From The Editor

Temporary - Nancy Platia

It is with great sadness that I must report the passing of our dear Editor, Bob Donegan. He held this position for several years and performed it with utmost accuracy and dedication.

He will be very sadly missed throughout the park in all activities that he participated in. May God be with you

It is now necessary to ask if any one of you would be willing to undertake this position.

I will be very glad to assist anyone who does undertake the Editors job. After doing it for 11 years I do not feel that I can continue to do this again for a long period of time and thus, I ask that someone step forward.

Georgeanne's <Helping Hands>

Contact Ted Silva

We hope you notice the name "modification" in the Helping Hands program. Nothing has changed, but our volunteers all agree that this should be a tribute to Georgeanne Donegan, who originally tarted Helping Hands at Palm Hill. We ask that from now on this service be referred to and remain as..... Georgeanne's Helping Hands." And it shall!

GEORGEANNE'S HELPING HANDS NEEDS HELP!

As most everything else in Palm Hill, we operate solely with volunteers. **If you want to get involved in a valuable service in the park, but don't have a lot of time and don't want to make a long term commitment, this could be the solution. We need drivers!**

We need people to help get residents to various appointments when they can't get there by themselves. It is totally non-committal. I coordinate between our "clients" and our volunteers. If someone calls because they need to go to Largo Medical Center, or some other appointment next week, I'll start calling our list of volunteers. If it's convenient for you to take the person where they need to go, that would be great. If you can't, that's fine too! There are no explanations and no commitments required.

We need both year round and snowbirds.

So....if you are comfortable and happy cruising around in the Largo traffic, enjoy all the restful time available waiting at red lights, and remain grateful that the kids still haven't taken away your driver's license..... WE WANT YOU!

Please call me (508-965-6072) and I'll explain what's involved.

Thanks

Ted

Palm Hill Recycles

- Back in October of 2011 Palm Hill took a leading step among retirement communities and launched a formal recycling program. In our first year alone, we recycled 150 TONS of what would have been trash and would have cost a significant amount of money to have the City of Largo haul it away.
- In 2013, as a result of the success and momentum of our recycling program, Homeowners Of Palm Hill won the Florida Communities of Excellence Trendsetters Award and this honor was highlighted in the April edition of the Florida Community Association Journal.
- If you recall, prior to our formal recycling program, we had a 6 dumpster train plus one dumpster in the Sanitation area in which to collect our trash. The City of Largo emptied all of them generally twice a week at a cost of \$59 each, or about \$35-\$40,000 a year.
- We are now in the sixth year of the program, building on the fact that several years ago the Largo City Manager agreed to pick up and remove all of our City-approved and compacted recycled goods from our Sanitation area at no cost to us.
- On average, our recycling effort collects and compacts over 3 tons of materials per week that the City hauls away free of charge. That saves us about \$6,000 per year, or more than

Continued on page 10

\$30,000 since the program started.

- In addition, we have a team of volunteers recycling cans and metals that are taken to the Sanitation Area. They take apart chairs, windows, motors, etc. and sell everything they possible can. They don't take apart television sets, but do dispose of them at no cost to Palm Hill. Since the start of our recycling program they have disposed of over 1,900 television sets.
- What they can sell has resulted in revenue for Homeowners of Palm Hill since 2011 of over \$41,000.
- Thus, since our recycling program started just over 5 years ago, together we have saved Palm Hill over \$70,000.
- Last year alone, the City of Largo estimates that we saved \$20,000.
- Can we do more? You bet.
- It is a fact that many homeowners in Palm Hill are helping by recycling, but some are not. Just take a walk on Monday or Tuesday and have a look at the trash bags set out for pickup. Many of them have newspapers, bottle, cans and other recyclables in them. They go right into the trash compactor and cost us all \$37.50 a ton to have hauled away. If they had been held for three more days until recycle pickup they would have been hauled away for free.
- **Recycling saves Palm Hill money, and it is the right thing to do.**
- Please do your part and sort and save your recycle materials for pickup on Thursday or Friday for the good of Palm Hill and our planet ... today and tomorrow.
- We are looking for more volunteers for the ongoing metal recycling efforts in the Sanitation area. If you would be willing to give us a hand, please give me a call.

Respectfully submitted,
Rick Gregorio
Chairman

Palm Hill Ladies' Golf Association Updates!

Can you believe it's March already! Time has flown, golf has been played, special events have had their day in the sun (or rain). Our final banquet has yet to come! Sadie Hawkins, for the FIRST time in 29 years, had to be cancelled due to rain and its rain date the following day was also cancelled due to bitter cold! Weather – one of the few things we have no control over. Next year we look forward to starting another 29 year stretch of good Sadie weather. Fortunately, an excellent supper was attended by all golfers and partners in the usual Palm Hill spirit – positive and reaffirming!

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 727-585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website. We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

He loves to entertain singing favorites form Dean, Frank, Josh Groban, and his tribute to Neil Diamond and "The King" Jim and Mikki's duets will have you tapping your toes, singing along. The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Computer Club News

Contact: Ed Becker 727-266-4521

By now, all of residents of Palm Hill are back in their southern homes. Those of us that are here year round, are glad you're back. I want to let you know that the Computer Club is also back in full swing. We meet every Tuesday in the South Park Recreation Hall at 1:30pm. In case you don't know about this Club, let me explain. We "hackers" get together every week and talk all about computers. If you have a question concerning a computer issue, bring it to the club. Someone at the club will probably be able to help you. It doesn't matter if you are brand new to computing or have had a lifetime of experience. All are welcome! Just bring a smile, your questions, paper and pencil (in case you want to write something down).

One more thing, which is very important, the meetings are free of cost. There are no dues to pay, no secret handshakes, and no scowling faces. We just get together, meet new people and help each other out with computer problems. I sure hope that you join us. See you all at the next meeting.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Palm Hill Travel with Pat and Pat

Contact: Pat Foor at 727-631-3372 or pat.foor@tampabay.rr.com

All Palm Hill trips are now listed according to date. Contact either Pat for further details and flyers. There is one bulletin board in each clubhouse with all the trips and sign-up sheets.
