# Homeowners of Oak Crest / Acorn Residents, Inc.

By Donna Tope, President. Lot #648 727-474-3443

I just talked to a neighbor about a cat running around his place. Since this was brought up at our meeting in September, I thought it might be worth a mention here. We do seem to have an increasing number of cats who are allowed outside or maybe even live outside permanently. They do help control rodents, which we are grateful for. However, they get under homes and in the winter tear into the vapor barriers trying to keep warm. If you do have a cat who goes outside sometimes, please make sure they are in at night. And please, please, please do not let a cat out if they are not spayed or neutered. The population increases incredibly quickly when they are not fixed! We will bring this up to management at our next meeting with them. They may need to get Animal Control out here to round up cats who are allowed to run, since it is against the rules.

The current board has been together for at least a year for the most part. In January we will all be running for election, since we were ALL appointed. We want to get back to the proper way of being on the board, which is to elect 3 people one year, 3 the second year and 2 the third year. So to start, we will all run. We do, however, encourage anyone who might wish to serve to get nominated and also run for election in January.

Also, if you have vegetation around your mail box, please be sure it is trimmed at least 6-8 inches below the tube used for notices and the Messenger. Bees sting and snakes startle – both have happened.

Our December meeting is cancelled due to so many activities happening at the clubhouse. We couldn't find an available date that would work.

Merry Christmas and Happy New Year to all!

Per Article II of the By-Laws of the HOA, all owners are members and are to pay a \$10.00 annual fee as a part of ownership. If your home number appears below, you have paid the current year fee. If it doesn't show, you can drop off \$10.00 at Lot 291 (Ed Hahn, treasurer). Ed is also willing to come pick up the fee from you, just give him a call at 727-519-3023: 2,3,14,15,21,24,29,30,33,41,48,54,63,65,67,68,72,76,82,84,85,88,89,92,94,98,101,103,107,108,125,127,128,133,134,136,137,142,149,152,154,166,167,170,172,178,181,186,187,188,192,194,206,218,222,224,232,233,234,239,241,247,249,250,258,259,260,261,262,263,270,272,273,274,277,281,283,284,285,290,291,292,295,297,298,305,308,312,313,314,315,318,322,328,329,330,331,332,333,334,335,336,340,343,346,347,348,352,356,357,361,367,370,373,376,378,380,381,383,384,385,387,389,390,392,394,395,396,397,402,404,406,407,414,415,416,418,419,420,422,426,427,446,430,437,438,440,442,449,453,454,455,456,458,462,466,467,468,471,476,477,487,489,490,491,496,498,507,510,512,523,526,528,536,539,540,541,544,547,555,556,564,565,566,577,583,593,597,598,602,607,609,610,612,616,619,620,625,626,628,629,631,635,636,639,645,646,648,650,653As of 9/30/17

### Here Vultures Fly

by Rudy Rodrigues

This is the narration of the personal experiences of the author, Rudy Rodrigues, during his ten years of service with the United Nations in Afghanistan, where he was engaged in emergency relief and later rehabilitation programs in close collaboration with the Communist government, the mujahideen, the Taliban, and the post-Taliban government.

The author was responsible for opening the first UNICEF office in Kyrgyzstan soon after the collapse of the Soviet Union in a unique environment and culture. During this time, he was working with a government unfamiliar with the United Nations and its goals and objectives. In addition, the Kyrgyz population was traumatized by this sudden period of transition and uncertainty. A major focus of the author's work was gaining the confidence of the government in Uzbekistan and to ensure the building of meaningful partnership programs for women and children.

This book also covers the adventures, romance, and thrill of being born and raised in Kenya; serving as an officer in the army; the challenges of working in Papua New Guinea; and having the glorious opportunity of working in the UN in different parts of the world with a multiethnic/multicultural community.

#### About the Author

*Rudy Rodrigues was born and raised in Kenya. He graduated from the Royal Military Academy Sandhurst and the British Army Staff College. He was commissioned and served as an officer in the Kenya Army in both command and staff appointments. Resigning after sixteen years of active service, he then immigrated to Canada with his wife and three children.*

*Later, Rodrigues was appointed country director of a Canadian NGO in the Sudan, with a mandate to provide leadership, strategic planning and the delivery of UN (WFP) emergency relief supplies to the more than three million starving people displaced by the famine of 1985. He did so using a fleet of 350 cargo vehicles and a staff of over 3,000 people. This trucking operation was later taken over by the UN, and Rodrigues served as its Director.*

*In 2006 Rodrigues ended his career, and moved from Afghanistan, where he was last working with the United Nations. He retired to Winter Park, Florida where he lives today, and enjoys traveling, writing and spending time with his family, children and grandchildren.*

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

## Control that holiday glow

Candles are a popular holiday decoration, but they're also one of the most dangerous. It's important that you follow these precautions to prevent full-blown fires:

- Never leave a lighted candle unattended.
- Always put candles in a metal or ceramic holder. Never place them in combustible containers or ones that can melt.
- Put out candles once they get within two inches of their holders or decorations. This is especially important to follow with natural or plastic decorations that often grace holiday candle holders.
- Keep wicks trimmed to a quarter-inch.
- Never burn candles near things that can catch fire—including Christmas trees and curtains.

## Be safe on your bicycle

Bicyclist deaths have risen significantly in recent years, and adult men, not kids, are most often the victims, according to the Medline Plus website. In 2015, the most recent year figures are available, biking deaths rose 12 percent. Of the 818 fatalities in 2015, a hefty 85 percent were men, with an average age of 45.

A report by the Governors Highway Safety Association noted that bikers often believe they have the right of way and are unable stop in time to avoid a collision. Drivers also often don't see bikers until it's too late.

Intersections aren't the most dangerous area. Seventy-two percent of bicycle fatalities occur away from intersections. More than half take place between 6 p.m. and 6 a.m.

Alcohol, whether consumed by the biker or the driver, is also a factor in 37 percent of collision deaths.

**If we are creating ourselves all the time, then it is never too late to begin creating the bodies we want instead of the ones we mistakenly assume we are stuck with.**
