Homeowners of Oak Crest / Acorn Residents, Inc.

Joe Stewart, President, Lot #544, 584-0907

Janet Amon, Secretary, Lot #579, 518-8112

The Board has appointed Jeanni Bajenski, Lot #512, for a two-year term. Filling this vacancy now gives you a full Board of seven members in compliance with our ByLaws. Welcome, Jeanni. We appreciate your willingness to volunteer to work with us.

General meetings will resume in October, but the Board of Directors will continue to meet monthly throughout the summer. If you have any problems or concerns, please do not hesitate to contact one of us.

OakCrest/Acorn Residents Club, Inc.

Donna Henninger, President, Lot #412, 584-2140

Kathy Brady, Vice-President, Lot #226, 239-8726

It is sure getting quiet around here with folks heading north, but the Activities Committee is continuing to plan activities for the summer months.

A Koffee Klatch is planned for Saturday, June 20th and also on Saturday, July 25th at 9:00 a.m. in the clubhouse. Coffee and doughnuts will be served, so come and meet your friends and neighbors for a social hour! A sign up sheet will be on the board in the clubhouse for both of these, so please sign up if you plan to attend.

Thursday, June 25th at 6:30 pm will be a game night. Bring your nickels, quarters and a snack to share and enjoy a night of fun and games with your friends and neighbors! We had a great turn out for the last game night and everyone had a good time, so plan to join us!

Craft and Yard Sale:

We have been working closely with the Home Owners on the Annual Carport Sale and we have agreed to have one Craft and Yard Sale this year on Saturday, November 21st, 8:00 am to 2:00 pm. We are doing it a little differently this year so crafters will be able to sell their crafts before the holidays. We will be opening up the clubhouse to anyone who wants to rent a table in order to sell inside the clubhouse. The price of tables will be \$5.00 for a small table and \$7.00 for a large table. If there are any crafters that are not residents of the park and would be interested in participating, they can rent a table for \$10.00. This area will be primarily for crafters, but if anyone wants to bring their items to the clubhouse to sell, you are more than welcome to rent a table for the day. We will sell coffee and donuts in the morning and then hotdogs, chips and soda for lunch. Balloons for carports will be sold again this year for \$3.00 each for

a chance to win a certificate for \$100.00 off your rent. Crafters and those who purchase a table inside the clubhouse will be given a free ticket for the drawing. We will also have a 50/50 raffle and a bake sale going on all day. Mark your calendars for November 21st so you won't miss out on this event!

Out of the park trips:

There is an upcoming 5 day cruise, out of Tampa, on November 14, 2015 to Cozumel and Grand Cayman. There is also a 13 day cruise to Europe May 1, 2016. Information on both cruises is posted on the board in the Club House. These cruises are open to all Oak Crest/Acorn residents and their friends. We already have quite a few folks signed up for both cruises! If you are interested please contact Tania at Hill's Travel at 727-896-7161. If you have any questions or have suggestions for future trips, please contact Annette Watts, Lot 504, 843-457-9599.

If you are interested in receiving a Residents' Club Events monthly newsletter by email, please send your email address toddeboehenniger@gmail.com. I will start sending this out in September. There will be articles on all upcoming events and trips as well as other park happenings that might be of interest. You can also join our Oak Crest/Acorn Residents' Club Face Book page by just typing the page title into the search line of Face Book and ask to join and I will accept your request. We post all upcoming events on that page as well.

Upcoming Meetings and Events:

There will be no meetings or pancake breakfast during the summer.

- June 20th at 9:00 am - Koffee Klatch in the clubhouse
- June 25th at 6:30pm – Game Night
- July 4th at 1:00 pm to 3:00 pm - Celebration Potluck (details in July Messenger)
- July 25th at 9:00 am - Koffee Klatch in the clubhouse
- October 2nd at 10:30 am - Executive Board
- October 5th at 7:00 pm - General Meeting
- November 7th, 8:30 am - 10:00 am - Pancake Breakfast

Did You Know About These Great Monthly Media Services?

Summer Mailings - If you are heading north for the summer but still want to receive a printed copy of your monthly newsletter, just call our office and sign up for Monthly Media's Summer Mailing Service. We will ship (USPS 1st Class) a printed copy of each month's newsletter to your northern address, for as long as you're away, the cost is \$4 per month. Dozens of residents are already taking advantage. Please see our brightly colored insert for more information.

Get Your Picture on the Cover - We select a new and interesting picture every month to be printed on the cover of your newsletter. If you or your neighbors have fun events or activities please send in a picture and we'll enter it to be selected. Please include a description of the image and a brief release allowing us to reprint the picture. Our mailing and email address are located the bottom of this page.

Emporium/Classified Listing - Do you have an event in your community such as a Bake

Sale or Flea Market? An item for sale like an old set of golf clubs that needs to go? Help needed or vendors wanted for an event? Maximize the people that see your listing and use the Emporium! Your listing will be printed & delivered to over 20,000 homes in Pinellas County. See the Emporium page toward the end of the newsletter for more info.

Larger Print Newsletters - At the request of some residents we are now offering Larger Print Newsletters to those who request them. The newsletter type will be approximately 20% larger (16 pt article body type vs. 12 pt normally). There is a small service charge of \$2 per newsletter for those who request. The larger type newsletters can either be delivered to you every month like they are now or we can mail them directly to your home for an additional \$2 per issue shipping charge. Please call Monthly Media (phone number listed below) for more information.

Eat Better to Spur Creativity

Some great artists and writers are known to have used drugs or alcohol to seek inspiration, but you don't have to risk your health when you need a creative boost. The Medical Daily website suggests trying some of these foods to help stimulate the brain:

- **Fruit.** Fruits have lots of an amino acid called tyrosine, which helps synthesize proteins and may influence your ability to think deeply. In one study, students performed better at completing puzzles when they drank orange juice strong with tyrosine.

- **Chocolate.** The flavanols in chocolate may enhance short-term cognitive skills, according to one British study, because flavanols boost the amount of oxygen in the brain. Try a cup of hot cocoa before you need to be at the top of your mental game.

- **Carbohydrates.** Carbs deliver a quick dose of glucose to your body and brain, providing aid to concentration and memory. Potatoes, oatmeal, and other carbs may have a beneficial effect on brain function.

- **Walnuts.** Rich in omega-3 fatty acids, walnuts can help memory and increase brain function, according to the journal *Plant Foods for Human Nutrition*. The results of one study showed that rats given a diet of raw walnuts for 28 days showed better learning and memory than rodents on another diet.

Money Matters

Try these smart shopping tips at the grocery store

Everyone wants to stretch his or her food dollars. You don't have to live on ramen noodles and cold cereal three times a day to do it. Here are some tips for savvy shopping at the store:

- Don't fall for fancy displays. Items stacked at the end of the aisles, like sodas, aren't necessarily on sale. The display can make them seem like they're marked down, but often they're still regular price.

- Remember that you pay for convenience. Skinless chicken breasts cost more than those packaged with skin. The same applies to the pre-cleaned and cut carrot sticks. In both cases, they're a little more expensive. Decide whether the convenience is worth the extra money.

- Try the store brands. If you compare the contents and nutritional value of name-brand versus no-brand items, you'll often discover that they're almost identical. In many cases, they're made in the same plant and just packaged with the store label.

- Use coupons. How often have you clipped coupons only to allow them to expire? Develop a system that will ensure you remember and use them.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

14,492 manufactured home residents have won over \$124,374 since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • PO Box 1023 • Venice, FL 34284**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). **This month's cash winners are:**

June Facts and Trivia

Basic Facts

- June is named for the Roman goddess Juno. The month of June is a popular month for weddings, perhaps because Juno was the goddess of marriage.
- In ancient Rome, June was the fourth month of the year. When the Gregorian calendar was adopted, it became the sixth month of the year. It is one of the four months with thirty days.

Birthstones

- The traditional birthstone for June is the pearl. It is a symbol of purity and is the only gem that comes from living sea creatures.
- Alexandrite is an alternate birthstone for June. This unique gemstone changes color depending on the lighting conditions. It is greenish brown in color when exposed to daylight and fluorescent light, but changes to a purple, reddish hue by incandescent or candlelight. It is a symbol of joy and good fortune.
- Another alternate birthstone for June is moonstone. It is considered a sacred stone in India. Moonstone varies in color from clear to bluish white or peach. It is a symbol of health and longevity.

Flower

- The flower for the month of June is the rose. Roses are a symbol of love and appreciation. They are also known as the flower of passion.
- Roses come in a wide variety of colors. Each color has a different meaning. Red roses symbolize love; white roses symbolize innocence and purity, and light pink roses are a symbol of admiration or sympathy.

Astrological Signs

Gemini and Cancer are the astrological signs for June. Birthdays from June 1st through the 20th fall under the sign of Gemini. June 21st through the 30th birthdays fall under the sign of Cancer.

Historic Events in June

- Benjamin Franklin discovered electricity on June 15, 1752.
- Continental Congress adopted the United States flag known as the Stars and Stripes on June 14, 1777.
- The Pledge of Allegiance was recognized by Congress on June 22, 1942.
- The Korean War began on June 25, 1950.

Famous People Born in June

Many famous people were born in June. Here are just a few of them.

- One president: George H.W. Bush
- Several actors and actresses: Tim Allen, Courtney Cox, Johnny Depp, Michael J. Fox, Angelina Jolie, Nicole Kidman, Toby Maquire, Marilyn Monroe, and Meryl Streep
- Singers/Musicians: Paul McCartney and Lionel Ritchie
- Athletes: Joe Montana, Michael Phelps and Venus Williams

Here's to you, dad: The start of Father's Day

Father's Day started with a dedicated woman: Sonora Smart Dodd, the daughter of a widowed Civil War veteran who had raised her on his own. Dodd came up with the idea for a special day celebrating fathers when listening to a Mother's Day sermon in 1909. She held her own special tribute for her father on June 19, 1910, in Spokane, Wash., and began a campaign for an official celebration thereafter.

The idea of Father's Day initially met with some skepticism, but in 1919, President Calvin Coolidge expressed support for the holiday, and in 1926 a National Father's Day Committee was formed in New York City. In 1966 President Lyndon B. Johnson signed a proclamation designating the third Sunday in June as Father's Day, but it wasn't until 1972 that President Richard Nixon officially recognized it as a national holiday.

Loyalty to country, always. Loyalty to government, when it deserves it.

—Mark Twain

Quick zingers and fast chuckles

Need to get a laugh in a hurry? Try some of these handy one- or two-liners:

- Explaining puns to kleptomaniacs is hard because they always take things literally.
- I used to think the brain was the most important organ. Then I thought, "Look where that idea comes from."
- A dwarf fortune-teller who kills his customers might be known as a small medium at large.
- Did you hear about the dyslexic devil worshipper who sold his soul to Santa?
- During a prison break I saw a dwarf climb over a wall. As he jumped down he sneered at me, and I thought, "That's a little condescending."
- A blind man walks into a bar. And a table. And a chair.
- You never see a hippopotamus hiding in a tree. They must be really good at it.

Monthly For June

African-American Music Appreciation Month. A celebration of African-American music in all forms. In June of 2011, President Barack Obama proclaimed, “African-American musicians, composers, singers, and songwriters have made enormous contributions to our culture by capturing the hardships and aspirations of a community and reminding us of our shared values.”

Child Vision Awareness Month. Children’s vision challenges can be difficult to detect because they may not know they see the world differently than other children. Infants and children should have regular eye exams to ensure that they can see both near and far away, confirm that their eyes work together to focus on a single object, and treat eye diseases early.

National Zoo and Aquarium Month. A good time to explore your local zoo and aquarium. Many have excellent educational resources—photographs, videos, lesson plans, and other activities. Go to the website of the Association of Zoos and Aquariums for links to its accredited zoos and aquariums.

National Scoliosis Awareness Month. A yearly campaign with the goal of highlighting the growing need for education, early detection, and awareness about scoliosis and its prevalence within the community. The campaign unites scoliosis patients, families, physicians, clinicians, institutions, and related businesses in local activities, events, and grassroots networking throughout the month of June.

Daily For June

National Running Day, June 4. Longtime runners reaffirm their love of running and beginners can kick off a lifetime and life-changing commitment.

World Oceans Day, June 8. A day to celebrate the world’s oceans and support action to protect them.

Flag Day, June 14. A patriotic celebration of the flag of the United States of America, a symbol of freedom and hope around the world.

Magna Carta Day, June 15. Date of the signing of the Magna Carta by King John of England, an important document in the history of political freedom.

Father’s Day, June 21. Tell dad how much you appreciate everything he’s done for you.

Take Your Dog to Work Day, June 26. Take your loyal canine companion to the office with you for a day (but check with your boss first).

It Pays To Patronize the Advertisers in This Newsletter!

With our monthly cash give-a-way, **Monthly Mania**, residents can win up to \$100 for simply using the businesses in the newsletter. See the winners listing page toward the end of this newsletter for more info. We give out \$400 monthly to residents just like you!

Do you want more chances to win? Let us know any businesses you would like to see advertising in the newsletter. The more advertisers you use, the more chances you have to win!

Danger at home: Keep your children and grandchildren safe

The home can be a dangerous place, especially for young children. Most household accidents are avoidable, though, with some commonsense precautions. Safe Kids Worldwide, a global organization providing safety information aimed at preventing accidents and injuries to children, shares these tips for keeping your family healthy and safe:

- Bathroom. Don't leave children alone in the bath, or anywhere near water.
- Hallways. Install smoke and carbon monoxide detectors, and check their batteries at least every six months to ensure they're working properly.
- Bedrooms. At bedtime and nap time, remove any blankets, pillows, stuffed animals, and toys from your baby's crib to prevent accidental suffocation. Make sure your baby sleeps alone and on his or her back.
- Staircases. Put up safety gates to keep children from tumbling down staircases. Install similar gates for every window a child might reach.
- Medicine chest. Store all medicine in cabinets above the reach of children, and lock cabinets they might get into. Keep track of any medication you might carry in your purse or briefcase.
- Living room. Install brackets and braces to secure bookshelves and other furniture against accidental tipping. Secure television sets to the wall or place them on low platforms.
- Kitchen. Use the back burner of your stove when cooking with children present. Turn pots and pans so that their handles face away from the edge, out of reach from tiny hands. Store household cleaners in high cabinets and shelves, or lock lower cabinets to keep children out.

Keep kids safe from bugs during summer months

As summer comes, so do the bugs. And some of those bugs can bite. Follow these guidelines from the American Academy of Pediatrics to protect your children from getting stung or bitten:

- Avoid using scented soaps, hair sprays, and perfumes on your child. The scents can draw insects and bugs and increase your child's risk of being bitten.
- Stay away from nests or places bugs might congregate. This includes stagnant pools of water, areas where uncovered foods are abundant, and gardens where flowers are blooming.

Scientists delve deep into the heart of the world

Jules Verne's Journey to the Center of the Earth described an inner world of jungles, seas, and dinosaurs. The reality is quite different, but no less interesting to scientists, and it's changing all the time.

The latest discovery about the nature of the Earth's core comes from a professor at the University of Illinois at Urbana-Champaign. The inner core, about 3,000 miles beneath the world's crust, actually contains a second core about half the radius of the outer one. This inner core contains iron crystals, which are oriented in an east-west alignment. The outer inner core's crystals align north-south, although they appear to have flipped several times in the distant past.

Scientists liken the twin cores to the rings on a tree, which allow researchers to peer directly into the past. The discovery could provide important clues to the formation and development of our world.

'New' solar system is the oldest ever found

The oldest solar system in our galaxy is 11.2 billion years old, according to data from NASA's Kepler space telescope. By comparison, our home solar system is about 4.5 billion years old. The new find is about 117 light-years from Earth, with five Earth-sized planets in an orbit too close to their star to allow for life. But the discovery of a solar system's formation only a few billion years after the Big Bang some 13.8 billion years ago suggests that life could have proliferated throughout the cosmos much earlier than scientists previously believed.

Sophie the Stegosaurus steps on the scale (sort of)

How much did the dinosaurs weigh? That question has been answered—at least for one specimen at London's Natural History Museum.

Sophie the Stegosaurus is about 150 million years old, and was discovered in 2003 by paleontologists in Wyoming. It now resides at the British museum, its skeleton 85 percent intact. According to the Yahoo News website, British researchers created a 3-D digital version of the skeleton, then calculated the amount of flesh it would have had around its bones, and compared that with data from modern animals of a similar size.

The result? Sophie tipped the scales at about 1.6 tons, with a body mass roughly equivalent to a small rhinoceros. Knowing its weight will allow paleontologists to learn more about stegosaurus metabolism, food needs, and growth rate.

Memory Disorders Clinic

Your CONNECTION to Memory Disorders Treatment

The Madonna Ptak Center for Alzheimer's and Memory Loss provides comprehensive care to patients with Alzheimer's and other memory loss disorders. Our multidisciplinary approach allows us to offer a variety of services with the goal of reducing the long-term impact of memory disorders and helping the patient live a better functioning life. The elements of the program include:

- A multidisciplinary clinic, including neurology and neuropsychology
- Patient and caregiver support groups
- Laboratory and imaging
- Memory Fit training course for enhancing memory ability
- DriveABLE, a driving evaluation

Know Your Organs: The Gallbladder

The gallbladder is a small, pear-shaped organ located beneath the liver and next to the pancreas. You may not give it a lot of thought—until it starts malfunctioning. Then it can cause pain and serious health problems.

The gallbladder stores a substance called bile, or gall, that comes from the liver and helps to digest fat. The main problem that can arise is the formation of gallstones, which can be as small as a grain of sand or as large as a golf ball. They affect both men and women, and may occur as a single large stone or a group of small ones. What causes them is unclear, though they're more common in people with excessive body fat around the waist, and in those who have lost weight very quickly. The risk of gallstones increases as you age, particularly among women as they approach menopause and everyone after age 40.

You may have gallstones for years without noticing them, regardless of their size or number. But during a gallstone attack, patients can experience sharp pain in the upper right side of the abdomen, along with nausea and vomiting. Attacks tend to occur at night, often after a large meal with lots of fat, as well as after drinking alcohol.

Gallstones are treated in a number of ways: Some people take an acid orally which dissolves the stones gradually, although they may reappear once the treatment is stopped. Otherwise, they can be broken up with ultrasonic shock waves or removed by surgery in serious cases.

Be on the lookout for these symptoms:

- Sudden severe pain in your upper right abdomen, lasting from 30 minutes to several hours.
- Pain in your right shoulder blade or under your right shoulder.
- Indigestion after eating desserts, fried foods, or foods high in fat or protein.

See a doctor immediately if abdominal pain lasts five hours or more, if you experience nausea, vomiting, fever, or chills, if you have a yellowish color in your skin or in the whites of your eyes, or if you have light-colored stools or dark urine.

Keep Your Heart Healthy With The Right Food Choices

The food you eat can make a big difference to your health, especially in matters of the heart. You can keep your heart ticking to a ripe old age by adding these foods to your diet:

- Tomatoes. A good source of vitamin C, vitamin A, potassium, and fiber, tomatoes also contain lycopene, an antioxidant that may help to lower bad cholesterol, keep blood vessels open, and lower the risk of heart disease. For best results, serve cooked tomatoes in stews, soups, and sauces.
- Blueberries. Blueberries contain antioxidants called anthocyanins, which may reduce blood pressure by relaxing blood vessels. One cup has only 80 calories, and they add fiber and vitamin C to your daily diet.
