EDITOR'S CORNER

Editor: Richard Daw 727-512-2410 PALMHILLINK@GMAIL.COM

Assistant Editor: Denisse Daw 727-512-8040

There's been a lot of conversation recently about who owns what and who controls what in Palm Hill.

What is owned and controlled by the Home Owners of Palm Hill, Inc.? What is owned and controlled by the North Recreation Club? What is owned and controlled by the South Recreation Club?

And, to further complicate the conversation: Who is a member of the cited organizations, and what rights does a member have?

The conversations have gotten complicated. But they don't need to be complicated. Everyone is entitled to his own opinion, but no one is entitled to his own facts. And the facts are simple and plain.

Here are the facts:

The Home Owners of Palm Hill, Inc., is a legally constituted Corporation.

The Palm Hill Corporation owns a lease on the approximately 161.59 acres of land on which Palm Hill is situated. It owns everything on that land except the 1,096 mobile homes in which we live.

Each mobile home owner is a Shareholder in the Palm Hill Corporation.

No one can own a home in Palm Hill without owning a Share.

The Palm Hill Corporation owns all the facilities in Palm Hill: the clubhouses, the swimming pools, the golf course, the tennis courts, the shuffleboard courts, etc.

In legal terms, those items are "real property." The definition of "real property" is property that is fixed in place and cannot be readily moved.

The Palm Hill Corporation is governed by a Board of Directors consisting of nine members.

The Board members are elected by the Shareholders.

The Board hires a Management Company to carry out the daily responsibilities of managing the community.

The North Recreation Club and the South Recreation Club also are legally constituted corporations.

The Recreation Clubs are allowed by the Palm Hill Corporation to exercise certain responsibilities in the use of the various Palm Hill facilities. That includes the Clubhouses.

The arrangement is a matter of practicality and has been in effect for many years.

But the Clubs don't own the Clubhouses or any of the other community facilities. The Palm Hill Corporation does.

The Clubs use the Clubhouses -- and other Palm Hill facilities -- with permission of the Board.

The Board can set terms and conditions for the Clubs' use of the Clubhouses and other Palm Hill facilities.

The Clubs own no "real property."

Now, with regard to the Clubs:

While it is necessary to own a share in the Palm Hill Corporation in order to own a home in Palm Hill, membership in the Recreation Clubs is voluntary.

Each Club registers members each year for a token amount considered to be dues, typically \$1.

In exchange, members get identification badges that identify the current year, and obtain the right to participate in Club activities and to vote in Club meetings.

The Clubs encourage residents to pay the token annual amount. But they don't try to limit participation in Club events to only those who have paid.

Voting at Club meetings, however, has become an issue. Should only those who have paid the annual token amount to one particular Club be allowed to vote at a meeting of that Club?

That's something to be resolved by the Clubs.

That conversation, however, should not wander afield into issues noted at the beginning of this Editor's Corner. It is a matter of fact that the Palm Hill Corporation owns all of Palm Hill's facilities and that the Recreation Clubs are voluntary membership organizations that own no "real property."

There are those who believe the time has come to merge Palm Hill's two Recreation Clubs into one. In contrast to the matter of the Corporation's ownership of all facilities -- which is a matter of fact -- the idea of merging the two Clubs is a matter of opinion, and, therefore, an appropriate subject for discussion.

If such a discussion is to be held, however, it is to be hoped that it will be thoughtful and productive, and that opinions will not be confused with facts.

To conclude, here's our monthly offering of a thought worth thinking:

"Regrets of yesterday and fears of tomorrow are thieves that rob us of joy today."

MANAGER'S CORNER

Richard Thomas, LCAM 727-581-8729 managerpalmhill@tampabay.rr.com

HURRICANE SEASON: Hurricane season starts June 1 and runs through November 30. We were extremely fortunate that Hurricane Irma did not do more damage than we experienced. Now is the time to plan what you will do if a Hurricane is forecast to hit the Tampa Bay area. If an evacuation order is issued, Palm Hill is a mandatory evacuation zone as are all mobile home communities. Should you choose to remain in the park and need medical or emergency assistance, the authorities will not respond as they will be dealing with other emergencies and you should have heeded the evacuation order.

The nearest shelter is Largo High School at 410 Missouri Avenue North; this is a pet friendly shelter but will probably fill up quickly. The two Clubhouses here in Palm Hill are not rated as hurricane shelters and therefore cannot be used by residents as a shelter. Due to liability issues both Clubhouses will be locked down when an evacuation order is issued.

Ensure that your gutters are cleaned out and any pots, chairs, planters or anything that may become airborne are stored either in the shed or inside the mobile. Maintenance is responsible for ensuring that the common areas are secured.

LAWN SERVICE: The Board of Directors has voted to award Brightview Landscape Services the Lawn contract effective June 1, 2019. They will also be doing the Palm Tree trimming currently scheduled for the first week of July.

STORM DRAIN & STREET REPAIRS: The repairs to the storm drains and street depressions on Queen and Fern Palm will start the first week of July.

ON THE COVER

Bonnie Roberts, who staffs the pro shop at Palm Hill's golf course, is approaching her 50th year of association with the course, which began with her late husband, Johnnie Roberts, designing and building it. The following was written by her son, JJ Roberts, a published author, at The Link's request.

Bonnie Roberts was born on the north side of Chicago and was an adventurous little girl. Times were fun but difficult in the depression years, and many people struggled. Fortunately, her Father was always able to keep food on the table even though it might not have been steak every day.

Always athletic, she participated in as many activities as the times would allow. Female athletes were not as well accepted as they are today. School vs work was a chore but manageable. She frequently found herself heading out to Tam O'Shanter CC to try to improve her golf game. It was there that she met Johnnie Roberts, a professional trick shot golfer. They quickly fell in love and got married. And then her next adventure began.

World War II was in full swung and everyone was trying to do their part. As part of the war effort, Johnnie and Bonnie went on tour (not professional golfing tour) as part of a select group of individuals to raise money for War Bonds. While touring, they played golf with many celebrities, including Bob Hope, Bing Crosby, Mickey Rooney, Dorothy Lamour, Kaye Francis, and Lana Turner to name a few. Lana Kaye Roberts, Bonnie's daughter, was named after Lana Turner and Kaye Francis.

BONNIE ROBERTS
AND SON JJ.

Johnnie and Bonnie were always a big hit with their trick shots, including balls hit with a driver off Bonnie's hand, foot, and mouth. One great story surrounding their many fundraising travels around the country was a show they put on at Beverly Hills Country Club. It seems Mickey Rooney became enamored of young Bonnie and tried to take her to dinner. Of course, he was shunned and had to move on, disappointed he could not yank her away from Johnnie.

After the war, the couple decided to make their permanent residence in Florida, exploring several locations before settling on Largo. There were several reasons they picked Largo but two of the main ones were safety from hurricanes (Ridge Road is 60 feet above sea level) and close proximity to Bay Pines VA hospital. Johnnie worked with vets returning from the war with handicaps. He taught many vets using prosthetics, wheel chair -- and even those requiring a spotter due to blindness -- to play a reasonable game of golf

Raising two children around golf had its benefits but also some challenges. Lana Kaye took to golf at a very early age with an excellent teacher in her Father and an excellent supporter in her Mother. With that combination, she quickly became known and won 36 tournaments before retiring at the age of 19. At a tournament at Pass-a-Grille with professionals and amateurs alike competing (golf was different in the 50's) Lana won the closest-to-the-pin competition at the age of 7. Johnnie taught Lana the fundamentals of golf perfectly. Bonnie gave Lana the confidence and skill to compete at golf and deal with all the surrounding components.

Bonnie and Johnnie continued their life as golf professionals with Johnnie focusing on teaching and performing while Bonnie focused on the business side of golf, managing everything else and the family. Their lives took them from Pinellas County courses in the winter to courses in Illinois in the summer. Their son, John James Roberts, Jr. (JJ) likewise was born into the game of golf but never quite became the golfer that Lana was. However, he did get to hit golf balls in Madison Square Garden as part of the Golfing Family of Johnnie, Bonnie, Lana Kaye, and JJ. Johnnie hit his amazing trick shots off 3-foot-high tees, bouncing rubber bands, and of course Bonnie's mouth. Bonnie hit shots straight to the pin in a grouping under 5 feet, Lana pounded tee balls out to perfection, and, believe it or not, JJ managed to get a few off the tee too at the age of 3.

As their children grew up, Bonnie "forced" the family to travel less and stay more full time in Largo. Bonnie was definitely a "Family First" Mother and Wife and knew this would be a better choice. She knew JJ was not going to be a golfer and she did everything she could to convince Johnnie of that. JJ's love was football, baseball, and track. She supported 100% of his efforts and worked hard to promote juvenile sports in the area. She started the Largo Blue Devils so he would have a place to play football and was the main volunteer for the Largo Little league as he played for the Largo Pirates.

Both Johnnie and Bonnie volunteered continuously for things around the Pinellas County community and encouraged their children to do the same. During one Christmas Parade when Lana was 7, Bonnie suggested that the Chamber of Commerce have a float and Lana would

hit peegee balls off the float to the children. She rode along teeing up the balls while Lana hit them to the children lining the street. For JJ, she relentlessly supported his efforts (even when he was 'less than perfect') and helped him get an athletic scholarship to Georgia Tech.

In the late 60's the orange groves in Pinellas County were giving way to a new fad, mobile home parks. Seeing this trend, Johnnie and Bonnie worked to convince the Palm Hill Group to put a golf course in the complex. Convinced it would be a great draw when none of the other parks had a similar facility, they received permission as long as they would design it and build it. JJ and his Dad would argue constantly, while Mom refereed. JJ was convinced the course was too short and his Dad would say, "I'm not building it for you. I'm building it for retirees 55 and over. When you can break par consistently at Palm Hill, then you can complain." JJ never got the opportunity to complain.

During all this, Bonnie kept the peace and helped Palm Hill CC become what it is today. There are great people at Palm Hill and she constantly tells her family how pleasant it is to work with such good people. Bonnie has kept her family in great shape, most of the Palm Hill people happy, and lived a life of giving and caring. Next year, 2020, will mark 50 years of giving to Palm Hill and many, many more years giving to her family.

Bonnie has been a dedicated resident of Largo, living at the same address for over 60 years. In fact, she has been such a strong part of Largo that when they renumbered the streets, she was allowed to keep the house number of 904, the only even numbered home on the odd numbered side of the street. She has a son, great son-in-law, daughter-in-law, four grandchildren, two great grandchildren, and a lot of people at Palm Hill in full support of everything she has done for everyone.

REFLECTIONS

An occasional presentation by a Palm Hill resident of a memory involving our community. Submissions are welcome. The following is by Dick and Phyllis Beckwith.

In 1987 a "Minstrel Show" directed by Ernie Malafonte, with a large cast of singers, dancers and a small instrumental trio, delighted sell-out crowds in Palm Hill. It was followed in 1988 with "There's No Business Like Show Business," a salute to Broadway. Ernie had a large marquee built above the stage and curtains (sheets dyed green) hung on a wire over the stage. Those remained for many years and were used occasionally.

In March 1994 an original musical show "A Dream Come True" was performed by a large cast of Palm Hill residents for two weekends in the South Hall. This show, written and produced by Maryellen (Roy) Cole was a huge success! Each Rec Club received \$2,000 profit! It was such a hit that all those involved decided to form The Palm Hill Players to develop future shows, and over 100 residents signed up to take part, choosing acting, singing, dancing, back-stage, costumes, make-up, ushering, ticket-selling.

The proceeds from the initial show allowed the Players to enlarge the stage in the North

...continued on page 14

Hall and to purchase full theatrical curtains, improve the North sound system, lighting, a new piano -- all put to good use for Palm Hill's entertainment!

Over the years the Players have presented a show every year -- each one unique with changing "Players." There were dancing girls -- skits -- jokes -- lots of chorus and solo singing -- beautiful costumes -- WANNABEES -- instruments -- a lot of laughs -- if we made mistakes the audience loved it!

Twenty-five years bring many new faces and mark the passing of many players -- all of whom have brought their unique presence and talent -- we are glad to have many programs, pictures and above all -- memories and reflections on our years at Palm Hill and having a part in promoting and performing with Palm Hill Players -- break a leg!

DICK AND PHYLLIS
BECKWITH

P.S. from Phyllis: I believe I am the only singer from the 1987 "Minstrel Show" still at Palm Hill -- I was recovering from my second round of chemo and had to wear a wig to hold up my top hat!!

TV ANNOUNCEMENTS

To get the latest Palm Hill announcements, tune your TV to Channel 732.

To submit information for posting, e-mail it to PHCCTVCOMMUNICATIONS@GMAIL.COM.

If you are unable to e-mail your notice, hand deliver it to the person responsible for updating the channel. That person varies from time to time, but the current name always appears on the channel.

WEEKLY COFFEES

One of the several ways to know what's going on in Palm Hill is to attend the Monday and Wednesday coffees gatherings. In addition to the caffeine, current information flows. The Monday coffee is at the North Clubhouse, sponsored by the North Recreation Club. The Wednesday coffee is at the South Clubhouse, sponsored by the South Recreation Club. Each begins at 8 a.m.

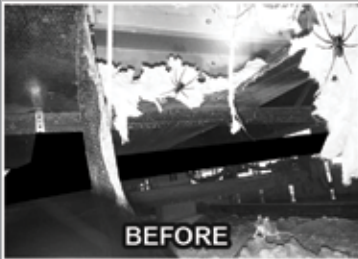

WEEKLY BINGO

Bingo players get two opportunities each week to apply their skills -- and maybe enjoy a bit of luck. On Tuesdays the game is at the North Clubhouse and on Thursdays it's at the South Clubhouse. Starting time at each location is 7 p.m. Don't forget your badges! They must be worn to play.

HELPING HANDS

Ted Silva 508-965-6072

Something new has been added to the service provided by Helping Hands: We'll provide transportation for activities within Palm Hill!

Want to go to bingo...pot luck...meetings...social events...shuffleboard...whatever? If it's a Palm Hill event, we'll pick you up, take you to the site, and return you to your home.

We'll need as much advance notice as you can give, but no less than two days.

This new service is in addition to our traditional role of providing transportation to locations outside Palm Hill for doctor visits, eye exams, bank trips, grocery shopping, beauty parlor appointments, etc.

In addition, we try to arrange for "comfort visits" to residents who live alone, or maybe can't get out and might just like to have someone come by to visit. If you want someone to stop by occasionally, or know someone who would like to have a visit, please call.

Helping Hands does not charge for any service, and volunteers do not accept any "tips" of any kind.

...continued on page 40

If there's no answer when you call, leave a message. If you don't get a response in a reasonable time, please call Carl Simon at 727-475-0489.

We're always looking for volunteers. If you want to help, please call Ted Silva at 508-965-6072.

MORTON PLANT TRANSPORTATION SERVICE

Morton Plant's free Care Van Services is available to Palm Hill residents.

The service provides transportation to the following Morton Plant-related medical facilities:

Axelrod Pavilion, BayCare Laboratories, Cheek-Powell Heart and Vascular Institute, Morton Plant Hospital Campus, Ptak Orthopaedic and Neuroscience Institute, Turley Family Health Center

The service is available Monday through Friday from 8 a.m. to 3 p.m. Those using it must be able to get in and out of the van without assistance. Reservations can be made by telephoning 727-461-8548.

MESCO

Linda Simon 727-559-0164

Our volunteers for June are:

Charlotte Ernest, telephone 585-5845
Carl Simon, telephone 559-0164

MESCO would like to thank the South Recreation Club for their generous recent donation. These donations make MESCO possible to survive.

Any resident of Palm Hill who needs medical equipment should contact one of this month's MESCO volunteers to see whether what's needed is available. If it is, the use of the equipment is free of charge. Be sure to return the item when it is no longer needed.

RCS

Charlotte Ernest 727-585-5845

Summer is here, and because many snowbirds have left Palm Hill we need to concentrate even more than usual on donations.

Please remember to bring a donation when you come for coffee or an event. Donations can be made at any time, of course, in the RCS barrels in both clubhouses.

FREE EAR WAX REMOVAL

Bonnie Sharp 727-585-7159

St. John's Hearing Institute, which operates various hearing-aid centers, will offer free ear wax removal on Wednesday June 5 at the North Clubhouse from 9 a.m. to noon. Reservations may be made by calling the company at 727-345-8668 (Note the changed phone number from previous listings.)

The event takes place the first Wednesday of each month.

PALM HILL TRAVEL WITH PAT AND MARSHA

Pat Foor 727-631-3372 and Marsha Leonard 937-477-7141

Trips are listed according to date. Contact Pat or Marsha for further details and flyers. There is one bulletin board in each clubhouse with all the trips and sign-up sheets.
