## On the Cover

A very fun and tasty Ladies Salad Luncheon happened this year with the theme as the Oscars thru the years with our own winning actresses doing some great acting themselves. Pictured are the emcees of the show, Sonny & Cher. Can you guess who they really are?

## From the Editors

By Ann Curry (#1015.....420-6518.....acuria10@gmail.com)

Greetings. Another month of 2018 in the can. January was a cold and windy month with some nice days thrown in. But that February was a lot better. Most of us were so busy with park activities, the weather was only a factor if you were out in it.

Now in March we begin to wind down the activities a bit, but we are all still in a hurry to enjoy every minute at Lincolnshire and Tampa Bay. That brings up several things. One is safety in the Park. We all know that we are getting older, we always have a mixture of people in the park on any given day or night. We should treat each other with courtesy and patience. Some people don't have the reflexes and or eyesight or strength they once did. We rely on others to do the things we used to do ourselves. Please take an extra few seconds to reflect on this. People you see in the streets of Lincolnshire want to visit with each other or just bicycle or stroll with their pets. These are not city streets and thoroughfares like East Bay, Seminole and Ulmerton. The speed limit is posted at 10.

There are stop signs here; not yield signs. You never know who or what is just around that corner. Some people walk more than 1 dog at a time, sometimes for other people and those dogs sometimes go in all directions. You can't always pull your dog back fast enough to get them out of a speeding or inattentive driver. That includes cars, motorcycles, trikes and bikes. It would be awful to run into or over a pet or a person.

Second, there have been some cases of theft again this winter. Please don't be too worried, but just be vigilant and use common sense. Don't leave keys in car or doors. Lock up at night or when going away, even if only for a walk and no one else is home. You don't know who is driving around the community. Use a chain or cable to secure things that are left outside that you know might be valuable to thieves. Even if there was a gate at our entrances, it wouldn't stop a thief if they had looked around during the day. In other words, stop, look and listen.

**L**incolnshire. March is the last full month for many of the Snowbirds and it will be a very busy time here in Lincolnshire.

Events planned for the month of March are:

Casino Night Friday March 2nd hosted by Bill Healey. A great night for gambling with Lincolnshire Money.

Shiraoke and Pizza night Saturday March 10th hosted by Harmony Hal and His Gal. The pizza is cooked in the Clubhouse by Steve from Specialty Catering.

Park Picnic and Senior Olympics March 17th, which is also St. Patrick's Day so clothing in any shade of green will be appropriate.

Pancake Breakfast will be Saturday March 24th, serving from 8 AM till 9:30 AM.

Farewell Dance will be on Saturday March 24th.

More information for these events will be announced at Coffee Hour on Wednesdays and tickets for these events will also be on sale at Coffee Hour. So please plan on attending.

Ellie and I wish everyone heading north a safe trip and a healthy and enjoyable summer. We hope to see you all in the Fall.

## Dial Directory and Database

By Donna Wurtz (#938....509-1182...e-mail momshse@aol.com)

---

**T**he deadline for publication of the newest Dial Directory (AKA “the yellow book”) for 2018-2019 has come and gone. If you did not provide us with your new numbers and permission to publish them, your number will not be listed in the directory. Over the past few years we have received complaints from residents whose numbers are not listed. Almost every time it is someone who gave us information too late for publication, or gave us a paper with a number not containing the required permission to publish. Please note that if we do not have a signed permission to publish your number, it will take another year before you will be listed in the book.

It seems there are always new challenges to keep the Book up to date for our community residents. The latest is due to the sale of Brighthouse to the big business company “Spectrum.” Since the sale, many of our northern residents are being charged to keep their service active during the months they are not here in Lincolnshire. This has caused some to just shut off the service completely. The problem being, when they return to Lincolnshire they find that when they start up again, they are issued a new phone number. The result is the number in the book is not correct. Please consider this when you head north. If you are not going to pay them to keep your phone number, don't expect it to be correct when you return.

**New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules.** Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for the next edition of the directory. Any corrections can also be submitted to Donna at 509-1182.

Remember, the Dial directory is only published once each year, and the next one will not be published until summer of 2019, so if you are not listed – it will be a while before your listing is published. **The directory is not produced by the office.** It is a resident’s club function, so **don’t expect the office to update your information for you.** If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

**W**e had a lovely Valentine Dance with Chello HollyDays Band. We had them last year and they were excellent this year also. We had a full house giving us door prizes and raffles. The festive table coverings were saved for the Ice Cream Social the following day. Delicious, we all love ice cream. Rich Michaud's famous secret recipe Spaghetti Supper was on the 24th. It was sold out within an hour for good reason. Bob Swenson entertained us. Watch for our posters for the Farewell Dance in March.

By: Harold Wurtz (#938.....727-459-0394)

**I**f you missed it last year, your friends have all raved about the fun. Don't miss it this year, get your tickets early – we do limit tickets.

What am I talking about???? - - well it's the fun time pizza and karaoke of course. This year it is Saturday March 10 at 5:30 PM. Steve (our caterer) will be bringing in his array of pizza ovens, and will be cooking the pizzas right here to order. It will be all you can eat.

In addition we will be doing our "Shiraoke" - - our own brand of karaoke with table challenges, group songs, jokes, and fun all night. Tickets are \$8.00, and can be purchased at coffee hour until they are sold out.

Bring your drinks of choice, and bring your voices!!!

# LADIES SALAD LUNCHEON

By Linda Doucette ( LOT 267..... 475-9933)

The Oscars came to Lincolnshire and the script said we are all stars, in my humble opinion, the stars definitely shone in Lincolnshire for the Ladies Salad Luncheon. The Oscar winners were outstanding, they all gave us their very best, congratulations to all of you. The emcees and presenters and our envelope presenter all kept the pace of the show running smoothly. The salads and desserts were all exceptional, no surprise there, Lincolnshire has some great cooks. The decorations set the tone

and many of the attendees helped to enhance the show by dressing for the Oscars. My heartfelt thanks go out to the people who helped in the kitchen, sold tickets, shopped, loaned us personal items that we used for props, helped to decorate and those who stayed behind to help cleanup after the luncheon. Extra kudos to the guys who came back after their own lunch and pitched in. I love to say “it takes a Village” and events like this are a perfect example. I count over 50 people who helped

with the Ladies Salad Luncheon.

Ladies left with over 50 prizes, 6 door prizes, 24 gift prizes and 24 cash prizes of \$50.00 each. Congratulations to all of you.

## Bazaar 2018

By; Barb Leek .... (#106... 317-508-3773)

Glenda Driscoll..... ( #1353...727-444-0038)

Lincolnshire Annual Bazaar is in the books! Pat yourselves on the back because once again it was an amazing success. The total profit to the Resident’s Club is \$4,674.74. We didn’t quite beat the \$5001.00 we made last year, but our profit is more than pride worthy! An estimated 70 people worked an underestimated 5 hours each to make it happen in the true spirit of Lincolnshire....THE BEST PARK EVER! There are not enough words to appropriately thank all of you that contributed items for the sale, or hours of service. The best way is to appreciate the Resident’s Club effort to make all events affordable, the Entertainment committee who plans so many varied social happenings, and the cooks and bottlers for each of those events. When you get done with that.... go all out and enjoy the goodness of Life at “the ‘Shire”!!

## Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938..... 459-0394 ...Bigchees99@aol.com)

February was a busy month for Lincolnshire travelers. Many residents were off on cruises, some with the club, and some on their own. We had a group of people who joined us for the second "Cancer Cruise." This was a shorter one, and we encouraged some first time cruisers to join us. Now that they have a trip under their belts we hope that they will join us for more cruises too. The cancer cruises are a way for our travel agent to give back. Nothing is asked in the way of donations from anyone who sails on these cruises. They are booked at the regular price, and even at discounts,

and include some perks, such as 2 free cocktail parties on board the ships. Marie, our agent, donates her entire proceeds from these cruises to the American Cancer Society.

Marie was also at the clubhouse for a wine and cheese party last month to discuss upcoming travel opportunities and collect ideas of places our residents would like to visit. A summary of the meeting will appear in next month's edition of the voice.

Remember that Marie of Advantage Cruises and Tours has been our own agent of choice because of her honesty, and ability to put together some truly first class trips for us. Great hotels, great ships, great restaurants, and lots of featured venues travelled to on buses that are also top of the line.

## LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC. "Did You Know"

By Your Board of Directors (Guy Webert, President...Lot 1538: Allyn Webert, Secretary.....Lot 1438)

Your H.O.A. has by now completed the yearly Annual Meeting on February 20th. HOA's, by law, are required to have an annual meeting. L.H.O.A has its Annual Meeting in February as well as 4 to 5 additional membership meetings a year, to hear your voice and keep you informed. Our appreciation to those Members that attended the February Annual meeting and especially to those who renewed their membership or joined for the first time. Every Member matters.

As of this writing, we do not know the results of the proposed changes to the By-Laws or

*...continued on page 18*

the Board of Director elections. As always we hope for a full 7 Director Board. Many thanks to those who assisted in the Membership drive during this transition to yearly dues from a few years of their postponement. At this time, almost half of the homeowners affected by the potential rent increase this year, have not joined or rejoined the LHOA. In not doing so, you lose your vital voice in dealing with the Park Owner as a group, **and** your vote on any LHOA action that requires the majority membership to make choices.

The more LHOA Members, the stronger our voice is, especially in relations with the Park Owner. Every Member whether seasonal or full time helps in contributing to strong representation. Around the first of April, many homeowners will receive a notice of rent increase and the amount due on the property tax pass-through. This comes yearly, April 1st, and arrives after many owners have left the park and are back home simply accepting the notice.

The LHOA is still here to ensure a thorough preparation before the “Negotiating Committee” (Directors and Members) meets with the Park Owner. The Board doesn’t hesitate to bring other relevant issues to this meeting that affect our Members. Roughly 80% of the Lincolnshire homeowners are seasonal and your H.O.A. is always here acting in the membership’s interest, within the scope of what the law allows. If you are not a Member (**it is not true that just being a homeowner means membership**), join now before you leave to go home! Help keep our strength in membership. Director’s contact information is on the bulletin board in the laundry room and listed in the inside front page of the “Voice”. The Board thanks you.

**4**th Collect: Almighty God, you know that we have no power in ourselves to help ourselves: Keep us both outwardly in our bodies and inwardly in our souls, that we may be defended from all adversities which may happen to the body, and from all evil thoughts which may assault and hurt the soul; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Exodus 20:1-17, Psalm 19, 1 Corinthians 1:18-25, John 2:13-22

11th – Collect: Gracious Father, whose blessed Son Jesus Christ came down from heaven to be the true bread which gives life to the world: Evermore give us this bread, that he may live in us, and we in him; who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

Amen.

25th – Collect: Almighty and everliving God, in your tender love for the human race you sent your Son our Savior Jesus Christ to take upon him our nature, and to suffer death upon the cross, giving us the example of his great humility: Mercifully grant that we may walk in the way of his suffering, and also share in his resurrection; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. ## Rudy's News

*By Rudy and his Mom Ann Curry (lot1015.....727-420-6518.....acuria10@gmail.com)*

Hi guys, Rudy here. Mom has some great ideas today to cut down on some of the dog aggression lately. I'm gonna let her take this one over..

### DOG TO DOG AGGRESSION- WHY AND SOME WAYS TO STOP IT

When dealing with dog to dog aggression, it's important to listen to your dog. There are many reasons why a dog may act aggressively toward another.

- \* He or she may be afraid
- \* He may be stressed because his space is being violated
- \* He may feel the need to dominate.
- \* He or she may be protective of us.
- \* He may be very curious.
- \* He may just be over-excited.

Sometimes, what we perceive to be aggression may be the result of hyper energy, eagerness or natural inquisitiveness. When my dog meets a new dog, I observe them carefully. As soon as my dog starts to get stressed, I step in and interrupt before the situation escalates. I have found that avoidance is most effective when I avert my eyes from both the dog as well as the owner. I keep my eyes forward, and keep walking at a natural pace. This way my dog learns that when we see other dogs, we avoid rather than confront.

Don't crowd the dog while walking. If he feels trapped between us and the other dog, she may think there is no choice but to react aggressively. Don't stand still while trying to tug your dog away. Move away and she will come along with you. When meeting another dog, interrupt her every so often and get her to refocus on you. If your dog gets too obsessed to move away,

then try to block their view of the other dog.

Finally, don't expect too much too quickly. Make sure to treat and praise her very well, if she voluntarily engages in avoidance maneuvers around other dogs. This includes looking away from the direction of the other dog, smelling and exploring the environment or looking at us.

Treat and praise even for only a second. If our dog will not accept treats from us, then she is too far gone and it's best to move away. Treats only work when the dog is still thinking, and not operating on instinct.

## VETERAN'S CORNER

By: Bob Behm (LTC, RET), (Lot#775.....401-207-9317)

1. HOHENFELS TRAINING AREA, Germany, Jan. 30, 2018 combat environment, the knowledge of where a threat is could mean the difference between life and death. The Army gains the upper hand in identifying where threats are with the use of a lightweight small unmanned aerial system, sUAS, called the RQ-11 Raven. Military policemen with the 287th Military Police Company, 97th Military Police Battalion, 89th Military Police Brigade based at Fort Riley, Kansas, are putting the Raven to use during the Allied Spirit VIII exercise held here from Jan. 15-Feb. 5 and enhancing their skills from prior training. The Raven system provides soldiers the ability to view opposing forces, OPFOR, in their areas of operation. OPFOR are soldiers who play the role of the enemy for units conducting training at Hohenfels Training Area. The OPFOR provide units an experience as close to real combat as possible. "Having the ability to assess the terrain and situation before exposing troops to hazards is essential," said Army Sgt. 1st Class Joseph Rombold, a mentor for troops going through the training. "With the Raven system, you are able to locate and follow high-value targets from a distance without exposing yourself, giving you an advantage and the element of surprise." The Raven system is designed for rapid deployment and high mobility.. The sUAS has a range up to 10 kilometers from its launch point. "Once I launch the Raven into the air, it takes off," Ritter said. "I am able to control it and see where it's going through a remote control with a screen on it, showing me everything the Raven sees. No matter if its day or night -- if there's a threat, I'll be able to see it."

2. The Army's new handgun meets "all safety and operational requirements," officials said Wednesday, after a recently published report revealed several issues with the Sig Sauer-made weapon. Early evaluations of the Army's new handgun, the M17, last year showed test failures when the pistol was fired with the standard ball ammunition, stoppages, and double ejections. Those findings were revealed in a recently published report by the Defense Department's Office of the Director, Operational Test and Evaluation. The office reviews major programs across the Defense Department. The problems noted by the office had not been previously disclosed by

*...continued on page 30*

the Army or other entities involved in the Modular Handgun System's development. Though the report was compiled from April through September of last year, it was not sent to Congress nor publicly released until January. The Army selected the Sig Sauer handgun as its first new service-wide sidearm since the mid-1980s, replacing the Beretta M9. The report notes that the Army intends to purchase 238,000 pistols, while the other three services may buy as many as 224,000 pistols under the same contract.

3. All Tricare users except active duty troops will soon see higher fees for prescription drugs received by mail or at off-base retail pharmacies. Prescriptions filled on-base will continue to be free. The changes impact all non-active duty Tricare pharmacy users who receive drugs from any off-base pharmacy or who use the mail-order system. The price increases were ordered by Congress as part of the 2018 National Defense Authorization act. Effective Feb. 1, a 90-day supply of generic drugs received through the system's Express Scripts mail-order pharmacy will be \$7, currently, those medications are free. Co-pays on brand name drugs received through the mail will go from \$20 to \$24 for brand name drugs and \$49 to \$53 for non-formulary ones. For prescriptions filled at retail pharmacies a 30-day supply for generic drugs will increase from \$10 to \$11, brand names will go from \$24 to \$28, and non-formulary ones will go from \$49 to \$53. Out of network pharmacy costs are also increasing. Users who buy drugs at those pharmacies or overseas must first meet their annual deductible, which vary by Tricare plan. Tricare Prime users pay a 50 percent cost share for the drug after their point of service fee. All other users except active duty troops will pay 20 percent of the total cost or \$24, whichever is more, for drugs on the formulary, and 20 percent of the cost or \$53, whichever is more, for off-formulary drugs. Active duty troops will be reimbursed for any out-of-network pharmacy fees.

### Shuffleboard

By JAMIE DOUCETTE ..... ( LOT 267..... 727-475-9933)

If you want to check on your teams standing they will be posted in the shuffle board shack as soon as I get them updated after playing. Thanks to all the spares who stepped up to play while regulars weren't available, we would have a hard time keeping the league going without your continued support. Please remember, if you are on a team, and are not going to be able to shuffle, let your Team Captain know as soon as is possible so arrangements can be made for a spare to replace you. Captains, please remember everyone on the spares list should get the opportunity to play and no one should have to shuffle both shifts, we have a long list of spares and we should make use of them. **Most** importantly, have fun. See you at the courts!
