FROM THE EDITOR

I want to take this opportunity to introduce myself as the new Editor of The Link. My name is Leslie Baker and I am new to the park. Well, not exactly new but a new resident of the park. My husband, Doug is a 3rd generation family member so we have been to the park many, many times.

It is the time of year when many of our residents begin “flocking” back to the north to visit friends and family while missing the hot and rainy season here. Though I did not get a chance to meet many of you, I look forward to doing so when you return. To those of us staying here, I look forward to meeting many of you at events throughout the summer months.

A big thank you to Nancy Platia for taking over the Editor position during the transition time and for all her help as I take over this task. Please direct your articles for any future publications to ljonedog@comcast.net or by phone at 317-691-7338.

I am excited to be a part of the community and to be able to help where I can to make this place a great place for all!

IMPORT – ADDRESS AND PHONE NO. CORRECTIONS

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the Link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

SOUTH CLUB HOUSE PRESENTS MIKKI AND JIM SHOW

When you learn that Mikki Taylor has already racked up over 2,500 performances you've got to wonder when she got started. At the age of 6 Mikki started with her Classical training to dramatic acting, and even ventriloquism. Jim, has a great presence and always gets things moving. He loves to entertain singing favorites from Dean, Frank, and Josh Groban, and his tribute to Neil Diamond and "The King"

Jim and Mikki's duets will have you tapping your toes, singing along. You will feel their love of performance and each other. This is a variety show you don't want to miss.

HOSPICE FUNDRAISER 2018

Carolyn Story

We would like to thank all of you for your generosity and continued support of our annual fund raising efforts for Hospice. This year, once again, we had a packed house for a fun-filled evening of music and entertainment with The Frank and Dean Show. What a great performance it was and everyone not only stayed to the end but left with a smile on their face.

We have been raising funds for this organization for 20 years. A big THANK YOU for all that assisted in so many ways. See you next year.

RCS

Charlotte Ernest 585-5845

Can it really be April already? Many of our northern friends have already departed for the summer. Travel safely, have fun with your families and friends but hurry back, we will miss you!

Let me remind you that summer is vital for RCS food Pantry. With less donors in the area the food supply is less plentiful. The needy people don't go away for the summer, they are still here.

Keep up your generosity here at Palm Hill but remember all staple items **MUST HAVE A CURRENT PULL DATE** and not be opened.

I hope to have the total weight of our door-to-door food drive we held in March soon.

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

2ND, 3RD & 4TH GENERATION LIST

Contact: Carolyn Story 727-585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse as well as on the Palm Hill website. We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

"EXERCISE: THE KEY TO THE GOOD LIFE"

COMPUTER CLUB NEWS

Contact: Ed Becker 727-266-4521

We meet every Tuesday in the South Park Recreation Hall at 1:30pm. In case you don't know about this Club, let me explain. We "hackers" get together every week and talk all about computers. If you have a question concerning a computer issue, bring it to the club. Someone at the meeting will probably be able to help you. It doesn't matter if you are brand new to computing or have had a lifetime of experience. All are welcome! Just bring a smile, your questions, and paper and pencil (in case you want to write something down).

One more thing that is very important, the meetings are free of cost. There are no dues to pay, no secret handshakes, and no scowling faces. We just get together, meet new people and help each other out with computer problems. I sure hope that you join us. See you all at the next meeting.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

PALM HILL NEIGHBORHOOD WATCH

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.
