## EDITOR'S CORNER:

An essay on the Bill of Rights as 2020 Draws to a Close

By Susan Kerr, Editor

**T**his month in history, on December 15, 1791, the new United States of America ratified the Bill of Rights, the first 10 amendments to the U.S. Constitution. Written by James Madison, the fourth president of the United States, these amendments defined the core rights of citizens to prevent federal government abuse of power over citizens.

In December 2020, reading the 10 Amendments is more than a lesson in history.

The survival of our rights is questioned in our daily headlines, as history is racing past us in 2020.

2020 brought us a year of great advances, achievements and breakthroughs, such as Elon Musk's Space X company's successful launch and return to earth of a manned space rocket, the first time since 2011 of such a launch from U.S. soil. On November 15, NASA and its commercial partner Space X sent five astronauts to the International Space Station, the launch of the Commercial Crew Program. 2020 saw progress toward peace in the Middle East. 2020 showed us a worldwide cooperative search to find treatments and a vaccine for the Coronavirus, research that will likely advance the treatment of many other human illnesses.

With the Coronavirus, 2020 also brought us despair and loss. In 2020, political polarization and division has fostered a growing intolerance that threatens our freedom of speech and right to assemble peaceably. Friends and family members sometimes chose silence or avoidance of discussion on the issues of the day to keep the peace. 2020 saw the use of violence to intimidate public discourse, create fear of assembly, and suppress the expression of individual belief and opinion. At the LINK deadline, the country pondered a possible Supreme Court path to a decision on the outcome of the 2020 presidential election.

In this environment, we would benefit from re-reading the Bill of Rights, the context of its creation, and its meaning today, as we watch, listen to and read the news and commentary; as we try to decipher truth to form our own beliefs about what is happening in the United States and the world today, where we have been, and where we are going.

## FREEDOMS AT RISK

The First Amendment guarantees freedom of religion, speech, and the press, and the rights of peaceful assembly and petition. Other amendments guarantee the rights of the people to form a “well-regulated militia,” to keep and bear arms, the rights to private property, fair treatment for accused criminals, protection from unreasonable search and seizure, freedom from self-incrimination, a speedy and impartial jury trial, and representation by counsel.

We cannot rely on the media for unbiased reporting. It is crucial to read and watch several different sources of information to keep abreast of what is happening. And now we find ourselves questioning our system of voting. We must demand fair and accurate methods to cast votes and count ballots, uniformly across states. When the polls close, the voting should be over, for everyone.

This is a deep and complex problem.

We need to prevent a situation when people give up and do not make the effort to vote.

It is during political crisis and civil strife that our fundamental rights as citizens are most at risk as political leaders offer “solutions” to calm the storm. Vigilance from an engaged citizenry is required, just as it was in 1791 and several times since.

Given the complexities we faced in 2020, public discussion has led some to question whether our democratic republic is threatened. Our rights are at stake – not just in the voting arena, but in freedom of assembly and freedom of speech, and freedom to practice our religion without persecution by others in the public arena. Our freedom to travel freely and assemble in large groups is restricted. Weddings, funerals and family holiday gatherings are now subject to government guidance, and in some places, government mandate. In some places, arrest and fines ensued for violating travel restrictions.

This is a slippery slope. We no longer can rely on our previous assumptions about the common acceptance of what makes a civil society. There is no going back to “normal”. We are creating the future now and as we go. 2020 was a tough year, but we cannot submit to crisis fatigue.

Now is the time to stay engaged and informed.

We can stay safe from a pandemic AND protect our rights.

As 2020 draws to a close, we cannot forget what we have to lose, how quickly our government can dictate where we can go, and with whom and where we can meet – rights guaranteed to citizens in the 10 amendments to the Constitution – the Bill of Rights.

## COOL DESTINATIONS: PALM HILL

*How to Help Yourself As You Age – "Empowering Seniors" event comes to Palm Hill*

*By Susan Kerr*

**P**alm Hill was the Cool Destination to be on Saturday, November 14 when the Largo Police, Feeding Tampa Bay and several other health care companies and organizations that offer senior services conducted an information day and food distribution. By golf cart and automobile, more than 200 Palm Hillers drove through the South Recreation Hall parking area and chatted with representatives from the various agencies.

Residents received bags from each agency, which altogether included hand sanitizer, back scratchers, notebooks, pens and informational materials about Medicare plans, how to avoid being the victim of fraud and scams, how to self-analyze driver skills and safety from the Largo Police, free services through the Area Agency on Aging, a chicken sandwich from Chick Fil A and boxes of food that contained milk, yogurt, apple sauce, canned vegetables and other food.

The organizers received a \$10,000 grant for this event, and chose four senior communities. Palm Hill was one of those chosen for the event. The event was sponsored by the Largo Police.

Volunteers from the BayCare Memory Disorders Center loaded food boxes from Feeding Tampa Bay into residents' vehicles.

Largo Traffic Safety police officers Steve Calderone and Ken Hastings spoke with residents and handed out "Safe Mobility for Life", a book about seniors, driving and mobility during the aging process. Community Police Officer Vu Tran also met with Palm Hill seniors in the drive-by line.

## Medicare Open Enrollment Under Way until December 7

Representatives from Devoted Health Care and WellCare Medicare plans were on hand to distribute information about their Medicare plans available locally.

Now until December 7 is open enrollment for Medicare plans. During this time, seniors can switch Medicare plans with coverage that begins January 1, 2021. Seniors are now getting mailings or emails from their Medicare plans about any changes being made to their current plans. These annual change notices are required by Medicare. Some plans expand services and some restrict or change what they offer. Open enrollment is an important time for seniors to review any changes that may be coming in their plans, and find the plan that will meet their needs in 2021.

Stacie Bolen, director of outreach for the Area Agency on Aging of Pasco-Pinellas was on hand to spread the word about her agency, part of a network of federally funded agencies that provides services at no charge to seniors, including referrals and programs for seniors over 60. “We are all about helping seniors to live independently at home as long as possible,” Bolen said.

Karyn Rizzo, an event organizer, said the “Empowering Seniors” event has been held the last five years at St. Paul’s Methodist Church, with seniors invited to attend. This year, because of the Coronavirus, the event was changed into an outdoor drive-by format and moved to local senior communities. Rizzo is the author of “Aging in America” and said she has worked for two decades in hospital administration and assisted living and skilled nursing facilities. She said several local agencies offer many programs to help seniors navigate the health care system and help them make decisions to maintain the quality of their lives. “The key is to keep aging in your home. As you age, you can have a private room in your own home, or a private room in an institution. Which do you want?”

# PROTECTING DIGITAL INFORMATION AND PRIVACY

By Susan Kerr

One of the handouts at the November 14 drive-by event at Palm Hill advised seniors how to be aware of fraud and scams, and avoid identity theft by protecting their private information.

- A recent message on the Palm Hill Message Board reported a hack of a friend's Facebook account. Some residents reported getting fake emails asking for gift cards.
- A major health insurance company was just fined \$40 million for a 2015 hack that the FBI traced to China that exposed the personal information of 80,000 customers, including its own employees.
- In 2015, Experian, one of the world's largest credit reporting agencies, experienced a hack that exposed information on 15 million people.
- Barnes and Noble announced October 15 the company discovered a hack on October 10 that exposed customer information including emails, phone numbers, home addresses, mailing addresses and billing addresses, as well as purchase history.

A Palm Hill resident received an email from Barnes and Noble on October 15 about the hack, and within days began receiving an excessive amount of emails from unknown addresses, strangers and businesses, and experienced an increased number of phone calls from unknown numbers. Barnes and Noble warned that might happen. The resident recently received two email notices that she ordered and paid for a computer that was being delivered to someone named Dave R. in Cape Coral, Fl. The email appeared to be from Amazon, but she does not have an Amazon account and does not know anyone named Dave R. in Cape Coral, Fl. The Amazon email appeared legitimate, using Amazon's logo.

Spammers and hackers are getting more sophisticated in the appearance of these "phishing" scams that try to get the recipient to click on a link or provide personal information.

Getting an email from yourself to yourself – with your own email address – is evidence of a hack somewhere where your email is on file, or that it has been acquired by spammers or sellers of private information gleaned from a hack. Someone is using or "spoofing" your email address to send out emails that appear as though they are coming from your email address.

In Palm Hill, residents' email addresses are being used in large distribution emails about Park business. The Board of Directors has advised the person sending the emails, a Palm Hill resident, that some residents have complained at the exposure of their email addresses on multi-address group mailings and do not want to receive the emails. Some residents are now opting to hide or delete their emails in the website Member Directory.

## PROTECT EMAILS and PRIVATE INFORMATION

Protecting emails, changing passwords for accounts periodically and monitoring financial and purchasing accounts are techniques cyber security experts advise in this era of cyber hacking. In some instances of hacked information, experts advise putting an alert on one's information with the three credit agencies and notifying banks and other financial institutions.

Some computer programs and email servers allow the blocking of unwanted phone numbers. Some email programs allow the blocking of a sender's email address or will recognize the

*Continued on page 14*

spam email address and send it directly to the junk file. The methods vary according to the email service. Instructions on how to block emails, and unsubscribe from group marketing or spam email lists can be found through research online and at your mail service's website.

## PALM HILL ELECTION NEWS

**M**eet the Candidates Event set for December 29 – by ZOOM webinar  
Palm Hillers will get the chance to meet the candidates who are seeking a seat on the Palm Hill Board of Directors via a ZOOM webinar scheduled for December 29.

After the “ZOOM in on Candidates” virtual event, the ZOOM video will be posted on the Palm Hill website in a new Elections Section to be set up on the website – palmhillcountryclub.net. Candidate bios will be posted there. An email blast will let everyone know when the Election Section is available on the website.

That December 29 date for the ZOOM webinar is within a few days after shareholders will be receiving by mail the annual meeting and election package, scheduled to be mailed Dec. 21 from the Palm Hill Manager’s Office.

That mailing will also contain the candidate bios and the voter ballots, as well as the annual meeting proxy, which can all be mailed back to the Palm Hill Office. The election and annual meeting are set for January 21, 2021.

Each year, three seats on the nine-member board of directors become available. This system of overlapping terms allows a continuity of knowledge and experience on the Palm Hill board. The “ZOOM in on Candidates” event is being planned and will be produced by the volunteer Communications Committee.

The time for the ZOOM candidates’ webinar will be announced in December via a Webmaster email blast and posted on Channel 732 and in the new Election Section on the website. Instructions on audience participation will also be announced closer to the event.

The Communications Committee, through Chuck Silcox and Jean Stjernstrom, have been helping to facilitate the board meetings via ZOOM. The Committee will continue to advise Palm Hill on conducting virtual meetings, including as committees begin holding formal meetings using the ZOOM technology.

## CORONAVIRUS RESOURCES:

Public Health and Medical Experts say:

- If you are sick do not go to your doctor's office or the hospital.
- First, call your doctor for advice on next steps.
- Staying six feet away from others and wearing masks in public can help prevent the spread of the Coronavirus and other airborne respiratory illnesses.

**Pinellas County Citizen's Information: 727-464-4333 (Press #2 for information on the Coronavirus/Covid 19)**

**Personal Planning:** As you have a Hurricane Plan, consider creating a Coronavirus Plan.

### **An example:**

- A one-page document can contain: Selfie of you, contact info/phone number or email for family or personal emergency contact info, your medical conditions info, your medication list, your doctor's name and number. Share with your family members.
- Insert this document in an envelope marked with large bold letters: "EMERGENCY MEDICAL INFO/RX LIST".
- Consider putting it in a conspicuous place, perhaps taped to your refrigerator door, which will make a handy grab if you have to leave your home for medical care or are ordered to evacuate your home in an emergency.
- Email the document as an attachment to your own email so you always have accessible in your cell-phone.
- (Hurricane plans would include quick access to critical documents/information that you may need for any extended relocation.)

## GENERATIONS LIST

---

*Carolyn Story: 727-585-1579*

Palm Hill continues to attract generation after generation of residents. Once the clubhouses are reopened, you should check the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 81 people currently on the list, including six families of 3rd Generation and one family of 4th Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact Carolyn Story at 727-585-1579. This list is updated periodically and it would be good to have you included.

## EVENTS AND ACTIVITIES – EXCEPT AS NOTED BELOW AND IN THE CALENDAR – ARE CANCELLED.

---

Resumption of activities and listings of events will be reported in the LINK, via Webmaster email and on Channel 732.

Please stay alert to announcements, and check with the listed organizers before assuming the “usual” events or activities are being rescheduled. The calendar and approved event/activity announcements are also on the Palm Hill website: [palmhillcountryclub.net](http://palmhillcountryclub.net).

**Please note:** Event/activity leaders or organizers whose names are listed with a particular activity: please contact the LINK ([linktopalmhill@gmail.com](mailto:linktopalmhill@gmail.com)) when changes are necessary in the information: changes in the name of the listed organizers, changes in times or dates, offerings, etc. Otherwise, the listing from the prior month’s LINK will be carried over to the next month.

## BOWLING LEAGUE

Practice sessions are held Mondays at 1 p.m. at Liberty Lanes.

The Palm Hill Bowling Club has a few openings for full-time bowlers and even more for substitutes.

Masks are mandatory to enter the common areas at Liberty Lanes. No masks have to be worn during play.

New residents and seasoned veterans are welcome. Due to handicaps, all levels of players are accepted and encouraged.

## **GOLF COMMITTEE NEWS**

*Ben Brubaker, Chair: 727-585-1089*

**T**hank you everyone for practicing social distancing, signing in to play and paying to play at the Palm Hill Office if you do not have an annual membership. Daily play continues to be \$15 for 9 holes, \$18 for 18 holes.

Even if you have a red/permanent or yellow/temporary handicap flag you must still adhere to the 90-degree rule when off the cart path.

As always there are no walkers, bicycles or dog walkers allowed on the course since it is now open for golf only.

Thank you for staying safe and please keep enjoying golf on Palm Hill's beautiful golf course as we get through this together.

## **LADIES GOLF ASSOCIATION**

*VP Jessie Walcott (Acting President.) 727-288-7521 or email jessijow1@yahoo.com*

**T**o all Lady Golfers beginner to pro, the Ladies Golf Association tee time is still every Friday at 9:30 am. Although we are restricted by Covid-19 and will not be collecting membership dues, you are all invited to play. We assemble between 9-9:15 a.m. at the pro shop at which time we pick random teams. Strictly social. For those who do not have a yearly course membership green fees still apply.

I hope to see some new as well as regular faces.

I also want to wish Merry Christmas and Happy Holiday to all Palm Hill residents and their families.

## **FREE GOLF LESSONS FOR LADIES SUNDAYS at 3 p.m.**

## **MEN'S GOLF ASSOCIATION**

*Bill Mattingly, VP, email: [Billmattingly2299@twc.com](mailto:Billmattingly2299@twc.com)*

**M**embers should give some thought to how and when individuals could help plan and run activities such as The Men's Champion Tournament and Golf Banquet with the focus on Covid 19 and safety issues. These issues will be discussed at our next meeting. Members should watch for e-mail blasts and posted signs in the clubhouses regarding future meetings of the association.

As per Palm Hill guidelines, all Men's Golf Association functions have been cancelled. We look forward to returning to past activities and meetings as soon as possible.

Two board seats are vacant. Wayne Marshall has resigned his position as president and Don Rice has resigned his position as secretary. Both resignations were influenced by Covid travel restrictions and regulations. Both Wayne and Don have expressed disappointment and are looking forward to returning to Palm Hill as soon as possible.

Association dues, activities and the filling of vacant positions on the Men's Golf Association board will be discussed at a future meeting. If there is other business or news that needs attention, please notify me at my email [billmattingly2299@twc.com](mailto:billmattingly2299@twc.com).

Thanks to everyone for your considerations.

## GEORGEANNE'S HELPING HANDS

*Ted Silva, 508-965-6072*

We had hoped to gradually resume our services and provide transportation again. That has been our message in the LINK for several months. Unfortunately, it is not going to happen and we will continue to wait on the “virus” to determine our next course of action. So, the bad news right now is Georgeanne's Helping Hands (GHH) cannot offer rides, and that will be the case until at least early 2021. The good news (more or less) is that somehow, some way, everyone has apparently been able to do at least the minimum needed to survive.

We understand that the country, the state and the Park are all trying to slowly open up, and with social distancing and other precautions hopefully it can continue. We encourage residents to shop “on-line” with home delivery of food through the supermarkets that offer that service, such as Publix and Walmart. Some residents have been using “Care Ride” - 727-536-7453 or 727- 866-1193. I am seeking and will share information about other means of transportation people reported using this summer. If you know of services, please text me or call 508-965-6072.

If GHH can help you or you can help us, call Ted Silva, 508-965-6072.

## PRAYER TEAM

With the significant restrictions on religious services and church attendance (and thanks to our volunteers) Georgeanne's Helping Hands is pleased to be able to offer a new service: PRAYER TEAM. If you have a need, we have individual volunteers in the park offering to pray with you. The Prayer Team in Palm Hill is Claudia Hartz, Maureen Livers and Bonnie Swanson. Please call Claudia at 315-368-8166 if you have any questions. All social distancing guidelines will be followed.

## “PALM HILL CALLING”

The purpose of the project is to make sure that everyone has contact with someone at least once a day. Most people have friends or neighbors and they routinely check on each other. We now have at least forty “clients” who receive a call from a Palm Hill volunteer.

Palm Hill Calling is available to anyone interested in having this service whether you are a shareholder or renter, full time or seasonal. If you would like to be on our call list and have someone check on you once each day please call Hope Barina at 727-475-7574.

There is no charge for any services from the Helping Hands volunteers, and we do not accept any monetary “tips.” If we can help you, or you can help Helping Hands, please call Ted Silva at 508-965-6072.

## MESCO – SERVICES CLOSED

Linda Simon, 727-559-0164

If you need to return an item or need equipment please call 727-559-0164.

## Religious Community Services (RCS) Food Drive

From Charlotte Ernest, 727-585-5845

It's good to know both club houses are open for bingo and coffee now. I had word from RCS that the need for food is getting even graver as the Pandemic continues, so please remember, when you come to coffee, bring your cup and a can of food for the barrel.

(RCS is the Religious Community Services of Pinellas County, which helps feed the needy of the area.)

## NEIGHBORHOOD WATCH

Peggy Novara, 716-903-2844 and 727-581-6739

Call Largo Police at 727-587-6730 to report suspicious activity. Dial 911 for an emergency or a crime in progress.

Largo Police Department Crime Prevention Officer Vu Tran said there were several other communities near Palm Hill that had incidents around the same time period in April that Palm Hill had crime incidents. He said one community had 3x more “crimes of opportunity” in two weeks.

A crime of opportunity is a crime that is committed because the perpetrator sees they have the chance to commit a crime, such as: dark surroundings, unlocked cars, carts, bikes, homes. Largo Police Department advises all residents to be vigilant.

Leave outdoor lights on at night, use a light timer overnight inside your home, keep doors and cars locked at all times and always be alert.

(A discussion on the Message Board on the Palm Hill website provides examples of how residents’ use of driveway cameras can provide video evidence for police.)
