Labor Day Celebration

Lincolnshire Residents enjoy the Labor Day Picnic from 2015. This year will be another great meal. We hope you will all be there to enjoy it with us this year, as much as Phyllis Murphy, Pat Trombley, and Jim Thompson seem to be having in this picture

From the Editors

By Harold & Donna Wurtz (#938, 812-2670, bigchees99@aol.com)

Well here we are beginning the month of September. The kids are back in school (at least here in Florida), and we are approaching the end of summer already. It won't be long before all of our northern neighbors will be back from their vacations to join us for a full season of fun here in Lincolnshire. We are glad to hear that the kitchen will be completed shortly (as of this writing the timing is about 2 weeks, so it may even be complete by the time this issue is distributed) Even if it is not complete by the beginning of this month, we will still be back to having regular coffee hour meetings every Wednesday, even if we have to tote water from somewhere else to make the coffee. The Labor Day cookout will also go on as scheduled, kitchen or no kitchen. Other activities will also start to ramp up, including Shiraoke, and plans are being made for Oktoberfest.

Harold & Donna

From the Desk of the President

By Brian Sliter (#574, 812-7903)

I hope everyone's summer has gone well. Ellie and I have had a very good summer. We have managed to visit four of the big name beaches in our area, and Ellie has managed to dip her toes in the three Great Lakes in our area.

Harold has informed me {Saturday August 13th} that the kitchen ceiling has not been fixed yet, but there are plans to get coffee hour going again. Let's hope that the contractors get the job finished soon.

The Labour Day cook- out is still scheduled- kitchen fixed or not. So please attend and make it a good party.

Bye for now, enjoy the remainder of your summer.

Brian Sliter

Dial Directory and Database

By Donna Wurtz (#938, 812-2670 e-mail to: bigchees99@aol.com)

The 2016-2017 Edition of the “Yellow Book” has been distributed. Thanks to everyone who helped in compiling the new list of residents and phone numbers.

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for next year’s edition of the directory. Any corrections can also be submitted to Donna at 812-2670.

We try to make the book as complete and accurate as possible, and there have been a lot of changes at Lincolnshire since the last publication. If we don’t know about them firsthand, they will not be correct in the book. When we have only first names, or some nick-name that you have on your coach, we cannot publish it in the directory, so please give us correct inputs.

Please make the following corrections in your directory:

Lot 916: delete Bolowski, add: L. Allen

Lot 737: delete Chess, add: D. Carter

Lot 156: Delete McDermott, add: P. Diedrick

Lot 1031: Delete Woodward, add Don Holzhauser

Lot 771: Delete Martin/Stephens. add P. Jones

Lot 1252: Delete Squires. add Lura Koury & Jose Barragan

Lot 1479: Delete Miller/Smyth, add Ralph Kuhnke

Lot 1037: Delete King, add S. Lee

Lot 516: Delete Freeman, add Patrick Riley & Loey Antonucci

Lot 632: Delete Kelly, add Sherry Taylor & Dennis Brown

Lot 520: Delete Hulburt, Add T. Wilcox

Lot 109: add: Ronald & Janet Bender 727-280-4801

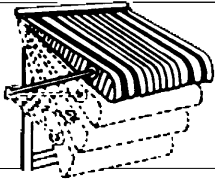

No other information is currently available for these new owners at this time as we await input information.

Remember, the Dial directory is only published once each year. The directory is not produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

Clubhouse Pool party Cookout

On August 16, the park management treated the summer residents and guests to a pool party cookout. Burgers, Hot dogs, potato salad, cole-slaw, and more were served around the pool and in the clubhouse. There was no charge to residents, as this was a promotional event presented to create interest in home sales in our park and other parks owned and operated by Rickert Properties. Our residents enjoyed the meal. Sales incentives were presented.

Caught Ya Doin' Somethin' Right

by: anonymous

Thanks this month to Quinn Elock. Quinn found one of our residents "stranded" with a golf cart that just wouldn't move. She was just stuck in the middle of the parking area when Quinn arrived. He was able to find out that the problem was no too drastic, but battery cables needed replacement. Quinn was able to replace the cables at no cost to the resident who was in need. Thanks Quinn!

Tai Chi

By: Art Lambert (#111 7.....270-7030)

If you're looking for a way to reduce stress, consider tai chi (TIE-CHEE). Originally developed for self-defense, tai chi has evolved into a graceful form of exercise that's now used for stress reduction and a variety of other health conditions. Often described as meditation in motion, tai chi promotes serenity through gentle, flowing movements.

What is Tai chi:

Tai chi is an ancient Chinese tradition that, today, is practiced as a graceful form of exercise. It involves a series of movements performed in a slow, focused manner and accompanied by deep breathing.

Join us on Mondays and Fridays at 9:00 AM in the clubhouse and reduce your stress while getting good exercise. Our sessions are designed for our age group, and start off new each day, so you can join any time and not miss anything.

Labor Day "Picnic" in the clubhouse

By: Harold & Donna (#938, 812-2670)

As of this writing, we are not sure if the kitchen will be ready for the Labor Day Picnic, but one thing is sure – we will have our cookout for Labor Day. The date of course is September 5, and the time will be noon. By the time this edition of the voice is in your hands, the arrangements will be set, and hopefully everyone in the park will already be signed up to join us, but in case you don't have the details, call Harold or Donna by Friday September 3. The menu will be determined by the completion

date of the kitchen. If we are ready, we will have pulled pork BBQ and the side dishes, if not, we may have to resort to grilled chicken sandwiches cooked out on the grill, and side dishes brought by residents. If we do have to bring in side dishes by residents, remember that will also mean we will not have the kitchen for storage or cleanup, so we will have to plan accordingly.

Lincolnshire residents can adapt, so we will be able to enjoy no matter what our situation is at the time of our cookout.

Lincolnshire Library

By: Cynthia Varga (163.....584-6402)

My thanks to all who have brought books to my house. It makes it much easier for me to keep order in the library.

I try to keep the shelves in alphabetical order and when people randomly put the books back, I have to go through all the shelves each time and sort all the books.

Having them in order makes it so much easier for someone looking for a particular author.

Thanks again for helping make my job less of a chore.

Keep the books coming.

Cynthia (584-6402)

Did you know??

By: LHOA board of Directors

DID YOU KNOW?

When individuals come together to discuss mutual concerns, no matter what the common element is, the nucleus of an association is formed. There is evidence that associations existed in Canada even earlier than they did in the United States. Samuel de Champlain is credited with founding the first association in Canada in 1604.

As our country was founded, American citizens began to expand and formalize guilds into what we identify as an association today. Citizens of the United States began exercising their first amendment freedoms of speech, assembly and the press. New laws were developed to support and define these new groups.

The number of community associations in the U.S. is hundreds of thousands (Florida has over 47,000). As a result of that long history, we can have confidence they will continue to form and exist in today's society. Almost every facet of life is represented in some form or fashion by an association. The challenges they face have never been greater and the new opportunities they have are just as great.

Ever wonder why associations exist, what purposes they serve and why people join them? A sense of community is at the heart of associations. People voluntarily join associations because they want to work together on a common cause or interest. Associations empower people to get involved in issues that affect their personal and professional communities and their quality of life.

Homeowner Associations (HOA) started in the mid-19th century in the United States. During this period of time, the United States was transforming from an agricultural society into an industrial society.

The number of associations was limited until the 1960's. The federal government was a major player in the expansion of HOA's. The Federal Housing Authority and the Urban Land Institute pushed for large residential developments. There was an increasing preference for architectural uniformity, available land was decreasing, construction costs were increasing and federal mortgage insurance rules were modified to include homeowner associations.

In the United States, the HOA is a corporation. Most HOA's are incorporated, and are subject to state statutes that govern homeowner associations. State oversight of homeowner associations is ranges from very strict to minimal, and varies from state to state. Some states, such as Florida have a large body of homeowner association law and a variety of statutes to cover the various forms that exist.

Lincolnshire Craft Sale

By: Harold Wurtz (#968, 812-2670)

Christmas in July was just the beginning. Since the kitchen was closed, and Donegan Rd was closed, our sales were a little slow, but our talented residents brought many of their crafts for sale anyway. Our residents here at Lincolnshire showed how talented they are. The group of talented residents have requested that we try again. - - - And - - so - - we - - will!! Mark your calendars, and get your crafts together for what will become an annual event here at Lincolnshire. Our date for the upcoming event will be November 12 - Just in time to catch the early bird Christmas shoppers. It may coincide with the annual Carport sale if that can be arranged. If we can do that, we will generate a lot more traffic from outside, so be sure you have enough products to sell.

The kitchen will also be open for sales to benefit the residents club. More information in next month's voice, including reservations for tables and menu for the kitchen

Thank you

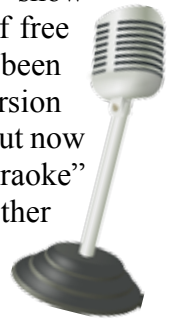

Harold

Shiraoke

By: "Harmony Hal" (#938.....812-2670)

Shiraoke will be held on the 10th. If you have never been to a "Shiraoke" show here at Lincolnshire, you have missed some very good times, and lots of free entertainment. We have some good singers here in Lincolnshire, who have been getting better every time we get together. When we first started out with our own version of karaoke, many of our residents were a bit shy and afraid of the microphones, but now - - WOW. Everyone has come out of their shells. In addition, the name "Shiraoke" includes not just singing, but stand-up comedy, musical instruments, and any other talent you may have. So join us this month for a fun time. We also invite some of the best singers in Pinellas County to join us to provide extra entertainment. Singers from venues around town, including a few Bright House Senior Idol winners from past years are among our guests.

So bring your talent, bring your friends, bring your snacks, bring your beverages, and come have a FREE night of fun in the clubhouse. Starting time is 7 PM, and ending when all the singers decide to stop. We have been known to go until midnight.

See you then

Lincolnshire Facebook Page

By Harold Wurtz (938, 812-2670)

Keeep it up Lincolnshire!! 2 more likes the month brings us up to 232 likes as of this writing!! People are continuing to discover that it can be a way of communicating with others in the park. Asking questions and getting answers. We have had several residents ask questions by posting them on our facebook page. We try to monitor it regularly to help with answers when we can, and several were answered or referred to places to find the answers to questions. We average 171 people reached each week. Don't be afraid to comment or ask questions about life in Lincolnshire.

Remember that we encourage positive posts and informative posts. Negative views regarding perceived life at Lincolnshire that are not helpful to residents will be removed.

The page is also a good way to stay in touch if you head north for summer vacation, of if you have children or other family who are not here in Florida. Tell them all to like the page to keep in touch. People are reading, watching and commenting on Lincolnshire's activities. Don't be left out.

Like us on Facebook & follow us for updates, and share your thoughts and pictures with others here at Lincolnshire. More & more of our residents are: "liking" the page. Tell your friends, and don't be afraid to share your positive thoughts on the page too.

Coffee Draw Winners

No listing of winners this month due to the coffee hour being postponed until kitchen is repaired, but watch for next month. We will start up coffee hour again this month – kitchen or no kitchen. We are glad to see that some of our residents decided to get together to socialize anyway on Wednesday mornings just to chat. Bringing their own coffee, and just having a good morning discussion of the Lincolnshire World as they see it. (no political discussions allowed.)

HALLOWEEN DANCE Saturday October 29th 2016 – 7pm to 10pm

At the time of writing here in Florida, we are experiencing very hot days breaking all sorts of past record temperatures and I hear the weather for the northern states and Canada are also having similar excessively hot days. So we will all be ready to welcome Halloween along with some very pleasant Fall evenings. The past few years the dance has been very well attended and I am amazed at the imagination you the residents continue to come up with in the costumes you create. So put on your Halloween thinking hats and amaze us all again this year. I know not of all of you that attend the dance want to dress in costumes and this is OK, just come along and have fun.

Returning to entertain you this year is Kevin DesChamplain - The Baby Boomers Band. All of you loved his style and music last year so I am sure he will be a hit again this year. Tickets will go on sale at our coffee morning Wednesday October 5th 2016. \$7.00 per person BYOB and Ice/bucket. There will be door prizes, prizes for the best dressed and the usual lottery draws 6 tickets for \$5.00. So mark your calendars for the upcoming season and please remember for ALL ticket sales buy them early before they sell out.

The Handy Hubby

By: Charlie Freeman (#260, 727-410-7542)

Tip #9 month of September

Have you ever had to change a broken light bulb?

Here's a neat tip! Just make sure you turn the power off first! This may seem like a rather strange tool to use, but it works remarkably well.

This technique works particularly well if there is only about 1-inch or less of glass still connected to the base of the bulb. Cut a large, uncooked baking potato in half to create a large surface area from which to “grab” the bulb. Dry off any excess liquid from the inside of the potato. Push the cut side of the potato onto the base of the lamp. Be sure you have firm grip on the potato and start to turn counter-clockwise until the base is removed. As mentioned above, you may need to wiggle it free. Once removed, dry off any liquid that may have rubbed off onto the fixture. Carefully remove the broken bulb from the potato, discard the potato and the light bulb fragments.

Until next time

Pot Luck Dinner

By: Terry McGuire (#671, 698-9204)

A great group gathered at 5:30 in the clubhouse for a taste of excellence this August. We were treated with a wide variety on international foods as usual. While our numbers are down, the food and fellowship were still great.

Varied and tasty, there were entrees of all kinds, and just enough for everyone to enjoy

Always 2nd Tuesday of every month, always at 5:30pm in the Club House. Bring your own table service, along with a dish to serve 10 people of either, meat, veggie, salad, or desert. Don't forget serving spoons.

It helps to know approximately how many are coming to dinner, so please sign up with what you may want to bring Hope to see you all there!

Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938, 812-2670, Bigchees99@aol.com)

Just a reminder, we are doing a 3 day trip this year for the St. Augustine night of lights that includes the day of the 62nd annual Christmas Parade. This one is already selling out, so if you are interested, call us quickly for the details and to sign up. Flyers will be available at coffee hour.

Carnival Sunshine Cruise that people have asked about is **SOLD OUT**

New update on the Cancer Cruise this December: This is also **SOLD OUT**. We are also looking ahead to set up a cruise on the brand new Carnival ship the "Vista" Plans are only at beginning stages, and the trip will not be until late 2017, or early 2018. This is a great ship, and will be an **EXPERIENCE** rather than just a cruise. Look for information about this great new ship on your computer for a little teaser. We will post the dates and info as soon as we have it planned.

We have also just arranged another cruise for fall of 2017. Another of the new ships with a great itinerary. This one is on the new Norwegian Escape. Norwegian has some new specials for this ship if you book early. They are giving us a choice of 2 special upgrades for a balcony cabin. This is a 7 night Western Caribbean Cruise, 9/30 through 10/7, Miami to Roatan, Harvest Caye, Costa Maya, and Cozumel. This is a new ship, so you can count on all the special amenities that are appearing on these new ships. Price includes 2 of the extras free! Beverage Package, and 3 Specialty Restaurant meals, taxes and fees included at only \$1202.17 PP. If that sounds like a lot to you, compare it to a trip to Disney. A 7 day trip with park hopper pass in a Disney resort is approximately \$1324 PP, and that is if you dine on burgers and fries for those days. On a ship like this you will be pampered all day, and have something to do at all hours without the crowds and lines.

Don't forget about our trips to the Show Palace this upcoming season. We do still have room for "Beauty and the Beast" on Saturday February 11, and for "Saturday Night Fever" on February 26. Price as always includes the complete buffet, transportation, and the professional stage presentation. Ask anyone who has been there – the shows are great. Sorry, the flyers are no longer posted on the bulletin board, but since some childish person likes to take them down, we will no longer have our book of flyers on the board. If you are interested in any of these, just ask for a flyer at coffee hour, or post a question to us on the Lincolnshire Facebook Page. We will also review them again at travel club meetings.

Remember, these trips do sell out, and only a certain number of tickets are available, as we do share the trips with other parks in the area to insure that they will actually be able to fill a bus, so get yours early & don't be left out. Ask about our other cruises too, as they will also start to sell out.

L ectionary Readings for August 2016

4 - Grant us, O Lord, to trust in you with all our hearts; for, as you always resist the proud who confide in their own strength, so you never forsake those who make their boast of your mercy; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for-ever. *Amen.*

Deuteronomy 30:15-20, Psalm 1, Philemon 1-21, Luke 14:25-33

11 - O God, because without you we are not able to please you, mercifully grant that your Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for-ever. *Amen*

Exodus 32:7-14, Psalm 51:1-11, 1 Timothy 1:12-17, Luke 15:1-10

18 - Grant us, Lord, not to be anxious about earthly things, but to love things heavenly; and even now, while we are placed among things that are passing away, to hold fast to those that shall endure; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. *Amen.*

Amos 8:4-7, Psalm 113, 1 Timothy 2:1-7, Luke 16:1-13

25 - O God, you declare your almighty power chiefly in showing mercy and pity: Grant us the fullness of your grace, that we, running to obtain your promises, may become partakers of your heavenly treasure; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. *Amen.*

Amos 6:1a,4-7, Psalm 146, 1 Timothy 6:6-19, Luke 16:19-31

Your Bible and an open heart! God does the rest...

Lincolnshire Kennel Club

By: "Wickett" Wurtz

Since it seems that there are lots of hints and suggestions that people are making to help out others with fresh ideas here in Lincolnshire, I thought it would be good to give out some hints and ideas to my friends in the pet world. You can suggest these to the people you own in the park.

Our first hint is for those humans who take personal care of you.

If you are washed in the bathtub or shower, you're begging for a clogged drain. Keep fur out of the drain with a mesh-type scrubbing pad. In a shower, clip the pad to the drain plate with a bobby pin. In a bathtub, wedge two pads under the stopper from two sides. The pads catch fur but let water flow through.

For those who like to take long walks in the park, or travel about town,

Use a shower cap as a portable water bowl

A long walk with your owner on a hot day will make you pet pretty thirsty. Before leaving the house, have your human stuff a plastic shower cap in their pocket. That way, you can have a drink from any handy tap, drinking fountain or your water bottle whenever you need a slurp. Just let your human know it's time to fill up the cap.

Do you have a hard time letting your human know when it is time for you to go outside?

Here's an easy way you can let them know you need to go outside without any barking or scratching at the door. Have your human Hang some bells from the doorknob and you will quickly learn to associate the sound of the bells with the door opening. Soon you will nudge them yourself. You can speed things along by having the human jiggle the bells and saying "Outside? Wanna go outside?" for a few days every time you go out. You will soon be able to "talk" about going outside even when your human is somewhere else in the house.

VETERAN'S CORNER

DOD OFFERS HEARING AIDS FOR RETIREES

The Department of Defense (DOD) sponsors the Retiree-At-Cost Hearing Aid Program designed to help military retirees purchase hearing aids at some military treatment facilities at a special government-negotiated cost. The program is open to all military retirees who have hearing loss or tinnitus (ringing in the ears). Services for the hearing evaluation, hearing aid fitting and follow up hearing aid checks are part of the retiree benefits and are available at no cost. Generally, at least two visits are required. A list of participating facilities is available

...continued on page 32

on the Military Audiology Association website. Facility availability may change occasionally, so call the closest clinic listed to determine if it is currently participating in the program.

For more on military benefits, visit the Military.com Benefits Center.

VA LOSING MEDICAL STAFF

A Government Accountability Office (GAO) report shows more doctors, nurses and other clinical specialists at the Veterans Health Administration (VHA) resigned or retired in fiscal 2015 than at any other time in the past five years. Of those who parted ways during that period, about 54 percent resigned, 36 percent retired and just under 5 percent were fired. The Government Accountability Office said VHA is struggling to keep doctors, nurses, physician's assistants, psychologists and physical therapists. The report is available on the GAO website.

TINNITUS IS NUMBER ONE DISABILITY FOR VETERANS

Tinnitus is the number one disability among veterans and it affects at least one in every 10 American adults. Veterans have higher rates of tinnitus than the general public due to the noise levels they encounter while in the service, including gunfire, machinery, aircraft, and much more. Over 150,000 veterans were diagnosed with tinnitus in 2015 and nearly 1.5 million veterans are currently receiving disability benefits for it. For more on how you can get treatment and disability benefits for this condition, see this Military.com article.

DIABETES AND VA HEALTH CARE

Are you a veteran living with diabetes, concerned about being at risk, or simply want to take charge of your health? The Department of Veterans Affairs (VA) offers a range of programs and services targeted at diabetes as well as other health care needs. With VA health care, veterans can: (1) lose weight and keep it off; (2) view and manage their health records; (3) benefit from preventative care; (4) access support close to home; and (5) improve their quality of life with dental and vision care. For information on signing up for VA health care, visit the VA Health Care website
