## Homeowners of Oak Crest / Acorn Residents, Inc.

Jim Kiefner, President, Lot #84, 330-7061

Janet Amon, Secretary, Lot #579, 518-8112

CARPORT SALE SPONSORED BY THE  
HOMEOWNERS ASSOCIATION

SATURDAY, NOVEMBER 8, 2014 8:00 a.m. - 4:00 p.m.

**W**hen Jim Kiefner became President, he announced that he wanted the Association to become a more friendly body and come together at the monthly meetings without anger or disruption as was occurring in the past. This is happening!

Many folks expressed the desire to be able to have a sale before the holidays to sell their crafts, holiday gifts and decorations, and household items.

Therefore, your Association made the decision to sponsor this carport sale in November. **THIS SALE WILL NOT REPLACE THE SALE PLANNED BY THE RESIDENT'S CLUB IN JANUARY.**

Watch the Messenger for more details on the sale planned by the Resident's Club.

For the sale in November, you may set up on your carport and place a sign and/or balloons in your front yard on the day of the sale. NO sales will be held in the clubhouse and no tables will be available to borrow from the clubhouse. There will be no sign-up nor charge to have your sale. Put away any remaining items and clean up your carport after the sale ends. Anything you have left over, you may want to get out again for the sale in January.

We only have successful sales if we get the word out and that is exactly what your Association will do for you. Flyers will be printed up and distributed to other mobile home parks, advertising will be in the Largo Leader as well as the Messenger and signs will be placed at both entrances the week before the sale so folks traveling Ulmerton and Seminole will be aware of our sale on Saturday.

Volunteers will be at the Ulmerton entrance and at the back gate to pass out flyers indicating the locations (homesite numbers) of sales. If you wish to have your sale listed on the flyer, please call Janet Amon, 518-8112 or Suzanne Peach, 953-6484 no later than October 31 in order to allow time to prepare the flyer. Sorry, any calls after October 31 will not be listed; however, you can still have your sale.

Trash pick-up will be cancelled the day of the sale.

**LET'S ALL GET TOGETHER TO HAVE A HUGE AND SUCCESSFUL SALE. HERE IS YOUR OPPORTUNITY TO GET RID OF THOSE UNWANTED ITEMS YOU HAVE AROUND THE HOUSE - HOLIDAY DECORATIONS – GIFT AND CRAFT ITEMS – HOUSEHOLD ITEMS. YOUR ASSOCIATION IS WORKING FOR YOU.**

**A Complete Listing of Resident Services  
can be found on the page before your calendar**

## Macs taking over? Maybe not yet

Are you a Windows person or a Mac user? Conventional wisdom says that Windows computers belong in business environments, while the Mac is favored by educators, creative artists, and the elite. But that may be changing, according to data from VMware and reported on the InformationWeek website.

A survey of more than 370 IT professionals found that 71 percent of organizations support Macs, not exclusively Windows computers. Employee preference is the dominant reason, cited by 73 percent of the survey participants. The next most common reason was the need for applications that run only on Mac's OS X platform, named by 41 percent. The "Bring Your Own Device" movement surge in workplaces is also a major factor.

IT teams aren't necessarily happy about all those Macs, however. Forty percent of respondents said they find Macs more difficult to support. In any event, Macs seem unlikely to outnumber Windows-based computers anytime soon, since such machines still dominate over 90 percent of the market.

# 10 Benefits of Growing An Herb Garden

By Elissa Rodrigues, Monthly Media Staff Writer

My Grandmother was an excellent gardener. You name it, she could grow it - from gorgeous roses (several varieties) to blueberries, tomatoes, peppers, zucchini, she even had an apple tree! Unfortunately, unlike her, my thumb happens to be more brown than green. This Spring, however, I'm giving it another try. I'm a Realist, so instead of growing an entire salad, I'm starting with an herb garden.

Here are 10 benefits that may convince you to do the same!

1. Fresh herbs are always available. This may seem obvious, but you'll be surprised how creative you'll get with everyday vegetables, dips and dishes when you have fresh ingredients at your fingertips.
2. It's good for you. Adding fresh herbs boots vitamins and nutrients to your diet, and don't forget that gardening is a great calorie-burner with all that digging, bending and stretching. Talk about a double-benefit!
3. Save money. Fresh herbs can be expensive and wasteful when you buy a whole bundle, and only use a few snips for a recipe. Not to mention, stores may not always have the variety you're looking for, and specialty stores mean higher prices.
4. Educational. Growing an herb garden is a learning experience for adults and children, and kids will love to help out! From a new gardening technique to trying out new recipes, you'll be surprised how much you'll learn.
5. No boring dinners. Add a few new herbs to chicken, fish, potatoes, vegetables - or your regular party dip, and it goes from bland to wow, and you can experiment with new combinations nightly.
6. Relieve stress. Tending to or just visiting an herb garden - and breathing in all that aroma - can do wonders for stress levels. So make yourself a cup of (fresh) mint tea, and relax!
7. Share the wealth. Having your own herb garden means you'll have more than enough, so be a good neighbor (and friend), and share your bounty with others! Tie on a recipe to a fresh bunch, or jar your own dried herbs and voila you've got the perfect hostess gift.
8. Exotic variety. There are 30 varieties of basil. Who knew? Your regular grocer only carries the most common sweet basil. Choose your own exotic variety, whether it's dark opal basil, cinnamon basil, anise basil, Italian basil, or globe basil to name a few.
9. Curb appeal. Adding an herb garden can give your landscape real curb appeal - it's lush and well tended-to. If you don't have room for a full herb garden, just add them to shrubs. They blend in beautifully.
10. Good, clean fun. Dirt aside, it'll brighten your day to watch your fresh garden grow, and it may inspire you to branch out to fruits or vegetables. With all those herbs, you know you'll have the salad dressing covered!

# Water and Swimming Safety

*From the Red Cross*

---

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming.

If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.
6. Be aware of the danger of rip currents. If caught in one, swim parallel to the shore until out of the current. When free, turn and swim toward shore. If unable to swim to the shore, call out for help, float or tread water until free of the rip current and then head toward shore.
7. Limit the amount of direct sunlight received between 10:00 a.m. and 4:00 p.m., and wear a broad-spectrum sunscreen with a protection factor of at least 15. Reapply often.
8. Stay hydrated. Drink plenty of water regularly, even if not thirsty. Avoid drinks with alcohol or caffeine in them.
9. Protect the eyes by wearing sunglasses that will absorb 100 percent of UV sunlight.
10. Wear beach shoes. The sand is hot and can burn someone's feet and glass and other sharp objects can cut them.
