## FROM THE EDITOR

I know we all say this but...Wow how time flies here in Florida. Doug & I have now been here for a year and it seems like only yesterday we were moving in. We have experienced a lot in this time from our first tropical storm to Doug's 1st Flight golf championship to seeing no snow or below zero temperatures! I have to say we have been greeted with open arms by everyone in the park. We have a GREAT group of people living in this community! Palm Hill is run by some fine people who really care a lot about the park itself, as well as the people in it. Those who take care of the grounds, sit on committees, run the various social activities and so many more have created a fantastic place to live...THANK YOU!

Please contact me if you have any information to share in the Link. [ljonedog@comcast.net](mailto:ljonedog@comcast.net) or 317-691-7338.

Until next month,  
Leslie Baker

## IMPORTANT – ADDRESS AND PHONE NO. CORRECTIONS

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the Link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

## IMPORTANT NOTE FROM RULES AND REGULATIONS COMMITTEE

*Co-Chairs: Jane Garner and Bob Newport*

---

In the past several years, Residents have started to make alterations to their property without going through Proper Procedures. According to our Rules and By Laws, ALL Outside Alterations must be approved by the Park Manager or Board of Directors. Effective on May 24, 2017 ANY Outside Alterations installed without Proper Approval, may be required to be returned to the original state it was in. Failure to comply may result in being fined \$100 per day, for up to 10 days by the Management. The Rules and Regulation Committee has recently made a survey of all properties, and any changes without proper permissions will be questioned.

## TV COMMUNICATION CHANNELS

---

Our current communication channels are 96, 98.1, & 732 The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

## POSTING INFORMATION ON THE COMMUNICATION CHANNEL

There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: **phcctvcommunications@gmail.com**. If you wish to have your notice included in the next months Link, add the email address of the Link Editor, Leslie Baker at [ljonedog@comcast.net](mailto:ljonedog@comcast.net) . By using this E-Mail address your notice will always get to the person monitoring the system as well as the Link Editor. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the TV system.

# GEORGEANNE'S <HELPING HANDS>

CONTACT TED SILVA 508-965-6072 (Coordinator)

**SO YOU'RE NOT COMFORTABLE DRIVING  
BUT STILL WANT TO ASSIST ?  
*WELL, NOW YOU CAN!!*  
GEORGEANNE'S HELPING HANDS STILL NEEDS HELP!**

## **We need VISITORS!**

### **OK- what does THAT mean???**

We need people to help with "SHUT-INS." While all of us **SNOWBIRDS** are **back up north**, that means there are fewer neighbors to meet with and talk to. Gerogeanne Donegan had this vision also,..... that **HELPING HANDS WOULD BE ABLE TO PROVIDE VISITS AND COMPANIONSHIP** to residents who are alone, or stuck in the house most of the day. And YES, there is a need for this type of assistance in Palm Hill! So, if you would like to volunteer and be on our "call list" to maybe stop in or check on someone who needs a visitor ..... PLEASE LET ME KNOW.

It is totally non-committal. I coordinate between our "clients" and our volunteers. If someone calls because they would like to have some company on a particular afternoon I'll start calling our list of volunteers. If it's convenient for you to drop by and see them that would be great. If you can't, that's fine too!

*There are no explanations and OF COURSE, no commitments required!!!*

**We need both year round and snowbirds, BUT YEAR ROUND VOLUNTEERS are needed..... RIGHT NOW!**

*So....* Please call me (508-965-6072) and I'll explain what's involved, OR email [tedsilva@comcast.net](mailto:tedsilva@comcast.net)

Thanks ted

**T**he RCS barrels are OVERFLOWING because of the generosity of our Palm Hill friends! Our Northern friends are heading out for a few months and they have been cleaning out their pantries, which accounts for a lot of it.

The Park is beginning to settle in for the summer when it will be hot, quiet and I, for one will be anxious for fall. Let's remember when we go to coffee to always bring our cup and one staple item, not outdated, for the RCS barrel. With so many people gone the food is not as plentiful.

## **2ND, 3RD & 4TH GENERATION LIST**

*Carolyn Story 727-585-1579*

---

**P**lease check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse as well as on the Palm Hill website. We now have 81 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

## COMPUTER CLUB NEWS

Ed Becker 727-266-4521

Here it is July 2017 and summer is in full swing. I can't believe that so many people that attend the Computer Club have packed up and headed back to their Northern homes. My fellow hackers, you will be missed here in Palm Hill.

The Computer Club will hold its' first meeting for fall on October 3. I do look forward to seeing all of our beginners, intermediate and expert hackers at every meeting.

Remember, there is no such thing as a stupid question. Ask! We will get you an answer.

To those of you remaining in Palm Hill, keep my number handy. I am usually in Palm Hill and you can always leave a message for me. I'll be seeing you around the Park.

## YOGA FOR BODY – YOGA FOR MIND – YOGA FOR LIFE.

Have a wonderful summer and we'll see you again in the Fall.

## PALM HILL NEIGHBORHOOD WATCH

**Please: Always call Largo Police to report suspicious activity  
(727) 587-6730.**

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

## Artificial intelligence is coming

---

**A**rtificial intelligence sounds scary in science fiction stories and movies, but it's becoming a big factor in business success, according to a report from Tata Consultancy Services. Its survey of 834 executives across 13 global industry sectors found that 84 percent of organizations see AI as essential, and 50 percent believe it will transform their businesses.

AI doesn't appear to be cheap, though. Seven percent of business survey said they invested more than \$250 million on AI in 2016, and 2 percent expect to spend a billion dollars by the year 2020.

## Energy drink and vodka? Think again

---

**E**nergy drinks like Red Bull or Monster Energy are all the rage, and so is mixing them with alcohol for a more potent cocktail, especially among young people. But is it safe? In research reported on the WebMD website, the answer looks like "no."

Canadian researchers analyzed 13 studies involving alcohol mixed with highly caffeinated energy drinks. They found a higher rate of injury among people indulging in such cocktails compared with simply drinking alcohol by itself. Injuries included car accidents, falls, violence, and suicidal behavior.

The authors point out that the stimulant effects of energy-drink caffeine can mask the impact of alcohol, even though alcohol still has an impairing effect on the body and the brain.

## Watch your waist in your 40s to avoid dementia later

---

**C**arrying belly weight during the 40s appears to increase the risk for dementia in the 70s, whereas carrying extra midsection weight later in life isn't as accurate an indicator. Researchers say these findings are disturbing because 50 percent of adults in the United States are considered abdominally obese.

Researchers at Kaiser Permanente studied 6,583 people who were between the ages of 40 and 45. An average of 36 years later, 16 percent of the participants—who had been measured for abdominal density—were diagnosed with dementia. Abdominal obesity increased the risk of dementia regardless of whether people had normal overall weight or were overweight or obese overall—and regardless of the health conditions including diabetes, cardiovascular disease, and stroke.

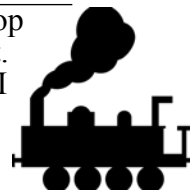

## A simple answer

---

A seeker of spiritual truth decided to visit a very wise sage who lived on top of a mountain. The seeker climbed for weeks to make the painful ascent. When he finally reached the wise man's home, he asked, "What should I do to make my life happier?"

The sage responded, "To begin with, the next time you come to visit me, start on the other side of the mountain and take the train to the top."

## The wrong answer

---

Two applicants, Smith and Jones, applied for work at an organization that had only one open position. The hiring manager sat the two of them side by side to take an aptitude test. When time was up, she found that both applicants missed only one question—the same one. After studying the results, the administrator announced that although both candidates had given the same wrong answer, candidate Smith had won the job.

"Wait a minute," Jones complained. "How can one wrong answer be better than another?"

"Well," the manager said, "on the one question you both missed, Mr. Smith wrote, 'I don't know this answer.' You wrote, 'Neither do I.'"

## The best listener

---

A speaker arrived for his presentation at a high school graduation and immediately became uneasy. The crowd was full of families talking with each other. Their small children ran around the gymnasium, shouting happily. It was not a crowd looking forward to a speech; people just wanted to see their kids graduate.

The crowd paid little attention to the speech. He tried all the attention-getting tricks he knew—changing the volume and pitch of his voice, walking about the stage, telling his funniest stories—but nothing worked.

Then he saw one man looking directly at him, smiling and nodding his head. The speaker remembered the value of focusing on a sympathetic listener. By concentrating on giving that one person the very best speech he could, he made it through the presentation.

Afterward, the principal of the school asked, "Would you like to meet any of the audience?" The speaker, wanted to thank the man on whom he'd relied to finish his speech. "Yes, I'd like to meet that gentleman over there."

"Certainly," said the principal. "But you know, of course, that he's completely deaf."
