Homeowners of Oak Crest / Acorn Residents, Inc.

Diane Rice, President, Lot 636, 828-230-7249

The park is quiet these days during the pandemic. I am proud of our community for coming together helping others. Residents have organized the Neighbors helping Neighbors, Cat Miles # 272 and we have a new neighborhood watch leader, Jim Hamilton # 273.

To report on some improvements that have been completed or is in progress.

- A new fence is in the process of being installed along the pond at the Acorn section of the park.
- The hot tub has been resurfaced with fiberglass.

There have been some concerns brought to my attention I would like to address.

1. Political signs are permitted by management.
2. Residents are responsible for keeping the sidewalks clean and debris free. This includes power washing if necessary. The owners of the park are responsible for repair of broken pavement repair.
3. Visitors are permitted for 15 days, any longer requires a background check and approval from management.

To all residents, take necessary precautions, and follow the stay at home directives to continue to be safe from the virus and healthy.

Happy Mother's Day !

Oak Crest / Acorn Residents' Club, Inc.

Annette Watts, President, Lot 504, 843-457-9599

Hope everyone is doing well during these trying times. Unfortunately, we are all in the same boat. We have some very creative people in our community. Thank you to those who painted Easter rocks and hid them around the park. Thank you to all who are having a good time finding them and re-hiding them for others to find.

April is here and hopefully things will calm down by then. (Wishful thinking). Please be kind to Your neighbors and check on them to make sure they are doing well.

There are a lot of people out there who do not know that we have a private web site. If you would like to join send me a request through Facebook. Go to OakCrestAcorn 2018-2019 and send me a request to

Join. This is a private group and only members can see the postings. You must be a registered owner here to be accepted in this group. This is a good way to know what is happening in our community. If you are not in the phone directory you will also have to be verified that you live here. Please send me your name and lot number. I will verify you through the office. The Oakcrest office does not have access to this web site just in case you wanted to know.

Stay safe.

May Days

Hug Your Cat Day, May 1. You should be doing this every day, but in case you're not, today is the day to show your kitty some affection.

Learn to Ride a Bike Day, May 2. Slap on the training wheels if it makes you feel better. The point is, just get on a bike and go for a spin.

No Diet Day, May 6. You don't have to follow the latest trends to change your relationship with food. Start today with a commitment to live a healthier life by decreasing your consumption of junk foods.

Letter Carrier's "Stamp Out Hunger" Food Drive, May 9. Check with your local postal carrier and station to find out what items they are accepting during the largest national food drive in the U.S.

Stay Up All Night Night, May 9. Reconnect with your inner child and have some fun as you stay up (and out) well past the time when the streetlights come on.

Mother's Day, May 10. She carried you in her womb for nine months, and that did a number on her back. Now give her some flowers and take her out to brunch. It's the least you can do.

How to set reasonable goals

Setting a goal is important, but setting a good goal is what really counts. What is a good goal? A good goal usually has a few definable characteristics. Good goals are:

- Specifically focused.
- Neither too hard, nor too easy.
- Shared and agreed upon with others who will be working on them.
- Written down and visualized.

Has pain taken you away from the things you enjoy doing?

If so, find out how stem cell & PRP can help you get them back.
