Homeowners of Oak Crest / Acorn Residents, Inc.

Diane Rice, President, Lot 636, 828-230-7249

It's February already; time seems to be flying by. In January a new HOA board was elected. It is with a heartfelt thank you to Ed Hahn for the phenomenal job he did as both secretary and treasurer for all of us. He was the glue that held us together during all of the negation meetings and finally the mediation. We wish both Ed and Ramona God speed and blessings as they begin the new chapter in their lives. They will be missed. Also, Steve Weiss has stepped down as vice president. Some of you may not know that many of the changes made to make the park safer were due to Steve's experience and his attention to detail. We owe him many thanks for his diligence and commitment to our community. We wish him well. And Rhonda Gillispie has stepped down as director. She brought her experience as a community leader to us and we benefited from her ability to think outside of the box; I will most likely seek her advice from time to time. With many thanks Rhonda, we will miss you.

There will be some changes to the scheduled meetings of the HOA board in the coming year. We will be meeting quarterly. The changes will be posted on the activities board and in the Oakcrest/Acorn messenger. The next meeting will be Feb. 25th. . These changes are the direct result of a lack of attendance and interest on the part of the community. I, as well as the board members will be available for any issues any of you may have, our contact information is in the Oakcrest/Acorn messenger publication.

Oak Crest / Acorn Residents' Club, Inc.

Annette Watts, President, Lot 512, 843-457-9599

Our next Residents' Club meeting will be February 4th at 7:00 p.m. The meeting usually lasts about 20 minutes. We then have coffee and donuts afterwards. Please come and find out what is going on in your park. We welcome all ideas and input.

The next pancake breakfast will be Saturday, February 2nd, 8:30-10:00 am. We will be serving plain and blueberry pancakes, bacon, scrambled eggs, sweet roll, coffee and juice. The price is \$5.00 at the door. We do not pre-sale tickets. Please come and support this event. The volunteers who put the breakfast on come in at 6:00am to start preparing for the breakfast.

Connie will be at the pancake breakfast selling tickets for the Valentines party. Tickets are \$6.00pp.

Please note the date change for the next carport sale. It is going to be on Saturday, March 23rd. We will be advertising in many different publications. Start getting your items to ready to sell!

Activities Committee

Connie Toper, Chairwomen, Lot 199, 585-465-2441

As 2018 has come to an end, we start another new year here at Oakcrest. Thank you to all who attended our Christmas Dinner/Dance that was a huge success, everyone enjoyed a good meal & music by Flashback. Our next event was the New Year's Day luncheon & again our residents participated in a great way.

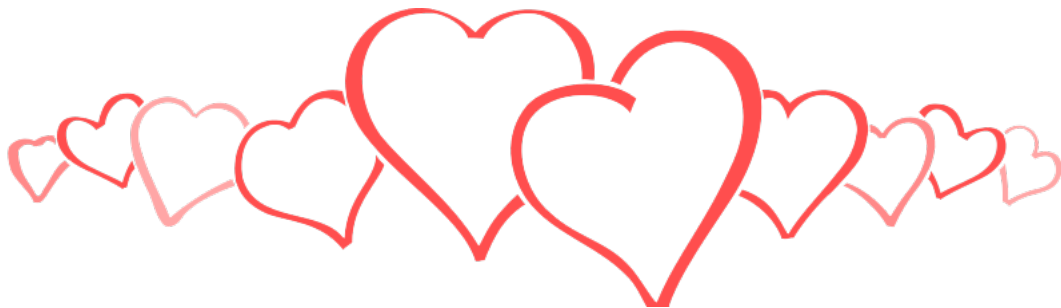

The winner of our "Best Decorated Home" is Joe & Kelly Puzan #220 Basket Oak. There were many beautifully decorated homes this year & congratulations to all those homeowners.

Our next event is our Valentine's Dance on Saturday, February 16. Music by Denise Loo-ney, DJ. We will be serving Cherry cobbler & ice cream for dessert. Tickets are \$6.00 and are available now. (nonrefundable) Cutoff date is Thursday, February 14 or till sold out. Tickets are available from Connie #199 ph. 585-465-2441, Liz # 239 ph. 386-0039 & Joy #615 ph. 588-0323. Also, we will have our 50/50 raffle & a "Surprise" Valentine's basket raffle.

Our Ladies Luncheon & Fashion show that was scheduled for Thursday February 21 has been cancelled due to Bon Worth closing many of its stores. We apologize to those that were looking forward to this event & hope to continue with this event next year.

What is a volunteer. A volunteer is a person who steps forward & freely gives of their time & effort to complete a task. Most activities planned, organized & presented in the clubhouse in Oakcrest are run by volunteers. We all do these tasks to the best of our ability. We appreciate that someone makes themselves available to help. I promise you it is one the best ways to feel part of the Oakcrest Community & to make new friends. Please feel free to leave your name & phone number with one of the committee members if you are interested in being a volunteer.

Again, our committee members look forward to seeing each of you at our next event.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Cave drawing of bull is earliest of its kind

Archeologists have discovered the oldest known drawing of an animal on the wall of a cave in Indonesia, according to the U.S. News & World Report website. It's some 40,000 years old, about five feet wide, and it depicts a bull-like creature in a red silhouette.

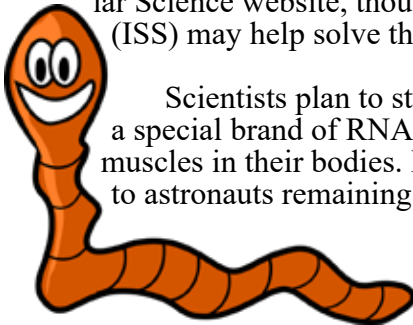

Along with similar drawings on cave walls in Borneo, the drawing sparks renewed debate about the role of art in ancient times. Similar cave paintings have been found in France and Spain, though they're just 33,500 to 37,000 years old.

Cave dwellers began sketching humans engaged in hunting activities and dancing some 14,000 years ago in both Europe and Asia. The findings raise the possibility that humans migrated from Africa to Europe and then Asia, bringing their artistic sensibilities with them.

Invasion of the space worms

Long-term space travel poses many challenges, but one of the most daunting is the loss of muscle mass in a zero-gravity environment. On a voyage to Mars, for example, space travelers could arrive on the red planet too weak to stand. Now, reports the Popular Science website, thousands of worms headed to the International Space Station (ISS) may help solve the problem.

Scientists plan to study muscle atrophy in the worms and then treat them with a special brand of RNA designed to stop the breakdown of protein and preserve the muscles in their bodies. If all goes according to plan, this could alleviate one danger to astronauts remaining in space for long periods of time.

Science is simply common sense at its best, that is, rigidly accurate in observation, and merciless to fallacy in logic.

—Thomas Henry Huxley

Many Americans still worried about their finances

The stock market may be up, but many Americans are still struggling with financial security, according to a story on the USA Today website. A September 2018 Bankrate.com survey found that among people earning less than \$30,000 a year, 78 percent said that their financial situation has failed to improve over the past two years, and many said it had gotten worse. On the other hand, people earning \$75,000 a year or more reported feeling better about their money.

The survey found other divides as well. People 65 and older reported the least financial improvement, and millennials ages 28–37 felt the most improvement. In addition, men reported doing better in earlier years than women did.

Coffee still in demand

We sure like our coffee. The U.S. National Coffee Association’s 2018 National Coffee Drinking Trends report says that the number of Americans who drank coffee in the past day is the highest it’s been in six years.

According to the report, based on a study of more than 2,700 adults 18 or older, 64 percent said they drank coffee within the past day, the highest amount since 2012. This is higher than the growth from 57 percent in 2016 to 62 percent in 2017. The study also found that past-day consumption traditional coffee, defined as “regular coffee” brewed from “gourmet quality” beans, held steady over the previous years, at 16 percent. Similarly, consumption of espresso-based drinks held steady from 2017, at 24 percent.

Try these tips for healthy eating habits

If you’ve already slipped off your New Year’s diet, it’s not too late to get back on track. Just follow these tips for healthy weight loss from the Harvard Health Publishing website:

- Make a list. Keep track of what you eat and drink for at least three days. Include what you consume, where, how much, and so forth.
- Set a goal. Be specific—do you want to lose a certain number of pounds, lower your blood pressure, or something else? Identify strategies for reaching your goal in a reasonable amount of time.
- Anticipate obstacles. What might prevent you from hitting your goal? If a busy schedule might keep you from working out, plan to get up a little earlier. If an empty pantry tempts you to order take-out, spend some time looking up healthy recipes, then go to the grocery store for ingredients and make enough for a few nights of leftovers.
