From the Editor

Robert Donegan 727-586-2387 Email: rdonegandg@aol.com

Make sure you read Rich Thomas' report this month. Rich outlines 9 projects that are being done this summer. All of these projects are to repair problem areas or are for the general improvement of Palm Hill. I point this out just to make everyone aware of what it takes to keep Palm Hill looking good and to continue being one of the best parks in Pinellas county.

I would also like to point out Rich's comments on shelters to go to in the event of a hurricane as well as other hurricane preparedness information. We hope this doesn't happen, but we need to be prepared just in case.

Finally, I am splitting my time this summer between Palm Hill and Illinois but will continue doing the Link. If you have material for the Link, the best way to get it to me is by E-Mail. If you need to talk to me, you can reach me on my cell phone at 727-612-6887.

Have a great summer.

"Thank you for doing a very professional job on my roof. I am not easily pleased with most contractors, ASC is the exception! Your crew was on time, sometimes even early. There are no leaks and it looks great. ASC was not the cheapest, which proves you get what you pay for."

Are You Helping?

Fact: Many homeowners in Palm Hill are helping by recycling, but some are not. Whatever recycled materials that are collected Thursday and Friday are compacted then hauled away by the City of Largo free of charge. All trash/garbage that is collected Monday and Tuesday is compacted and we have to pay the City of Largo \$37.50 per ton to have it hauled away plus a fee of \$200 per haul.

Recycling saves Palm Hill money, and it is the right thing to do.

YOU can help our park ... All you have to do is have two waste baskets, one for trash/garbage and one for the following RECYCLED ITEMS. Here is what can be recycled ...

- Plastic: Look for the triangle on the bottom. #1, #2, #3, #4, #5, #6 or #7 (Butter Tubs, Fruit Containers, Plastic Cups, Yogurt Containers, etc., Any plastic container with the recycling numbers on the bottom)
- Mixed Paper
- Aluminum Foil and Trays
- Tin or Steel Food Cans

Note: You Cannot Recycle: Plastic Bags, Plastic Wrap, Styrofoam or Take Out Containers, or Table Scraps

Why Recycle?

Because ... It's The Right Thing To Do!

Leaders : *Connie (586-0313) and Joan*

The winter session of the Exercise Program has come to an end. Thank you all for attending and for your continued support. Exercise will continue through the summer as it has in previous years. A special thanks to Sue Bolton, who was instrumental in having a video made of the Exercise Class and to Ron Kaufman, who was kind enough to make the video for us. Have a nice summer and keep on exercising! See you in November.

Shuffleboard News

We have completed a successful Shuffleboard season at Palm Hill. Thanks to our many players over many years, and to Val O'Dell having so many new players in the Nova league.

It has been a year of positive change in our North and South courts, thanks to our Palm Hill manager's belief in getting a job done to keep our home courts beautiful.

Thanks to all our new Shuffleboard members now in place in advance. I'm wishing you all a great summer & will be starting the 2016-2017 season on positive thoughts.

Respectfully,
President, Jan Cote

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

Helping Hands

Contact: Carl Simon 727-559-0164

Helping Hands will assist residence with driving to appointments including Doctor Appointments, picking up groceries, hair appointments etc. The intension is to serve residents in our community of Palm Hill who need that little touch. During this summer period when so many folks are enjoying their other residence or vacationing away from Palm Hill, there are fewer volunteers here to provide services. We will do our best to fill all requests but do hope people will understand when it cannot be accomplished. It is helpful if trips can be planned several days ahead.

Last month I asked for relief so that I can return to being an Indian. I will soon be putting an end date on my time as Chairperson. Please step up to invest an hour or two a month to this wonderful program that Georgeanne established for Palm Hill.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Computer Club

Ed Becker For computer answers, call 727-266-4521)

The computer club continues to meet each Tuesday from 1:30 to 2:30PM in the South Clubhouse. If you have computer questions, please feel free to join us.

Making room

A farmer lived in a small house with his wife and six children. The lack of space was driving him crazy, and in desperation he sought advice from the local rabbi.

The rabbi listened sympathetically to his problem. “I can help you,” he said, “but you must do exactly as I say.” The farmer agreed.

“Do you own any animals?”

“Yes,” the man said. “I have a cow, two goats, and some chickens.”

“Good. When you get home, bring all your animals into the house with you.”

The farmer was puzzled, but he did as the rabbi advised. The next day he returned, complaining, “Rabbi, the animals are all over my house! What should I do?”

“Go home and take the chickens outside,” the rabbi said.

The man went home and took the chickens away. The following day he went back to the rabbi’s house. “The chickens are outside, but we still have two goats and a cow getting in the way.”

“Take the goats back outside,” the rabbi instructed.

The day after that, the man returned again. “The goats are out in the yard, but the cow is everywhere.”

The rabbi nodded. “Now take your cow back to your field.”

The farmer came back smiling the next day. “It’s amazing! The house is quiet and we have room to spare! Thank you, rabbi!”

Not so obvious

A math professor had a very rapid and hectic lecturing style. He often simply turned his back on the class and scribbled equations on the chalkboard while speaking so fast many students couldn’t keep up.

One day a student asked a question about one of the problems. The professor replied, “Well, that’s obvious!” But the student persisted. The prof listened thoughtfully, nodding, then went out into the hallway to think. He paced the hall for 10 minutes, then returned to his classroom.

“I’ve thought it over,” the professor said. “I was right: It is obvious.” And he went right back to his lecture.
