October means summer is officially over. So here come the fall harvest celebrations. Halloween and Oktober Fest and Thanksgiving

From the Editors

By Ann Curry (Lot 1015.....acuria10@gmail.com727-420-6518)

Well, this is the month we full timers begin to breathe a sigh of relief. Hurricane season is almost over. The temps and humidity are supposed to be coming down. We will soon be able to go outside without wondering why we took a shower today when Mother Nature keeps us supplied with lots of sweat. But we all embrace life in Florida because that's the life we chose.

So to keep us going thru this last month until the park activities and partying begins to gear up, here are some things to do and see.

From the Editor

- Oct. 6: **28th Annual Pet Walk** sponsored by **SPCA Tampa Bay** at Vinoy Park in St. Petersburg from 8:30am-12:00pm. It is the SPCA's biggest fund raiser of the year. You can sponsor, walk with your dog yourself, or just show up to have great time with your forever friend. There will be adoptable animals, a Costume contest, Doggy water park plus vendors. Go to **Petwalk.org** for more info.
- Oct. 13, 6pm **OktoberFest** at the Clubhouse. Good Food. Good Music. Good fun. Good friends. What more could you want!
- Oct.19 8pm. The **Largo CPPAC** is showing **The Rocky Horror Picture Show**.
- Oct.27 10am-4pm **Heritage Village** is having their Country Jubilee with crafts and seasonal gifts from Vendors, music, food, children's activities, tours and demonstrations.
- Halloween Dance 7pm at Clubhouse. Costumes optional.
- Oct.28 **Pumpkin Fest** at the **Botanical Gardens Mckay Creek Plaza** from 1pm-4pm. Buy or bring your own and learn how to carve your pumpkin.
- This information is the viewpoint of the Editors. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to acuria10@gmail.com, usually before the 15th of the month for publication.

From the Desk of the President

By Brian Sliter(Lot574.....727-812-7903)

October is travel time for many Snow Birds as we make our way to our winter homes in Lincolnshire. Ellie and I are planning to leave on Monday the 22nd, we should be back in Lincolnshire on Wednesday the 24th.

Octoberfest is coming up on Saturday 13th, and our Halloween Dance is on Saturday 27th. Please attend Coffee Hour to stay updated on times etc.

I'm writing this article while watching updates on Hurricane Florence and there are more storms out in the Atlantic yet unnamed. If warnings for evacuation for future Hurricanes are broadcast, please listen and act accordingly.

In Canada we celebrate our Thanksgiving on Monday the 8th. I always enjoy a turkey dinner at Thanksgiving and then I look forward to celebrating Thanksgiving again with y'all down in Lincolnshire on November the 22nd.

Enjoy your Fall season. Safe travels and Ellie and I hope to see all former and new residents soon.

8th Annual Lincolnshire Oktoberfest

By: Harold & Donna Wurtz

(938.....459-0394)

Once again we celebrate the beginning of the most festive season of the year with our Oktoberfest. The clubhouse will be transformed into a German Festhalle. German music, German food, and of course we will need that famous Oktoberfest Bier. The date will be Saturday October 13. Doors open at 5 PM, dinner planned to be served at 5:30, and live music begins at 6:00. There will be door prizes and 50/50 draw. We are happy that we can still offer this festive dinner & music for the same price as in the past years, only \$8.00 for a great meal & entertainment. This year as always we will have out famous bratwurst & sauerkraut, and in keeping with our previous years – (a new dish each year) – we will be serving jägerschnitzel with mushroom sauce and noodles along with all the other typical items.

Join us for a night of fun. – tickets available at coffee.

“Welcome to Lincolnshire”

By: Donna Wurtz

(lot 938.....509-8112)

Our next new Owners' Orientation will be in November. Thanks to everyone who came to the meeting in September.

If you did not receive a personal visit and were unable to attend our last orientation, or perhaps you have joined our community more recently, we hope you will be able to join us for the upcoming event in November. Lots of information about the community and the surrounding area will be available to you at one quick easy meeting. Hope you will be there, watch the voice for the upcoming date.

Attention all residents: We need your help. If you are aware of people moving in or out of Lincolnshire, please let a committee person know so that we may extend an invitation. Names are unnecessary, just lot numbers. And don't be shy yourself, join us at the session too. You might be surprised by what you don't already know

See you in November!

Games Night

By: Ann Curry (Lot 1015.....727-420-6518.....acuria10@gmail.com)

Friends have been coming in and new people have dropped by to see what's going on. Bring your game boards, cards, dominoes and friends and neighbors. It's a good way to stay sharp and not fall asleep in front of the TV. Bring your favorite beverages and snacks.

PotLuck

By Craig & Linda Michel

Having been away for last month, Pot Luck Dinner was fun. Got together with friends and neighbors to enjoy the delicious food and desserts that were offered. If you haven't attended you're missing out on a very enjoyable time with fun conversation and lots of laughter. I would like to thank Barb Soha for our prayer before dinner and Bren & Dick Uring for helping set up and thanks to everyone that helps clean up. The next Pot Luck Dinner is October 9th. Please remember to bring your place setting, something to drink and a dish to pass that will feed at least eight people. We like to start eating at 5:30. See you all then.

LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC. P.O Box 1882, Largo, FL 33779

DID YOU KNOW?

By: Guy Webert ,Allyn Webert, Marilyn Grubb, Pete Kristall, Dennis Hornsby, Craig Michel

By this edition of the Voice seasonal residents will be returning for a great 2018-19 season. Your homeowner's association is also preparing. The HOA has 2 types of Member meetings. The first meetings are in January, February and March. February being the annual meeting. These 3 meetings require Members to sign in and are business meetings. The December meeting is a general workshop where Members do not have to sign in. They are held on Tuesday evenings with a starting time of 7 P.M. and are held in the clubhouse. Agendas for all meetings are posted in the laundry room on the resident's board prior to all HOA meetings whether Member or Board.

The following is the schedule for Member Meetings. 12/18/18 Workshop; 1/15/19 Business; 2/19/19 Annual Meeting; and 3/19/19 Business. Preparation for annual Director Elections start at the December and January meetings concluding with elections at the February Annual Meeting.

Board of Director Meetings are business meetings and can be called and posted at any time. The BOD meetings are now on Sundays at 4:30 PM in the clubhouse. Members can attend Board meetings. The current schedule for BOD meetings: 10/14/18; 11/4/18; 12/9/18; 1/6/19; 2/10/19; 3/10/19 and 4/7/19.

The deadline for 2019 membership dues (\$10) is December 31st of each year for the next year. Additional information on membership dues will be mailed to the Member's coach in late October.

The Board still has an opening for a Director. You do not have to be a full time resident as the Board does not have a seasonal voice. Please consider and speak to Guy Webert, President,

Dial Directory and Database

By Donna Wurtz (#938 509-1182.....e-mail to: momshse@aol.com)

The 2018-2019 “yellow Book” is in the hands of the block captains. If you are here during the summer months and have not received yours, call your block captain.

If you did not provide us with your new numbers and permission to publish them, your number will not be listed in the directory. A scrap piece of paper with your number is not enough, unless you are just changing a previously published number. Over the past few years we have received complaints from residents whose numbers are not listed. Almost every time it is someone who gave us information too late for publication, or gave us a paper with a number not containing the required permission to publish. Please note that if we do not have a signed permission to publish your number, it will take another year before you will be listed in the book.

Please make the following changes to your newest yellow book:

Add: John Morgan – lot 1174 242-2207

Allan & Sylvia Perz – lot 754 708-573-4436

Nancy Blanchette – lot 206 400-9653

Kim Bogle lot 326 813-368-3574

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938, or come to the new owner orientation, scheduled bimonthly, - check the calendar each month for dates – (next one will be September) so we can input your information for the next edition of the directory. Any corrections can also be submitted to Donna at 509-1182. And we hope to see you at the next new owner’s Seminar in November 13.

Remember, the Dial directory is only published once each year, and the next one will not be published until summer of 2019, so if you are not listed – it will be a while before your listing is published. The directory is not produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

THE VALUE OF COMMUNITY

By Teri Thara (Lot717.....terithera@gmail.com)

Yes, I can remember a day when kids were told enjoy your life, each day is a blessing, and as a child growing up you will have more time than money, but when you enter the work force you will have more money than time. That still holds true. Many times here at Lincolnshire we go back to the bartering system. Also at Lincolnshire we do things at times looking for nothing in return.

Bartering began in 6000 BC in Mesopotamia. It was the only form of getting what you needed, when you needed it. Then currency came along and bartering became rare, but was still used. A good example when bartering was used was during the depression, when money had little value. Thus, people bartered.

Living in Lincolnshire bartering goes on. I was blessed to inherit end tables and a coffee table from our long time resident Dear Mae who went back home to live closer to her family (she is doing terrific). I brought them home and replaced them with the wooden ones I already had. Not wanting to just give to Goodwill, I asked at coffee if anyone needed them. My friend needed one, but I was hesitant to break up the set. I let her know if no one wanted them, I would give her one and take the other two to Goodwill. Someone did take the set of three. When Tom and I dropped the set off, there was one end table that needed to be removed. We took her one end table and gave it to my friend who needed one. Sounds complicated, lol! Everyone was happy, I got new to me tables, a friend got the set of 3 tables, and my other friend got one end table. Thus, we bartered.

This park has a sense of community. It is a great place to live. People helping people, whether it be bringing food when you make too much to neighbors, stepping up to run functions for our community, selling raffle tickets, cleaning the hall after functions, bringing goodies to our local Police, Firefighters, and other local workers, putting down the umbrellas and organizing the chairs at the end of a pool day, driving friends to doctor appointments, walking someone's dog for them when they are sick, driving and picking up friends up from the airport, bingo team and callers, pulling someone's weeds, watching homes of snowbirds, being a board member, bringing candy and goodies to cards, and so much more.

Kudos to all, no matter if you do little things, big things, can not do things due to health or age but are grateful, just remember like our Dear Susan always says:

"JUST ANOTHER DAY IN PARADISE! AND A LITTLE BARTERING TOO!"

Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938..... 459-0394.....Bigchees99@aol.com)

We just came back from a meeting with Marie from Advantage Cruises and the representative from Mayflower Tours. Some of our residents have already been on trips with Mayflower and can tell you how great they are. We have a new trip from them, and although this article will be in your hands after the closing date of the announced special, we are trying to get it extended, so if this one interests you, call us and we will get the information to you. OK - - here goes: This is an **11 day** small ship (think luxury yacht) adventure cruising the Adriatic and Dalmation Coasts. Air fare is included. May 2019. 11 days, 23 meals, all inclusive, beer & wine included with meals, all shore excursions with personal guides included, free pick-up here in Lincolnshire and all transfers too. Just too many things to put in this article, so ask us for the flyer. This ship has only 17 cabins, so if you are interested – chick it out quickly.

Kennedy Space Center is still available, but is filling up The space center has just announced a price increase, but we do not know if it will affect our price as yet. Don't wait to sign up. A Nurse's Toolbox #4

By Allyn Webert (Lot1438.....847-975-1043)

This month's dose is everyone's favorite subject. Immunizations! Yep the season is starting for a bombardment of announcements on the TV, not to mention letters and postcards from Medicare, our Medicare Advantage, Medigap and national health service healthplans from other countries. They are all on the same page when it comes to disease prevention.

As young children, we received all the various immunizations. I can still remember the small jabs when I got my small pox immunization as a young boy and the shot for Polio. We received all of these shots then because they were required, not voluntary as some are now. My point here is that as baby boomers we have a habit of getting immunized. So don't stop now just because they "aren't required."

Every year, thousands of us get sick at least once and may need to be hospitalized from vaccine-preventable diseases. Getting vaccinated will help us stay healthy, so we'll miss less of the things we retired to enjoy and worked really hard for. Did you know that when we get vaccinated, we also help protect our families and close friends here at Lincolnshire. Because of community immunity, vaccines help keep diseases from spreading to our friends, family and grandchildren. How often have we asked where is so and so today and are told "they got whatever is going around and are really sick." Well what is going around may be the flu **and** preventable.

Before I list the immunizations to be considered let's get rid of a few misconceptions that can and often do get in the way of rolling up our sleeves.

I've gotten all my childhood vaccines. Why do I need more? As older adults we need vaccines for several reasons. Some vaccines are recommended only for adults, who are more at risk for certain diseases like shingles and pneumonia. Protection from childhood vaccines wears off over time so you need additional doses of certain vaccines to stay protected. You may not have gotten some of the newer vaccines that are now available. Some viruses, like the virus that causes the flu, can change from year to year. You may be at increased risk for diseases based on where we have traveled, lived part of the year, or our health conditions.

How do I know which vaccinations I've had and which ones I need? Great question and very pleased you have read this far! To find out which vaccinations you've had, you'll need to find your vaccination record. Your vaccination record is the history of all the vaccines you've had as a child and as an adult. This is tough as most of us don't have or ever saw their childhood shot record. Also we had numerous doctors' care for us during our lifetimes. Do the best you can and at the very least ensure your current doctor has as much of a record as possible especially the last 10-15 years. If you can't find your record, ask your doctor if you should get some vaccinations again (I'm sure you wanted to read that!)

Our vaccinations travel very well with us. We get them here and then we go there and there and back here etc. The immunity never fails to ride right along in our bodies. Ok what is

recommended? Our personal physicians or nurse practitioners are the best source as they know what will protect each of us the most. We **should** get flu vaccine every year. Covered by Medicare, VA, Medicare Part D plans. There could be a copay if not a Medicare health insurance plan. If you are from other countries I'm sure your National Health Service insurance plans have very similar benefits. Call member services whose number is on our insurance cards. They know the answer. **There are 2 types of the yearly flu vaccine, one is regular and the other is a Higher Efficacy Dose for those over 65. I can't say there is a difference in any copay required if any. We should get 1 dose of Tdap (protection against tetanus, diphtheria, and pertussis also known as whooping cough) if you did not get it as a child or adult. You should also get a tetanus booster every 10 years. There are 2 types of zoster vaccine. You should get 2 doses of RZV at age 50 years or older (preferred) or 1 dose of ZVL at age 60 years or older, even if you had shingles before. Our doctors will know which one we need. There are 2 types of pneumococcal vaccine. You should get 1 dose of PCV13 and at least 1 dose of PPSV23 depending on your age and health condition. Again, our doctor will know which one is the most beneficial for us. **Always** and I mean Always ask them if they don't bring the subject up. Be brave my friend.

The question I am often asked about the flu shot is "when should I get it, wait for the vaccine to be better?" "All the other vaccinations don't seem to have this issue. It's best to get vaccinated before flu season begins spreading in our home community. It takes about two weeks after vaccination for antibodies (the elements of our immune system that tackle the infections) to develop that protect against flu. CDC recommends that people get a flu vaccine by the end of October. All the world's various disease centers work together to ensure what we get is the best defense against the flu. The only downside is that the recipe is based on what has happened last year. Someday the serum in the syringe will have been made on what is going around the very minute we roll up our sleeves.

If I have a choice of getting it through my nose or injection what do I do? Roll up your sleeve. Immunizations are given with the smallest needle known to mankind and sharp. I'd rather save my nose for smelling great pasta sauce any day.

Rudy'sNews

By Rudy Curry and his Mom Ann (Lot 1015.....acuria10@gmail.com)

Hi Everybody! As I dictate this article to my Mom, I am resting after going outside for a small walk. I am reminded of something we see a lot on the streets of Lincolnshire. We walk all over this park, but not as far as I used to. You see I'm getting older, but I still enjoy sniffing the pee mail and greeting my human and dog friends when I see them. Sometimes we can make a little circle of people, dogs and leashes getting tangled. So to avoid accidents and injuries please review the following:

1. PLEASE DO NOT DRIVE IN THIS Park like you are on East Bay or Ulmerton. THESE ARE VERY NARROW STREETS WITH TINY SIDEWALKS and NO CURBS. This includes CARTS as well as CARS and TRUCKS.
2. THE SPEED LIMIT IS **10MPH**, BUT MOST SEEM TO GO MORE THAN THAT. Stopping **quickly is hard** when a dog or a grand child gets in front of a VEHICLE, especially if they are playing and dart out. Remind your delivery drivers of that too.
3. PLEASE **STOP** at STOP SIGNS. THAT **RED** ONE is a **STOP SIGN NOT** a YIELD SIGN.
4. When you go around us, give us at least 5 feet.

Part 2: Strange Sightings

Have you ever heard of a walking fish? Yes, there is such a thing. Scientists have determined that they are a danger to other wild life that live on land. They are also called "climbing perch." This type of fish not only has gills but also has a set of lungs.

One day after I picked up a couple of pals for cards after a hard rain, we spotted something alive and slimy by the storm drain near the corner of 10th and 5th. At first we thought it was an eel or a giant slug. As we pulled up closer, opened the car door, we realized it was a fish! Yes, a walking fish! Glad there is a picture to prove it or people might have asked what we had been drinking!

So there you go, you learn and see new things everyday. And, no need to keep your fish on a leash! Better a walking fish than an alligator, lol!

Continued on page 38

Part 3: Other wild Animals-Opossums

Whether residential or in the wilderness, opossums are a benefit to any area they inhabit. Their diet includes all types of bugs and insects including cockroaches, crickets and beetles. They love snails and eat mice and rats. The opossum helps keep our neighborhood clean and free of unwanted, harmful garden pests and rodents, which may carry diseases. The opossum has earned the title of “Nature’s Little Sanitation Engineer”. Many residents are compelled to trap and remove opossum bases on their looks and misinformation about their habits. They do not cause yard damage or kill neighborhood cats. They are attracted to pet food left out overnite and like dense shrubs to hide under. So if you don’t want them to hang around your place, keep your bushes trimmed and don’t leave pet food out overnite.

Update! Danger Danger Our Duck troop is down to 13. The Coyotes decided to add to their diet about 6:30 this morning. Momma fought valiantly, but she and one of the babies are no more. Please be alert when walking your dogs early in the morning and at night!

5. Do you have employer-sponsored health insurance? Any health insurance you have in addition to TRICARE is known as 'other health insurance' (OHI). If you have OHI, it becomes your primary insurance and pays any claims before TRICARE does. Typically, having OHI can affect you if you are a retired TRICARE beneficiary who also uses Medicare, or if you are a spouse of an active duty beneficiary who also gains coverage through their employer. OHI never applies to active duty servicemembers. If you are on active duty, then TRICARE is your only coverage. If you have OHI, you can still use a TRICARE retail network pharmacy. Learn more about how TRICARE works with OHI on the [TRICARE website](#).
6. Regular cancer screenings can lower the chance of death from lung cancer. But they cannot reduce the risk of developing lung cancer for people who smoke. Patients who smoke seem to be confused about the actual benefits and limitations of lung cancer screenings, according to a study by the [VA Center of Innovation for Veteran-Centered and Value-Driven Care](#) in Seattle. Researchers asked smokers a series of questions about smoking and lung cancer screening. Their answers showed that most patients were mistaken about the benefits of screenings and smoking in general. Patients who smoke should understand the importance of quitting rather than just relying on screenings to protect them from cancer. For more information, read the [VA Vantage Point Blog](#) and visit the [Annals of the American Thoracic Society website](#).

Lincolnshire Church Service

By: Rev. Terry J Lapierre-McGuire (# 671, residentminister@gmail.com)

7th - Almighty and everlasting God, you are always more ready to hear than we to pray, and to give more than we either desire or deserve: Pour upon us the abundance of your mercy, forgiving us those things of which our conscience is afraid, and giving us those good things for which we are not worthy to ask, except through the merits and mediation of Jesus Christ our Savior; who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen.

Genesis 2:18-24, Psalm 8, Hebrews 1:1-4; 2:5-12, Mark 10:2-16

14th - Lord, we pray that your grace may always precede and follow us, that we may continually be given to good works; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

Amos 5:6-7,10-15, Psalm 90:12-17, Hebrews 4:12-16, Mark 10:17-31

21st - Almighty and everlasting God, in Christ you have revealed your glory among the nations: Preserve the works of your mercy, that your Church throughout the world may persevere with steadfast faith in the confession of your Name; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Isaiah 53:4-12, Psalm 91:9-16, Hebrews 5:1-10, Mark 10:35-45

28th - Almighty and everlasting God, increase in us the gifts of faith, hope, and charity; and, that we may obtain what you promise, make us love what you command; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$144,800** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or **mail your paid receipt** to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
