28th to see “West Side Story”, and the second is not until April 17th for “Grease”. Sorry this one is so late in the season, but it is actually the opening day for that production, and therefore we couldn't get an earlier date. Don't miss these shows. Everything is included, transportation, dinner, show and gratuities for only \$78 pp. Don't wait – they will sell out.

We are going to Oktoberfest in Helen Georgia. Watch for our report on the trip and photos on our facebook page.

Back by popular demand, we are once again BILOXI BOUND. November 16 – 19. By motor coach we head out to the IP Casino Resort and Spa with visits to the Beau Ravage and the Isle. There is also an optional day tour of New Orleans. This is fully escorted with free play and food vouchers as well. Always popular, and always sold out, so book now. Includes all taxes, gratuities, baggage handling too.

There are still a few spots left for the Winter Getaway Karaoke Cruise on Royal Caribbean's Brilliance of the Seas. A short winter getaway to Costa Maya & Cozumel. This cruise is a benefit for the American Cancer Society with all proceeds donated by the travel agency. Yours truly Harmony Hal & My gal will be KJ for 2 private karaoke sessions in addition to the ship's karaoke, and 2 private cocktail parties will be provide by the travel agent as well. All port taxes & gov't fees, and round trip bus transportation included + receive \$25 in cabin credit on board.

FLORIDA ANCHOR AND BARRIER COMPANY

This one again is very popular, and at present only a few cabins remain. Prior reserved interior cabins have been sold out, so call for pricing on any other inside cabins, Ocean view is sold out, balcony is also now at a higher price. The remaining balcony cabins are still at a rate lower than the current interior rate. This should be a great trip too, but as you can see, when we say “sign up now,” we really mean it. There are some cabins available for the December Cancer cruise, but again, those that were advertised are sold, & the rest are at a higher price. Call for pricing, or watch the bulletin board.

Next up is: “Fall Food & fun in Sarasota” on October 30. Join us for a fun filled autumn day-trip to Sarasota. Breakfast at the Mote Marine Aquarium.... A light breakfast, guided tour, and leisure time to explore the aquarium before it opens to the public. A family style feast follows at ‘Der Dutchman.’ We’ll then make a stop at Red Barn Flea Market, shops & farmers market. By the time this goes to print everyone who wants to go should already have a paid reservation.

Two new cruises are in the making. A 15 day Hawaii cruise on the Ruby Princess in February, with prices starting at \$2572 p.p. all inclusive. And a 21 night transatlantic sailing from Tampa to Venice with a 2 night star in a 3star Hotel near St. Marks. An outstanding value starting at \$2957 including return airfare, and all fees & breakfast during the hotel stay. Call us for more information, as we are just putting these 2 together based on people’s requests.

Make your plans and reservations before they sell out.

City life? Not for all young adults

The TV sitcom *Friends* depicted a group of young New Yorkers enjoying life in the big city—but in the end, at least two of them chose to move to a house in the suburbs. Young adults in real life appear to be making the same choice (without the laugh track). A survey of more than 1,500 people born since 1977, released by the National Association of Home Builders, found that few of them want to remain in the city for their entire lives.

Sixty-six percent indicated they'd like to live in the suburbs, and 24 percent have their hearts set on a rural residence. Only 10 percent want to live in the center of an urban area. They're mostly looking for space: Eighty-one percent said they want three or more bedrooms wherever they end up living.

Online videos bigger than TV these days

Video has taken over the Internet, especially among the younger generation. A survey of 13- to 24-year-olds by Defy Media found this evidence of the influence of YouTube and other video providers on youthful fans:

- Millennials watch an average of 11.3 hours of free online video a week, and 10.8 hours of subscription video—but only 8.3 hours of scheduled broadcast TV.
- Videos are more popular than online TV content. Seventy-six percent of young people in the survey said they find YouTube more entertaining than TV programs (more popular with 55 percent of participants).
- They're tolerant of advertising on the Internet. Fewer than half—41 percent—said online videos have too many advertisements, but 63 percent feel TV does.

Mathematics is the art of giving the same name to different things.
