## From the Editor

Robert Donegan 727-612-6887 Email: rdonegandg@aol.com

We had our annual HOPH meeting on January 13, at which time we elected 3 new board members to replace retiring board members. The new board also elected officers for the coming year. The results of this election are listed under "HOPH Board Information." Please join with me in thanking our new board members for having the courage and interest to serve in this important area. Speaking from experience I know that from time to time serving on the board can be a frustrating experience, but it can also be very full filling. It was my privilege to meet many Palm Hill residents I otherwise not have met. It was also satisfying to see the many projects that were completed to keep Palm Hill as the most desirable Mobile Home Park in Pinellas County.

We are approaching the time when we will be issuing new telephone directories. If you have any changes or corrections to make please get them to Gail Stott and the office no later than February 15, 2016. If you would like you cell phone number published, we will be happy to do so, just be sure that if you have more than one cell phone to be sure to identify the name associated with each number.

## President's Report - January 13, 2016

---

During the past year a number of projects have been completed at Palm Hill. They include; resealing all of our streets and parking lots, painting our tennis and shuffleboard courts and refurbishing the north swimming pool.

There are several projects that are in the process of being completed. Our tie-down program should be finished by the end of January. The Rules and Regulations Committee is currently working on updating our rules and civil engineer Chris Weddle is in the process of finishing a report on drainage problems in the park. This report will be helpful as our Board of Directors address water problems that some of our homeowners are experiencing.

I want to thank my fellow Board members and committee members for the hard work you do for Palm Hill. It is easy to forget that all of you are volunteers. I also want to thank all of the homeowners who volunteer for the numerous activities that we have in our park. When you look at the monthly calendar in the link or information listed on channel 98 you will see that each day there are multiple events going on. This would not be possible without our dedicated volunteers.

We have two other Board members who are not running for reelection. They are Linda Peterson and Thom Brown. Linda put a tremendous amount of time and effort into Palm Hill. I sincerely hope that all of our homeowners appreciate her contributions. Thom Brown has served on our Board of Directors for six years. One of the most significant projects in the history of our park has been the fence that surrounds Palm Hill. Thom Brown and his co-chairman Paul Myles along with the entire Buildings and Grounds Committee worked extremely hard to accomplish this project.

I want to recognize our Park Manager Rich Thomas and all of our employees. Their hard work and dedication makes Palm Hill Country Club look good and run efficiently.

I also want to recognize my wife Joan. I have benefited from her support for over 40 years.

Last, but certainly not least, I want to thank you the Homeowners of Palm Hill. Your encouragement and kindness is something I will always remember. Thank you for giving me this opportunity.

It has been a pleasure working for you.

Sincerely,

Peter Dougall

President HOPH

## Are You Helping?

---

**F**act: Many homeowners in Palm Hill are helping by recycling, but some are not. Whatever recycled materials that are collected Thursday and Friday are compacted then hauled away by the City of Largo free of charge. All trash/garbage that is collected Monday and Tuesday is compacted and we have to pay the City of Largo \$37.50 per ton to have it hauled away plus a fee of \$200 per haul.

Recycling saves Palm Hill money, and it is the right thing to do.

YOU can help our park ... All you have to do is have two waste baskets, one for trash/garbage and one for the following RECYCLED ITEMS. Here is what can be recycled ...

- Plastic: Look for the triangle on the bottom. #1, #2, #3, #4, #5, #6 or #7 (Butter Tubs,

Fruit Containers, Plastic Cups, Yogurt Containers, etc., Any plastic container with the recycling numbers on the bottom)

- Mixed Paper
- Aluminum Foil and Trays
- Tin or Steel Food Cans

Note: You Cannot Recycle: Plastic Bags, Plastic Wrap, Styrofoam or Take Out Containers, or Table Scraps

### Why Recycle?

Because ... It's The Right Thing To Do!

## Dead Tree Removal in Palm Hill

---

If you have a dead tree on your property and want to remove it, it is imperative that the following procedure be followed:

- First you need a permit from the Palm Hill office to remove a tree. You will need to fill out an exterior alteration form at the Office indicating removal of a dead tree along with a drawing of where the tree is in relation to your home.
- Next, our Manager, Rich Thomas will fill out a City of Largo permit request form and will fax it to the City of Largo.
- The City of Largo will send an inspector out who makes the final decision on removing the tree. The City of Largo issues the permit, and Rich Thomas will pick it up and advise you that the tree can be removed.
- Then, and only then, can you hire a contractor or make arrangements to have the tree removed from your property. The cost of the removal of the tree is the unit owner's responsibility.
- Once the tree is removed, then the City of Largo needs to be called and advised that the tree has been removed, and they will send an inspector to verify that it was the only tree removed.

## "Exercise: The Key to the Good Life"

Leaders : Connie (586-0313) and Joan

---

Exercise workouts are offered to all residents, renters and guests each Tuesday and Friday morning from 9am-10am in the North Clubhouse. A special invitation to new residents. Please wear your park I.D. badge and remember to bring your water bottle and be in your chairs and ready to go five minutes before starting time. Necessary equipment is provided (weights, ropes).

What can exercise do for me? Exercise is necessary for the following reasons:

- Keeps the brain sharp and alert
- Balance training helps prevent falls
- Keeps your joints moving by keeping the muscles around the joints strong
- Keeps bone and cartilage tissue strong and healthy

Improves your overall health and fitness by giving you more energy, helping you sleep, controlling your weight, making your heart stronger, decreasing depression, and improving self-esteem and sense of well-being.

"Strong Men And Women Stay Young"  
Look forward to seeing you there.

## 2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

---

**P**lease check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

## Helping Hands

---

Helping Hands is an organization of volunteers who help our Palm Hill neighbors who need help. Some of the services we provide are trips to the doctor, help with shopping and other day to day needs that may come up.

In addition to Helping Hands, there are other means of transportation help available. "Neighborly Care"

Provides transportation to doctors' offices for senior citizens. You must fill out an application, which is available by calling 727-571-4384. Their hours are 9:00 AM to 2:00 PM, one ride per week; they need 7 day's notice, and there is no charge. Donations are accepted.

Also, Morton Plant Hospital has a Care Van that provides rides to certain doctors. You can check with the volunteer department of Morton Plant Hospital, 462-7000 to see if your doctor is in the program.

Another option, P.S.T.A. has a program called "Dart" that provides transportation to doctor's offices, shopping, etc. Cost is \$4.00 each way. Call 727-540-1800, and ask for the Dart Program.

## Computer Club

*Ed Becker For computer answers, call 727-266-4521)*

---

I wish you all a very Happy & Healthy 2016, from my home to yours. I also want to welcome you all back to the warm Florida sunshine. Now that the New Year has begun, what better time than now to meet old friends, make new friends and learn new things about computing.

There have been so many new computing items that have recently become available, that we will have plenty to talk about. I know there will be questions, but remember it's new to me too. Together, we will find the answers. That's when we have the most fun. Of course, we will talk about 'all' computer related questions & comments that you may want to discuss.

For anyone new to Palm Hill, the club meets every Tuesday afternoon, from 1:30p.m.-2:30 p.m. at the South Rec. Hall. The Computer Club is FREE and open to all Palm Hill residents and, of course your guests. Beginners, Intermediate and "Experts" are all welcome. If you want to take any notes, bring your notebook or paper and pen. I look forward to seeing you all at the Computer Club.

If you have questions or issues and need answers or help during the week, feel free to call me. If you call in the evening, you will either reach my answering machine or Secretary (my wife Wendy). Please leave a message and I will call you back.

We will move slowly between postures encouraging proper alignment and use props for assistance (chairs, straps, etc) as needed. The practice of gentle yoga provides benefits which include increased energy, lower blood pressure, improved memory and balance, as well as developing a sense of calm. If you have never tried yoga, now is the time. Everyone is welcome

Intermediate Yoga is a little bit more advanced and moves a bit more flowing... but is still

M.E.S.C.O. Memories

Did you know?

M.E.S.C.O. is an outgrowth of the service club activity of the Palm Hill Masonic Square Club. They began in 1973, providing medical equipment to residents of Palm Hill free of charge for as long as they needed it. The Annual Los Vegas Night fundraiser began in 1977 in order to raise money to replace and add equipment to the inventory, and to support Shriners Hospitals for Children in Tampa.

The Square club also constructed the Vern Skinner Memorial Building on land donated by Park management, which still houses M.E.S.C.O. inventory. In 1979 the Square Club loaned out 279 pieces of medical equipment to the residents of Palm Hill.

Today, the activities of the Square Club have been assumed by M.E.S.C.O. (Medical Equipment Service Corp) of Palm Hill and the equipment on offer still is primarily medical, but now also includes Pack'n Play playpens and high chairs for use by your younger guests during their visits.

To learn more about M.E.S.C.O. or to become a member volunteer, contact Don Robbins (727-385-3311)

# Multiply Your Monthly Mania!

As you probably already know; patronizing the advertisers in this newsletter also pays YOU with our Monthly Mania Cash Give-a-Way. We pay out \$400 every month to residents who submit tickets they have received from using the businesses in the newsletter. Winning is easy, just patronize any advertiser in the newsletter, then submit either the ticket or a paid receipt to us for your chance to win!

## Now You Have More Chances to Win!

We are now offering unlimited entries into our Monthly Mania drawing by just *SUGGESTING* a business to advertise.

Here is how it works:

1. Call our office and suggest a business to advertise in the newsletter
2. We will take down your information (name, address, phone number) and enter you into the next month's drawing for over \$400 in cash prizes
3. The more businesses you suggest, the more chances you have to win.  
*(To qualify each resident can only suggest a business once)*

### What businesses would you like to see advertising?

We have spots available in the following categories:
