From the Editor

Robert Donegan 727-586-2387 Email: rdonegandg@aol.com

Things in Palm Hill have been very quiet as is always the case during the summer months. As always we are doing various improvement projects (see Rich Thomas' report). We appreciate our year round residents putting up with the inconvenience this sometimes causes but these changes need to be done for the betterment of Palm Hill.

On another matter, I would like to expand a little on Carl Simon's article this month. As you know, my recently deceased wife, Georgeanne started Helping Hands several years ago. With her passing, Carl stepped in to keep Helping Hands going, but Carl does not want to be the one to oversee this service, but is willing to keep helping out.

Between what my wife had done and with what Carl has continued to do we have a well-organized organization that just needs someone to take over and keep the service going. For those of you not familiar with Helping Hands, it is an organization that through Palm Hill residents serving as volunteers help our senior residents in such things as providing rides to doctor appointments, rides to the grocery store, rides to the airport for those financially strapped, or in some cases just being someone to talk to.

I would like to add my name to Carl's in hoping we can find someone to take on this worthwhile program. This position does not take a whole lot of time, but the ideal candidate is someone who enjoys helping others and willing to enlist others. Carl would be willing to work with anyone willing to take on this responsibility. Ideally we would prefer the person to be under 70 years of age, but only because if we can find such a person hopefully they would be available for a longer period of time; however, persons over 70 are more than welcome to volunteer. If you are interested in this important and satisfying position, call Carl Simon at 727-559-0164.

Manager's Corner

By: Richard Thomas, LCAM

PROJECTS:

The South Pool Filtration tank and associated valves will be replaced in August tentative start date is Monday August 1st. The south Pool and Hot tub will be closed during this project for 2 weeks.

Updating the Street Lights to LED has been completed.

The South Laundry remodeling project has been completed.

North Storage Rooms and Front of Stage scheduled for August.

MOSQUITOES: It is that time of year when rain chances increase and the potential for mosquitoes to breed increases. Standing water can become a breeding ground quickly. Please walk around your unit and remove any containers, planting pots, or anything that might hold water. Keep all trash containers covered.

RAIN: The beginning of July has brought thunderstorms with heavy rains. This trend will probably continue through August. Frequent Lightning and high winds are very likely. When a storm comes thru, stay indoors until the storm passes.

PLANTERS: Please check your planters for weeds, grass. With the increase in rain these can get overgrown quickly.

SOLICITING: Soliciting in the community is not permitted, if you are approached by anyone soliciting during office hours, call the office and I will personally escort them out of the community.

To contact me call the office 727-581-8729 or email me at managerpalmhill@tampabay.rr.com

Hope you are enjoying your summer...

Are You Helping?

Fact: Many homeowners in Palm Hill are helping by recycling, but some are not. Whatever recycled materials that are collected Thursday and Friday are compacted then hauled away by the City of Largo free of charge. All trash/garbage that is collected Monday and Tuesday is compacted and we have to pay the City of Largo \$37.50 per ton to have it hauled away plus a fee of \$200 per haul.

Recycling saves Palm Hill money, and it is the right thing to do.

YOU can help our park ... All you have to do is have two waste baskets, one for trash/garbage and one for the following RECYCLED ITEMS. Here is what can be recycled ...

- Plastic: Look for the triangle on the bottom. #1, #2, #3, #4, #5, #6 or #7 (Butter Tubs, Fruit Containers, Plastic Cups, Yogurt Containers, etc., Any plastic container with the recycling numbers on the bottom)
- Mixed Paper
- Aluminum Foil and Trays
- Tin or Steel Food Cans

Note: You Cannot Recycle: Plastic Bags, Plastic Wrap, Styrofoam or Take Out Containers, or Table Scraps

Why Recycle?

Because ... It's The Right Thing To Do!

Did you know that the Ladies' Golf Association, through the Golf Fore the Cure Tournament each January, has dedicated itself to raise money for Cancer Research for years? We would like you to feel part of this endeavor. Look to future updates on how you can help, on how you can be part of this great fundraiser for Moffitt Cancer Center.

Did you know? The Palm Hill Golf course was originally designed for a municipal golf course. One of the designers was Johnny Roberts, husband of Bonnie Roberts, our very favorite Pro Shop manager

Did you know? The Palm Hill Golf Pro Shop was renamed the “Bonnie Robert Pro Shop” in March of this year. The Palm Hills Ladies Golf Association congratulates Bonnie and thanks her for all her hard work and dedication.

Thank you for your interest, your support. See you in a few months!!!

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

"Exercise: The Key to the Good Life"

Leaders : Connie (586-0313) and Joan

The winter session of the Exercise Program has come to an end. Thank you all for attending and for your continued support. Exercise will continue through the summer as it has in previous years. A special thanks to Sue Bolton, who was instrumental in having a video made of the Exercise Class and to Ron Kaufman, who was kind enough to make the video for us. Have a nice summer and keep on exercising! See you in November.

Shuffleboard News

We have completed a successful Shuffleboard season at Palm Hill. Thanks to our many players over many years, and to Val O'Dell having so many new players in the Nova league.

It has been a year of positive change in our North and South courts, thanks to our Palm Hill manager's belief in getting a job done to keep our home courts beautiful.

Thanks to all our new Shuffleboard members now in place in advance. I'm wishing you all a great summer & will be starting the 2016-2017 season on positive thoughts.

Respectfully,

President, Jan Cote

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

Thank you.

Bocce

Contact Kitty Callahan 727-585-5099

For those interested in playing Bocce, please join us on Wednesday evenings at 6:00pm at the Bocce court in the south area.

Helping Hands

Contact: Carl Simon 727-559-0164

Helping Hands has been relatively quiet since our snowbirds headed north. That is a good deal because a number of the Hands have also left. Please watch out for your neighbor that is living alone. It is very nice to check in with them every day or two.

Another help available to assist older people that are challenged by the aging process is to call the non-emergency Largo Police Department which is 587-6730. They will listen to your concerns regarding your neighbor and make wellness check if it is warranted.

We can make Palm Hill even better by getting an ever better reputation for looking out for each other.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Summer is here, our friends are gone and we need more food donations in the barrels. It is so easy to forget to bring something each time you come to an event. Just look for the good sales and BOGO sales and remember the many needy families we have in Pinellas county.

Enjoy all the good things we have in our Park and our area and have a good summer.

Watch for the dangers of carbon monoxide

Carbon monoxide (CO) is a colorless and nearly odorless gas created by the incomplete burning of solid, liquid, and gaseous fuels. It's poisonous to people and pets, so be careful. Symptoms of the poisoning are:

- Headache
- Fatigue
- Shortness of breath
- Nausea
- Dizziness

To prevent CO poisoning, take these precautions at work and at home:

- Buy and install a CO alarm. Make sure it meets safety requirements, and follow the directions for proper placement and installation.
- Install appliances properly. Most of them should be installed by a professional.
- Check your appliances. Have your heating system inspected and serviced every year.
- Only burn charcoal outdoors. Never burn it in a tent, home, garage, vehicle, etc.
- Make sure you turn off fuel-burning engine equipment when you are inside a garage or basement. Just having the doors open does not ensure your safety.
- Always follow the manual directions when servicing fuel-burning equipment.
- Do not use gas appliances, such as ranges, ovens or clothes dryers, to heat your home.
- If you use a fuel-burning appliance that is approved for indoors, make sure it is vented to the outside following the manufacturer's instructions.
- Install and use exhaust fans over gas stoves.
- Open flues when you use your fireplace.
- Choose the proper size wood-burning stove for your home.
- Have a professional inspect, clean and tune up your central heating system (furnaces, flues, and chimneys) annually.

Lost in translation

Henry was visiting a distant country where he didn't know the language. He managed fairly well with the help of a guide, but on Sunday he wanted to go to church, and his guide had the day off. So he found a small church in the village where he was staying and followed a friendly-looking man inside.

The man greeted him and smiled, so Henry took a seat next to him and decided to copy his every action. When his new friend rose with the congregation to sing a hymn, Henry did the same, finding the hymn by looking at the man's hymnal. When the collection plate came around, Henry put in the same amount of money as the man next to him.

Toward the end of the service, the minister made some kind of announcement. The man next to Henry stood up, so Henry did too. The congregation gasped in shock.

After the service, the minister approached Henry. So Henry's surprise, the minister spoke English. "You don't know a word of our language, do you?" the minister asked kindly.

"Uh, no." Henry was nervous. "Is it that obvious?"

"Well, when I was announcing the birth of a new child and asked the father to stand up..."

The real problem

A little girl was running a high fever with a bad cough and an aching feeling throughout her body, so her father took her to see the doctor. After waiting for an hour, the doctor finally took them into her office for an examination.

"Now, Christina," she said after checking her heartbeat and looking down her throat, "What's bothering you the most?"

"My brother Sam," she replied honestly. "He breaks all my toys!"

High stakes

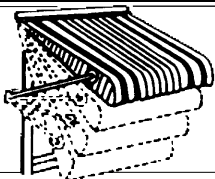

A man walked into a bar and ordered a beer. As he drank, he noticed slabs of beef hanging from the ceiling on hooks. "What's this about?" he asked the bartender.

The bartender smiled. "Well, if you can jump up and pull one of them, we cook it up and give you free beer all night. If you miss, though, you have to put \$100 into the charity jar we keep back here for orphans. What do you say?"

The man looked up, then shook his head. "Sorry. The steaks are just too high."

Act of compassion

In these days of political polarization, this story about acceptance seems appropriate: When former Vice President Hubert Humphrey died, hundreds of political figures from around the world came to his funeral. One was former President Richard Nixon, who resigned from office in the wake of the Watergate scandal. Everyone wondered how the disgraced ex-president would be received.

When then-President Jimmy Carter arrived, he noticed Nixon standing alone. Instead of heading for his seat, Carter walked toward Nixon, held out his hand, and then gave Nixon a hug, saying, “Welcome home, Mr. President, welcome home!”

Despite belonging to a different political party, Carter decided to show compassion toward someone whom many ignored. It was an extraordinary gesture of acceptance.

A life in books

Pulitzer Prize-winning writer Geraldine Brooks’ love of books from a young age was supported by a woman she never met. According to *The Power of Good*, by Mark McCrindle (Hybrid Publishers), Brooks’ grandfather mentioned to a friend named Althea Glasby that his granddaughter loved to read, and so every year for Christmas young Geraldine got a book signed, “To Geraldine, with love from Althea Glasby.”

“I have no idea what this woman spent so much time and thought on a child she didn’t know,” Brooks said as a grownup. “Whatever the reason, I wish I could thank her in person. I wish I could tell her how those books shored up a love for the written word that grew over time into a career and a calling. I would like to give her one of the books I’ve written, nice, hardback first edition. The signature wouldn’t be as fine and fluid as hers, but in my own pedestrian scrawl I would say thank you, for the gifts that helped to lead me to a life in books.”

A costly game

Bill and Fred were playing golf one day. When they came to a hole with a large water hazard, Bill teed up and watched his ball drop into the water. He checked his golf bag and found he didn’t have any extra balls, so he asked Fred to give him one.

That ball, too, went into the water, so Fred gave him another—which also sank. After the third golf ball disappeared into the drink, Fred said, irritated, “You know, those golf balls cost \$10 a piece!”

“Hey,” Bill said, “you shouldn’t play the game if you can’t afford it.”
